# MISSION

Our Mission at Cabot Panther Academy is to reimagine education by building relationships, inspiring every student to reach their full potential, teaching them academics and life skills, guide them to become successful, productive citizens, and helping them find their own strengths and unique abilities.

# Proposed Amendments

# AMENDMENT REQUESTS

- Add our Cabot Learning Academy (k-12) to the Cabot Panther Academy Charter.
  - Existing buildings
- Amend the existing waivers, which CPA has, to only apply for students in grades 5-12

# RESPONSE TO FEEDBACK FROM CAP MEMBERS

## RATIONALE FOR ADDITION OF CLA

- Under our present coding system, students at CLA are moved to different “houses” within their own building versus to a separate LEA.
- Our students and staff need to be coded to one LEA for data and assessment purposes.

# ACCOUNTABILITY QUESTIONS

- As CPA is classified as ALEs, it does NOT receive an A-F ranking from the state. However, every student enrolled at CPA is coded back to their respective homeschools, and counts towards the homeschool's accountability measure.
- Cabot Panther Academy and CLA, as an ALE, would be evaluated the same as any other ALE under A.C.A. § 6-48-104
- Further, Cabot Panther Academy is evaluated and considered for potential renewal as any under conversion charter school under A.C.A. § 6-23-204
