Section 5. School in Session: The School District reserves the right if school is in session, to cancel any of the above holidays and establish another holiday in lieu thereof. Any legal holiday or holiday which falls within an employee's vacation period shall not be counted as a vacation day.

Section 6. Eligibility: In order to be eligible for holiday pay for a named holiday, an employee must have worked his/her regular work day before and after the holiday unless he/she is on excused illness, on vacation, on floating holiday, or on approved leave under Article IX, Section 3, Subdivision 4 under these provisions. This requirement for working the day before / day after a named holiday does not apply to floating holidays. If the floating holidays are not used by June 30 of any given year, they do not carry forward into the following year.

Subd. 1. An employee on an approved leave of absence without pay shall not be eligible for holiday pay during such leave of absence, unless the duration of the leave is for 5 working days or less, either before and/or after the holiday.

Section 7. Application: This Article shall apply only to employees regularly employed at least 170 days per year and at least twenty (20) hours per week and only if such holiday falls during the employee's work year.

ARTICLE XI
SENIORITY, ASSIGNMENT ELIMINATION, LAYOFF AND RECALL

Section 1. Recognition: The School District agrees to recognize the principle of seniority concerning the reduction of the work force as established in this Article. The district shall prepare and maintain a seniority list for each Group, as established below, listing each employee's seniority date and current Position and Assignment and shall update such list as changes occur. The Association shall be provided with the seniority list no later than November 1 of each year. Association members will also be provided with the current seniority list upon request during the course of the year.

Section 2. Definitions:

Seniority - the length of an employee's continuous service in this bargaining unit, pursuant to the rules of this Article, with the employee's seniority date being established as the first day of continuous permanent employment in the bargaining unit. If more than one employee began working on the same date, their respective seniority rankings shall be determined by:

- a. Date the application was completed.
- b. Date the employee completed the required test.
- c. Date the employee was approved for employment in a Position in this bargaining unit by the School Board.
- d. Determination by the Superintendent. The Superintendent's determination shall be final and binding and shall not be subject to the grievance procedure.

Assignment – the specific work location and hours per day associated with the various Positions.

Position - the job title. A variety of Assignments may exist within any Position title.

Level – the pay grade associated with each Position in Appendix A and C.

Group / Grouping – a set of Positions that share similar skills, training and responsibilities, as defined below:

| <u>Education Group</u> | <u>Health Services Group</u> |
|-------------------------------|------------------------------|
| Noon Duty Supervisor | Health Office Asst II |
| Special Education Para II | Health Office Asst IV |
| Special Education Para III | Special Ed. Health Care |
| Special Education / Noon Duty | Specialist |
| Title I Paraprofessional | |
| Title I / Noon Duty Para | |
| Teacher Assistant | |
| Teacher Assistant / Noon Duty | |

If new Positions are created and added to this bargaining unit, the district will determine the Group placement of the Position, after discussion with the Association.

Comparable Number of Hours: The prospective Assignment is scheduled for no more than 1 hour more and no less than 1 hour less than the Assignment the employee held immediately previously.

Eliminated: Elimination of an employee's Assignment means the Assignment either ceases to exist altogether, or is reduced in scheduled daily time by more than two hours per day, or is reduced in such a fashion as would cause the employee to no longer be eligible for insurance benefits, or would cause the employee to no longer be eligible for inclusion in this bargaining unit.

Section 3. The School District will determine the Assignment(s) to be Eliminated and will then notify the affected employee(s) as soon as practicable but no less than two (2) working days prior to effecting such change. An employee whose Assignment is Eliminated will first be administratively assigned to any existing vacant Assignment within the same Group provided that the Assignment is at the same Level and a Comparable Number of Hours. This reassignment does not preclude the possibility of other employees also being administratively reassigned, as reassignment is a managerial right.

Section 4. An employee whose Assignment is Eliminated may displace (bump) a less senior employee at the same or lower Level within the same Group if no other Assignments within the Group are vacant, or if the only vacant Assignments are not of a Comparable Number of Hours. The district retains administrative discretion to assign employees.

Section 5. A person who is eligible to bump according to the above terms may displace another less senior employee in the same Group whose Assignment is of a Comparable Number of Hours or lesser scheduled time. An employee may not bump into an Assignment in a higher pay Level or different Group than that which the employee held at the time the employee's position was Eliminated.

Section 6. If there are no Positions available in the same Group into which an employee may either bump or be assigned, the employee shall be placed on layoff.

- a. An employee on layoff shall be recalled based on seniority to an Assignment that is of the same or lower Level within the same Group as the employee held immediately prior to layoff.
- b. The District will recall an employee on layoff based on seniority to a vacant Assignment in the same or different Group as the employee was in immediately prior to the layoff provided the employee has the skills and qualifications to be able to perform the duties associated with the Position, but an employee is not required to take an Assignment in a different Group.
- c. If the employee does not accept a recall offered by the district to an Assignment of the same Level within the same Group as the one the employee held immediately prior to layoff, that is scheduled for not more than one hour per day more than the Assignment the employee held immediately prior to layoff, the

employee's employment, seniority, and right of recall shall end.

- d. The District will recall an employee on layoff on the basis of seniority to any available Assignment of lower Level or of lesser hours per day within the same Group, but will not lose the right to recall if the employee does not accept such an Assignment. If the employee does accept such an Assignment, the employee will still have a right of recall to a higher Level or longer hour Assignment within the same Group as the employee held immediately prior to layoff, as provided herein, for the full length of the recall period.
- e. An employee has no right of placement or recall to any Assignment of a higher Level than the one s/he immediately previously held, but may apply and be considered for a vacancy in such an Assignment.

Section 7. An employee on layoff shall retain all accrued leaves of absence and benefits, and shall be eligible to fully use those accrued leaves of absence and benefits if recalled to an Assignment that is eligible for such leaves and benefits. If the employee is recalled to an Assignment that is not eligible for the applicable leaves and benefits, the employee shall not be able to use those leaves and benefits during the time the employee is in the Assignment that is ineligible for the leaves and benefits. However, the accrued leaves or eligibility for benefits shall not be eliminated from the employee's accrual. If an employee who is recalled to an Assignment that is not eligible for the leaves and benefits subsequently returns to an Assignment that is eligible for the leaves and benefits, the employee shall resume eligibility to accrue and use the leaves and benefits as if the employee were at the same point of employment as s/he was before the layoff, irrespective of the length of time the employee serves in the 'ineligible' position. If an employee is laid off and the entire recall period elapses without the employee returning to employment in this bargaining unit, all accrued leaves of absence and eligibility for benefits shall be eliminated or shall cease.

Section 8. An employee on lay-off shall retain their seniority rights to recall within level in seniority order for a period of eighteen (18) months after the original date of lay-off.

Section 9. The District will hire no new employee for an Assignment within this bargaining unit while there is any bargaining unit employee who is qualified to fill the Assignment on layoff, unless all bargaining unit employees on layoff have declined recall to the available Assignment according to the terms above.

ARTICLE XII VACANCIES AND JOB POSTING

Section 1. Posting of Vacancies: All permanent vacancies in positions covered by this Agreement that are posted between the last day of a school year and the first day of the subsequent school year will be posted for a minimum of five (5) working days. Any such vacancy that is posted during the school year (starting with the first student day and ending with the last student day) will be posted for a minimum of three (3) working days. A permanent vacancy is defined as one anticipated to last more than one (1) year. A temporary vacancy is defined as one anticipated to last less than one (1) year. A vacancy may be filled temporarily

pending completion of posting and application procedures. Posting shall not apply in lateral transfer involving two permanent employees or in temporary vacancies. A lateral transfer shall be defined as the transfer of an employee to another position at the same level within a building or to another position at the same level in another building. The School District will send notice of the posting to the current identified Union Steward(s).

Section 2. Application for Vacancies: All employees under this Agreement, including those on lay-off status, may submit application for any vacancy which is posted pursuant to this Article.

Subd. 1. Employees may volunteer to take a proposed lateral transfer, however, the selection of an employee to take said lateral transfer shall be at the sole discretion of the School District.

Subd. 2. The School District shall notify employees selected for transfer at least two (2) working days prior to the actual transfer.

Section 3. Notice of Successful Appointment: The Association president shall be notified of the candidate selected to fill the vacancy.

Section 4. Filling of Vacancies:

Subd. 1. The position shall be filled by the School District with the best qualified candidate as determined by the School District. The School District reserves the right to fill any position with an outside applicant if internal candidates do not have the needed qualifications for the position or if no internal candidates apply. In making its determination the School District shall consider the employee's qualifications and aptitude for the position as well as length of service with the School District along with other relevant factors.

Subd. 2. The decision of the School District shall be final and binding and the parties agree that such decision shall not be subject to the grievance procedure.

ARTICLE XIII MEET AND CONFER

Section 1. The School District and association agree to meet and confer.

Section 2. The association shall select a representative(s) to meet and confer with the Director of Administration and Human Resources on matters not contained in this Agreement.

Section 3. The School District shall provide the facilities and set the time for such conferences to take place, providing either party makes a request for such meeting.

ARTICLE XIV
PROBATIONARY PERIOD, DISCIPLINE AND DISCHARGE

Section 1. Probationary Period: An employee under this Agreement shall, under the provisions of this Agreement, serve a probationary period of 390 days upon which the employee performs scheduled work for twelve (12) month employees and 260 days upon which the employee performs scheduled work for less than twelve (12) month employees. During the employee's probationary period, the School District shall have the unqualified right to suspend without pay, discharge or otherwise discipline such employee; and during this probationary period, the employee shall have no recourse to the grievance procedure insofar as suspension, withholding of scheduled salary increase, discharge or other discipline is concerned. However, a probationary employee shall have the right to bring a grievance on any other provision of the contract alleged to have been violated.

Subd. 1. A probationary employee recalled after a layoff to the same type of Position shall be entitled to complete their probationary period in the new position.

Subd. 2. An employee recalled to a different Position after a layoff shall serve an additional probationary period of 120 days upon which the employee performs scheduled work in the new position. Unacceptable performance will result in the employee's return to lay-off status.

Section 2. Probationary Period - Change in Position: An employee transferred or promoted to a different Position shall serve a new probationary period of 120 days upon which the employee performs scheduled work within the new Position. An employee who is unwilling or unable to perform the requirements of the new Position will not be reassigned or permitted to bump to the position the employee held immediately prior to the transfer or promotion.

Section 3. Completion of Probationary Period: An employee who has completed the probationary period may be reprimanded (oral or written), suspended without pay, discharged, or have a scheduled salary increase withheld, only for just cause. An employee who has completed the probationary period and is disciplined in the above manner shall have access to the grievance procedure.

ARTICLE XV
SEVERANCE

For severance terms for employees hired prior to July 1, 1994, please see the attached Memorandum of Agreement. Employees hired on or after July 1, 1994 are not eligible for severance.

ARTICLE XVI
MATCHING 403(b) PLAN

Section 1. Application: All employees in this bargaining unit are eligible to participate in the School District's 403(b) plan, regardless of whether an employee is eligible for any matching contributions from the School District. Eligible employees who are employed by the

School District and are participating in the School District’s 403(b) Plan will be eligible to receive a matching annual contribution by the School District pursuant to M.S. 356.24 according to the provisions contained in this Article and the School District 403(b) Plan documents. The School District will match the annual contribution of any employee who is a part of this bargaining unit in the amount of a flat \$350, irrespective of the employee’s pay level, number of years of service, or number of scheduled hours per day. In addition to this flat amount, the School District will match the amount of the employee’s annual contribution as determined by the following schedule and increments to be set by the plan documents:

| <u>Years of Service</u> | <u>4 or more hours per day</u> | |
|--|--------------------------------|-------|
| 1 -10 years of service <u>completed</u> | A-11 | 500 |
| | A-12 | 500 |
| | A-13 | 500 |
| | B-21 | 750 |
| 11-20 years of service <u>completed</u> | A-11 | 750 |
| | A-12 | 750 |
| | A-13 | 750 |
| | B-21 | 1000 |
| 21 or more years of service <u>completed</u> | A-11 | 1,000 |
| | A-12 | 1,000 |
| | A-13 | 1,000 |
| | B-21 | 1,250 |

The above amount will be divided by 18 and rounded to the nearest whole dollar amount to calculate the per pay period match amount.

Section 2. Years of Service: “Years of Service” shall mean years of regular employment in the School District. Years of Service shall be counted from the employees’ initial date of employment as a regular employee.

Section 3. Limits Regarding the School District’s Matching Contribution: The School District’s total employee lifetime matching contribution shall be limited to \$25,000.00 (twenty-five thousand dollars) for each participating employee.

Section 4. Deduction From Severance: The School District's total matching contribution to an individual employee’s 403(b) Plan will be deducted from any severance the individual employee is eligible for pursuant to this or any other School District contract or policy.

Section 5. Eligibility: This Article shall apply to employees who are regularly employed at least one hundred and seventy (170) days per year and twenty (20) hours per week

on a regular assignment and shall not apply to employees employed less than one hundred and seventy (170) days per year and twenty (20) hours per week. This Article shall not apply to those employees hired after December 31, 1986 and prior to July 1, 1994 who are listed as eligible for severance but not for 403(b) in the Memorandum of Understanding establishing severance terms.

ARTICLE XVII PHYSICAL EXAMS

Section 1. New Employees: The School District may require that a new employee obtain a physical examination prior to employment from a physician designated by the School District. If the School District requests a physical examination, the cost of the examination shall be borne by the School District.

Section 2. Application: A physical examination may be required of any employee upon demand by the School District. Such extra examination shall be paid for by the School District. The School District reserves the right to select the doctor or clinic. Should an employee be suspended for health reasons, examinations for re-employment by the School District selected doctor shall be at the employee's expense.

ARTICLE XVIII GRIEVANCE PROCEDURE

Section 1. Grievance Definition: A "grievance" shall mean an allegation by an employee, a group of employees, or the association resulting in a dispute or disagreement as to the interpretation or application of any term or terms of this Agreement. However, the association also may file a grievance concerning an allegation that an express association right has been violated.

Section 2. Representative: The employee, administrator, exclusive representative or School District may be represented during any step of the procedure by any person or agent designated by such party to act in his/her behalf.

Section 3. Definitions and Interpretations:

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all week days not designated as holidays by state law.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday or a legal holiday, in

which event the period runs until the end of the next day which is not a Saturday, a Sunday or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a dated postmark of the United States mail within the time period.

Subd. 5. Formal Grievance: A grievance shall be considered a formal grievance when it is reduced to writing and presented to the School District.

Section 4. Time Limitation and Waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School District's designee, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within twenty (20) days after the date the event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the School District's designee.

Section 5. Adjustment of Grievance: The School District and the employee shall attempt to adjust all grievances which may arise during the course of employment of any employee within the School District in the following manner:

Subd. 1. Level I: If the grievance is not resolved through informal discussions, the Director of Administration and Human Resources or his/her designee shall give a written decision on the grievance to the parties involved within ten (10) days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Director of Business Services, provided such appeal is made in writing within seven (7) days after receipt of the decision in Level I. If a grievance is properly appealed to the Director of Business Services, Director of Business Services or his/her designee shall set a time to meet regarding the grievance within fifteen (15) days after receipt of the appeal. Within ten (10) days after the meeting, the Director of Business Services or his/her designee shall issue a decision in writing to the parties involved.

Section 6. School Board Review: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure at the request of the grievant or at its own instance, provided the School District or the grievant provides written notice within ten (10) days after a decision in Level I or Level II has been rendered. In the event the School Board determines to review a grievance it shall hold a hearing and issue a decision within twenty (20) working days after the written notice. The association shall receive written advance notice as to the date of the said hearing. In the event of such review, the School Board reserves the right to affirm, reverse or modify such decision. At the option of the School Board, a committee or representative(s) of the School Board may be designated by the School Board to hear the appeal at this level, and report its findings and recommendations to the

School Board.

Section 7. Denial of Grievance: Failure by the School District or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

Section 8. Arbitration Procedures: In the event that the employee and the School District are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the Director of Business Services within ten (10) days following the decision in Level II or within ten (10) days after the decision of the School Board if the School Board reviews a decision pursuant to Section 6 of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the prior submission of a grievance under the terms of this procedure, the parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the BMS to forward a panel of five (5) arbitrators, providing such request is made within twenty (20) days after request for arbitration. The request shall ask that the appointment be made within thirty (30) days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from the BMS within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing denovo.

Subd. 5. Scheduling of Grievance Matters: Scheduling of grievance hearings pursuant to Section 5, Subd. 1 (Level I) and Subd. 2 (Level II) shall be outside of working hours whenever practical. Arbitration proceedings shall be scheduled during non-duty hours except if otherwise agreed by the parties. In the event the parties agree to schedule such arbitration proceedings during the regular duty day, employees shall not lose wages due to their necessary participation within the following limitations:

- a) The School District will compensate a number of employees equal to the number of persons participating in the grievance procedure on behalf of the School District, or
- b) If the number of persons participating on behalf of the School District is

less than three (3), three (3) employees may still participate in the proceedings without loss of wages.

Subd. 6. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before him shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided by in the PELRA.

Subd. 7. Expenses: Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. The requesting party shall pay the full cost of transcribing and recording of the proceedings and transcript copy. If both parties request a transcript or recording, the cost shall be equally shared. If the second party orders a transcript after the first party has paid for transcribing and recording, the second party shall also reimburse the first party for one-half (1/2) of those costs incurred, in addition to paying for the transcript copy.

Subd. 8. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written Agreement, nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein, nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, and organizational structure and selection and direction and number of personnel. In considering any issue in dispute, in its order, the arbitrator shall give due consideration to the statutory rights and obligations of the public School Board to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

Section 9. Election of Remedies and Waiver: A party instituting any action, proceeding or complaint in writing in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Article. Upon instituting a proceeding in another form as outlined herein, the employee shall waive his/her right to initiate a grievance pursuant to this Article, or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in this Agreement or to enforce the award of an arbitrator. Further, this section shall not be construed to preclude an employee from pursuing a remedy otherwise provided by federal or state law.

Section 10. Grievance Form: Grievances must be filed on the form provided in this Agreement. Forms shall be supplied by the School District pursuant to Attachment D hereof.

ARTICLE XIX

MEMORANDUM OF UNDERSTANDING
between Independent School District No. 831
and the Education Minnesota - Forest Lake Association of Educational Paraprofessionals

1. The following employees are eligible for Severance, subject to Minn. Stat. §465.72, provided each employee is at least 55 years of age at the time of retirement:

Cynthia Svardahl
Allison Greniger
Karen Owen

2. The above-named employees shall be eligible for severance pay, pursuant to the provisions of this Memorandum, upon submission of a written resignation accepted by the School District. Severance pay shall not be granted to any employee who is discharged for cause by the School District. Except as otherwise agreed to by the School District, the employee must provide three (3) months of written notice of intention to retire for purposes of this Article.

3. An eligible employee, upon retirement, shall receive as severance pay an amount representing the employee's total accumulated sick leave hours, paid at the employee's hourly rate of pay on the last day of employment prior to severance, and shall not include any additional compensation such as overtime pay, extended employment, or other extra compensation.

4. An employee shall receive the severance pay in two (2) equal installments, the first one-half (1/2) shall be paid upon separation from the School District pursuant to this Article, and the second one-half (1/2) shall be paid January 1 of the following calendar year. In the event that a retired employee dies before all or a portion of the severance pay has been disbursed, that balance due shall be paid to a named beneficiary, or lacking same, to the deceased's estate.

5. To be eligible for this severance, a named employee must have been regularly employed at least 170 days per year and twenty (20) hours per week on a regular assignment and shall not apply to employees employed less than 170 days per year and twenty (20) hours per week. If an employee has reached the terms of eligibility for the terms of this Article according to this Section, is then laid off of a position in which the employee would have been eligible for the terms of this Article, and is recalled (within the recall time frame) to a position that is not eligible for the terms of this Article, the employee shall still be eligible for the terms of this Article because the employee had reached eligibility prior to being laid off. If an employee is not recalled within the recall period, the employee may retire during or at the end of the recall period and will then be eligible for the benefits established in this Article.

6. If any otherwise eligible employee should die before resignation, the severance pay shall be made payable to his/her designated beneficiary, and if no designated beneficiary is in effect at the time of death, to said employee's estate.

7. Employees listed above are eligible for the District's matching contribution to the employee's 403(b) account in the amount of the flat rate available to all members of this bargaining unit irrespective of hours, length of service, or pay classification, listed in Art. XVI, Section 1. For employees listed above receipt of the District's matching contribution in the amount of the flat rate listed in Art. XVI, Section 1 shall not result in deduction from the employee's severance.

8. Employees who are not listed as eligible for one of the above severance provisions are not eligible for severance, and are eligible for District match to the employee's 403(b) contribution if eligible under the terms of that Article.
