

C.L.A.I.M. Events Work Group
DRAFT – April 5, 2016

Focus/Beliefs: An educated and informed community is a keystone for the support of a high quality public education. Bringing timely, relevant information that affects education outcomes to our community is critical for future growth of District 97.

Goals: C.L.A.I.M. proposes to organize and support community outreach efforts and opportunities aimed at educating and informing our community about issues relevant to District 97.

Efforts to Achieve the Goal: CLAIM proposes community outreach and education via the following:

- Planning and Logistics; Annual State Legislators Forum
- Planning and Logistics for Public forums providing resources and pertinent information and discussions opportunities presented by key stakeholders, subject matter experts, District Administrators and others regarding legislative efforts and topical issues regarding education
- Creation and dissemination of information about District 97 issues
