

## **F.4 – Action Items Following Executive Session**

### **F.4.b Professional Contracts**

**Background:** Annually, the superintendent recommends approval of contracts for professional employees. The contracts being recommended at this board meeting include teachers, certified librarians, nurses and professional support staff. Names are presented to the board with a recommendation from the campus principal and the superintendent. Mineola serves as the fiscal agent for the Wood County Special Education Shared Service Arrangement cooperative; hence contracts being considered include professional staff being recommended by Special Services Director, Sheryl Pappa and the WCSESSA Board of Directors.

**Recommendation:** As Superintendent of MISD I recommend approval of the professional staff listed by campus and by the WCSESSA Board of Directors per the attachments in this board packet.

#### **Sample Motion(s):**
