Wausau School Board
415 Seymour Street
Wausau, WI 54403

To the Board:

My name is Liberty (Libby) Heidmann and I am interested in the open vacancy on the Wausau School Board. I have worked as a professional in higher education and workforce development for the past 20 years. I have extensive experience in the central Wisconsin area in these fields having worked at what was UW-Marathon County, UW-Stevens Point, Northcentral Technical College, and most recently with the North Central Wisconsin Workforce Development Board (NWWDB). I am also a 1997 graduate of Wausau West High School and the parent of a senior at Wausau East High School. In addition, I previously served on the Montessori Governance Board while my son attended there.

I ran for the Wausau School Board in 2019 for the same reason I am applying today: my belief in the importance of strong public education. Over the years, I have worked closely with the individuals educated in the Wausau School District, and I have seen firsthand both the strengths and challenges they bring to higher education and the workforce. I believe this perspective is valuable in supporting thoughtful, well-rounded decision-making on the board.

Education is a passion of mine. I have included my resume for review. You will see a breadth of experience and interest ranging from American Indian Studies to college student services to curriculum design to teaching. I feel this gives me experience to look at things from different angles and different perspectives to weigh both immediate impacts and long-term goals.

Thank you for your time and consideration and I hope my experience can be of service to the district.

Liberty L. Heidmann

A handwritten signature in black ink that reads "Liberty L. Heidmann". The script is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
