Dear Ms. Scherff:

Please accept my gratitude for your recent donation of \$750 to Waterford Union High School. Your commitment to the Burlington community and surrounding areas, and your efforts that resulted in this thoughtful contribution, are deeply appreciated. No goods or services were exchanged for your gift.

This donation will be directly allocated to address negative lunch account balances for students experiencing financial hardship. Your support is instrumental in ensuring that our students have consistent access to nutritious meals, which is paramount for their academic focus and overall well-being.

Your gift makes a significant and tangible difference in the lives of our students and their families, alleviating a considerable burden and fostering a more conducive learning environment. We are grateful for your partnership and your dedication to the welfare of our youth.

Waterford Union High School is indeed fortunate and grateful for your support. Your partnership will help to ensure that all of our students have the knowledge, skills, and experiences necessary to become successful and responsible adults.

Thank you once again for your generosity.

Sincerely,

Luke Francois, Ed.D.
