Hello Kevin,

Registration for upcoming Fall Member Meetings ends soon!

This is an opportunity to come together as rural schools, learn from one another and talk about key issues that MREA should focus on in the upcoming legislative session.

MREA's Director of Legislative Action Sam Walseth will provide a legislative update, looking both at the previous legislative session and the upcoming landscape. Your input is imperative as we develop the MREA Platform for the upcoming year, identifying top lobbying priorities.

Please register for one of the virtual sessions listed below. Registration closes 2 days before each session.
