Our Track and Field Head Coach Paul Jackson would like to attend a coaching clinic. It is in Sacramento, California at Sacramento City College. We are paying for this from our District General Athletics Fund for IVHS. The cost of this includes lodging, meals and gas, \$489.30. This is for 2 nights, 2 Breakfasts, 3 lunches and 3 dinners. The Clinic starts at 8:00 AM on December 19th so, Paul will drive down there on December 18th and stay the first night. He will attend the clinics for two days and then drive home on December 20th, leaving around 7:15 PM. The meal per diem is as follows: Breakfast \$8.50, lunch \$8.85 and dinner \$16.65.

Provide history/background information on your proposal:

I was unaware of the need to have approval for out of state trips to clinics. This is a great opportunity for Paul to gain knowledge about his sport. Coaches will be come better coaches through training. This clinic covers Psychology, Training theory, Biomotor Abilities, Biomechanics, Sprints/Hurdles/Relays, Endurance, Throws Jumps and Practical Application Lab.

List the advantages of your proposal:

This is one of the best and most thorough clinics that I have seen for Traack and Field. It is also the closest one to us.

List possible disadvantages of your proposal:

None
