RE: SASSED Board of Directors Meeting Report

The SASSED Board of Directors met on October 15, 2025 at the SASSED Administration Center.

One noteworthy item:

Our very own John Langton was approved to serve as the SASSED Facilities Specialist for a limited time to help them with their facilities planning. I believe this is a good move for SASSED and should result in a thorough examination of the current situation, as well as appropriate recommendations for the future.

The next SASSED Board of Directors meeting is November 19th, 2025 at the SASSED Administration Center offices in Lisle.
