Dear Dalhart Board members,

The Amarillo Independent School District is the fiscal agent for the Regional Day School Program for the Deaf. You are a member of the SSA for the RDSPD. This is valuable in that any student who is hearing impaired and served by ECI utilizes our parent infant advisor. Any hearing impaired student who needs a teacher of the deaf or an interpreter is eligible to attend the Amarillo RDSPD. By centralizing services to this low incidence population we can best serve our students. To remain a member of the SSA, your district does not have to do anything on an annual basis. The MOU with the Amarillo Regional Day School Program for the Deaf remains in effect. If you should ever want to withdraw from this SSA, you would need to put that in writing and submit to TEA by February of each calendar year. We look forward to working with you.

Sincerely,

Dr. Cynthia Sturkie
