

Special Programs

March, 2016

Special Education

Several reports were due to ODE this past month. We have been focusing on getting those done, updated and any corrections made that needed to be.

English Language Learners

ELL students are in the middle of the testing window for the new ELPA21. This is the newest version of the ELPA test.

AVID- Advancement via Individual Determination

The AVID students have designed and ordered the Sheridan AVID t-shirts. Plans are being formulated for the SHS AVID field trip.

Homeless

We have had many volunteers at the Angel's Attic. We have also helped many families with their basic needs. We have also had several groups reach out to help support the Angel's Attic.
