October 24, 2022

Subject:

MSHSL Form A
Grant Application

Presenter:

**Mark Mishcke,
BHS Principal**

SUGGESTED SCHOOL BOARD ACTION:

Recommend Approval

DESCRIPTION:

This is an annual opportunity for school districts in Minnesota to request financial assistance from the Minnesota State High School League Foundation. Foundation dollars exist because Minnesota law allows for this Foundation to exist instead of taxes that would otherwise be collected from the League. Assistance for Form A application is based on the number of participants in league activities who qualify for the free and reduced lunch program.
