**Reports**

Head Teacher/Principal-Matthew-Feb/March calendar events. School board meeting is Feb 20, teleconference available at school. March 19 internet safety guideline public review. Jim will be here Feb 18-20. Feb 27-29 may be rescheduled basketball tournament in Naknek for schools that did not make it to KOK. Jim-Nothing major to report. No update on the photographer reschedule.

Preschool-Doing reading, writing and math. Culture water to ice formation. Working on valentines crafts. Ms. Bender class is doing reading buddies with the preschools. This weeks letter is P. Each week they work on a different letter.

Elementary- Working very hard. Last Friday got together with older students to make valentines. Just started creative writing unit and kids are enjoying it. Tomorrow is the 100 day of school and will be doing activities about 100. Bill says everything is going very well. Trying to keep things interesting. Working on reading for

comprehension. Read and tell is going well. Figurative language being taught. Math is marching right along.

Middle School/High School- Teaching science and working on employability. Keeping students on task with online courses. Students are finishing assignments. Impressed with students, they are very courteous and respectful. Teaching writing also. Matt-Tutoring is going well. Pairing with Bill teaching social studies. Has taken over gym class, teaching gymnastics and will tie in NYO activities.

Student Council -Friday is bake sale and cake walk at 5pm. Staying after school to make cookies to sell. Water bottle fundraisers. More board games and a projector are some of the purchases they are looking into.

## **Old Business**

### **1. SchoolWide Plan**

#### **(1) ESEA Consolidated Application discussion**

- Rather than identify specific dollar amounts to each site and to specific children, the district pools the money to provide services to the district in an equitable way. When funds are broken out and targeted to specific schools it makes it difficult to afford things such as professional development. Pooling funds helps make larger purchases possible when districts have small schools.

#### **(2) Consolidate of the Title I-C Migrant funding or not (currently consolidating)**

- Rather than identify specific dollar amounts to specific children, the district pools the money to provide services to the group of migrant students in an equitable way. When funds are broken out and targeted to specific students it makes it difficult to afford things such as camps, wages for tutoring, etc.,etc., Pooling funds helps make larger purchases possible when districts have small schools or few migrant students.

## **New Business**

1. Impact Aid/Indian Policies & Procedures-Ms. Hylton sent out letter. Mr. Dube explained Impact Aid/Indian Policies and Procedures. Notices from the district office were passed out.

2. Birthday Books Birthday Card Signing-Jeremiah Isenberg Birthday card

3. Intent to Enroll-Sounds like it will be late march and early April. We can go on the School board website to comment that we would like to have the intent to enroll forms for questioned schools out earlier before teacher contracts are completed. Are we on the list for hiring teachers and Principal.

4. Student Event in Perryville- March 23 and come back Thursday. Grade 6 and up. Natalie asks if public is invited. Jim states its an academic and social event primarily for students.

5. School Climate Surveys-Family survey due March 20. Letter will be handed out after today. Principal and teacher surveys have also gone out and due this Friday. Francine asks if there is a survey for other staff.

6. Story Corps-Jenny Myhand sent out an email. Storycorps is an organization that collects people's stories. Their trip would probably be to the Chignik School and Perryville. The email was read. StoryCorps Week of April 20. The LSAC was in favor of pursuing this opportunity.

7. Energy Drinks/Soda-Matt states he does not want students to bring energy drinks/soda to school. Students do get snacks every morning. LSAC committee says no energy drinks or soda in school.

8. Graffiti-Matt found graffiti on table and bathroom. Please ask students not to bring sharpies to school or the student handbook will be enforced.

9. Report Card to the Public-Each school district has a report card to the public. Letter to parents sent out.

10. Night Gym Funding Application Update- Chignik Lake Native Council signed the application. The application was faxed to the district office. 30 hours a month from BBAHC.

11. Breakfast for Testing-Clinton will donate pancake mix and syrup. Matt and Jim will donate meat, if needed. We will need food donations and volunteers to cook. April 14-16. Menu and food items will be added to next agenda.

#### Future Agenda Items

Set Next Meeting Date-March 18, 2020 at 4pm

Hot Breakfast for testing - Menu/List of items needed.
