

Northland Community Schools

Independent School District
#118

School Board Report

Date: 09/10/25

Report Submitted by: Janessa Green (Elementary Principal)

DISTRICT MISSION STATEMENT: *To educate and inspire all learners to reach their full potential.*

(HRS Level 2 & 3) **Annual District Improvement Goal:** 100% of students will show a minimum of 1 year's growth in reading, and the number of students meeting or exceeding grade level benchmarks will increase by 10% from fall to spring as measured by FastBridge assessments.

Celebrations:

- The first week and half of school has been a whirlwind, and it's great to have students back in the building. Teachers are embracing their new students and building those routines and procedures in their new classrooms.
- Workshop Week was August 26-28, it went really well. We had a good turnout for Open House.
- We will have a weekly Facebook post that highlights the amazing things PreK-5, first one went out last Friday.

Updates:

Early Childhood

- The Early Childhood team will be attending the EC Conference on Oct. 3, provided by Sourcewell.
- Fall EC Screening will be on Sept. 23 at Northland in the PreK building.

Elementary

- 5th Grade will be going to the Young Scientist's Conference on Oct. 2, provided by Sourcewell.
- Northland Elementary, has been prioritized for support under Minnesota's North Star accountability system, in accordance with the federal Every Student Succeeds Act (ESSA).
 - Northland Elementary has been identified for **Targeted Support** for students receiving special education services, and **Guided/Comprehensive Support** for American Indian students because not all exit criteria have been met
- [Local Literacy Plan](#)
- [Comprehensive Needs Assessment](#)
- [Schoolwide Improvement Plan](#)
- [Annual Goals](#)

(HRS Level 1) PBIS:

- Teachers are working diligently to teach the routines and procedures around our School Wide Eagle Pride Matrix.

- The Support Room isn't officially open until Sept. 22 in the elementary. If teachers need support with students, our Support Room para, Jamie Kendall, goes to that classroom to watch the class while the teacher processes the behavior with the student. This has been very successful in giving the teacher another opportunity to build relationships with the students when behaviors occur.
- We will continue doing weekly Eagle Pride ticket drawing for small prizes, and then we will be doing Eagle Pride classroom stores where students will use their golden tickets as points to purchase prizes.
- I'll share data starting next month.

Proposals:

- [Science Resource Proposal \(Elem\) - FY 26](#)
