Subject: Consider Approval of 2023 Bond First-Sale CSP #3329-25 Private Long-Term Evolution (LTE) Project (TB02)

Background Information:

- Included in the approved Proposition B of the 2023 Bond proposal was the Private Long-Term Evolution (LTE) Project, aimed at providing reliable connectivity to areas of the five Lewisville ISD high school sports stadiums that are typically difficult to service.
- The Board of Trustees approved the selection of the engineering firm, Stantec, to provide professional engineering and design services for the Private LTE Project at its October 21, 2024, meeting.
- On October 21, 2024, the Board of Trustees also approved a competitive sealed proposal (CSP) as the construction delivery method for the Private Long-Term Evolution (LTE) Project.
- If approved, the recommended vendor will provide reliable connectivity to concession stands, ticket booths, media facilities, baseball and softball stadiums, and soccer fields. The Private LTE network will deliver secure, high-speed, and reliable data coverage for both personnel and equipment.
- The recommended vendor offers the best overall value to the District by delivering competitive pricing, high-quality products, reliable availability, timely delivery, responsive support, and other relevant factors.

Administrative Consideration:

- One thousand eight hundred five email notifications were sent, and six proposals were received.
- If approved, funds for this purchase will come from the 2023 Technology Bond budget.
- Contingency Allowance: fifteen percent. The contingency is designated for unforeseen conditions or additional project requirements that are identified once construction begins. Approval by Lewisville ISD is required before work can be initiated.
- Anticipated project expenditures, including a fifteen percent contingency: \$1,169,223 but will not exceed the approved budget.
- This procurement complies with Lewisville ISD Board Policy, Section 2269 of the Texas Government Code, and other applicable procurement laws.

Recommendations:

- That the Lewisville ISD Board of Trustees approves CSP #3329-25 Private Long-Term Evolution (LTE) Project, the recommended vendor, the estimated expenditures, and contingency allowance as listed.

Timeline/Report:

- Term: Upon approval
