

## Board Report

November 19, 2018

BPS – Child Nutrition

Lynne Keenan, Director

The cooks at each building are serving Thanksgiving meal the last day before school gets out for the holiday. We will be serving Turkey, Dressing, Mashed Potatoes with Gravy, Whole Wheat Dinner Rolls, Cranberry Sauce and Sweet Potato Pie with Whipped Topping. We will also have our delicious salad bar and milk. This is a big meal as the cooks have a lot of work to prepare this meal. This meal is the biggest meal we do all year.

Back Pack's will be delivered to the schools on Tuesday morning, ready for the students that receive them and will include apples from Scott Bryant from Whitefish who donated them for the School's Back Pack program.

The reimbursement amount for October 2018 is \$169,216.93 for 21 days of service to our awesome students that totaled 1,410.

Thank you and have a Happy Thanksgiving!!
