

FRUITDALE ELEMENTARY

HOME OF THE PANTHERS

Fruitdale Families,

What a start to the school year! We really appreciate your patience as we are adjusting to school during a pandemic. While school is still school, we have many new systems and procedures that have taken a little getting used to.

Some things to touch on as we begin the month of October:

Face Masks:

Your students and our staff are all adjusting to face masks, and we are all doing great. Thank you for supporting us with this expectation. Your students are coming with them every day and they are wearing them. If you are the parent of a kindergartener, you may want to send an extra one in the backpack. Some of our little ones' face masks get a little wet and then are uncomfortable to wear. We also have extras at school if this is a problem.

Parking Lot:

Thank you for your patience in our parking lot. Pick up is different this year. Parents are doing an amazing job being patient during release time. Please remember, if you are getting out of your car to pick up your little one, please stand behind the cones, wear a facemask, and socially distance six feet apart. A staff member will come to your car or talk to you on our sidewalk and we will get your students as quickly as possible.

Breakfast and Lunch: Kindergarten-3rd grade-

Breakfast and lunch are served in the classroom. Every student at Fruitdale is eligible for a free breakfast and lunch.

4th-5th Grade- Breakfast and lunch can be delivered via the bus. Just call 541-476-7733 to find the nearest pick up location. You may also pick up lunches at Fruitdale on Mondays, Wednesday, and Thursdays from 12:00-12:30 outside of the Fruitdale cafeteria.

Thank you for helping to make our Fruitdale community amazing. If you have any questions, please call our office at 541-476-2276.

Water bottles have been provided for each student this year. To keep areas sanitized, we are asking each student to take home their water bottles every day to be washed. Please make sure to bring them back daily.

It is amazing how fast the clothing in the Lost and Found accumulates. Please make sure to label your student's clothing so it can find its way back to its owner.

Just a reminder: If your child needs to have medication brought to the school, please follow these rules:

- 1. All prescription medications must be in original bottle.**
- 2. All pain and cold medications must be in original packaging. No baggies.**
- 3. All bottles must be labeled with students name.**
- 4. A permission slip form must be completed for each medication.**
