Superintendent

ACTION

BACKGROUND INFORMATION

State Graduation Requirements were modified this past legislative session via HB3 and later this school year by State Board of Education rule. We need to examine the implications for Local Policies affected by these changes as we plan for 2010 – 2011 and beyond.

ADMINISTRATIVE RECOMMENDATION

Site-Based Teams have met to discuss these Policies and have recommendations prepared to be presented at Board Meeting. Attached are copies of existing Policy for review, and of new Graduation Plans in effect for 2010-2011 and beyond.
