DESCRIBE THE PROJECT AND ITS BENEFIT TO THE COMMUNITY, AND IN PARTICULAR, TO CHILDREN: We currently only have one baseball field at HV and we have five teams using our facilities from March to August and over 70 kids in our program. We want to make a granite infield next to our hitting cage so the JV and Aces have a practice field as well. Baseball is completely non funded which makes projects like these difficult to to complete. Any help we can get would be very helpful and much appreciated. Also over 70 kids will benefit from the use of this field. Thank you Mark Vidlak, Head Baseball coach, HVHS
