

# Jefferson

## ELEMENTARY

### February Conference Prep

- Teachers have been working hard to prepare student lists for conferences and contact parents to arrange meetings.
- Teachers have worked to review:
  - Recent Star and Classroom Based Data
  - Attendance
  - Behavior/Motivation Data

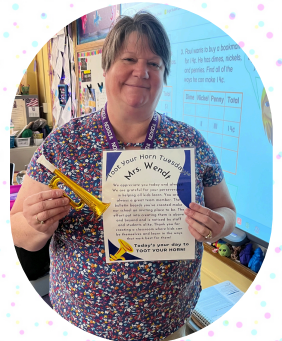

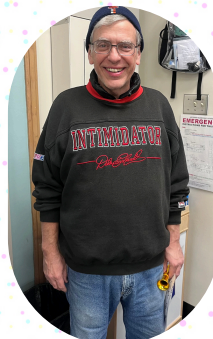

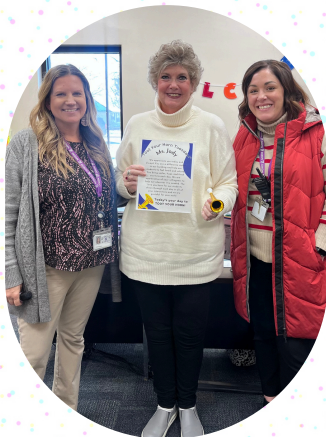

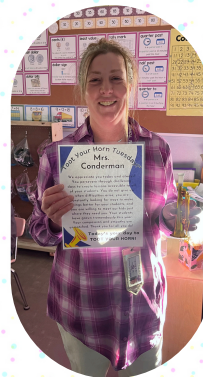

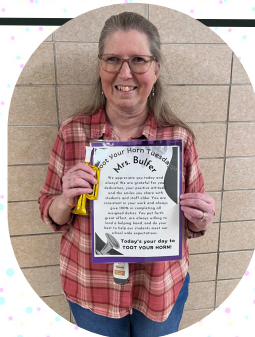

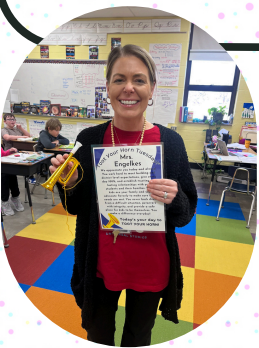

### Positive Shout-Outs

To date, Jefferson teachers have shared positive information with families on an individual basis over 500 times!!

### “Toot Your Horn Tuesday”

We are celebrating our staff with “Toot Your Horn Tuesday!” Staff is greeted with a certificate of recognition, class celebration, and their own horn to “toot” all day!

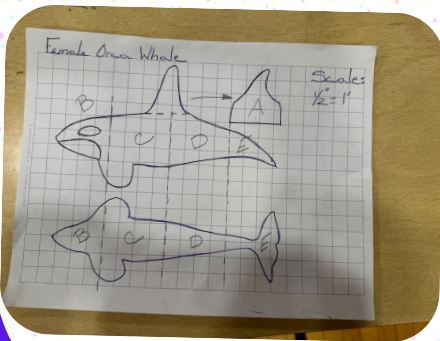

## Stupor Bowl Success

Jefferson's team took 4th place at this year's Stupor Bowl. This is the first time since the early 2000's Jefferson has played in the championship round. Thanks to our team members... Brian Mayer, Cody Cutter, Crystal and Evan Thorpe, Simon and Darien Thorpe, and Clara Haas.

## STEM IN MRS. WEAVER'S ROOM A JOB "WHALE" DONE!

Students in Mrs. Weaver's room are putting the finishing touches on their whale project. Students started using a template and a scale of  $1/2" = 1'$ . They created their sections on graph paper with 1" squares. From there, they took the template and traced it onto black plastic. The final size of the whale will be 15', the size of a young female Orca.

## Current Events

Valentine's Party on 2/14, IAR test prep in the 3rd grade, and weekly school safety activities in Grades 2 and 3.
