The Oregon English Language Learner Report is an annual publication required by ORS 327.016, which reports on financial information for English language learner programs and the objectives and needs of students eligible for and enrolled in an English language learner program. The report provides information on the demographics of students in English language learner programs in each school district. In addition, this report provides a tool that makes data on English language learners accessible to researchers, media, students, and parents.

Additionally, In the February Board report I will review recently released ELPA 21 data and the performance of our English Learners(EL). I will also share general background information regarding House Bill 3499 and how funds have been implemented. Additionally, we will look at MCSD graduation rates of EL students as well as where we stand in relation to AMAO Status.
