

## **Action Item E.2.c**

### **Bid for Group Dental Insurance**

#### **Background:**

The school dental insurance is currently and has been carried by United Healthcare (formerly American Medical Security) for the last seventeen years. The new Region VII employee benefit coop is offering the same plan through Lincoln National Life at a substantial savings to the employee. The MISD employee committee, headed by David Sauer, voted to change companies for 14/15.

#### **Recommendation:**

Approve Lincoln National Life the dental insurance contract through Gentry Financial Group.

#### **Sample Motion:**

"I move to approve Lincoln National Life as the provider for dental insurance for the 14/15 school year."
