

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: **March 10, 2020**

TITLE: **Approval of Donation of Wireless Access Points (WAPs)**

BACKGROUND:

The Purchasing/Warehouse Department for the District is responsible for the collection and disposition of surplus materials no longer required by District schools or administrative sites. Surplus materials received at the Purchasing/Warehouse Department are stored for sale, however, not all materials have value and buyers at auction do not exist for all items.

Arizona Revised Statute §15-342(18) states: *“Donate surplus or outdated learning materials, educational equipment and furnishings to nonprofit community organizations where the governing board determines that the anticipated cost of selling the learning materials, educational equipment or furnishings equals or exceeds the estimated market value of the materials.”*

With Governing Board approval, the District will donate 20 used Cisco WAPs to the Tanque Verde School District.

RECOMMENDATION:

It is the recommendation of the Administration that the Governing Board make the determination that the anticipated cost of selling these WAPs equals or exceeds the estimated market value and approve the donation of these WAPs to the Tanque Verde School District.
