Was the donation already received so we can include it in the board agenda?

I finally made contact with Daniel Cabrera MSN, RN COO from Gateway Community Center. The Health Services Department got a donation of \$4500.00 for 300 Sports Physicals. I would like to offer these sports physicals to the most needed students. I was thinking of the following schools: (Donated by Driscoll Health Plans)

1. SGMS
2. LBVMS
3. LOMS
4. WMS
5. UHS/USHS/LBJ

These would total about 40 physicals per campus. I would like to host these sports physicals from May 22 - 26, 2023 the whole day at each campus. I guess we can offer it to the high schools first since they will be having an early release from the 23rd on. Can you work with your coaches to have the sports physical forms signed by the parents? Please let me know if this is possible. Thank you
