

## **Consolidated Federal Programs Application Budget Summary for 2011-2012**

The Tupelo Public School District Consolidated Federal Program application includes the financial school wide support for grades pre-kindergarten through 2 based on final allocation approval.

The following are the recommendations for the 2011-2012 consolidated federal programs application:

### TITLE I: Basic

Methods used to determine eligibility of program schools will be the 35% rule and Grade Span Grouping (K-2).

- The Early Childhood Education Center will offer classes that include transportation based on funding.
- Building level coaches
- The Early Literacy resources, technology and training for each PK-2 elementary school will continue.
- Support services for English as Second Language students and their parents will continue to be provided.
- Parent involvement services will continue to expand.
- Professional Development within the district as well as out of district will include training resulting from curriculum development needs with a focus on the Common Core Standards
- Funding for the local Neglected/Delinquent facilities will be provided as allocated.  
Children's Mansion  
Gardner Simmons  
ALPHA House  
Faith Haven

### TITLE II

- Improving teacher quality through in and out of district professional development with a focus on instructional strategies that include ELL student learning needs as well as integrating technology into the curriculum
- Common Core Standards development and training
- Expanding Thinking Map Training and follow-up
- Professional development for Tupelo Christian Preparatory School

Please note that Title I will focus totally on grades PK-2 and that Titles II will span all grade levels, PK-12.
