BOARD OF EDUCATION

2:220 Board of Education Meeting Procedure

Agenda

The Board of Education President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Any Board member may submit suggested agenda items to the Board President for his or her consideration for an upcoming meeting. District residents may suggest inclusions for the agenda. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of Board of Education Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law.

The sequence for casting votes is as follows. The Board member that made the motion to vote will cast the first vote. The Board Member that seconded the motion to vote will cast the second vote. Remaining votes will then be cast in alphabetical order with the Board President always casting the final vote.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes.

Any Board member may include a written explanation of his or her vote in the District file containing individual Board member statements; the explanation will not be part of the minutes.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this

responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the District's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the President nor Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination.

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

4:10 Fiscal and Business Management

The Superintendent is responsible for the School District's fiscal and business management. This responsibility includes annually preparing and presenting the District's statement of affairs to the Board of Education and publishing it before December 1 as required by State law.

The Superintendent shall ensure the efficient and cost-effective operation of the District's business management using computers, computer software, data management, communication systems, and electronic networks, including electronic mail, the Internet, and security systems. Each person using the District's electronic network shall complete an *Authorization for Access to the District's Electronic Network*.

Budget Planning

The District's fiscal year is from July 1 until June 30. The Superintendent shall present to the Board, in June and approved in September, a tentative budget with appropriate explanation. This budget shall represent the culmination of an ongoing process of planning for the fiscal support needed for the District's educational program. The District's budget shall be entered upon the Ill. State Board of Education's *School District Budget Form*. To the extent possible, the tentative budget shall be balanced as defined by ISBE guidelines. The Superintendent shall complete a tentative deficit reduction plan if one is required by ISBE guidelines.

Preliminary Adoption Procedures

After receiving the Superintendent's proposed budget, the Board sets the date, place, and time for:

1. A public hearing on the proposed budget, and
2. The proposed budget to be available to the public for inspection.

The Board Secretary shall arrange to publish a notice in a local newspaper stating the date, place, and time of the proposed budget's availability for public inspection and the public hearing. The proposed budget shall be available for public inspection at least 30 days before the time of the budget hearing.

At the public hearing, the proposed budget shall be reviewed, including the cash reserve balance of all funds held by the District related to its operational levy and, if applicable, any obligations secured by those funds, and the public shall be invited to comment, question, or advise the Board.

Final Adoption Procedures

The Board adopts a budget before the end of the first quarter of each fiscal year, September 30, or by such alternative procedure as State law may define. To the extent possible, the budget shall be balanced as defined by ISBE; if not balanced, the Board will adopt a deficit reduction plan to balance the District's budget within three years according to ISBE requirements.

The Board adopts the budget by roll call vote. The budget resolution shall be incorporated into the

meeting's official minutes. Board members' names voting *yea* and *nay* shall be recorded in the minutes.

The Superintendent or designee shall perform each of the following:

1. Post the District's final annual budget, itemized by receipts and expenditures, on the District's Internet website; notify parents/guardians that it is posted and provide the website's address.
2. File a certified copy of the budget resolution and an estimate of revenues by source anticipated to be received in the following fiscal year, certified by the District's Chief Fiscal Officer, with the County Clerk within 30 days of the budget's adoption.
3. Ensure disclosure to the public of the cash reserve balance of all funds held by the district related to its operational levy and, if applicable, any obligations secured by those funds, at the public hearing at which the Board certifies its operational levy.
4. Present a written report that includes the annual average expenditures of the District's operational funds for the previous three fiscal years at or before the board meeting at which the Board adopts its levy. In the event the District's combined cash reserve balance of its operational funds is more than 2.5 times the annual average expenditures of those funds for the previous three fiscal years, the Board will adopt and file with ISBE a reserve reduction plan by December 31. [PRESSPlus1](#)
5. Make all preparations necessary for the Board to timely file its Certificate of Tax Levy, including preparations to comply with the Truth in Taxation Act; file the Certificate of Tax Levy with the County Clerk on or before the last Tuesday in December. The Certificate lists the amount of property tax money to be provided for the various funds in the budget.
6. Submit the annual budget, a deficit reduction plan if one is required by ISBE guidelines, and other financial information to ISBE according to its requirements.

Any amendments to the budget or Certificate of Tax Levy shall be made as provided in the School Code and Truth in Taxation Act.

Budget Amendments

The Board may amend the budget by the same procedure as provided for in the original adoption.

Implementation

The Superintendent or designee shall implement the District's budget and provide the Board with a monthly financial report that includes all deficit fund balances. The amount budgeted as the expenditure in each fund is the maximum amount that may be expended for that category, except when a transfer of funds is authorized by the Board.

PRESSPlus Comments

PRESSPlus 1. 105 ILCS 5/17-1.10(a), added by P.A. 103-394, requiring a board to present "at a board meeting" a written report that includes the annual average expenditures of its operational funds, which include the educational, transportation, and operation and maintenance funds. The average expenditures are calculated based on the district's most recently audited annual financial report (AFR). For ease of administration, this sample policy language manages presentation of the report in conjunction with the meeting at which a board adopts its levy, or earlier, if a district's AFR is available. Consult the board attorney if a district's AFR is not available before December 31 (the date by which a reserve reduction plan must be filed, if applicable); the board may need to rely upon estimated numbers in that scenario. If a district's ratio of its combined cash reserves of its operational funds to its average annual expenditures of those funds over the past three fiscal years exceeds 2.5, then the board must adopt and file a plan with the Ill. State Board of Education to reduce its cash reserves to expenditures ratio to at or below 2.5 within three years.

Each institution designated as a depository shall, while acting as such depository, furnish the District with a copy of all statements of resources and liabilities or all reports of examination that it is required to furnish to the appropriate State or federal agency.

The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) the District initiates the investment at or through a bank located in Illinois, and (2) the invested public funds are at all times fully insured by an agency or instrumentality of the federal government.

2. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution's commitment to its community;
3. The financial impact that the withdrawal or denial of District deposits might have on the financial institution;
4. The financial impact to the District as a result of withdrawing public funds or refusing to deposit additional public funds in the financial institution; and
5. Any additional burden on the District's resources that might result from ceasing to maintain deposits of public funds at the financial institution under consideration.

Collateral Requirements

All amounts deposited or invested with financial institutions in excess of any insurance limit shall be collateralized in accordance with the Public Funds Investment Act, [30 ILCS 235/](#). The Superintendent or designee shall keep the Board informed of collateral agreements.

Safekeeping practices should qualify for the Governmental Accounting Standards Board Statement No. 3, Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a quarterly investment report to the Board. The report will: (1) assess whether the investment portfolio is meeting the District's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the District, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

The Board will determine, after receiving the Superintendent's recommendation, which fund is in most need of interest income and the Superintendent shall execute a transfer. This provision does not apply when the use of interest earned on a particular fund is restricted.

Ethics and Conflicts of Interest

The Board and District officials will avoid any investment transaction or practice that in appearance or fact might impair public confidence. Board members are bound by the Board policy 2:100, *Board Member Conflict of Interest*. No District employee having influence on the District's investment decisions shall:

1. Have any interest, directly or indirectly, in any investments in which the District is authorized to invest,
2. Have any interest, directly or indirectly, in the sellers, sponsors, or managers of those investments, or

PRESSPlus 2. Updated in response to 105 ILCS 5/15A-1 et seq., added by P.A. 103-491, eff. 1-1-24. Under a *design-build* delivery system for a construction project, a board contracts with a *design-build entity* that furnishes architecture, engineering, land surveying, public art or interpretive exhibits, and other construction services, as required for the project. It allows a single contractor to manage both the design and construction of a project, creating the potential for greater efficiency. Contrast this method with the traditional *design-bid-build* delivery method, in which a board contracts with multiple entities and utilizes a competitive bidding process for certain contractors, such as a general contractor. 105 ILCS 5/15A-1 et seq., added by P.A. 103-491, eff. 1-1-24, does not impact a district's ability to use a qualification-based selection process under 50 ILCS 510/, Local Government Professional Services Act (LGPSA), to select design professionals or construction managers for design-build projects. 105 ILCS 5/15A-50. See sample policy 2:170, *Procurement of Architectural, Engineering, and Land Surveying Services*, available at PRESS Online by logging in at www.iasb.com. For design-build projects, consult with the board attorney as needed to ensure the district: (1) complies with the specific procedural requirements related to requests for proposals (RFPs) and evaluation of RFP submissions for these contracts, and (2) incorporates additional criteria for requests for proposals and evaluation of proposals based on local conditions and the specific project, as permitted by the statute. Note that under 105 ILCS 5/15A-20, added by P.A. 103-491, eff. 1-1-24, a board must employ or contract with an independent design professional or public art designer (as applicable) selected under the LGPSA to assist with developing the scope and criteria for performance for a request for proposal under a design-build delivery system. **Issue 113, October 2023**

OPERATIONAL SERVICES

4:130 Free and Reduced-Price Food Services

Notice

The Superintendent shall be responsible for implementing the District's free and reduced-price food services policy and all applicable programs.

If State funding is available for the Healthy School Meals for All Program, the Board will annually determine if it will participate in the program. [PRESSPlus1](#)

Eligibility Criteria and Selection of Children

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Dept. of Agriculture and distributed by the Ill. State Board of Education.

Notification

At the beginning of each school year, by letter, the District shall notify students and their parents/guardians of: (1) eligibility requirements for free and reduced-price food service; (2) the application process; (3) the name and telephone number of a contact person for the program; and (4) other information required by federal law. The Superintendent shall provide the same information to: (1) informational media, the local unemployment office, and any major area employers contemplating layoffs; and (2) the District's website (if applicable), all school newsletters, or students' registration materials. Parents/guardians enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

Nondiscrimination Assurance

The District shall avoid publicly identifying students receiving free or reduced-price meals and shall use methods for collecting meal payments that prevent identification of children receiving assistance.

Appeal

A family may appeal the District's decision to deny an application for free and reduced-price food services or to terminate such services as outlined by the U.S. Dept. of Agriculture in [7 C.F.R. §245.7](#), Determining Eligibility for Free and Reduced-Price Meals and Free Milk in Schools. The Superintendent shall establish a hearing procedure for adverse eligibility decisions and provide by mail a copy of them to the family. The District may also use these procedures to challenge a child's continued eligibility for free or reduced-price meals or milk.

During an appeal, students previously receiving food service benefits shall not have their benefits terminated. Students who were denied benefits shall not receive benefits during the appeal. The status of a student's appeal or eligibility for free or reduced-price food services shall not relieve the District of its obligation to provide him or her with a free meal or snack under the Hunger-Free Students' Bill of Rights Act if he or she requests one, regardless of his or her ability to pay.

The Superintendent shall keep on file for a period of three years a record of any appeals made and the hearing record. The District shall also maintain accurate and complete records showing the data and method used to determine the number of eligible students served free and reduced-price food services. These records shall be maintained for three years.

PRESSPlus 1. Optional. Updated in response to 105 ILCS 125/2.3, added by P.A. 103-532. Subject to appropriation, the Ill. State Board of Education (ISBE) is required to establish the Healthy School Meals for All Program. Participating boards must offer eligible meals, without charge, to all students enrolled in schools that participate in the National School Breakfast Program (NSBP) and National School Lunch Program (NSLP). To receive State reimbursement under the Healthy School Meals for All Program, a board must: (1) annually notify ISBE of its intent to participate in the program; (2) maximize its access to federal funds for NSBP and NSLP by participating in the CEP or another special assistance alternative, if eligible, and (3) operate the NSBP and NSLP in a manner that in the opinion of ISBE, draws down the most possible federal funding for meals served in the NSBP and NSLP. If State funding is insufficient to cover reimbursement of all interested boards, ISBE is required to inform eligible schools of the impact of the inadequate funding so that boards can make an informed decision about food service administration in their districts. **Issue 113, October 2023**

Free and Reduced-Price Food Services

4:130-E Exhibit - Free and Reduced-Price Food Services; Meal Charge Notifications

On District letterhead, website, in student handbook, newsletters, bulletins, and/or calendars

Date:

To: Parents/Guardians, Students, and Staff

Re: Eligibility and Meal Charge Notifications

The following notification is provided to all households of students [PRESSPlus1](#) at the beginning of each school year as federally required notification regarding eligibility requirements and the application process for the free and reduced-price food services that are listed in Board policy 4:130, *Free and Reduced-Price Food Services*, and 4:140, *Waiver of Student Fees*. This notification is also provided to households of students transferring to the District during the school year. For more information, see www.fns.usda.gov/school-meals/unpaid-meal-charges, and/or contact the Building Principal or designee.

Free and Reduced-Price Food Services Eligibility

When the parents/guardians of students are unable to pay for their child(ren)'s meal services, meal charges will apply per a student's eligibility category and will be processed by the District accordingly.

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Dept. of Agriculture, and distributed by the Ill. State Board of Education.

Meal Charges for Meals Provided by the District

The Building Principal and District staff will work jointly to prevent meal charges from accumulating. Every effort to collect all funds due to the District will be made on a regular basis and before the end of the school year. Contact your Building Principal or designee about whether your child(ren)'s charges may be carried over at the end of the school year, i.e., beyond June 30th.

Unpaid meal charges are considered delinquent debt when payment is overdue as defined by Board policy 4:45, *Insufficient Fund Checks and Debt Recovery* and the Hunger-Free Students' Bill of Rights Act ([105 ILCS 123/](#) ~~added by P.A. 100-1092~~). The District will make reasonable efforts to collect charges classified as delinquent debt, including repeated contacts to collect the amounts and, when necessary, requesting that the student's parent(s)/guardian(s) apply for meal benefits to determine if the student qualifies for such benefits under Board policy 4:130, *Free and Reduced-Price Food Services*. The District will provide a federally reimbursable meal or snack to a student who requests one, regardless of the student's ability to pay or negative account balance.

When a student's funds are low ~~or~~ and when there is a negative balance, reminders will be provided to

the staff, students, and their parent(s)/guardian(s) at regular intervals during the school year. State law allows the Building Principal to contact parents(s)/guardian(s) to attempt collection of the owed money when the amount owed is more than the amount of five lunches. If a parent/guardian regularly fails to provide meal money for the child(ren) that he/she is responsible for in the District and does not qualify for free meal benefits or refuses to apply for such benefits, the Building Principal or designee will direct the next course of action. Continual failure to provide meal money may require the District to notify the Ill. Dept. of Children and Family Services (DCFS) and/or take legal steps to recover the unpaid meal charges, up to and including seeking an offset under the State Comptroller Act, if applicable.

PRESSPlus Comments

PRESSPlus 1. Updated in response to the Pesticide Application at Schools Act (PASA), 105 ILCS 160/, added by P.A. 103-496. Areas prohibited from treatment include paved surfaces, playgrounds and playing fields, where children are typically present.

Pesticides is not specifically defined in PASA; however, the Illinois Pesticide Act (IPA) defines both *pesticides* and the subcategory of *restricted use pesticides*. 415 ILCS 60/4. PASA therefore appears broader than the IPA because it applies to all pesticides, including those that are not restricted use pesticides. However, PASA is narrower than the IPA in two ways. First, PASA's geographic scope is narrower than the IPA because PASA does not apply to "areas of school grounds where children are typically not present, including, but not limited to flower beds and lawns surrounding the school not used as playing fields." Second, PASA is narrower in that its prohibition is only in effect when students are in attendance for instruction, compared to the IPA prohibition that applies during *normal school hours* and could extend beyond instructional hours. For ease in administering these slightly different standards, an elementary or unit district may want to follow the more restrictive geographic and temporal prohibitions in the IPA but apply them to all types of pesticides. Professional Personnel

5:250 Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave, Personal Leave (Personal Days), Leave of Absence Without Pay (General Leaves of Absence), Child-Rearing Leave (Parental Leave), Jury Duty

Please refer to the applicable collective bargaining agreement(s).

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, [20 U.S.C. §2601 et seq.](#)) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave [PRESSPlus1](#)

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis, ^{Q1} an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Sabbatical Leave

Sabbatical leave may be granted in accordance with the School Code.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Leaves for Service in the Military

Educational Support Personnel

5:330 Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Full or part-time educational support personnel who work at least 600 hours per year receive 14 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to the maximum number of days that IMRF will recognize for retirement credit purposes.

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Vacation

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

Year 1 vacation may be used after 90 days. Employees starting mid-year will receive a prorated amount to be used after 90 days.

<u>Length of Employment</u>		<u>Monthly Accumulation</u>	<u>Maximum Vacation Leave Earned Per Year</u>
<u>From:</u>	<u>To:</u>		
Beginning of year 2	End of year 4	0.83 Days	10 Days per year
Beginning of year 5	End of year 10	1.25 Days	15 Days per year
Beginning of year 11	End of year 14	1.25 Days	1 additional day until
Beginning of year 15		1.67 Days	20 Days per year

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate, unless a six-month extension is granted by the Superintendent. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Unless the District has a waiver or modification of the School Code pursuant to [Section 2-3.25g](#) or [24-2\(b\)](#) allowing it to schedule school on a legal school holiday listed below, District employees will not be required to work on:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Columbus Day
Abraham Lincoln's Birthday	Day After Thanksgiving
Casimir Pulaski's Birthday	2024 ² Election Day PRESSPlus1
Memorial Day	Thanksgiving Day
Juneteenth National Freedom Day	Christmas Day
Independence Day	

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Days

The use of a personal day is subject to the following conditions:

1. When possible, notification and request for the personal day should be submitted to the Immediate Supervisor at least forty-eight (48) hours before the requested date.
2. Personal days may not be used immediately before or immediately after a holiday, or during the first and/or last two weeks of the school year, unless the Superintendent grants prior approval.
3. Personal days may only be used in increments of half day or full day increments. Personal days not used during the school year shall rollover into unused sick days at the end of the school year.

Leave to Serve as a Trustee of the Ill. Municipal Retirement Fund

Upon request, the Board will grant 20 days of paid leave of absence per year to a trustee of the Ill. Municipal Retirement Fund in accordance with State law.

6:15 School Accountability

According to the Illinois General Assembly, the primary purpose of schooling is the transmission of knowledge and culture through which students learn in areas necessary to their continuing development and entry into the world of work. Note that instruction on Native American nations' sovereignty and self-determination under 105 ILCS 5/27-21, amended by P.A. 103-422, does not specify a delayed implementation date. Instruction in events of the Native American experience and Native American history must include “the contributions of Native Americans in government and the arts, humanities, and sciences, as well as the contributions of Native Americans to the economic, cultural, social, and political development of their own nations and of the United States.” Additionally, in grades 6 through 12, the instruction must include “the study of the genocide of and discrimination against Native Americans, as well as tribal sovereignty, treaties made between tribal nations and the United States, and the circumstances around forced Native American relocation.” The Ill. State Board of Education (ISBE) is required to make instructional materials related to Native Americans available on its website, but not until 1-1-25. STUDENTS

7:60 Residence

Resident Students^{Q1}

Only students who are residents of the District may attend a District school without a tuition charge, except as otherwise provided below or in State law. A student's residence is the same as the person who has legal custody of the student.

A person asserting legal custody over a student, who is not the child's natural or adoptive parent, shall complete a signed statement, stating: (a) that he or she has assumed and exercises legal responsibility for the child, (b) the reason the child lives with him or her, other than to receive an education in the District, and (c) that he or she exercises full control over the child regarding daily educational and medical decisions in case of emergency. If the District knows the current address of the child's natural or adoptive parent, the District shall request in writing that the person complete a signed statement or affidavit stating: (a) the role and responsibility of the person with whom their child is living, and (b) that the person with whom the child is living has full control over the child regarding daily educational and medical decisions in case of emergency.

A student whose family moves out of the District during the school year will be permitted to attend school for the remainder of the year without payment of tuition.

When a student's change of residence is due to the military service obligation of the student's legal custodian, the student's residence is deemed to be unchanged for the duration of the custodian's military service obligation if the student's custodian made a written request. The District, however, is not responsible for the student's transportation to or from school.

If, at the time of enrollment, a dependent child of military personnel is housed in temporary housing located outside of the District, but will be living within the District within six months after the time of initial enrollment, the child is allowed to enroll, subject to the requirements of State law, and must not be charged tuition.

Residence of Students with Disabilities^{PRESSPlus1}

The residence of a child with a disability is determined in accordance with 105 ILCS 5/14-1.11, 5.14-1.11a, and 5/14-1.11b.

Admission of Nonresident Students Pursuant to an Agreement or Order

Nonresident students may attend District schools ~~tuition-free~~ pursuant to:

1. A written agreement with an adjacent school district to provide for tuition-free attendance by a student of that district, provided both the Superintendent or designee and the adjacent district determine that the student's health and safety will be served by such attendance.
2. A written agreement with cultural exchange organizations and institutions supported by charity to provide for tuition-free attendance by foreign exchange students and nonresident pupils of

charitable institutions.

3. According to an intergovernmental agreement.
4. Whenever any State or federal law or a court order mandates the acceptance of a nonresident student.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required to establish residency. Board of Education policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Challenging a Student's Residence Status

If the Superintendent or designee determines that a student attending school on a tuition-free basis is a nonresident of the District for whom tuition is required to be charged, he or she on behalf of the Board of Education shall notify the person who enrolled the student of the tuition amount that is due. The notice shall detail the specific reasons why the Board believes that the student is a nonresident of the District and shall be given by certified mail, return receipt requested. The Superintendent or designee shall ensure that the parent(s)/guardian(s) of a student who engages in aggressive behavior are notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures may include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges, in accordance with Board Policy 7:220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board Policy 7:200, *Suspension Procedures*. A student who has been suspended shall also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed two calendar years in accordance with Board Policy 7:210 *Expulsion Procedures*. A student who has been expelled shall also be restricted from being on school grounds and at school activities.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State Law. The transfer shall be in the manner provided in [Article 13A](#) or [13B](#) of the School Code.

14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), *look-alikes*, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. *Corporal punishment* is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Isolated Time Out, Time Out, and Physical Restraint

The district prohibits the use of isolated time out, time out, and physical restraint, as defined in [105 ILCS 5/10-20.33](#).

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than two calendar years:

1. A *firearm*, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code ([18 U.S.C. §921](#)), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act ([430 ILCS 65](#)), or firearm as defined in Section 24-1 of the Criminal Code of ~~1964~~2012 ([720 ILCS 5/24-1](#)).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including *look-alikes* of any *firearm* as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices [PRESSPlus2](#)

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member or is subject to a battery. ~~Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, Ill. State Police (ISP), and any involved student's parent/guardian.~~ *School grounds* includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Upon receiving ~~such a report~~ of (1), above, the Building Principal or designee shall immediately ~~notify the local law enforcement~~. In addition, upon receiving a report on any of the above (1)-(3), the Building Principal or designee shall notify the Superintendent or designee ~~agency, Ill. State Police (ISP),~~ and any involved student's parent/guardian. [Q1](#)

Upon receiving a report on any of the above (1)-(3), the Superintendent or designee shall immediately notify local law enforcement. The Superintendent or designee shall also report incidents involving battery against staff members to the Ill. State Board of Education through its web-based School Incident Reporting System as they occur during the year and no later than August 1 for the preceding school year. [PRESSPlus3](#)

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment or in-school suspension, which is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated (licensed) educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board of Education may suspend a student from riding the bus in excess of 10 days for safety reasons.

Student Handbook

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

***Required Question 1. The building principal must notify the student's parent/guardian only when the alleged offense is firearm possession. 105 ILCS 5/27.1A(b). The policy expands this notification duty to include drug-related incidents and battery of a staff member.

Would the board like to expand the notification duty, or align it with 105 ILCS 5/27.1A(b)?

Expand the notification duty to include drug-related incidents and battery of a staff member. (Default)

Align notification duty to 105 ILCS 5/27.1A(b). STUDENTS

7:270 Administering Medicines to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent(s)/guardian(s) believe that it is necessary for the student to take a medication during school hours, or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed *School Medication Authorization Form (SMA Form)* is submitted by the student's parent(s)/guardian(s). No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students within 15 days of student enrollment.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed an *SMA Form*. The Superintendent or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a *qualifying plan*, provided the student's parent/guardian has completed and signed an *SMA Form*. A qualifying plan means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) an allergy emergency action plan~~III. Food Allergy Emergency Action Plan and Treatment Authorization Form~~, [PRESSPlus1](#) (4) a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act.

The District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

School District Supply of Undesignated Epinephrine Injectors

The Superintendent or designee shall implement [Section 22-30\(f\)](#) of the School Code and maintain a

supply of undesignated epinephrine injectors in the name of the District and provide or administer them as necessary according to State law. *Undesignated epinephrine injector* means an epinephrine injector prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated epinephrine injector to a person when they, in good faith, believe a person is having an anaphylactic reaction. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

School District Supply of Undesignated Opioid Antagonists [PRESSPlus2](#)

The Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated opioid antagonists and provide or administer them as necessary according to State law. *Opioid antagonist* means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration. *Undesignated opioid antagonist* is not defined by the School Code; for purposes of this policy it means an opioid antagonist prescribed in the name of the District or one of its schools or obtained by the District without a prescription. A school nurse or trained personnel, as defined in State law, may administer an undesignated opioid antagonist to a person when they, in good faith, believe a person is having an opioid overdose. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law. See the website for the Ill. Dept. of Human Services for information about opioid prevention, abuse, public awareness, and a toll-free number to provide information and referral services for persons with questions concerning substance abuse treatment.

School District Supply of Undesignated Oxygen Tanks [Q1](#)

In schools where the District maintains special educational facilities, the Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated oxygen tanks in the name of the District and provide or administer them as necessary. The supply shall be maintained in accordance with manufacturer instructions and local fire department rules.

School District Supply of Undesignated Glucagon

The Superintendent or designee shall implement [105 ILCS 145/27](#) and maintain a supply of undesignated glucagon in the name of the District in accordance with manufacturer's instructions.

When a student's prescribed glucagon is not available or has expired, a school nurse or delegated care aide may administer undesignated glucagon only if he or she is authorized to do so by a student's diabetes care plan.

Administration of Medical Cannabis

The Compassionate Use of Medical Cannabis Program Act allows a *medical cannabis infused product* to be administered to a student by one or more of the following individuals:

1. A parent/guardian of a student who is a minor who registers with the Ill. Dept. of Public Health (IDPH) as a *designated caregiver* to administer medical cannabis to their child. A designated caregiver may also be another individual other than the student's parent/guardian. Any designated caregiver must be at least 21 years old and is allowed to administer a *medical cannabis infused product* to a child who is a student on the premises of his or her school or on his or her school bus if:

- a. Both the student and the designated caregiver possess valid registry identification cards issued by IDPH;
 - b. Copies of the registry identification cards are provided to the District;
 - c. That student's parent/guardian completed, signed, and submitted a *School Medication Authorization Form - Medical Cannabis*; and
 - d. After administering the product to the student, the designated caregiver immediately removes it from school premises or the school bus.
2. A properly trained school nurse or administrator, who shall be allowed to administer the *medical cannabis infused product* to the student on the premises of the child's school, at a school-sponsored activity, or before/after normal school activities, including while the student is in before-school or after-school care on school-operated property or while being transported on a school bus.
 3. The student him or herself when the self-administration takes place under the direct supervision of a school nurse or administrator.

Medical cannabis infused product (product) includes oils, ointments, foods, and other products that contain usable cannabis but are not smoked or vaped. Smoking and/or vaping medical cannabis is prohibited.

The product may not be administered in a manner that, in the opinion of the District or school, would create a disruption to the educational environment or cause exposure of the product to other students. A school employee shall not be required to administer the product.

Discipline of a student for being administered a product by a designated caregiver, or by a school nurse or administrator, or who self-administers a product under the direct supervision of a school nurse or administrator pursuant to this policy is prohibited. The District may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Void Policy

The **School District Supply of Undesignated Epinephrine Injectors** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for undesignated epinephrine injectors from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the District's prescription for undesignated school epinephrine injectors.

The **School District Supply of Undesignated Opioid Antagonists** section of the policy is void whenever the Superintendent or designee is unable to obtain a supply of opioid antagonists due to a shortage, in which case the District shall make reasonable efforts to maintain a supply.

The **School District Supply of Undesignated Oxygen Tanks** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for oxygen tanks from a qualifying prescriber, [PRESSPlus3](#) or (2) fill the District's prescription for undesignated oxygen tanks.

The **School District Supply of Undesignated Glucagon** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for glucagon from a qualifying prescriber, or (2) fill the District's prescription for undesignated school glucagon.

The **Administration of Medical Cannabis** section of the policy is void and the District reserves the right not to implement it if the District or school is in danger of losing federal funding.

Administration of Undesignated Medication

Upon any administration of an undesignated medication permitted by State law, the Superintendent or designee(s) must ensure all notifications required by State law and administrative procedures occur.

Undesignated Medication Disclaimers

Upon implementation of this policy, the protections from liability and hold harmless provisions applicable under State law apply.

No one, including without limitation, parents/guardians of students, should rely on the District for the availability of undesignated medication. This policy does not guarantee the availability of undesignated medications. Students and their parents/guardians should consult their own physician regarding these medication(s).

Questions and Answers:

***Required Question 1. 105 ILCS 5/22-30(f), amended by P.A. 103-196, eff. 1-1-24, permits a district maintaining special educational facilities to maintain a supply of undesignated oxygen tanks in a secure location that is accessible before, during, and after school where a person with developmental disabilities is most at risk, including, but not limited to classrooms and lunchrooms. *Special educational facility* is not specifically defined in 105 ILCS 5/14-4.01; consult the board attorney for advice regarding this term and if it is limited to separate buildings, self-contained classrooms, and/or programs attended solely by students with disabilities. For example, this option may not be available if a district utilizes a special education cooperative for all of its special education programming. There is a reference to *special education facilities* in 105 ILCS 5/14-12.01, which may provide some guidance; it addresses reimbursement for the construction and maintenance of “special education facilities designed and utilized to house instructional program, diagnostic services” and “other special education services for children with disabilities.” 105 ILCS 22-30(f), amended by P.A. 103-196, eff. 1-1-24, does not specify who can administer undesignated oxygen, nor does it specify any training requirements for its use in schools. To minimize potential liability and ensure proper administration, a best practice is to restrict who can administer undesignated oxygen to school nurses and other school personnel who have received appropriate training on the emergency use and

storage of oxygen. See sample administrative procedure 7:270-AP2, *Checklist for District Supply of Undesignated Medication(s)*, available at PRESS Online by logging in at www.iasb.com.

Consult the board attorney about the consequences of informing the community that the district will obtain a prescription for a supply of undesignated oxygen tanks and implement a plan for their use, and then not doing it, as doing so may be fraught with legal liabilities. Also fraught with legal liabilities is if the district provides them, but does not have them accessible before, during, and after school where a person with development disabilities is most at risk as required by 105 ILCS 5/22-30(f), amended by P.A. 103-196, eff. 1-1-24. See *In re Estate of Stewart*, 406 Ill.Dec. 345 (2nd Dist. 2016) (denying tort immunity to district, finding its response to a student's asthma attack was *willful* and *wanton* (which district disputed as a possible heart attack)); *In re Estate of Stewart*, 412 Ill.Dec. 914 (Ill. 2017)(school district's appeal denied).

Does the district maintain special educational facilities for children with disabilities under 105 ILCS 5/14-4.01?

No. (IASB will delete the subhead regarding School District Supply of Undesignated Oxygen Tanks.)

Yes. If yes, does the board want the district to maintain a supply of undesignated oxygen tanks in the name of the District and provide or administer them as necessary? Type "yes" or "no." If no, IASB will delete the subhead regarding School District Supply of Undesignated Oxygen Tanks.):

PRESSPlus 2. Required by 105 ILCS 5/22-30(f), amended by P.A. 103-348, eff. 1-1-24. In the case of a shortage of opioid antagonists, a district must make reasonable efforts to maintain a supply. At least one opioid antagonist, a naloxone nasal spray, has been approved by the U.S. Federal Food and Drug Administration for over-the-counter, nonprescription use. A district must obtain a prescription for a supply of opioid antagonists from a *health care professional* with prescriptive authority under the Substance Use Disorder Act, 20 ILCS 301/5-23, unless it is able to secure a supply without a prescription. *Health care professional* means a physician licensed to practice medicine in all its branches, a licensed physician assistant with prescriptive authority, a licensed advanced practice registered nurse with prescriptive authority, or an advanced practice registered nurse who practices in a hospital or ambulatory surgical treatment center and possesses appropriate clinical privileges in accordance with the Nurse Practice Act, 20 ILCS 301/5-23(d)(4). **Issue 113, October 2023**

STUDENTS

7:290 Suicide and Depression Awareness and Prevention

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important Board goals.

Suicide and Depression Awareness and Prevention Program

The Superintendent or designee shall develop, implement and maintain a suicide and depression awareness and prevention program (Program) that advances the Board's goals of increasing awareness and prevention of depression and suicide. This program must be consistent with the requirements of *Ann Marie's Law* listed below; each listed requirement, 1-6, corresponds with the list of required policy components in the School Code [Section 5/2-3.166\(c\)\(2\)-\(7\)](#). The program shall include:

1. Protocols for administering youth suicide awareness and prevention education to students and staff.
 - a. For students, implementation will incorporate Board policy 6:60, *Curriculum Content*, which implements [105 ILCS 5/2-3.139](#) and [105 ILCS 5/27-7](#) (requiring education for students to develop a sound mind and a healthy body).
 - b. For staff, implementation will incorporate Board policy 5:100, *Staff Development Program*, and teacher's institutes under [105 ILCS 5/3-14.8](#) (requiring coverage of the warning signs of suicidal behavior).
2. Procedures for methods of suicide prevention with the goal of early identification and referral of students possibly at risk of suicide. Implementation will incorporate:
 - a. The training required by [105 ILCS 5/10-22.39](#) for ~~licensed school personnel and administrators~~ all District staff ^{PRESSPlus1} who work with students to identify the warning signs of suicidal behavior in youth along with appropriate intervention and referral techniques, including methods of prevention, procedures for early identification, and referral of students at risk of suicide; and
 - b. Ill. State Board of Education (ISBE)-recommended guidelines and educational materials for staff training and professional development, along with ISBE-recommended resources for students containing age-appropriate educational materials on youth suicide and awareness, if available pursuant to *Ann Marie's Law* on ISBE's website.
3. Methods of intervention, including procedures that address an emotional or mental health safety plan for use during the school day and at school-sponsored events for a student identified as being at increased risk of suicide including those students who: (A) suffer from a mental health disorder; (B) suffer from a substance abuse disorder; (C) engage in self-harm or have previously attempted suicide; (D) reside in an out-of-home placement; (E) are experiencing homelessness; (F) are lesbian, gay, bisexual, transgender, or questioning (LGBTQ); (G) are bereaved by suicide; or (H) have a medical condition or certain types of disabilities. Implementation will incorporate paragraph number 2, above, along with Board policies:
 - a. 6:65, *Student Social and Emotional Development*, implementing the goals and

benchmarks of the Ill. Learning Standards and [405 ILCS 49/15\(b\)](#) (requiring student social and emotional development in the District's educational program);

- b. 6:120, *Education of Children with Disabilities*, implementing special education requirements for the District;
 - c. 6:140, *Education of Homeless Children*, implementing provision of District services to students who are homeless;

 - e. 7:10, *Equal Educational Opportunities*, and its implementing administrative procedure and exhibit, implementing supports for equal educational opportunities for students who are LGBTQ;

PRESSPlus Comments

PRESSPlus 1. Updated in response to PRESS Advisory Board member feedback requesting clarification on the authority of boards to enforce conduct rules under 105 ILCS 5/10-20.5 and under various criminal trespass statutes. Applicable criminal trespass laws include: 720 ILCS 5/21-1 (criminal damage to property); 5/21-1.2 (institutional vandalism); 5/21-3 (criminal trespass to real property); 5/21-5 (criminal trespass to State supported land); 5/21-5.5 (criminal trespass to a safe

school zone); 5/21-9 (criminal trespass to a place of public amusement); 5/21-11 (distributing or delivering written or printed solicitation on school property). **Issue 113, October 2023**

PRESSPlus 2. Updated in response to PRESS Advisory Board member feedback requesting clarification that the scope of subhead **Procedures to Deny Future Admission to Athletic or Extracurricular School Events or Meetings** is limited, as specified in the new subhead title, to topics set forth in 105 ILCS 5/24-24.

If a violator is a student, the hearing should be held in a closed meeting. 5 ILCS 120/2(c)(9). Otherwise, a hearing regarding denial of admission to *school events or property* pursuant to 105 ILCS 5/24-24 may take place in an open meeting or in a closed meeting so long as the board prepares and makes available for public inspection a written decision setting forth its determinative reasoning. 5 ILCS 120/2(c)(4.5), added by P.A. 103-311. Note: while 5 ILCS 120/2(c)(4.5), added by P.A. 103-311, refers to *school events or property*, 105 ILCS 5/24-24 only authorizes boards to deny admission to athletic and extracurricular *events*. The term *events* is arguably broader than *property* as school events may take place offsite; consult the board attorney for guidance.

Some boards prefer an open meeting hearing to make it publicly known what alleged conduct could result in someone being denied admission to athletic or extracurricular events, while others prefer a closed meeting hearing so as not to provide a public platform to someone alleged to have engaged in prohibited conduct. Consult the board attorney to determine the best approach for the district and to ensure alignment with local practices and conditions.

Consult the board attorney if the district would like to deny an individual admission to board meetings. **Issue 113, October 2023**
