Resolution 21-04 (Action Item)

NSBSD Strategic Plan Goal:

1.0 Student Success: All students will reach their intellectual potential and achieve academic success through integrating Iñupiaq knowledge systems into the core content areas and focusing on the development of the Whole Child.

1.5 Multiple Pathways: Implement career learning and alternative programs expanding educational opportunities that connect students to careers and providing multiple pathways to graduation based on student needs and interest.

1.7 Student Well-Being: Support the physical, nutritional, mental, and social-emotional health of all students.

Issue Summary:

The National School Counseling Week 2021, “School Counselors: All in for All Students,” sponsored by the American School Counselor Association (ASCA), will be celebrated from February 1-5, 2021, to focus public attention on the unique contribution of school counselors and how students are impacted as a result of school counselors helping plan for a career and achieve school success.

School counselors actively engage students to examine their abilities, strengths, interests and talents; for working in a partnership with parents as they encounter the challenges of raising children in today’s world; for focusing on positive ways to enhance students’ academic, postsecondary, and social/emotional development; and working with teachers and other educators to provide an educational system where students can realize their potential and set healthy, realistic and optimistic aspirations for themselves.

Proposed Motion:

“I move that the NSBSD Board of Education adopt Resolution 21-04, declaring February 1-5, 2021 as School Counselor Week.”
