Plays:

- Missoula Children's Theatre will be back March 3rd - 8th to offer a production of "Rumpelstiltskin". Auditions will be held Monday, March 3rd at 3:30pm in the Auditorium with rehearsals to follow all week. Performances will be Friday, March 7th at 7:00pm and Saturday, March 8th at 2:00pm. Registration just opened and we already have 10 children signed up.
- We will be moving to "Storybook Theatre" for our play offerings in 2025-26. This is the company that bought out "Prairie Fire Children's Theatre" and operates out of Minnesota. They have a more robust offering of productions and are more affordable due to being a local company.
- Due to the planned auditorium renovations and upgrades, we will not be offering a summer play.

Early Childhood:

- We have received registration requests from several families new to the area for spring enrollments. So far we have welcomed 3 new families and are looking forward to adding 3-4 more by 4th quarter.
- We had to cancel the February screening day due to inclement weather. The families are being rescheduled to a future screening date that works in their schedule.
- We are in the process of planning for next year. Our registration for SY 2025-26 will open in mid-April with our registration open house scheduled for
