Governing Board Principal's Report

Copper Creek Elementary School

Tanya Wall, Principal

School Mission

The mission of Copper Creek Elementary School is to provide a quality learning environment that develops socially responsible individuals who possess the self-worth, motivation, and skills to become contributing members of our society.

We Believe....

- Children are our future and their education is one of the most important **responsibilities** of our community.
- Parents, staff and students share **ownership** of the children's education.
- Children are expected to develop **respect** for themselves, property and other people.
- Children deserve to learn in a **safe and positive environment** where love and care are demonstrated.
- Recognizing **individual differences**, all children can learn and experience success.
- Children are expected to develop a strong work ethic.
- Children's individual ideas are **valued**.
- **EVERY CHILD MATTERS AND EVERY MOMENT COUNTS**
