ACTION

BACKGROUND INFORMATION:

Stipend payments for the year are normally paid in two equal installments, the first half in December and the remaining half in May. When the staff received the December portion of their stipends, it was discovered that there was not a stipend for the Dance Team instructor. In reviewing the situation it was determined that the Board did not approve this stipend at their June 24 meeting because the principal had not requested such a stipend. However, it was also determined that the principal did promise the teacher that such a stipend would be awarded, and relying on what she had been told by her principal the teacher has done the work. If the board approves the stipend, it should be paid to the teacher.

The amount requested for this stipend is \$1,000, to be paid in two equal installments in January (rather than the normal December) and in May.

BOARD ACTION REQUESTED:

We request that the Board approve a \$1,000 Dance Team Stipend.
