Final Reading of a Revised Policy (Board Action Required)

The following revised policies are being presented to the School Board for final reading:

- 419 – Tobacco-Free Environment: Possession and Use of Tobacco, Tobacco-Related Devices and Electronic Delivery Devices

Brief Description: After tabling this policy at the November 25th meeting, the recommended language revision under the definition of “electronic delivery device” was checked with MSBA. We have deleted the language referencing “tobacco-cessation products”. MSBA is going to review the policy and will let us know if a new revision is recommended.
