## **Background Information**

The instructional partnerships between a Texas public secondary school (Duncanville/Collegiate High School) and the college campus of Dallas College must have an approved dual credit agreement approved by the governing boards or designated authorities of both Duncanville Independent School District and Dallas College prior to the offering of dual credit courses. The initial term of this agreement shall be in full force and effect for a period of twelve (12) months beginning August 1, 2025, and ending July 31, 2026.

Due to this partnership, 171 DHS seniors were able to earn college credits of 3 hours or more, 74 Associate degrees were earned, and 8 level-one certificates (which require 15-21 dual credit hours).
