Unified Basketball

Our Unified Basketball season is off to a great start! We hosted Milan High School for our first game on Tuesday, February 3, during the school day. Our student athletes and partners had a great time playing together on the court. Milan took home the win, but all of the kids took away something much, much more important. I want to shout out Coach Alex Soule, Coach Karen Paul, Coach Lane Ford, and everyone who works with our Unified Program to make it a success.

Also, I gave our 6th and 7th graders the option to watch the game after they finished eating lunch. I gave them a short spiel about the importance of walking and behaving courteously in respect for the various needs of our athletes. Nearly one hundred students flooded the gym because they wanted to watch, which I wasn't prepared for...this had the potential to turn out horribly, but the kids were perfect. I couldn't be prouder of them and their conduct. They cheered for both sides and made sure it was a special day for all of our athletes.

We're in the early stages of planning for our second annual "Rock Your Socks" Classic on Friday, March 27, at CHS vs. Dexter, when we will again walk the ENTIRE school over to Chelsea High to celebrate our Unified team. More details to come.

"Spread the Love" with Student Council

There's a lot about relationships this time of year, and we use the opportunity to emphasize supportive friendships, healthy boundaries, and positive interactions. In community meetings, we're focused on healthy friendships and relationships.

Meanwhile, Student Council is getting creative with a different kind of “spirit week.” The week of February 10-13, they invite Beach students and staff to “spread the love” with the following spirit days and activities:

- 2/10, “Talking Tuesday”:** Talk to two or more new people
- 2/11, “Wave to ‘em Wednesday”:** Wave to as many people as possible
- 2/12, “Thank you Thursday”:** Say “thank you” to at least five teachers
- 2/13, “Fist-bump Friday”:** Fist-bump as many people as possible

In addition, teachers will compete in a “guess that song” competition each morning. After the beginning of the song plays, the fifth caller to the front office to correctly name the song will win candy for their class.

AND there will be a schoolwide rock-paper-scissors competition Wednesday-Friday during passing time and lunches, in which students and staff compete, with the winner taking all the beads around the loser’s neck. The person with the most beads at the end of the week wins. We’ll see how this goes...

Student of the Month

Our “Student of the Month” for February is 6th-grader Maleena Becker, who is such a humble, caring, and hardworking student. In her first year at Beach, Maleena makes a difference every day with her infectious smile and positive attitude, in the hallways, in the classroom, and on the cheerleading team. Congratulations to Maleena!
