Re: North Creek Board Report

Dear Members of the Board of Education,

As the principal of North Creek Elementary School, I am excited to share a few highlights and celebrations from the past month. Our students, staff, and families continue to make North Creek a joyful place to learn and grow together.

First and foremost, I'd like to thank our families for their continued partnership and support during spring parent-teacher conferences. These important conversations strengthen the home-school connection and ensure each child's growth remains at the center of our work.

March is Reading Month (MIRM) was a tremendous success! As a school, we exceeded our ambitious goal of reading 20,000 books! This accomplishment was a true team effort. A heartfelt thank you goes to our MIRM leadership team—Ms. Jones, Ms. Pippin, and Mrs. Hilliard—for coordinating engaging activities throughout the month. Our family literacy night, led by Mrs. Velez and Mrs. Gabrielson, was a hit, and Mrs. Baker's book fair brought excitement and energy to our halls. To top it off, we celebrated our success in true North Creek fashion—with a few whip cream pies to the face of yours truly!

We also recently celebrated the Detroit Tigers' home opener with a festive Tigers spirit day and staff BBQ. Events like this help build camaraderie and add a little extra joy to our days.

Thank you for your continued support of North Creek Elementary.

With gratitude,
Casey Wescott
