
**RESOLUTION OF THE BOARD OF TRUSTEES
OF THE _____ INDEPENDENT SCHOOL DISTRICT
REGARDING CONTINUED USE OF CURRICULUM SUPPORT SYSTEM**

STATE OF TEXAS

COUNTY OF _____

WHEREAS, the Board of Trustees of the _____ Independent School District recognizes the district-wide need for a sound and cost-effective curriculum support system:

THEREFORE, the Board makes the following findings of fact:

1. Except for its name, the TEKS Resource System is identical to the curriculum support system developed by the Texas Education Service Curriculum Management Program Cooperative, formerly named "CSCOPE," and under the name CSCOPE it has previously been continuously and successfully used within the District as a curriculum management tool in one or more previous school year(s).
2. No change to the curriculum management system currently in use by the District has been implemented for the 2013-2014 school year, and in making this resolution the Board does not intend or contemplate any such change.
3. The Board of Trustees approves the continued use of the TEKS Resource System as the District's curriculum support system.
4. Because the District has made no changes in its curriculum management system for the 2013-2014 school year and does not currently anticipate adopting a new curriculum management system, no further action of the District is necessary to comply with the requirements of Texas Education Code Section 28.002.

BE IT SO RESOLVED.

Adopted on this ____ day of _____, 2013.
