

**School Board**

**Procurement of Architectural, Engineering, and Land Surveying Services**

The School Board selects architects, engineers, and land surveyors to provide professional services to the District on the basis of demonstrated competence and qualifications, and in accordance with State law. ~~The Board shall use the Qualifications Based Selection method for procuring the services. If the District has a satisfactory relationship for service with a person or firm, the relationship may continue except for negotiated procurement as mandated by the Local Government Procurement Act, Section 7.~~

~~Once the person or firm has been selected, he/she or the firm's representative shall meet with the Superintendent and the School Board to discuss responsibilities and scope of services to be accomplished.~~

~~The School Board authorizes the Superintendent to establish procedures necessary to implement the Qualifications Based Selection method.~~
