¹ The deadline is August 22, 2022 (Mon.). Notice of the meeting to call the election should be posted at least 72 hours prior to the meeting.

² Bond counsel will provide the election official with appropriate notices of election for each polling location, typically after this deadline.

³ The first day to publish is October 9, 2022 (Sun.), and the last day is October 29, 2022 (Sat.). The San Antonio Express News is published daily. Notice must be submitted by 10 a.m. two business days before publication. Payment may also be required at that time. The entire notice must be published in all required languages. Send to: ccastillo@expressnews.net.

⁴ Because the deadline falls on Sunday, October 9, 2022, the Secretary of State typically moves the date to the next business day. This year, the deadline is affected by the Columbus holiday, which falls on Monday, October 10, 2022.

⁵ The early voting period for a November election is typically longer than for a May election. Because the first day of the early voting period falls on Saturday, October 22, 2022, the date moves to the next business day. The results from early voting are not available until 7:00 p.m. on election day.

⁶ School district bond elections must be held on in May (first Saturday) or November (first Tuesday after first Monday).

⁷ This canvassing time applies to a November election in odd-numbered years. Notice of the meeting to canvass the election should be posted at least 72 hours prior to the meeting.

⁸ Due to recent changes in state and federal law, final results including mailed and provisional ballots may not be available until the last two days of the canvassing period. An election with close results may be affected.
