Subject:

Consider Approval of Renewal of Contract 2020.501 Student Information System

Background:

Skyward SIS platform is a centralized digital platform that helps manage student records, including grades, attendance, schedules, behavior, and enrollment. It also facilitates communication between schools and families, allowing parents and students to view academic progress, receive notifications, and access important documents online. In July 2024, the Board approved the renewal of Contract 2020.501 Student Information System with Skyward, Inc. and IS Corp in the amount of \$310,000. To dates, \$277,000 of the approved contract value has been encumbered. There has been no significant increase in our costs for 2025-2026, including the third-party hosting costs with IS Corporation. Therefore, it is the recommendation of the Chief Technology Officer and The Director of Purchasing to renew Contract 2020.501 Student Information System with Skyward, Inc. and IS Corp in the amount of \$300,000 beginning September 1, 2025, through August 31, 2026. There are two renewal options remaining on this contract.
