Dear Lance Stockton:

Thank you for your generous donation to the Nehalem Elementary School garden. Our garden is getting overhauled this spring and the main volunteer who is doing the work was very excited to tell me that you ended up giving her the soil amendments she needed. We use our garden to grow vegetables such as tomatoes, green beans, lettuce, pumpkins, etc. for the food pantry and for the summer kids' program at NCRD. Your donation helps our garden to be able to grow more food for our community!

Lance, you have always been such a strong supporter of this school. You are there in a pinch to call when the lights go out for emergency lanterns for our classrooms, for lumber when the SHE Warriors need to make signs for a 5k, and now for our school garden that feeds the community. Thank you for always supporting us in serving our students, our staff and the local people who live in this beautiful area. I appreciate you and the longstanding relationship I have with you.

Sincerely,

Kristi Woika
Nehalem Elementary School Principal
