1. What are the key factors in your decision to leave the Derby Schools?
An opportunity came my way that I could not pass up.
2. Where do you plan to work next?
Church Homes, Inc. / Avery Heights - Noble Horizons

3. What do you regard as the strengths of the school or the district?

I believe that one of the biggest strengths of the district office is that everyone works as a team.

4. What recommendations would you offer for the improvement of your school or the district?

The only recommendation I can give is to maybe have a little more help at central office.

5. What was your greatest disappointment during your time in Derby?

I believe my biggest disappointment will be having to say goodbye. I have truly enjoyed working in the central office.

6. What was your proudest accomplishment during your time in Derby?

I think my biggest accomplishment was helping to implement the online registration and getting away from hard copies as of January 1, 2018.

7. Do you have any other observations or suggestions that might be of benefit to our school district?

The only real observation or suggestion I would have is to really try and promote parents registering their child before August. Maybe put on our website/local paper/signs a two week period in the Spring for registration.
