Consideration and Possible Approval of Mid-Term Graduates	<p>Justification: The request to consider mid-term graduates as eligible candidates for high school diplomas is presented to accommodate the individualized academic paths of students with diverse learning needs. These students have completed existing graduation criteria, such as successfully completing the curriculum requirements identified by the State Board of Education (SBOE), performing satisfactorily on applicable state assessments, and complying with the financial aid application requirements in Education Code 28.0256. This inclusive approach not only aligns with the diverse needs of our student body but also underscores our commitment to fostering an adaptable and equitable educational environment that values the unique learning journeys of every student.</p>
