

# Executive Summary

## Prepared for Board of Trustees Meeting September 8, 2015

### Braswell High School Utility Update

---

#### **Board Goal:**

Growth, Change, & Fiscal Responsibility. In pursuit of excellence the district will provide leadership and/or oversight to ensure District meets all fiscal, legal, and regulatory requirements

#### **Purpose of Report:**

To provide the trustees with a progress update related to utilities at Braswell High School, the municipal partnerships, and the collaboration of governmental entities.

#### **Objectives:**

- Provide safe, efficient and economical facilities for students and staff
- Explore the best path for sewer discharge for Braswell High School
- Comply with all codes and regulations
- Continue Denton ISD expectation of municipal partnerships and governmental collaboration

#### **Operational Impact:**

The location of utilities and partnerships with other governmental entities is imperative to the efficient operations of the schools district as well as the collaborating agencies. Our entities serve the same constituents, and it is the responsibility of the district to explore the most financially prudent partnership possible.

#### **Results:**

The Denton ISD construction program, as directed by the Trustees, will meet the demand to construct high quality facilities for students and staff with critical oversight and fiscal responsibility. Staff is providing an update of utility construction at Braswell High School, and the municipal partnership therein.

#### **Other Options:**

There are no other options to be considered at this time.
