Good afternoon Eliza,

Please see the attached redlined draft revisions for your DOI committee's consideration. The draft includes:

- Added a provision for the grievance policies
- Added a provision for the Local School Library Advisory Council
- Added a provision for acquisition of Library Materials

You should bring this to your DOI Committee for approval. Once they approve the revisions, you can bring this for the Board's vote. For the Board meeting, the agenda language should be:

OPEN: Consider and take possible action to approve and adopt the Brackett ISD Amended Local Innovation Plan 2022-2027.

We used track changes so you can see our revisions. Once this is approved by the DOI Committee and the Board, you can accept all changes and convert to PDF – please let me know if you need me to do this from my end since I did the redlining. Once the Board approves the amendments, I recommend posting this on the district's website, and then sending it to TEA at Accred@tea.texas.gov.

Here is a draft email to TEA:

Please see the attached amended DOI Plan for Brackett ISD, which was adopted at the [DATE] board meeting. The following amendments were made:

- *Add grievance policies, TEC 26.011, 26A.001, 26A.002, and 26A.003*
- *Add local school library advisory council, TEC 33.025(b)*
- *Add acquisition of library materials, TEC 33.026(a), (c)*

This is posted on the district's website at the following link: <https://www.brackettisd.net/wp-content/uploads/2025/08/DistrictofInnovation2022-2027.pdf>

TEA has been responding to districts regarding updating the DOI checklist. If you have any questions about TEA's response, please forward it to me and I'll be happy to answer any questions.

Please let me know if you have any questions or would like to discuss further.

Thank you!
