## Student Representative Report

### *Tikigaq School – Point Hope*

Tikigaq School has just completed the Rex Rock Tournament where they competed against Lathrop JV, Unalakleet and Scammon Bay. Tikigaq competed against each other with both Tikigaq teams capturing first place. Kotzebue Boys and Girls will be in Point Hope this weekend. The Tikigaq boys will be traveling to Tok for a tournament next weekend and the Tikigaq Girls will be at the Hardwood Classic Tournament that same weekend in Anchorage. The student council will be sponsoring the following activities, depending on the status of COVID. They are planning on having pep assemblies, community movie night with snacks for purchase, selling coffee through the Stu-Co coffee shop, shoveling snow for community members, teacher of the month (student voted), student of the month from each grade level (teacher voted), after school tutoring and student study hall, morning bicycle club, Tikigaq alumni assembly and community volleyball tourney (season was cancelled due to Covid).

### *Alak School – Wainwright*

Alak students are looking forward to basketball games this weekend with AKP. The Arctic Survival high school class is planning on an ice fishing trip this month. Nancy Grant of Ilisagvik College will be having a zoom meeting this month with junior and senior students. Seniors are working on college and scholarship applications. Last month students had completed MAP testing.

### *Hopson Middle School – Utqiagvik*

Hopson Middle School has been busy with various student activities. Battle of the Books, coached by Ms. Jean Oneal just finished their competition on January 27<sup>th</sup> in district competition. LEGO robotics is also coming to a conclusion after several months of practice and training, coached by Harley Bress. HMS' student council, led by Ms. Sable Mirandi and Mrs. Melanie Griffs have been busy planning the next dance at HMS, which will be Friday, February 11<sup>th</sup>. There was a Fun Night sponsored by the wrestling team on Friday, January 28. Mr. Andrew Downing has been busy coaching 20 students on the HMS wrestling team, which is a high number of participants. Basketball has been off and running as well, and is coached by Mr. Seko Unutoa and Mr. Chris Battle. On January 28<sup>th</sup> and 29<sup>th</sup>, the basketball team held games with the BHS JV teams. Parents were able to come and view the games as well as cheer on their students.

### *Barrow High School - Utqiagvik*

Barrow High School is continuing with many student activities. The boys' and girls' basketball teams are participating in away games this week at Sitka. The E-Sports team are still practicing, but they are still in preseason. Student council is continuing to plan a few events, as well as class councils preparing fundraising events for their class.

#### *Harold Kaveolook School - Kaktovik*

Harold Kaveolook School has started off the second semester with many student activities. Basketball practice has begun without a gym. However, students use the halls to run and do dribble drills. The weight room allows space for athletes to do conditioning as well. The students miss having the ability to shoot hoops, scrimmage and run off some energy. They are looking forward to the day they have a new gym! Battle of the Books teams at Harold Kaveolook School are competing at each level. Despite many challenges with limited practices due to COVID, their middle school team is going to state! The high school class has been running their student store along with a staff member for four nights a week. Profits are used to fund their senior trip! However, their team has had trouble getting groceries and products to keep their store stocked. Lastly, Harold Kaveolook Middle School Lego Robotics team will be competing at state level this weekend!
