To whom it may concern,

I am writing this letter to inform the Browning Public-School district that I, Patrick D. Armstrong Jr., will be resigning my position as the Napi 5th grade Immersion Homeroom teacher at the end of this school year on June 3, 2020. I will fulfill my contracted duties as a homeroom teacher to finish out the year. The reason for my exit, is I've excepted another job offer which starts at the end of June. It is with a heavy heart that I leave behind my students, coworkers, my Napi-family, and the Browning Public schools in this manner. But, I am so excited for what I have to offer in my new position. I will not be totally leaving the school district, instead offering my knowledge, background, and or expertise in a different setting. This decision was a very difficult decision to make, as I've found and have a love for the Browning School District, and its students. Please except my resignation in a positive way, as I am leaving with so many happy memories in and out of the schools, and especially with the students. One of my goals in life, is to make a positive change. What better way than that of being involved with students. Teaching, guiding, and preparing our youth for a bright and successful future is the goal, and focus of teacher creed. Thank you for your time.

Sincerely,
Patrick D. Armstrong Jr.
