Scope of Work

Numbered updates involve timely monitoring of statutory sources and regulations, comprehensive review of affected policies, and revisions that are both substantive and related to format, to ensure the legally referenced policies reflect current laws and regulations.

Legal policies are drafted and revised by TASB Policy and Legal Services, including attorneys who spend many hours monitoring, researching, analyzing, and drafting. Update 124 took more than 200 legal hours to complete. At a conservative cost of \$250 per hour, this legal work provides an approximate value of \$50,000.

(LEGAL) vs. (LOCAL): Remember the Difference

Legal policies:

- Reflect the ever-changing legal context for governance and management of the district
- Inform local decision making
- Are NOT adopted, but only reviewed

Local policies:

- Require close attention by the administration and the board
- Reflect the practices of the district and the intentions of the board
- Are changed only by board action (adopt, revise, or repeal)

Keep Your Administrative Regulations Current

[*Regulations Resource Manual*](#)⁶ Update 70, which includes revisions to model regulations and forms corresponding with Update 124, is available through the Governance and Management Library (*TASB login required*).

Inspect your district's administrative procedures and documents — including exhibits, regulations, handbooks, and guides — that may be affected by Update 124 policy changes.

If you need to make changes to the regulations or exhibits contained in your board policy manual, please notify your policy consultant.

Grounds for
Commissioner
Action

The commissioner of education shall take any of the actions authorized by Education Code Chapter 39A, Subchapter A, to the extent the commissioner determines necessary if:

1. A district does not satisfy:
 - a. The accreditation criteria under Education Code 39.052 [see AIA];
 - b. The academic performance standards under Education Code 39.053 or 39.054 [see AIA]; or

2. The commissioner considers the action to be appropriate on the basis of a special investigation under Education Code 39.003.

Education Code 39A.001

*Authorized
Commissioner
Actions*

If a district is subject to commissioner action, the commissioner may:

1. Issue public notice of the deficiency to the board;
2. Order a hearing to be conducted by the board to notify the public of:
 - a. The insufficient performance;
 - b. The improvements in performance expected by the Texas Education Agency (TEA); and
 - c. The interventions and sanctions that may be imposed if the performance does not improve;
3. Order the preparation of a student achievement improvement plan that addresses each academic achievement indicator under Education Code 39.053(c) for which the district's performance is insufficient, the submission of the plan to the commissioner for approval, and the implementation of the plan;
4. Order a hearing to be held before the commissioner or the commissioner's designee at which the president of the board and the district's superintendent shall appear and explain the district's low performance, lack of improvement, and plans for improvement;
5. Arrange a monitoring review of the district;
6. Appoint a TEA monitor to participate in and report to TEA on the activities of the board or superintendent;

9. Authorize the district to enter into a memorandum of understanding with an institution of higher education that provides for the assistance of the institution of higher education in improving the district's performance; or
10. Order the use of the board improvement and evaluation tool as provided by Education Code 11.182 [see BG].

Education Code 39A.002

Regardless of whether the commissioner lowers a district's status or rating, the commissioner may take action under Education Code Chapters 39 and 39A or 19 Administrative Code 97.1057 if the commissioner determines that the action is necessary to improve any area of performance by the district or campus.

Subject to 19 Administrative Code 97.1057(h)-(k), once the commissioner takes action under 19 Administrative Code Chapter 97, Subchapter EE (accreditation status, standards, and sanctions), the commissioner may impose on the district or campus any other sanction under Education Code Chapter 39 or 39A, or Subchapter EE, singly or in combination, to the extent the commissioner determines is reasonably required to achieve the purposes specified in 19 Administrative Code 97.1053.

19 TAC 97.1057(c), (e)

In making a determination to impose district and campus accreditation sanctions under 19 Administrative Code Chapter 97, Subchapter EE, the commissioner shall meet the requirements of 19 Administrative Code 97.1059. *19 TAC 97.1059*

Conservator or
Management Team

The commissioner shall clearly define the powers and duties of a conservator or management team appointed to oversee the operations of a district.

At least every 90 days, the commissioner shall review the need for the conservator or management team and shall remove the conservator or management team unless the commissioner determines that continued appointment is necessary for effective governance of the district or delivery of instructional services.

A conservator or management team, if directed by the commissioner, shall prepare a plan for the implementation of the appointment of a board of managers or the revocation of accreditation.

The conservator or management team may:

1. Direct an action to be taken by the principal of a campus, the superintendent of the district, or the board; and

4. Adopt a budget for the district that provides for spending a different amount, exclusive of required debt service, from that previously adopted by the board.

A conservator or management team may exercise the powers and duties defined by the commissioner or described above regardless of whether the conservator or management team was appointed to oversee the operations of a district in its entirety or the operations of a certain campus within the district.

Education Code 39A.003

Regardless of whether a district has satisfied the accreditation criteria, if for two consecutive school years, including the current school year, a district has had a conservator or management team assigned to the district or campus for any reason, the commissioner may appoint a board of managers, a majority of whom must be residents of the district, to exercise the powers and duties of the board of trustees. For purposes of this subsection, a school year begins on the first day of instruction and includes any portion of the school year. This applies to an appointed conservator or management team, regardless of the scope or any changes to the scope of the conservator's or team's oversight. *19 TAC 97.1057(d); Education Code 39A.006(a)-(b)*

A performance rating of D that is considered acceptable may not be included in calculating consecutive school years of unacceptable performance ratings and is not considered a break in consecutive school years of unacceptable performance ratings.

Interventions or sanctions implemented prior to a pause shall continue during a school year for which interventions or sanctions listed above are paused.

Education Code 39A.118

If a school district is appointed, the district shall assume management of the campus in the same manner as a qualified entity or in accordance with commissioner rule.

The commissioner may annually solicit proposals for the alternative management of a campus. The commissioner shall notify a qualified entity that has been approved as a provider under this section.

Education Code 39A.151

Qualifications of
Managing Entity

To qualify for consideration as a managing entity, the entity must submit a proposal that provides information relating to the entity's management and leadership team that will participate in management of the campus under consideration, including information relating to individuals who have:

1. Documented success in whole school interventions that increased the educational and performance levels of students in campuses considered to have an unacceptable performance rating;
2. A proven record of effectiveness with programs assisting low-performing students;
3. A proven ability to apply research-based school intervention strategies;
4. A proven record of financial ability to perform under the management contract; and
5. Any other experience or qualifications the commissioner determines necessary.

In selecting a managing entity, the commissioner shall give preference to a qualified entity that:

1. Meets any of the commissioner's qualifications; and
2. Has documented success in educating students from similar demographic groups and with similar educational needs as the students who attend the campus to be operated by the managing entity.

Education Code 39A.152

Contract with
Managing Entity

If the commissioner has ordered alternative management of a campus, the district shall execute a contract with an approved provider to serve as a managing entity for the campus. The term of the contract may not exceed five years with an option to renew the contract. The district must execute the contract and relinquish control of the campus before January 1 of the school year.

The management contract must include:

1. A provision describing the district's responsibilities in supporting the operation of the campus; and
2. Provisions approved by the commissioner requiring the managing entity to demonstrate improvement in campus performance, including negotiated performance measures.

Performance measures must be consistent with the priorities of Education Code Chapters 39 and 39A.

The management contract must be approved by the commissioner before the contract is executed. As appropriate, the commissioner may require the district, as a term of the contract, to support the campus in the same manner as the district was required to support the campus before the execution of the contract.

Education Code 39A.153; 19 TAC 97.1067

*Extension of
Management
Contract*

The commissioner may require a district to extend the term of a management contract with a managing entity if the commissioner determines that extending the contract on expiration of the initial term is in the best interest of the students attending the campus. The terms of the contract must be approved by the commissioner.
Education Code 39A.154

*Evaluation of
Managing Entity*

The commissioner shall evaluate a managing entity's performance on the first and second anniversaries of the date of the management contract.

If the evaluation fails to demonstrate improvement as negotiated under the management contract by the first anniversary of the date of the contract, the district may:

1. Terminate the contract, with the commissioner's consent, for nonperformance or breach of contract; and
2. Select another provider from an approved list provided by the commissioner.

If the evaluation fails to demonstrate significant improvement, as determined by the commissioner, by the second anniversary of the date of the management contract, the district shall:

1. Terminate the contract; and
2. Select another provider from an approved list provided by the commissioner or resume operation of the campus if approved by the commissioner.

If the commissioner approves the district's resumed operation of the campus, the commissioner shall assign a technical assistance team to assist the campus.

Education Code 39A.155

Cancellation of Management Contract

If a campus receives an unacceptable performance rating for two consecutive school years after a managing entity assumes management of the campus, the commissioner shall cancel the contract with the managing entity. *Education Code 39A.156*

Return of Management to District

Unless a campus has an unacceptable performance rating for three consecutive school years [see Continued Unacceptable Performance Rating, above], at the end of a management contract term or on the cancellation of a management contract, the board shall resume management of the campus. *Education Code 39A.157*

Applicability of Accountability Provisions

Each campus operated by a managing entity is subject to Education Code Chapters 39 and 39A in the same manner as any other campus in the district. *Education Code 39A.158*

Funding

The funding for a campus operated by a managing entity may not be less than the funding of the other campuses in the district on a per student basis so that the managing entity receives at least the same funding the campus would otherwise have received. *Education Code 39A.159*

Open Meetings and Public Information

With respect to the management of a campus by a managing entity:

1. A managing entity is considered to be a governmental body for purposes of Government Code Chapter 551 (Open Meetings Act) and Government Code Chapter 552 (Public Information Act); and
2. Any requirement in the Open Meetings Act or Public Information Act that applies to a school district or the board of trustees of a district applies to a managing entity.

Education Code 39A.160

Board of Managers

General Powers and Duties

Notwithstanding Education Code 11.151(b) or 11.1511(a) or any other provision of the Education Code, a board of managers may exercise all of the powers and duties assigned to a board of trustees of a school district by law, rule, or regulation.

A board of managers appointed by the commissioner is required to take appropriate actions to resolve the conditions that caused a campus to be subject to the commissioner's order, including amending the district's budget, reassigning staff, or relocating aca-

demic programs. The commissioner may adopt rules necessary to implement this subsection.

Education Code 39A.201

Board of Managers
of District

Notwithstanding Education Code 11.151(b) or 11.1511(a) or any other provision of the Education Code, if the commissioner appoints a board of managers to govern a district:

1. The powers of the board are suspended for the period of the appointment; and
2. The commissioner shall appoint a district superintendent.

A board of managers appointed to govern a school district may amend the budget of the district.

Education Code Chapter 39A applies to a school district governed by a board of managers in the same manner it applies to any other district.

Education Code 39A.202

Composition of
Board of Managers

A board of managers appointed by the commissioner must, if possible, include community leaders, business representatives who have expertise in leadership, and individuals who have knowledge or expertise in the field of education. *Education Code 39A.204*

Training of Board of
Managers

The commissioner must provide each individual appointed to a board of managers with training in effective leadership strategies. *Education Code 39A.205*

The training in effective leadership strategies shall be provided by TEA-approved authorized providers of board training to each individual appointed by the commissioner to a board of managers, and, following the expiration of the appointment of the board of managers, to the board of trustees of the school district. *19 TAC 97.1073(i)*

A board member appointed under 19 Administrative Code 97.1073(h)(4) must complete the training required in this provision prior to or within 10 days of the appointment. Failure to do so may result in the removal of the board of trustees member from the board of managers. *19 TAC 97.1073(j)*

Compensation

The commissioner may authorize payment of a board of managers from TEA funds.

A conservator or a member of a management team appointed to serve on a board of managers may continue to be compensated as determined by the commissioner.

Education Code 39A.206

Replacement of
Member of Board of
Managers

The commissioner may at any time replace a member of a board of managers. The commissioner may adopt rules necessary to implement this section. *Education Code 39A.207*

Expiration of
Appointment

A board of managers shall, during the period of the appointment, order the election of members of the board of trustees of the school district in accordance with the law. The members of the board of trustees do not assume any powers or duties after the election until the appointment of the board of managers expires.

Not later than the second anniversary of the date the board of managers of a school district was appointed, the commissioner shall notify the board of managers and the board of trustees of the date on which the appointment of the board of managers will expire. Following each of the last three years of the period of the appointment, one-third of the members of the board of managers shall be replaced by the number of members of the board of trustees who were elected at an election that constitutes, as closely as possible, one-third of the membership of the board of trustees.

If, before the second anniversary of the date the board of managers of a school district was appointed, the commissioner determines, after receiving local feedback, that insufficient progress has been made toward improving the academic or financial performance of the district, the commissioner may extend the authority of the board of managers for a period of up to two additional years.

On the expiration of the appointment of the board of managers, the board of trustees assumes all of the powers and duties assigned to a board of trustees by law, rule, or regulation.

Following the expiration of the period of appointment of a board of managers for a school district, the commissioner shall provide training in effective leadership strategies to the board of trustees.

Education Code 39A.208; 19 TAC 97.1073

Removal of Board
of Managers

The commissioner may remove a board of managers appointed to govern a school district only if the campus that was the basis for the appointment of the board of managers receives an acceptable performance rating for two consecutive school years.

If a campus that was the basis for the appointment of a board of managers receives an unacceptable performance rating for two additional consecutive years following the appointment of the board of managers, the commissioner may remove the board of managers and, in consultation with the local community, may appoint a new board of managers to govern the district.

Following the removal of a board of managers, or at the request of a managing entity to oversee the implementation of alternative management, the commissioner may appoint a conservator or monitor for the district to ensure district-level support for low-performing campuses and to oversee the implementation of the updated targeted improvement plan.

Education Code 39A.209; 19 TAC 97.1073

**Challenge of
Intervention or
Sanction**

Review of
Sanctions by SOAH

A district must appeal under this provision if the district intends to challenge the commissioner's decision to close the district or a campus, pursue alternative management of a campus, appoint a board of managers to the district, or appoint a conservator or management team to the district.

A challenge is under the substantial evidence rule [see Government Code Chapter 2001, Subchapter G]. The commissioner shall adopt procedural rules for a challenge under this section.

Notwithstanding other law:

1. The State Office of Administrative Hearings (SOAH) shall conduct an expedited review of a challenge;
2. The administrative law judge shall issue a final order not later than the 30th day after the date on which the hearing is finally closed;
3. The decision of the administrative law judge is final and may not be appealed; and
4. The decision of the administrative law judge may set an effective date for an action under this section.

Education Code 39A.301

Appeals

If an order, decision, or determination is described as final in Education Code Chapter 7, 11, 12, 39, or 39A, an interlocutory or intermediate order, decision, report, or determination made or reached before the final order, decision, or determination may be appealed only as specifically authorized by the Education Code or a rule adopted under the Education Code. *Education Code 5.003*

A decision by the commissioner under Education Code Chapter 39 or 39A is final and may not be appealed unless an applicable provision of Chapter 39 or 39A provides otherwise. *Education Code 39A.906*

Annual Review

The commissioner shall annually review the performance of a district or campus subject to intervention and sanction to determine the appropriate actions to be implemented.

The commissioner must review at least annually the performance of a district for which the accreditation status or performance rating has been lowered due to insufficient student performance and may not raise the accreditation status or performance rating until the district has demonstrated improved student performance.

If the review reveals a lack of improvement, the commissioner shall increase the level of state intervention and sanction unless the commissioner finds good cause for maintaining the current status.

Education Code 39A.901

Increasing Intensity

If a district or campus does not exhibit improvement in student performance, the commissioner may increase the intensity of intervention and sanction that would otherwise be required by statute or rule, including ordering campus closure, district annexation, or appointment of a board of managers.

For purposes of this section, improvement means an increase in the scaled score for the overall academic performance rating under Education Code Chapter 39.

19 TAC 97.1070(a)-(b)

Intervention Programs

ACE Turnaround Plan

A campus may submit an accelerated campus excellence (ACE) turnaround plan. The plan must meet the requirements of Education Code 39A.105(b). *Education Code 39A.105(b)-(c)*

Resource Campus

An eligible campus may apply to the commissioner to be designated as a resource campus that provides quality education and enrichment for campus students. To apply to be designated as a resource campus, the campus must have received an overall performance rating of F for four years over a 10-year period of time. *Education Code 29.934(a)-(b)*

Strong Foundations Intervention

Notwithstanding when a D rating is considered acceptable or any other law, the commissioner may require a district to comply with all requirements of the strong foundations grant program under Education Code 29.0881 at a campus that:

Education Code 39A.064(a)

Miscellaneous Provisions

Acquisition of Professional Services

In addition to other authorized interventions and sanctions, the commissioner may order a district or campus to acquire professional services at the expense of the district or campus to address the applicable financial, assessment, data quality, program, performance, or governance deficiency. The commissioner's order may require the district or campus to:

1. Select or be assigned an external auditor, data quality expert, professional authorized to monitor district assessment instrument administration, or curriculum or program expert; or
2. Provide for or participate in the appropriate training of district staff or board members in the case of a district, or campus staff, in the case of a campus.

Education Code 39A.902

Costs Paid by District

The costs of providing a monitor, conservator, management team, campus intervention team, technical assistance team, managing entity, or service provider shall be paid by the district. If the district fails or refuses to pay the costs in a timely manner, the commissioner may:

1. Pay the costs using amounts withheld from any funds to which the district is otherwise entitled; or
2. Recover the amount of the costs in the manner provided for recovery of an over allocation of state funds under Education Code 48.272.

Education Code 39A.903

Immunity from Civil Liability

An employee, volunteer, or contractor acting on behalf of the commissioner, or a member of a board of managers appointed by the commissioner, is immune from civil liability to the same extent as a professional employee of a district under Education Code 22.051.

Campus Name
Change

In reconstituting, repurposing, or imposing any other intervention or sanction on a campus, the commissioner may not require that the name of the campus be changed. *Education Code 39A.905*

Special Program
Performance
Determination

The commissioner shall assign districts an annual determination level based on performance levels of certain special populations student groups under 19 Administrative Code 97.1001 [see AIA] according to the criteria and requirements in 19 Administrative Code 97.1071(e)-(g).

In addition to determination levels, the commissioner shall develop a system of cyclical monitoring to ensure every district participates in general supervision activities. Based on a district's assigned determination level, as part of its cyclical monitoring process, or as part of compliance monitoring activities, a district may be required to implement and/or participate in:

1. Focused self-analysis of district data and program effectiveness;
2. Focused remote and/or on-site review;
3. Required stakeholder engagement;
4. Focused compliance reviews;
5. Strategic support and continuous improvement planning; and/or
6. Corrective action plan development.

The commissioner shall notify in writing each district identified for review under this provision as a result of assigned determination level or cyclical selection prior to requiring a district to implement or participate in any activities included in items 1-6 above.

Actions taken under this provision are intended to assist the district in raising its performance and/or achieving compliance under 19 Administrative Code 97.1001 and 74.28 and Education Code sections 28.006, 29.062 and 38.003 do not preclude or substitute for a sanction under another provision of Chapter 97, Subchapter EE.

Actions taken under this provision do not preclude or substitute for other responses to or consequences of program ineffectiveness or noncompliance identified by TEA, such as those described in 19 Administrative Code 89.1076 (relating to Interventions and Sanctions) and expanded oversight, including, but not limited to, frequent follow-up contacts with the district, submission of documen-

tation verifying implementation of intervention activities and/or an improvement plan, and submission of district/program data.

19 TAC 97.1071(e)-(k)

[See AIE for information regarding TEA’s process for investigating and issuing findings regarding credible allegations of violations of the Individuals with Disabilities Education Act (IDEA), Part B, and other supervision and monitoring activities under 19 Administrative Code 97.1071(a)-(b).]

Intervention Pause

Except as otherwise provided by 19 Administrative Code 97.1062 and unless extended by the commissioner, TEA will cease to enforce the interventions under Education Code 39A.101-39A.111 until conclusion of the second consecutive school year of operation under:

1. A partnership as defined by 19 Administrative Code 97.1077(a)(2), (b), or (c) of this title [see ELA]; or
2. Designation as a mathematics innovation zone under Education Code 28.020 and applicable rules.

Any intervention or sanction not covered by the provision above shall continue.

If a campus ceases to qualify for the intervention pause at any point during a school year, TEA will resume previously ordered interventions and sanctions, order interventions and sanctions based on the rating from that school year, and count that rating for purposes of consecutive years of performance.

19 TAC 97.1062

Failure to Submit
Emergency
Operations Plan

If TEA receives notice from the Texas School Safety Center of a district’s failure to submit a multihazard emergency operations plan [see CKC], the commissioner may appoint a conservator for the district under Education Code Chapter 39A. The conservator may order the district to adopt, implement, and submit a multihazard emergency operations plan. If a district fails to comply with a conservator's order to adopt, implement, and submit a multihazard emergency operations plan within the time frame imposed by the commissioner, the commissioner may appoint a board of managers under Education Code Chapter 39A to oversee the operations of the district. *Education Code 37.1082(a)-(b)*

Note: The following provisions apply to a district with a central administrative office that is located in a county with a population of more than two million and that has a student enrollment that is more than 125,000 and less than 200,000, and that is operating under a turnaround plan.

Student Board
Member

Notwithstanding Education Code 11.051(b) (number of trustees on a school board), the board may adopt a resolution establishing as a nonvoting member a student trustee position. If a board adopts such a resolution, the board shall adopt a policy addressing the topics specified in statute. A student trustee may not participate in a closed session of a board meeting [see BEC] in which any issue related to a personnel matter is considered. *Education Code 11.0511(a)-(f)*

**Special
Investigations**

The commissioner may authorize a special investigation:

1. When excessive numbers of absences of students eligible to be tested on state assessment instruments are determined;
2. When excessive numbers of allowable exemptions from the required state assessment are determined;
3. In response to complaints to the Texas Education Agency (TEA) of alleged violations of civil rights or other requirements imposed on the state by federal law or court order;
4. In response to established compliance reviews of the district's financial accounting practices and state and federal reporting requirements;
5. When extraordinary numbers of student placements in disciplinary alternative education programs, other than placements under Education Code 37.006 and 37.007, are determined;
6. In response to an allegation involving a conflict between members of the board or between the board and the district administration if it appears that the conflict involves a violation of a role or duty of the board members or the administration clearly defined by the Education Code. If TEA's findings indicate the board has observed a lawfully adopted policy, TEA may not substitute its judgment for that of the board;
7. When excessive numbers of students in special education programs are assessed through modified assessment instruments;
8. In response to an allegation regarding, or an analysis using a statistical method result indicating, a possible violation of an assessment instrument security procedure;
9. When a significant pattern of decreased academic performance has developed as a result of the promotion in the preceding two school years of students who did not perform satisfactorily on the state assessments;
10. When excessive numbers of students eligible to enroll fail to complete an Algebra II course or any other advanced course as determined by the commissioner;
11. When resource allocation practices indicate a potential for significant improvement in resource allocation;
12. When a disproportionate number of students of a particular demographic group is graduating with a particular endorsement;

13. When an excessive number of students is graduating with a particular endorsement;
14. When a school district for any reason fails to produce, at the request of TEA, evidence or an investigation report relating to an educator who is under investigation by the State Board for Educator Certification;
15. When 10 percent or more of the students graduating in a particular school year from a particular high school campus are awarded a diploma based on the determination of an individual graduation committee under Education Code 28.0258;
16. In response to a complaint with respect to alleged inaccurate data that is reported through PEIMS or through other reports required by state or federal law or rule or court order and that is used by TEA to make a determination relating to public school accountability, including accreditation, under Education Code Chapter 39;
17. In response to repeated complaints submitted to TEA concerning imposition of excessive paperwork requirements on classroom teachers; or
18. As the commissioner otherwise determines necessary.

Education Code 39.003(a), (c)

TEA shall adopt written procedures for conducting special investigations, including procedures that allow TEA to obtain information from district employees in a manner that prevents a district or campus from screening the information. *Education Code 39.004(a)*

Note: The procedures for conducting a special investigation, holding a hearing following an investigation, the process for commissioner determinations, and judicial appeal are described in Education Code 39.004-.007.

Commissioner
Action

Based on the results of a special investigation, the commissioner may:

1. Take appropriate action under Education Code Chapter 39A, [see AIC];
2. Lower the district's accreditation status or a district's or campus's performance rating; or
3. Take action under both items 1 and 2 above.

Education Code 39.003(d)

At any time before issuing a report with the TEA's final findings, the commissioner may defer taking the above action until:

1. A person who is a third party, selected by the commissioner, has reviewed programs or other subjects of a special investigation and submitted a report identifying problems and proposing solutions;
2. A district completes a corrective action plan developed by the commissioner; or
3. The completion of actions under both items 1 and 2 above.

Education Code 39.003(e)

Based on the results of an action taken above, the commissioner may decline to take the deferred action. *Education Code 39.003(f)*

Note: The procedures for an informal review or hearing following an investigation are described in 19 Administrative Code Chapter 157, Subchapter EE.

Monitoring Reviews

In accordance with Education Code 7.028(a), TEA may monitor compliance with requirements applicable to a process or program provided by a district, campus, or program, only as necessary to ensure:

1. Compliance with federal law and regulations;
2. Financial accountability, including compliance with grant requirements;
3. Data integrity for purposes of:
 - a. The Public Education Information Management System (PEIMS); and
 - b. Accountability under Education Code Chapter 39 and 39A; and
4. Qualification for funding under Education Code Chapter 48.

The board has primary responsibility for ensuring that the district complies with all applicable requirements of state educational programs.

Education Code 7.028

Compliance Monitoring Activities

Districts are subject to general supervision and monitoring activities for compliance with state law and federal regulation, implemented by TEA under 34 C.F.R. 300.600-.609 [see Supervision

Under IDEA, below], and review of program implementation and effectiveness within certain special populations of students.

Activities may include:

1. Random, targeted, or cyclical reviews authorized under Education Code 39.056 (monitoring reviews), conducted remotely or on-site to identify problems implementing state and federal requirements and to provide support for development of reasonable and appropriate strategies to address identified problems; and/or
2. Intensive or special investigative remote or on-site reviews authorized under Education Code 39.003 and 39.004.

Activities described above are applicable for compliance with requirements for reading diagnosis in Education Code 28.006 [see EKC], dyslexia and related disorders in Education Code 38.003 and 19 Administrative Code 74.28 [see EHB], and program effectiveness for emergent bilingual students in Education Code 29.062.

19 TAC 97.1071(b)-(d)

Notice

TEA shall give written notice to the superintendent and the board of trustees of any impending monitoring review. *Education Code 39.056(d)*

Conducting the Review

A monitoring review may include desk reviews and on-site visits, including random on-site visits. In conducting a monitoring review, TEA may obtain information from administrators, other district employees, parents of students enrolled in the district, and other persons as necessary. *Education Code 39.056(c), (g)*

Converting to a Special Investigation

The commissioner may at any time convert a monitoring review to a special investigation under Education Code 39.003, provided the commissioner promptly notifies the district of the conversion. *Education Code 39.056(h)*

Improvements

TEA shall report in writing to the superintendent and president of the board and shall make recommendations concerning any necessary improvements or sources of aid such as regional education service centers. A district that takes action with regard to the recommendations provided by TEA shall make a reasonable effort to seek assistance from a third party in developing an action plan to improve district performance using improvement techniques that are goal-oriented and research-based. *Education Code 39.056(e)-(f)*

Appeals

A decision by the commissioner under Education Code Chapter 39 or 39A is final and may not be appealed unless an applicable provision of Chapter 39 or 39A provides otherwise. *Education Code 39A.906* [See AIC]

Compliance Investigation

A compliance investigation is an investigation by TEA of a state education grant recipient to determine compliance with the statutory or rule requirements of a state education program. A compliance investigation is not a special investigation subject to Education Code 39.003 and 39.004 (above). *19 TAC 102.1401(a)(1)*

Supervision Under IDEA

In exercising its general supervision authority under 34 C.F.R. sections 300.149 and 300.600, TEA has established a process that provides for the investigation and issuance of findings regarding credible allegations of violations of the Individuals with Disabilities Education Act (IDEA), Part B, or a state statute or administrative rule created to implement IDEA, that arise from an area of concern. The following guidelines shall apply to this process.

Definitions

“Area of concern” means that TEA has been made aware of an allegation regarding a violation of, or noncompliance with, a requirement of IDEA, Part B, or a state special education law or administrative rule.

“Credible allegation” means that TEA has determined that an allegation arising from an area of concern is credible enough to investigate further to determine if a violation or noncompliance has occurred.

Credibility Determination

Information and awareness of an area of concern may arise directly from TEA or from external sources.

TEA will engage in a process to determine if an area of concern is determined to be a credible allegation, and, if determined credible, TEA will initiate an investigation to determine if findings of noncompliance will be issued.

TEA will generally not engage in the process described below to determine if an area of concern is a credible allegation if it is a media report, social media post, or an anonymous report, unless TEA receives corroborating information and facts that a specific violation of state or federal law or rule has occurred if the allegation were to be confirmed true.

When an individual or organization reports a special education area of concern, TEA may direct the individual or organization to the established dispute resolution processes. Depending on the frequency or specificity of the type of allegation made, TEA may engage in a process to determine credibility of the allegation.

Process

The process to determine if an area of concern is a credible allegation may include one or more of the following actions:

1. Reviewing existing citations of noncompliance or any non-compliance identified within the last two school years on the same or similar alleged violation;
2. Reviewing filed state complaints that are in process of being investigated or that have been substantiated within the last two school years on the same or similar alleged violation;
3. Reviewing due process hearing decisions issued within the last two years in which the hearing officer's final written decision contains a finding of noncompliance on the same or similar alleged violation;
4. Gathering evidence from groups that represent or advocate for families and communities served by the district;
5. Reviewing and analyzing available student- or district-level data that relate to the alleged violation;
6. Reviewing and analyzing fiscal and program information, such as grant applications, contracts, self-assessments, and other special education documents submitted to TEA by the district; and
7. Any other activity or measure used to gather evidence within TEA's general supervision and monitoring authority.

The investigation to determine if a credible allegation will result in the issuance of findings will include contacting the school district that is the subject of the allegation and requesting a response from the school district. Additional investigative actions may include one or more of the following:

1. Conducting interviews with the district, staff, parents, or students;
2. A referral for review or investigation by any other appropriate unit or division within TEA;
3. Utilizing the review and analysis of the activities conducted during the review process in this provision to determine if non-compliance is found; and
4. Any other activity or measure within TEA's general supervision and monitoring authority.

Each employee who supervises or prepares District financial reports or transactions shall set an example of honest and ethical behavior and shall actively monitor his or her area of responsibility for fraud and financial impropriety.

Fraud Prevention

The Superintendent shall maintain a system of internal controls to deter and monitor for fraud or financial impropriety in the District.

Reports

Any person who suspects fraud or financial impropriety in the District shall report the suspicions immediately to a person with authority to investigate the suspicions, including any supervisor, the Superintendent, the Board President, or local law enforcement.

Reports of suspected fraud or financial impropriety shall be treated as confidential to the extent permitted by law. Limited disclosure may be necessary to complete a full investigation or to comply with

law. All employees involved in an investigation shall be advised to keep information about the investigation confidential.

*Protection from
Retaliation*

Neither the Board nor any District employee shall unlawfully retaliate against a person who in good faith reports perceived fraud or financial impropriety. [See DG]

Fraud Investigations

In coordination with legal counsel and other internal or external departments or agencies, as appropriate, the Superintendent, Board President, or a designee shall promptly investigate reports of potential fraud or financial impropriety.

Response

If an investigation substantiates a report of fraud or financial impropriety, the Superintendent shall promptly inform the Board of the report, the investigation, and any responsive action taken or recommended by the administration.

If an employee is found to have committed fraud or financial impropriety, the Superintendent shall take or recommend appropriate disciplinary action, which may include termination of employment. If a contractor or vendor is found to have committed fraud or financial impropriety, the District shall take appropriate action, which may include cancellation of the District's relationship with the contractor or vendor.

When circumstances warrant, the Board, Superintendent, or a designee may refer matters to appropriate law enforcement or regulatory authorities. In cases involving monetary loss to the District, the District may seek to recover lost or misappropriated funds.

The final disposition of the matter and any decision to file a criminal complaint or to refer the matter to the appropriate law enforcement or regulatory agency for independent investigation shall be made in consultation with legal counsel.

Federal Awards
Disclosure

In connection with federal awards, the District shall promptly disclose in writing whenever the District has credible evidence of the commission of a violation of federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in federal law, including the Civil False Claims Act. This provision applies to any activities or subawards of a federal award. [See CBB]

Analysis of Fraud

After any investigation substantiates a report of fraud or financial impropriety, the Superintendent shall analyze conditions or factors that may have contributed to the fraudulent or improper activity. The Superintendent shall ensure that appropriate administrative procedures are developed and implemented to prevent future misconduct. These measures shall be presented to the Board for review.

The board may hold this meeting or hearing in conjunction with another board meeting or hearing if the meeting or hearing to consider block grant funds is clearly noted in an announcement of the other meeting or hearing. *Gov't Code 2105.058*

*General
Compliance*

Throughout 2 C.F.R. Part 200, Subparts A through F, the word "must" indicates a requirement. The words "should" or "may" indicate a recommended approach and permit discretion. *2 C.F.R. 200.101(a)(3)*

*Mandatory
Disclosures*

A district must disclose in writing any potential conflict of interest to the federal agency (e.g., ED) or pass-through entity (e.g., TEA) in accordance with the established federal agency policies. *2 C.F.R. 200.112*

A district must promptly disclose whenever, in connection with the federal award (including any activities or subawards thereunder), it has credible evidence of the commission of a violation of federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code or a violation of the civil False Claims Act (31 U.S.C. 3729-3733). The disclosure must be made in writing to the federal agency, the agency's Office of Inspector General, and pass-through entity (if applicable). Districts are required to report matters related to recipient integrity and performance in accordance with Appendix XII of 2 C.F.R. Part 200. Failure to make required disclosures can result in any of the remedies described in 2 C.F.R. 200.339 (Remedies for Noncompliance). *2 C.F.R. 200.113*

*Procurement
Standards*

Documented
Procurement
Procedures

The district must maintain and use documented procedures for procurement transactions under a federal award or subaward, including for acquisition of property or services. These documented procurement procedures must be consistent with state, local, and tribal laws and regulations and the standards identified in 2 C.F.R. 200.317 through 200.327. [See also 2 C.F.R. 200.501 (Audit Requirements)]

Oversight of
Contractors

The district must maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

Conflicts of
Interest

The district must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts. No employee, officer, agent, or board member with real or apparent conflict of interest may participate in the selection, award, or administration of a contract supported by the federal award. A conflict of interest includes when the employee, officer, agent, or board member, any member of their immediate family, their partner, or an organization that employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from an entity considered for a contract. An employee, officer, agent, and board member of the district may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors. However, districts may set standards for situations where the financial interest is not substantial or a gift is an unsolicited item of nominal value. The district's standards of conduct must also provide for disciplinary actions to be applied for violations by its employees, officers, agents, or board members. [See BBFA, CAA(LOCAL), CB(LOCAL), DBD]

Procurement
Records

The district must maintain records sufficient to detail the history of each procurement transaction. These records must include the rationale for the procurement method, contract type selection, contractor selection or rejection, and the basis for the contract price. [See Pre-procurement Review and Contract Cost and Price, below]

2 C.F.R. 200.318(a), (b), (c)(1), (i)

[See 2 C.F.R. 200.334 for record retention requirements.]

*Financial
Management*

The district's financial management systems, including records documenting compliance with federal statutes, regulations, and the terms and conditions of the federal award, must be sufficient to permit the preparation of reports required by the terms and conditions; and tracking expenditures to establish that funds have been used in accordance with federal statutes, regulations, and the

terms and conditions of the federal award. [See 2 C.F.R. 200.450 (Lobbying)]

The district's financial management system must comply with 2 C.F.R. 200.302(b). [See 2 C.F.R. 200.334 (Retention requirements for records), .335 (Requests for transfer of records), .336 (Methods for collection, transmission and storage of information), and .337 (Access to records)]

2 C.F.R. 200.302

Internal Controls The district must:

1. Establish, document, and maintain effective internal control over the federal award that provides reasonable assurance that the district is managing the award in compliance with federal statutes, regulations, and the terms and conditions of the award. These internal controls should align with the guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States or the "Internal Control-Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
2. Comply with the U.S. Constitution, federal statutes, regulations, and the terms and conditions of the federal award.
3. Evaluate and monitor the district's compliance with statutes, regulations, and the terms and conditions of federal awards.
4. Take prompt action when instances of noncompliance are identified.
5. Take reasonable cybersecurity and other measures to safeguard information including protected personally identifiable information and other types of information. This also includes information the federal agency or pass-through entity designates as sensitive or other information the district considers sensitive and is consistent with applicable federal, state, local, and tribal laws regarding privacy and responsibility over confidentiality.

2 C.F.R. 200.303

"Internal control" for districts means processes designed and implemented by districts to provide reasonable assurance regarding the achievement of objectives in the following categories:

1. Effectiveness and efficiency of operations;
2. Reliability of reporting for internal and external use; and

3. Compliance with applicable laws and regulations.

2 C.F.R. 200.1

Competition

All procurement transactions under the federal award must be conducted in a manner that provides full and open competition and is consistent with the standards of 2 C.F.R. 200.319 and 200.320 (Methods of procurement to be followed).

To ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids must be excluded from competing on those procurements.

The district must have written procedures for procurement transactions. These procedures must ensure that all solicitations meet the requirements of 2 C.F.R. 200.319(d).

The district must ensure that all prequalified lists of persons, firms, or products used in procurement transactions are current and include enough qualified sources to ensure maximum open competition. When establishing or amending prequalified lists, the district must consider objective factors that evaluate price and cost to maximize competition. The district must not preclude potential bidders from qualifying during the solicitation period.

To the extent consistent with established practices and legal requirements applicable to the district, 2 C.F.R. Part 200, Subpart D does not prohibit districts from developing written procedures for procurement transactions that incorporate a scoring mechanism that rewards bidders that commit to specific numbers and types of U.S. jobs, minimum compensation, benefits, on-the-job-training for employees making work products or providing services on a contract, and other worker protections. Subpart D also does not prohibit districts from making inquiries of bidders about these subjects and assessing the responses. Any scoring mechanism must be consistent with the U.S. Constitution, applicable federal statutes and regulations, and the terms and conditions of the federal award.

Noncompetitive procurements can only be awarded in accordance with 2 C.F.R. 200.320(c).

2 C.F.R. 200.319

*Procurement
Methods*

For informal procurement methods (for micro-purchases and simplified acquisitions), formal procurement methods (through sealed bids or proposals), and noncompetitive procurement methods, the district must maintain and use documented procurement procedures, consistent with the standards of 2 C.F.R. 200.320 and

200.317 (Procurements by states), 200.318 (General procurement standards), and 200.319 (Competition). *2 C.F.R. 200.320*

Informal
Procurement
Methods for
Small
Purchases

These procurement methods expedite the completion of transactions, minimize administrative burdens, and reduce costs. Informal procurement methods may be used when the value of the procurement transaction under the federal award does not exceed the simplified acquisition threshold, as defined in 2 C.F.R. 200.1. The district may also establish a lower threshold. Informal procurement methods include:

*Micro-
Purchases —
Definitions*

“Micro-purchase” means an individual procurement transaction for supplies or services, the aggregate amount of which does not exceed the micro-purchase threshold. Micro-purchases comprise a subset of a district's small purchases using informal procurement methods as set forth in 2 C.F.R. 200.320.

“Micro-purchase threshold” means the dollar amount at or below which a district may purchase property, or services using micro-purchase procedures. Generally, except as provided below, the micro-purchase threshold for procurement activities administered under federal awards is not to exceed the amount set by the Federal Acquisition Regulations (FAR) at 48 C.F.R. Part 2, Subpart 2.1 [see below], unless a higher threshold is requested by the district and approved by the cognizant agency for indirect costs.

2 C.F.R. 200.1

Micro-purchase threshold means \$10,000, except as provided by 48 C.F.R. 2.101. *48 C.F.R. 2.101*

*Micro-
Purchase
Distribution*

The aggregate amount of the procurement transaction does not exceed the micro-purchase threshold. [See the definition of “micro-purchase” above.] To the extent practicable, the district should distribute micro-purchases equitably among qualified suppliers. *2 C.F.R. 200.320(a)(1)(i)*

*Micro-
Purchase
Awards*

Micro-purchases may be awarded without soliciting competitive price or rate quotations if the district considers the price reasonable based on research, experience, purchase history, or other information; and maintains documents to support its conclusion. Purchase cards may be used as a method of payment for micro-purchases. *2 C.F.R. 200.320(a)(1)(ii)*

*Micro-
Purchase
Thresholds*

The district is responsible for determining and documenting an appropriate micro-purchase threshold based on internal controls, an evaluation of risk, and its documented procurement procedures. The micro-purchase threshold used by the district must be authorized or not prohibited under state, local, or tribal laws or regulations. Districts may establish a threshold higher than the federal

threshold established in the FAR in accordance with 2 C.F.R. 200.320(a)(1)(iv) and (v). *2 C.F.R. 200.320(a)(1)(iii)*

Districts may establish a threshold higher than the micro-purchase threshold identified in the FAR in accordance with the requirements of 2 C.F.R. 200.320. The district may self-certify a threshold up to \$50,000 on an annual basis and must maintain documentation to be made available to the federal agency or pass-through entity and auditors in accordance with 2 C.F.R. 200.334. The self-certification must include a justification, clear identification of the threshold, and supporting documentation of any of the following:

1. A qualification as a low-risk auditee, in accordance with the criteria in 2 C.F.R. 200.520 for the most recent audit.
2. An annual internal institutional risk assessment to identify, mitigate, and manage financial risks; or,
3. For public institutions, a higher threshold is consistent with state law.

2 C.F.R. 200.320(a)(1)(iv)

Micro-purchase thresholds higher than \$50,000 must be approved by the cognizant agency for indirect costs. The district must submit a request that includes the requirements in 2 C.F.R. 200.320(a)(1)(iv). The increased threshold is valid until any factor that was relied on in the establishment and rationale of the threshold changes. *2 C.F.R. 200.320(a)(1)(v)*

Simplified Acquisitions — Procedures

The aggregate dollar amount of the procurement transaction is higher than the micro-purchase threshold but does not exceed the simplified acquisition threshold. If simplified acquisition procedures are used, price or rate quotations must be obtained from an adequate number of qualified sources. Unless specified by the federal agency, the district may exercise judgment in determining what number is adequate. *2 C.F.R. 200.320(a)(2)(i)*

Simplified Acquisitions — Thresholds

“Simplified acquisition threshold” means the dollar amount below which a district may purchase property or services using small purchase methods. Districts adopt small purchase procedures in order to expedite the purchase of items at or below the simplified acquisition threshold. The simplified acquisition threshold for procurement activities administered under federal awards is set by the FAR at 48 C.F.R. Part 2, Subpart 2.1 [see below]. The district is responsible for determining an appropriate simplified acquisition threshold based on internal controls, an evaluation of risk, and its documented procurement procedures, which may be lower than, but must not exceed, the threshold established in the FAR. *2 C.F.R. 200.1, .320(a)(2)(ii)*

Simplified acquisition threshold means \$250,000, except as provided by 48 C.F.R. 2.101. *48 C.F.R. 2.101*

Formal
Procurement
Methods

Formal procurement methods are required when the value of the procurement transaction under a federal award exceeds the simplified acquisition threshold of the district. Formal procurement methods are competitive and require public notice. The following formal methods of procurement are used for procurement transactions above the simplified acquisition threshold determined by the district in accordance with 2 C.F.R.200.320(a)(2)(ii) [Simplified Acquisitions — Thresholds, above].

Sealed Bids

Sealed bids are a procurement method in which bids are publicly solicited through an invitation and a firm fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid conforms with all the material terms and conditions of the invitation and is the lowest in price. The sealed bids procurement method is preferred for procuring construction services.

For sealed bidding to be feasible, the following conditions should be present:

1. A complete, adequate, and realistic specification or purchase description is available;
2. Two or more responsible bidders have been identified as willing and able to compete effectively for the business; and
3. The procurement lends itself to a firm-fixed-price contract, and the selection of the successful bidder can be made principally based on price.

If sealed bids are used, the following requirements apply:

1. Bids must be solicited from an adequate number of qualified sources, providing them with sufficient response time prior to the date set for opening the bids. Unless specified by the federal agency, the district may exercise judgment in determining what number is adequate. For local governments, the invitation for bids must be publicly advertised.
2. The invitation for bids must define the items or services with specific information, including any required specifications, for the bidder to properly respond.
3. All bids will be opened at the time and place prescribed in the invitation for bids. For local governments, the bids must be opened publicly.
4. A firm-fixed-price contract is awarded in writing to the lowest responsive bid and responsible bidder. When specified in the

invitation for bids, factors such as discounts, transportation cost, and life-cycle costs must be considered in determining which bid is the lowest. Payment discounts must only be used to determine the low bid when the district determines they are a valid factor based on prior experience.

5. The district must document and provide a justification for all bids it rejects.

2 C.F.R. 200.320(b)(1)

Proposals

Proposals are a procurement method used when conditions are not appropriate for using sealed bids. This procurement method may result in either a fixed-price or cost-reimbursement contract. They are awarded in accordance with the following requirements:

1. Requests for proposals require public notice, and all evaluation factors and their relative importance must be identified. Proposals must be solicited from multiple qualified entities. To the maximum extent practicable, any proposals submitted in response to the public notice must be considered.
2. The district must have written procedures for conducting technical evaluations and making selections.
3. Contracts must be awarded to the responsible offeror whose proposal is most advantageous to the district considering price and other factors.
4. The district may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby the offeror's qualifications are evaluated, and the most qualified offeror is selected, subject to negotiation of fair and reasonable compensation. The method, where the price is not used as a selection factor, can only be used to procure A/E professional services. The method may not be used to purchase other services provided by A/E firms that are a potential source to perform the proposed effort.

2 C.F.R. 200.320(b)(2)

*Noncompetitive
Procurement*

There are specific circumstances in which the district may use a noncompetitive procurement method. The noncompetitive procurement method may only be used if one of the following circumstances applies;

1. The aggregate amount of the procurement transaction does not exceed the micro-purchase threshold;

STATE AND FEDERAL REVENUE SOURCES
FEDERAL

CBB
(LEGAL)

2. The procurement transaction can only be fulfilled by a single source;
3. The public exigency or emergency for the requirement will not permit a delay resulting from providing public notice of a competitive solicitation;
4. The district requests in writing to use a noncompetitive procurement method, and the federal agency or pass-through entity provides written approval; or
5. After soliciting several sources, competition is determined inadequate.

2 C.F.R. 200.320(c)

Procurement
Arrangements
Using Strategic
Sourcing

When appropriate for the procurement or use of common or shared goods and services, districts are encouraged to enter into state and local intergovernmental agreements or inter-entity agreements for procurement transactions. These or similar procurement arrangements using strategic sourcing may foster greater economy and efficiency. Documented procurement actions of this type (using strategic sourcing, shared services, and other similar procurement arrangements) will meet the competition requirements of 2 C.F.R. Part 200. *2 C.F.R. 200.318(e)*

*Small, Minority,
Women's, and
Veteran-Owned
Businesses*

When possible, the district should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below. Such consideration means:

1. These business types are included on solicitation lists;
2. These business types are solicited whenever they are deemed eligible as potential sources;
3. Dividing procurement transactions into separate procurements to permit maximum participation by these business types;
4. Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types;
5. Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

6. Requiring a contractor under a federal award to apply items 1 through 5 above to subcontracts.

2 C.F.R. 200.321

*Domestic
Preference*

The district should, to the greatest extent practicable and consistent with law, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of 2 C.F.R. 200.322 must be included in all subawards, contracts, and purchase orders under federal awards.

For purposes of this provision:

1. "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
2. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

2 C.F.R. 200.322

*Pre-procurement
Review*

When requested, the district must provide procurement documents (such as requests for proposals, invitations for bids, or independent cost estimates) to the federal agency or pass-through entity for pre-procurement review. The federal agency or pass-through entity may conduct a pre-procurement review when:

1. The district's procurement procedures or operation fails to comply with the procurement standards in 2 C.F.R. Part 200;
2. The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition, or only one bid is expected to be received in response to a solicitation;
3. The procurement is expected to exceed the simplified acquisition threshold and specifies a "brand name" product;
4. The procurement is expected to exceed the simplified acquisition threshold, and sealed bid procurement is to be awarded to an entity other than the apparent low bidder; or

5. A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

2 C.F.R. 200.325(b)

*Contract Cost
and Price*

The district must perform a cost or price analysis for every procurement transaction, including contract modifications, in excess of the simplified acquisition threshold. The method and degree of analysis conducted depend on the facts surrounding the particular procurement transaction. For example, districts should consider potential workforce impacts in their analysis if the procurement transaction will displace public sector employees. However, as a starting point, the district must make independent estimates before receiving bids or proposals.

Costs or prices based on estimated costs for contracts under the federal award are allowable only to the extent that the costs incurred or cost estimates included in negotiated prices would be allowable for the district under 2 C.F.R. Part 200, Subpart E. The district may reference its own cost principles as long as they comply with 2 C.F.R. Part 200, Subpart E.

The district must not use the “cost plus a percentage of cost” and “percentage of construction costs” methods of contracting.

2 C.F.R. 200.324

*Contract
Provisions*

The district's contracts must contain the applicable provisions described in appendix II of 2 C.F.R. Part 200. *2 C.F.R. 200.327*

*Suspension and
Debarment*

Districts are subject to the nonprocurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, as well as 2 C.F.R. Part 180. These regulations restrict making federal awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from receiving or participating in federal awards. *2 C.F.R. 200.214*

*Remedies for
Noncompliance*

The federal agency or pass-through entity may implement specific conditions if the district fails to comply with the U.S. Constitution, federal statutes, regulations, or terms and conditions of the federal award. See 2 C.F.R. 200.208 for additional information on specific conditions. When the federal agency or pass-through entity determines that noncompliance cannot be remedied by imposing specific conditions, the federal agency or pass-through entity may take one or more of the following actions:

1. Temporarily withhold payments until the district takes corrective action.

2. Disallow costs for all or part of the activity associated with the noncompliance of the district.
3. Suspend or terminate the federal award in part or in its entirety.
4. Initiate suspension or debarment proceedings as authorized in 2 C.F.R. Part 180 and the federal agency's regulations, or for pass-through entities, recommend suspension or debarment proceedings be initiated by the federal agency.
5. Withhold further federal funds (new awards or continuation funding) for the project or program.
6. Pursue other legally available remedies.

2 C.F.R. 200.339

Travel Costs

Travel costs include the transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the district. These costs may be charged on an actual cost basis, on a per diem or mileage basis, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip. The method used must be consistent with those normally allowed in like circumstances in the district's other activities and in accordance with the district's established written policies.

In the absence of an established written policy regarding travel costs, the rates and amounts established under 5 U.S.C. 5701-11 (Travel and Subsistence Expenses; Mileage Allowances), by the administrator of general services, or by the president (or their designee) pursuant to any provisions of such subchapter must apply to travel under federal awards [48 C.F.R. 31.205-46(a)].

2 C.F.R. 200.475(a), (d)

*Property
Standards*

Federally
Owned Property

Title to federally owned property remains vested in the federal government. The district must submit an inventory listing of federally owned property in its custody to the federal agency or pass-through entity on an annual basis. The district must request disposition instructions from the federal agency of pass-through entity upon completion of the federal award or when the property is no longer needed.

Exempt property means property acquired under the federal award where the federal agency has chosen to vest title to the property to the district without further responsibility to the federal government. The federal agency may only exercise this option when permitted by federal statute and set forth in the terms and conditions of the

federal award. Absent statutory authority and specific terms and conditions of the federal award, the title to exempt property acquired under the federal award remains with the federal government.

2 C.F.R. 200.312(a), (c)

Property Trust
Relationship

Real property, equipment, and intangible property acquired or improved with the federal award must be held in trust by the district as trustee for the beneficiaries of the project or program under which the property was acquired or improved. The federal agency or pass-through entity may require the district to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with a federal award and that use and disposition conditions apply to the property. *2 C.F.R. 200.316*

Real Property

Subject to the requirements and conditions set forth in 2 C.F.R. 200.311, title to real property acquired or improved under the federal award will vest upon acquisition in the district.

Except as otherwise provided by federal statutes or the federal agency, real property must be used for the originally authorized purpose as long as it is needed for that purpose. While the property is being used for the originally authorized purpose, the district must not dispose of or encumber its title or other interests except as provided by the federal agency. Easements for utility, cable, and similar services that benefit the real property and are consistent with the authorized use are not considered an encumbrance.

When an appraisal of real property is required and obtained by the district, it must be conducted by an independent appraiser (for example, certified real property appraiser or General Services Administration representative) and certified by a responsible official of the district as required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) except as provided in the implementing regulations at 49 C.F.R. Part 24, "Uniform Relocation Assistance And Real Property Acquisition For Federal And Federally Assisted Programs."

When real property is no longer needed for the originally authorized purpose, the district must obtain disposition instructions from the federal agency or pass-through entity. The instructions must specify one of the following disposition methods:

1. Retain title after compensating the federal agency an amount determined under 2 C.F.R. 200.311(c)(1).
2. Sell the property and compensate the federal agency an amount determined under 2 C.F.R. 200.311(c)(2).

3. Transfer title to the federal agency or a third party designated/approved by the federal agency with the federal agency paying the district an amount determined under 2 C.F.R. 200.311(c)(3).

2 C.F.R. 200.311

Equipment

Title and Use

Title to equipment acquired under the federal award will vest upon acquisition in the district subject to the conditions of 2 C.F.R. 200.313. This title must be a conditional title unless a federal statute specifically authorizes the federal agency to vest title in the district without further responsibility to the federal government (and the federal agency elects to do so). A conditional title means a clear title is withheld by the federal agency until conditions and requirements specified in the terms and conditions of a federal award have been fulfilled. Title for equipment vested in a district is subject to the following conditions:

1. Use the equipment for the authorized purposes of the project during the period of performance, or until the property is no longer needed for the purposes of the project.
2. While the equipment is being used for the originally authorized purpose, the district must not dispose of or encumber its title or other interests without the approval of the federal agency or pass-through entity.
3. Use and dispose of the property in accordance with the provisions below.

The district must use equipment for the project or program for which it was acquired and for as long as needed in accordance with 2 C.F.R. 200.313(c).

Regardless of whether equipment is acquired in part or in its entirety under the federal award, the district must manage equipment (including replacement equipment) utilizing procedures that meet the requirements of 2 C.F.R. 200.313(d).

Disposition

If the district is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

When equipment acquired under a federal award is no longer needed for the original project, program, or for other activities currently or previously supported by a federal agency, the district must request disposition instructions from the federal agency or pass-through entity if required by the terms and conditions of the federal award. Disposition of the equipment will be made as prescribed in

2 C.F.R. 200.313(e), in accordance with federal agency or pass-through entity disposition instructions.

2 C.F.R. 200.313

Supplies

Title to supplies acquired under the federal award will vest upon acquisition in the district. When there is a residual inventory of unused supplies exceeding \$10,000 in aggregate value at the end of the period of performance, and the supplies are not needed for any other federal award, the district may retain or sell the unused supplies. Unused supplies means supplies that are in new condition, not having been used or opened before. The federal agency or pass-through entity is entitled to compensation in an amount calculated under 2 C.F.R. 200.314(a). *2 C.F.R. 200.314(a)*

Intangible
Property

Title to intangible property acquired under a federal award vests upon acquisition in the district. The district must use that intangible property for the originally authorized purpose and must not encumber the property without the approval of the federal agency or pass-through entity. When no longer needed for the originally authorized purpose, disposition of the intangible property must occur in accordance with the provisions in 2 C.F.R. 200.313(e). *2 C.F.R. 200.315(a)*

Foreign
Telecommunications
Equipment

Recipients and subrecipients are prohibited from obligating or expending loan or grant funds in violation of 2 C.F.R. 200.216(a).

Programs

The regulations in 34 C.F.R. Part 75 apply to each direct grant program of the ED, except as specified in the regulations for direct formula grant programs, as referenced in 34 C.F.R. 75.1(c)(3). *34 C.F.R. 75.1*

State-Administered

13. Obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than A or its equivalent with a maturity of no more than three years.

Safety

The primary goal of the investment program is to ensure safety of principal, to maintain liquidity, and to maximize financial returns within current market conditions in accordance with this policy. Investments shall be made in a manner that ensures the preservation of capital in the overall portfolio, and offsets during a 12-month period any market price losses resulting from interest-rate fluctuations by income received from the balance of the portfolio. No individual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio.

**Investment
Management**

In accordance with Government Code 2256.005(b)(3), the quality and capability of investment management for District funds shall be in accordance with the standard of care, investment training, and other requirements set forth in Government Code Chapter 2256. Diversity

The investment portfolio shall be diversified in terms of investment instruments, maturity scheduling, and financial institutions to reduce risk of loss resulting from overconcentration of assets in a specific class of investments, specific maturity, or specific issuer.

Monitoring Market Prices

The investment officer shall monitor the investment portfolio and shall keep the Board informed of significant changes in the market value of the District's investment portfolio. Information sources may include financial/investment publications and electronic media, available software for tracking investments, depository banks, commercial or investment banks, financial advisers, investment advisers, and representatives/advisers of investment pools or money market funds. Monitoring shall be done at least quarterly, as required by law, and more often as economic conditions warrant by using appropriate reports, indices, or benchmarks for the type of investment.

Monitoring Rating Changes

In accordance with Government Code 2256.005(b), the investment officer shall develop a procedure to monitor changes in investment ratings and to liquidate investments that do not maintain satisfactory ratings. The law requires that securities requiring a specific credit rating must be liquidated if the rating falls below the minimum rating.

The investment officer shall monitor, on no less than a monthly basis, the credit rating of all authorized investments in portfolio for which the policy requires a credit rating. The rating should be based upon independent information from a nationally recognized rating agency. If any security falls below the minimum rating required by policy, it must be liquidated. The investment officer shall notify the chief financial officer of the loss of rating and liquidation options within two days for a decision on liquidation.

Monitoring Brokered CDs

A merger or acquisition of brokered CDs into one bank reduces FDIC coverage. The investment officer shall monitor, on no less than a weekly basis, the status and ownership of all banks issuing brokered CD securities owned by the District based upon information from the FDIC. If any bank has been acquired or merged with another bank in which brokered CDs are owned by the District, the Investment Officer or Adviser shall immediately liquidate any brokered CD, which places the District above the FDIC insurance level.

Funds/Strategies

Investments of the following fund categories shall be consistent with this policy and in accordance with the applicable strategy defined below. All strategies described below for the investment of a particular fund should be based on an understanding of the suitability of an investment to the financial requirements of the District and consider preservation and safety of principal, liquidity, mar-

ketability of an investment if the need arises to liquidate before maturity, diversification of the investment portfolio, and yield.

Operating Funds Investment strategies for operating funds (including any commingled pools containing operating funds) shall have as their primary objectives preservation and safety of principal, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.

Custodial Funds Investment strategies for custodial funds shall have as their primary objectives preservation and safety of principal, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.

Debt Service Funds Investment strategies for debt service funds shall have as their primary objective sufficient investment liquidity to timely meet debt service payment obligations in accordance with provisions in the bond documents.

Capital Project Funds Investment strategies for capital project funds shall have as their primary objective sufficient investment liquidity to timely meet capital project obligations.

Safekeeping and Custody The District shall retain clearly marked receipts providing proof of the District's ownership on securities held in safekeeping. All purchased securities are to be settled delivery versus payment. The custodian must be an independent party. The District may delegate, however, to an investment pool the authority to hold legal title as custodian of investments purchased with District funds by the investment pool.

Sellers of Investments Prior to handling investments on behalf of the District, a broker/dealer or a qualified representative of a business organization must submit required written documents in accordance with law. [See Sellers of Investments, CDA(LEGAL)]

Representatives of brokers/dealers and representatives with distributors of investment pools shall be registered with the Texas State Securities Board and must have membership in the Securities Investor Protection Corporation (SIPC) and be in good standing with the Financial Industry Regulatory Authority (FINRA). Distributors of investment pools shall also be a registrant in good standing with the Municipal Securities Rulemaking Board (MSRB).

A copy of this policy shall be sent to each broker/dealer, representative with distributors of investment pools, and bank.

Soliciting Bids for CDs In order to get the best return on its investments, the District may solicit bids for certificates of deposit in writing, by telephone, or electronically, or by a combination of these methods. All transactions will be competitively bid.

Interest Rate Risk

To reduce exposure to changes in interest rates that could adversely affect the value of investments, the District shall use final and weighted-average-maturity limits and diversification.

The District shall monitor interest rate risk using weighted average maturity and specific identification.

Internal Controls

A system of internal controls shall be established and documented in writing and must include specific procedures designating who has authority to withdraw funds. Also, they shall be designed to protect against losses of public funds arising from fraud, employee error, misrepresentation by third parties, unanticipated changes in financial markets, or imprudent actions by employees and officers of the District. Controls deemed most important shall include:

1. Separation of transaction authority from accounting and recordkeeping and electronic transfer of funds.
2. Avoidance of collusion.
3. Custodial safekeeping.
4. Clear delegation of authority.
5. Written confirmation of all transactions.
6. Documentation of dealer questionnaires, bids and offers, evaluations, transactions, and rationale.

Competitive Bidding

All security transactions will be made on a documented competitive bid basis to ensure the District is receiving the best available market rates.

When issued, U.S. agency securities should be compared to other securities available in the secondary market to determine competitiveness.

Collateral

Time and Demand
Deposits Pledged
Collateral

All bank time and demand deposits shall be collateralized above the FDIC coverage by pledged collateral. In order to anticipate market changes and provide a level of security for all funds, the market value of collateral will be maintained and monitored by the pledging depository at 102 percent of principal and accrued interest on the deposits. Mortgage-backed collateral requires a 110 percent margin. The bank shall monitor and maintain the margins on a daily basis.

Collateral pledged to secure deposits shall be held by an independent financial institution outside the holding company of the depository. The collateral agreement with the depository shall be approved by resolution of the bank board or bank loan committee.

The custodian or bank shall provide a monthly report of collateral directly to the District.

All collateral shall be subject to inspection and audit by the District or its independent auditors.

**Collateral Owned
Under Repurchase
Agreements**

All collateral owned by the District under a repurchase agreement shall be held by an independent third-party custodian and require a market value of 102 percent of the principal and accrued interest daily. Daily collateral reports are required.

Only the following securities are authorized as collateral for time and demand deposits or repurchase agreements:

1. FDIC insurance coverage;
2. Obligations of the United States, its agencies or instrumentalities, or evidence of indebtedness of the United States guaranteed as to principal and interest including MBS and CMO, which pass the bank test;
3. Obligations of any U.S. state or of a county, city, or other political subdivision of any state having been rated as investment grade (investment rating no less than "A" or its equivalent) by two nationally recognized rating agencies;
4. Letter of Credit from the FHLB (pledged collateral only); and
5. Cash (repurchase agreements only).

Preference shall be given to pledged collateral securities.

Annual Review

The Board shall review and adopt by resolution this investment policy and investment strategies not less than annually. The adopting resolution shall include any changes made to either the investment policy or investment strategies.

Annual Audit

In conjunction with the annual financial audit, the District shall perform an internal compliance audit of management controls on investments and adherence to the District's established investment policies.

**Financial
Accountability
Rating System
(School FIRST)**

TEA will assign a financial accountability rating to each district as required by Education Code 39.082.

TEA will base the financial accountability rating of a district on its overall performance on the financial measurements, ratios, and other indicators established by the commissioner as shown in the figures provided in 19 Administrative Code 109.1001(e). Financial accountability ratings for a rating year are based on the data from the immediate prior fiscal year.

A financial accountability rating remains in effect until replaced by a subsequent rating.

19 TAC 109.1001(b), (e), (l)

Issuance of Ratings

TEA will issue a preliminary financial accountability rating to a district on or before August 8 of each year. TEA will not delay the issuance of a preliminary or final rating if a district fails to meet the statutory deadline under Education Code 44.008 for submitting the annual financial report (AFR). Instead, the district will receive an F rating for substandard achievement.

Appeals

A district may appeal its preliminary financial accountability rating through the appeals process described at 19 Administrative Code 109.1001(n).

If TEA receives an appeal of a preliminary rating, TEA will issue a final rating to the district no later than 60 days after the deadline for submitting appeals. If TEA does not receive an appeal of a preliminary rating, the preliminary rating automatically becomes a final rating 31 days after issuance of the preliminary rating.

A final rating issued by TEA may not be appealed under Education Code 7.057 or any other law or rule.

1. Competitive bidding for services other than construction services.
2. Competitive sealed proposals for services other than construction services.
3. A request for proposals for services other than construction services.

Exceptions

Emergency
Damage or
Destruction

If school equipment, a school facility, or a part of a school facility or personal property is destroyed or severely damaged or, as a result of an unforeseen catastrophe or emergency, undergoes major operational or structural failure, and the board determines that the delay posed by the methods provided for in Education Code 44.031 would prevent or substantially impair the conduct of classes or other essential school activities, then contracts for the replacement or repair of the equipment, school facility, or the part of the school facility may be made by methods other than those required by Education Code 44.031. *Education Code 44.031(h)*

Sole Source

Without complying with Education Code 44.031(a) above, a district may purchase an item that is available from only one source, including:

1. An item for which competition is precluded because of the existence of a patent, copyright, secret process, or monopoly.
2. A film, manuscript, or book.
3. A utility service, including electricity, gas, or water.

The exceptions above do not apply to mainframe data-processing equipment and peripheral attachments with a single-item purchase price in excess of \$15,000.

Education Code 44.031(j)-(k)

*Competitive
Bidding*

Except to the extent prohibited by other law and to the extent consistent with Education Code Chapter 44, Subchapter B, a district may use competitive bidding to select a vendor as authorized by Education Code 44.031(a)(1).

A district shall award a competitively bid contract at the bid amount to the bidder offering the best value for the district. In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria. The selection criteria may include the factors listed in Education Code 44.031(b) [see Contract Selection Factors, below].

Except as provided below, Local Government Code Chapter 271, Subchapter B (Competitive Bidding on Certain Public Works Contracts) does not apply to a competitive bidding process under this policy.

Local Government Code Sections 271.026 (Opening of Bids), 271.027(a) (Award of Contract), and 271.0275 (Safety Record of Bidder Considered) apply to a competitive bidding process under Education Code Chapter 44, Subchapter B. [See CVA for these requirements.]

Education Code 44.0351

[For information on additional competitive procedures under the Public Property Finance Act, see CHH.]

*Competitive
Sealed Proposals*

In selecting a vendor through competitive sealed proposals as authorized by Education Code 44.031(a)(2), a district shall follow the procedures prescribed below.

Request for
Proposals

The district shall prepare a request for competitive sealed proposals that includes information that vendors may require to respond to the request. The district shall state in the request for proposals the selection criteria that will be used in selecting the successful offeror.

Opening
Proposals

The district shall receive, publicly open, and read aloud the names of the offerors and, if any are required to be stated, all prices stated in each proposal. Not later than the 45th day after the date on which the proposals are opened, the district shall evaluate and rank each proposal submitted in relation to the published selection criteria.

Selection

The district shall select the offeror that offers the best value for the district based on the published selection criteria and on its ranking evaluation. The district shall first attempt to negotiate a contract with the selected offeror. The district may discuss with the selected

offeror options for a scope or time modification and any price change associated with the modification. If the district is unable to negotiate a satisfactory contract with the selected offeror, the district shall, formally and in writing, end negotiations with that offeror and proceed to the next offeror in the order of the selection ranking until a contract is reached or all proposals are rejected.

In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria.

Education Code 44.0352

*Interlocal
Contracts*

“Interlocal contract” means a contract or agreement made under Government Code Chapter 791 (Interlocal Cooperation Act). *Gov’t Code 791.003(2)*

A district, may agree with another local government or with the state or a state agency, including the comptroller, to purchase goods and services. *Gov’t Code 791.025(a)*

A district may agree with another local government, including a nonprofit corporation that is created and operated to provide one or more governmental functions and services, or with the state or a state agency, including the comptroller, to purchase goods and any services reasonably required for the installation, operation, or maintenance of the goods. This provision does not apply to services provided by firefighters, police officers, or emergency medical personnel. *Gov’t Code 791.025(b)*

A district that purchases goods and services under Government Code 791.025 satisfies the requirement to seek competitive bids for the purchase of the goods and services. *Gov’t Code 791.025(c); Atty. Gen. Op. JC-37 (1999)*

Note: For legal provisions related to interlocal contracts, generally, see GRB.

For legal provisions related to using cooperative purchasing for construction-related services, see CV.

Reverse Auction

A district that uses the reverse auction procedure must include in the procedure a notice provision and other provisions necessary to produce a method of purchasing that is advantageous to the district and fair to vendors. *Local Gov’t Code 271.906(b)*

“Reverse auction procedure” means:

1. A real-time bidding process usually lasting less than one hour and taking place at a previously scheduled time and internet

location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services; or

2. A bidding process usually lasting less than two weeks and taking place during a previously scheduled period and at a previously scheduled internet location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services.

Gov't Code 2155.062(d)

Site-Based
Purchasing

If a purchase is made at the campus level in a district with a student enrollment of 180,000 or more that has formally adopted a site-based decision-making plan under Education Code Subchapter F, Chapter 11 [see BQ series], that delegates purchasing decisions to the campus level, Education Code 44.031 applies only to the campus and does not require the district to aggregate and jointly award purchasing contracts. A district that adopts site-based purchasing under this provision shall adopt a policy to ensure that campus purchases achieve the best value to the district and are not intended or used to avoid the requirement that a district aggregate purchases under Education Code 44.031(a). *Education Code 44.031(m)*

**Contract Selection
Factors**

Except as provided by Education Code Chapter 44, Subchapter B, in determining to whom to award a contract, the district shall consider:

1. The purchase price.
2. The reputation of the vendor and of the vendor's goods or services.
3. The quality of the vendor's goods or services.
4. The extent to which the goods or services meet the district's needs.
5. The vendor's past relationship with the district.
6. The impact on the ability of the district to comply with laws and rules relating to historically underutilized businesses.
7. The total long-term cost to the district to acquire the vendor's goods or services.
8. For a contract for goods and services, other than goods and services related to telecommunications and information services, building construction and maintenance, or instructional materials, whether the vendor or the vendor's ultimate parent

company or majority owner has its principal place of business in this state or employs at least 500 persons in this state.

9. Any other relevant factor specifically listed in the request for bids or proposals.

Education Code 44.031(b)

In awarding a contract by competitive sealed bid under Education Code 44.031, a district that has its central administrative office located in a municipality with a population of less than 250,000 may consider a bidder's principal place of business in the manner provided by Local Government Code 271.9051. This provision does not apply to the purchase of telecommunications services or information services, as those terms are defined by 47 U.S.C. Section 153. *Education Code 44.031(b-1)*

The factors listed above are the only criteria that may be considered by a district in its decision to award a contract. *R.G.V. Vending v. Weslaco Indep. Sch. Dist.*, 995 S.W.2d 897 (Tex. App.—Corpus Christi 1999, no pet.)

Preferences
*Agricultural
Products*

A district that purchases agricultural products shall give preference to those produced, processed, or grown in Texas if the cost to the district is equal and the quality is equal. If agricultural products produced, processed, or grown in Texas are not equal in cost and quality to other products, the district shall give preference to agricultural products produced, processed, or grown in other states of the United States, if the cost and quality of the U.S. and foreign products are equal.

"Agricultural products" includes textiles and other similar products.

"Processed" means canning, freezing, drying, juicing, preserving, or any other act that changes the form of a good from its natural state to another form.

A district may not adopt product purchasing specifications that unnecessarily exclude agricultural products produced, processed, or grown in Texas.

Vegetation for
Landscaping

A district that purchases vegetation for landscaping purposes, including plants, shall give preference to Texas vegetation if the cost to the district is equal and the quality is equal.

Education Code 44.042

[For legal requirements applicable to school nutrition procurement, including produce and agricultural products, with federal funds, see COA.]

*Recycled
Products*

A district shall give preference in purchasing to products made of recycled materials if the products meet applicable specifications as to quantity and quality and the average price of the product is not more than 10 percent greater than the price of comparable nonrecycled products. Preferences will be applied in accordance with state procurement statutes and rules. *30 TAC 328.203*

Subchapter K of 30 Administrative Code (Governmental Entity Recycling and Purchasing of Recycled Materials) does not apply to a district with a student enrollment of less than 10,000 students. *30 TAC 328.204(a)*

Notice Publication

Notice of the time by when and place where the bids or proposals, or the responses to a request for qualifications, will be received and opened shall be published in the county in which the district's central administrative office is located, once a week for at least two weeks before the deadline for receiving bids, proposals, or responses to a request for qualifications. If there is not a newspaper in that county, the advertising shall be published in a newspaper in the county nearest the county seat of the county in which a district's central administrative office is located. In a two-step procure-

ment process, the time and place where the second-step bids, proposals, or responses will be received are not required to be published separately. *Education Code 44.031(g)*

Electronic Bids or Proposals

A district may receive bids or proposals under Education Code Chapter 44 through electronic transmission if the board adopts rules to ensure the identification, security, and confidentiality of electronic bids or proposals and to ensure that the electronic bids or proposals remain effectively unopened until the proper time.

Notwithstanding any other provision of Education Code Chapter 44, an electronic bid or proposal is not required to be sealed. A provision of Education Code Chapter 44 that applies to a sealed bid or proposal applies to a bid or proposal received through electronic transmission in accordance with the rules adopted by the board.

Education Code 44.0313

Right to Work

While a district is engaged in procuring goods and services or awarding a contract, or overseeing procurement or construction for a public work or public improvement, a district:

1. May not consider whether a vendor is a member of or has another relationship with any organization; and
2. Shall ensure that its bid specifications and any subsequent contract or other agreement do not deny or diminish the right of a person to work because of the person's membership or other relationship status with respect to any organization.

Education Code 44.043

Contract with Person Indebted to District

The board by resolution may establish regulations permitting the district to refuse to enter into a contract or other transaction with a person indebted to the district. It is not a violation of Education Code Chapter 44, Subchapter B (Purchases; Contracts) for a district, under regulations adopted under this provision, to refuse to award a contract to or enter into a transaction with an apparent low bidder or successful proposer that is indebted to the district.

"Person" includes an individual, sole proprietorship, corporation, nonprofit corporation, partnership, joint venture, limited liability company, and any other entity that proposes or otherwise seeks to enter into a contract or other transaction with the district requiring approval by the board.

Education Code 44.044

Out-of-State Bidders

A district may not award a governmental contract to a nonresident bidder unless the nonresident underbids the lowest bid submitted

by a responsible resident bidder by an amount that is not less than the greater of the amount by which a resident bidder would be required to underbid the nonresident bidder to obtain a comparable contract in the state in which the nonresident's principal place of business is located, or the state in which a majority of the manufacturing relating to the contract will be performed. *Gov't Code 2252.002*

This requirement does not apply to a contract involving federal funds. A district shall use the information published by the comptroller under Government Code 2252.003 (Publication of Other State's Laws on Contracts) to evaluate the bid of a nonresident bidder. A district may rely on information published under Government Code 2252.003 to meet the requirements of Government Code 2252.002. *Gov't Code 2252.003-.004*

"Governmental contract" means a contract awarded by a governmental entity, including a public school district, for general construction, an improvement, a service, or a public works project or for a purchase of supplies, materials, or equipment.

Education Code 33.908

Federal Law

An SFA operating a NSLP and/or SBP must:

1. Have a written and clearly communicated meal charge policy in order to ensure a consistent and transparent approach to the issue of how students who pay the full or reduced price cost of a reimbursable meal are impacted by having insufficient funds on hand or in their account to purchase a meal.
2. Include policies regarding the collection of delinquent meal charge debt in the written meal charge policy.
3. Ensure that the policy is provided in writing to all households at the start of each school year and to households that transfer to the school during the school year.
4. Lauren's Law

A district may not adopt any rule, policy, or program under Education Code 28.002(a), (k), (l), (l-1), or (l-2) that would prohibit a parent or grandparent of a student from providing any food product of the parent's or grandparent's choice to:

Donation of Food

A district may allow a campus to elect to donate food to a nonprofit organization through a person who is directly and officially affiliated with the campus, including a teacher or counselor, or through a parent of a student enrolled at the campus. The donated food may be received, stored, and distributed on the campus. Food donated by the campus may include:

1. Surplus food prepared for breakfast, lunch, or dinner meals or snacks served from the campus cafeteria, subject to any applicable local, state, and federal requirements; or
2. Food donated to the campus as the result of a food drive or similar event.

The type of food donated under item 1 above may include:

1. Packaged unserved food that is packaged on the campus of a district and has not been removed from the campus cafeteria;
2. Packaged served food if the packaging and food are in good condition;
3. Whole, uncut produce; and
4. Wrapped raw unserved produce.

Food that by law must be maintained at a certain temperature for safety may not be donated unless the campus has maintained the food at the required temperature.

Food donated under these provisions to a nonprofit may be distributed at the campus at any time. Campus employees may assist in preparing and distributing the food as volunteers of the nonprofit organization.

Under this program, a district may adopt a policy under which the district provides food at no cost to a student for breakfast, lunch, or dinner meals or a snack if the student is unable to purchase such meals or snack.

Conflicts of Interest

A district must disclose in writing any potential conflicts of interest to the USDA awarding agency or pass-through entity (e.g., TDA).

The district must maintain written standards of conduct covering conflicts of interest and governing the performance of its employees in the selection, award and administration of federal awards. No employee, officer or agent may participate in the selection, award, or administration of a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an entity considered for a federal award. The district may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the district.

Districts must establish internal controls that include, at a minimum, procedures to identify, disclose, and mitigate or eliminate identified conflicts of interest. Districts are responsible for notifying the respective USDA awarding agency in writing of any conflicts of interest that may arise during the period of performance of an award, including those which have been reported by subrecipients, no later than five calendar days following discovery. Upon receipt

of such a disclosure, the respective USDA awarding agency must review and make a determination in writing if a potential or real conflict of interest exists and develop a plan for addressing or mitigating the issue, which may include remedies found at 2 C.F.R. 200.339. USDA awarding agencies must make a determination within 30 calendar days of disclosure unless a longer period of time is necessary due to the complexity of the situation.

Prohibited
Expenditures —

**Optional Geographic
Preference**

An SFA participating in the program may apply a geographic preference when procuring unprocessed locally grown or locally raised

agricultural products, including the use of “locally grown,” “locally raised,” or “locally caught” as procurement specifications or selection criteria for unprocessed or minimally processed food items. When utilizing the geographic preference to procure such products, the SFA making the purchase has the discretion to determine the local area to which the geographic preference option will be applied, so long as there are an appropriate number of qualified firms able to compete.

For the purpose of applying the optional geographic procurement preference, “unprocessed locally grown or locally raised agricultural products” means only those agricultural products that retain their inherent character. The effects of the following food handling and preservation techniques shall not be considered as changing an agricultural product into a product of a different kind or character: cooling; refrigerating; freezing; size adjustment made by peeling, slicing, dicing, cutting, chopping, shucking, and grinding; forming ground products into patties without any additives or fillers; drying/dehydration; washing; packaging (such as placing eggs in cartons), vacuum packing and bagging (such as placing vegetables in bags or combining two or more types of vegetables or fruits in a single package); the addition of ascorbic acid or other preservatives to prevent oxidation of produce; butchering livestock and poultry; cleaning fish; and the pasteurization of milk.

Eligibility Appeals

Each local educational agency (LEA) of a school participating in the National School Lunch Program (NSLP), SBP, or the Special Milk Program (7 C.F.R. Part 215) or of a commodity-only school shall establish a hearing procedure under which:

1. A family can appeal from a decision made by the LEA with respect to an application the family has made for free or reduced-price meals or for free milk, and
2. The LEA can challenge the continued eligibility of any child for a free or reduced-price meal or for free milk. The hearing procedure shall provide for both the family and the local educational agency:
 - a. A simple, publicly announced method to make an oral or written request for a hearing;
 - b. An opportunity to be assisted or represented by an attorney or other person;
 - c. An opportunity to examine, prior to and during the hearing, any documents and records presented to support the decision under appeal;

**Claims for
Reimbursement**

Internal Controls

The school food authority shall establish internal controls which ensure the accuracy of meal counts prior to the submission of the monthly claim for reimbursement under the NSLP or the SBP, as applicable. At a minimum, these internal controls shall include an on-site review of the meal counting and claiming system employed by each school within the jurisdiction of the SFA; comparisons of daily free, reduced-price, and paid meal counts against data which will assist in the identification of meal counts in excess of the number of free, reduced-price, and paid meals served each day to children eligible for such meals; and a system for following up on those meal counts which suggest the likelihood of meal counting problems. *7 C.F.R. 210.8(a), 220.11(a)*

On-Site Reviews

Every school year, each SFA with more than one school shall perform no less than one on-site review of the counting and claiming system and the readily observable general areas of review cited under *7 C.F.R. 210.18(h)* [regarding general areas of review by the Texas Department of Agriculture (TDA)] for each school under its jurisdiction under the NSLP, and for a minimum of 50 percent of schools under its jurisdiction with every school being reviewed at least once every two years under the SBP.

The on-site review shall take place prior to February 1 of each school year. Further, if the review discloses problems with a school's meal counting or claiming procedures or general review areas, the SFA shall ensure that the school implements corrective action and, within 45 days of the review, conduct a follow-up on-site review to determine that the corrective action resolved the problems. Each on-site review shall ensure that the school's claim is based on the counting system and that the counting system, as implemented, yields the actual number of reimbursable free, reduced price, and paid meals, respectively, served for each day of operation.

7 C.F.R. 210.8(a)(1), 220.11(d)(1)

Community Eligibility Provision

The community eligibility provision (CEP) is an alternative reimbursement option for eligible high-poverty districts. Each CEP cycle lasts up to four years before the LEA or school is required to recalculate their reimbursement rate. LEAs and schools have the option to recalculate sooner, if desired. An LEA may elect this provision for all of its schools, a group of schools, or an individual school. Participating LEAs must offer free breakfasts and lunches for the length of their CEP cycle, not to exceed four successive years, to all children attending participating schools and receive meal reimbursement based on claiming percentages, as described in 7 C.F.R. 245.9(f)(4)(v). 7 C.F.R. 245.9(f); 42 U.S.C. 1759a(a)(1)(F)

To be eligible to participate in the CEP, an LEA, group of schools, or school must:

1. Have an identified student percentage of at least 25 percent, as of April 1 of the school year prior to participating in the CEP, unless otherwise specified by the USDA Food and Nutrition Service (FNS). Individual schools participating in a group may have less than 25 percent identified students, provided that the average identified student percentage for the group is at least 25 percent.
2. Participate in the NSLP and SBP for the duration of the four-year cycle. Schools that operate on a limited schedule, where it is not operationally feasible to offer both lunch and breakfast, may elect CEP with FNS approval.
3. Comply with the procedures and requirements specified in 7 C.F.R. 245.9(f)(4) to participate in the CEP.

“Covered application” means the social media service TikTok or any successor application or service developed or provided by ByteDance Limited or an entity owned by ByteDance Limited, or a social media application or service specified by proclamation of the governor to pose a risk to the state. *Gov’t Code 620.001(1), .005.*

A district shall adopt a policy prohibiting the installation or use of a covered application on any device owned or leased by the district and requiring the removal of covered applications from those devices. The Department of Information Resources and the Department of Public Safety shall jointly develop a model policy for districts to use in developing the required policy. *Gov’t Code 620.003*

The district’s policy may provide for the installation and use of a covered application to the extent necessary for providing law enforcement or developing or implementing information security measures. A policy allowing the installation and use of a covered application must require the use of measures to mitigate risks posed to the state during the use of the covered application and the documentation of those measures. *Gov’t Code 620.004*

*Voidable
Contract

Gov’t Code 2252.909

Using Method Other Than Competitive Bidding

Determine Best Value

The board that considers a construction contract using a method authorized by Government Code Chapter 2269 other than competitive bidding must, before advertising, determine which method provides the best value for the district.

Publish Criteria

The district shall base its selection among offerors on applicable criteria listed for the particular method used. The district shall publish in the request for proposals or qualifications:

1. The criteria that will be used to evaluate the offerors;
2. The applicable weighted value for each criterion; and
3. A detailed methodology for scoring each criterion.

Make Evaluations Public

The district shall document the basis of its selection and shall make the evaluations public not later than the seventh day after the date the contract is awarded.

Gov’t Code 2269.056

Documents Related to Evaluation and Ranking

An offeror who submits a bid, proposal, or response to a request for qualifications for a construction contract under Government Code Chapter 2269 may, after the contract is awarded, make a request in writing to the district to provide documents related to the evaluation of the offeror’s submission.

Not later than the 30th day after the date a request is made, the district shall deliver to the offeror the documents relating to the evaluation of the submission including, if applicable, its ranking of the submission.

Gov't Code 2269.060

Uniform General Conditions for Contracts

After reviewing the uniform general conditions adopted by the Texas Facilities Commission under Government Code 2166.302, a school district may adopt uniform general conditions to be incorporated in all district building construction contracts. *Education Code 44.035*

Right to Work

While engaged in procuring goods or services, awarding a contract, or overseeing procurement or construction for a public work or public improvement under Government Code Chapter 2269, a district:

1. May not consider whether a person is a member of or has another relationship with any organization; and
2. Shall ensure that its bid specifications and any subsequent contract or other agreement do not deny or diminish the right of a person to work because of the person's membership or other relationship status with respect to an organization.

Gov't Code 2269.054

Collective Bargaining

A district awarding a public work contract funded with state money, including the issuance of debt guaranteed by the state, may not:

1. Prohibit, require, discourage, or encourage a person bidding on the public work contract, including a contractor or subcontractor, from entering into or adhering to an agreement with a collective bargaining organization relating to the project; or
2. Discriminate against a person described by item 1 based on the person's involvement in the agreement, including the person's status or lack of status as a party to the agreement or willingness or refusal to enter into the agreement.

Gov't Code 2269.0541(a)

Out-of-State Bidders

For legal requirements regarding out-of-state bidders, see CH.

Change Orders

If a change in plans or specifications is necessary after the performance of a contract is begun or if it is necessary to decrease or increase the quantity of work to be performed or of materials, equipment, or supplies to be furnished, the district may approve change orders making the changes. The district may grant general authority to an administrative official to approve the change orders.

The total contract price may not be increased because of the changes unless additional money for increased costs is approved for that purpose from available money or is provided for by the authorization of the issuance of time warrants.

A contract with an original contract price of \$1 million or more may not be increased by more than 25 percent. If a change order for a contract with an original contract price of less than \$1 million increases the contract amount to \$1 million or more, the total of the subsequent change orders may not increase the revised contract amount by more than 25 percent of the original contract price.

Education Code 44.0411

Unsigned Change
Orders

A vendor may elect not to proceed with additional work directed by a district under a public work contract if:

1. The vendor has not received a written, fully executed change order for the district-directed additional work; and
2. The aggregate actual or anticipated value of the additional work under the vendor's contract terms plus any previous district-directed additional work for which the vendor has not received a written, fully executed change order exceeds 10 percent of the vendor's original public work contract amount.

A subcontractor may elect not to proceed with additional work directed by a vendor under a subcontract if:

1. The subcontractor has not received a written, fully executed change order for the district-directed additional work from the vendor; and
2. The aggregate actual or anticipated value of the additional work under the subcontractor's subcontract terms plus any previous district-directed additional work for which the subcontractor has not received a written, fully executed change order exceeds 10 percent of the subcontractor's subcontract amount.

A vendor or subcontractor who elects not to proceed with additional work is not responsible for damages associated with the election not to proceed.

Gov't Code 2251.0521

**Inspection,
Verification, and
Testing**

Independently of the contractor, construction manager-at-risk, or design-build firm, a district shall provide or contract for the construction materials engineering, testing, and inspection services and the verification testing services necessary for acceptance of the facility by the district. The district shall select the services for

which it contracts in accordance with Government Code 2254.004.
Gov't Code 2269.058

Note: For additional requirements related to code compliance, including fees and contracts, see 19 Administrative Code 61.1040(e)(5).

Impact Fees

A district is not required to pay impact fees imposed under Local Government Code Chapter 395 unless the board consents to the payment of the fees by entering a contract with the political subdivision that imposes the fees. The contract may contain terms the board considers advisable to provide for the payment of the fees.
Local Gov't Code 395.022

Design Professionals

A district shall designate one design professional to be the prime design professional for a capital improvement project and shall contractually engage the prime design professional to review and coordinate the design of the project, allowing the prime design professional to rely on and contract for other design professionals where appropriate. *19 TAC 61.1040(a)(4), (e)(4)(D)*

A district shall require any design professional contractually engaged to procure professional design services from any other design professional as a subconsultant to select and subcontract the professional design services based on the qualification-based selection process established in Government Code Chapter 2254. [See Procuring Architectural or Engineering Services, below] *19 TAC 61.1040(e)(5)(B)*

Architects and Engineers

An architect or engineer required to be selected or designated under Government Code Chapter 2269 has full responsibility for complying with Occupations Code Chapter 1051 or 1001, as applicable.

If the selected or designated architect or engineer is not a full-time employee of the district, the district shall select the architect or engineer on the basis of demonstrated competence and qualifications as provided by Government Code 2254.004 [see Procuring Professional Services, below].

Gov't Code 2269.057

Registered Architect

An architectural plan or specification for any of the following may be prepared only by an architect:

1. A new building having construction costs exceeding \$100,000 that is to be:
 - a. Constructed and owned by a district; and

- b. Used for education, assembly, or office occupancy; or
- 2. An alteration or addition having construction costs exceeding \$50,000 that:
 - a. Is to be made to an existing building that:
 - (1) Is owned by a district; and
 - (2) Is or will be used for education, assembly, or office occupancy; and
 - b. Requires the removal, relocation, or addition of a wall or partition or the alteration or addition of an exit.

This provision does not prohibit an owner of a building from contracting with an architect or engineer as the prime design professional for a building construction, alteration, or addition project. Designation as the prime design professional does not expand the scope of practice of an architect or engineer beyond the scope of practice that the architect or engineer is authorized to practice under Occupations Code Chapter 1001 or 1051.

Occupations Code 1051.703; 22 TAC 1.212

*Registered
Engineer*

A district may not construct a public work involving engineering in which the public health, welfare, or safety is involved, unless:

- 1. The engineering plans, specifications, and estimates have been prepared by an engineer; and
- 2. The engineering construction is to be performed under the direct supervision of an engineer.

Occupations Code 1001.407

The following work is exempt from Occupations Code Chapter 1001 (Texas Engineering Practice Act):

- 1. A public work that involves electrical or mechanical engineering, if the contemplated expense for the completed project is \$8,000 or less; or
- 2. A public work that does not involve electrical or mechanical engineering, if the contemplated expense for the completed project is \$20,000 or less.

Occupations Code 1001.053

Certification for Purchases Through Purchasing Cooperatives

A district may not enter into a contract to purchase construction-related goods or services through a purchasing cooperative under Government Code Chapter 791 in an amount greater than \$50,000 unless a person designated by the district certifies in writing that:

1. The project for which the construction-related goods or services are being procured does not require the preparation of plans and specifications under Occupation Code Chapter 1001 or 1051; or
2. The plans and specifications required under Occupation Code Chapters 1001 and 1051 have been prepared.

“Purchasing cooperative” means a group purchasing organization that governmental entities join as members and the managing entity of which receives fees from members or vendors.

Gov't Code 791.011(j)

Note: For legal provisions related to interlocal contracts, generally, see GRB.

For legal provisions related to using interlocal contracts for purchasing goods and services, see CH.

Procuring Architectural or Engineering Services

Education Code 44.031 does not apply to a contract for professional services rendered, including the services of an architect. *Education Code 44.031(f)* [See CH for information on the Professional Services Procurement Act generally.]

In procuring architectural, engineering, or land-surveying services, a district shall:

1. First select the most highly qualified provider on the basis of demonstrated competence and qualifications; and
2. Then attempt to negotiate with that provider a contract at a fair and reasonable price.

If a satisfactory contract cannot be negotiated with the most highly qualified provider of architectural, engineering, or land-surveying services, a district shall formally end negotiations with that provider, select the next most highly qualified provider, and attempt to negotiate a contract with that provider at a fair and reasonable price. The district shall continue this process to select and negotiate with providers until a contract is entered into.

Gov't Code 2254.004

An interlocal contract between a district and a purchasing cooperative may not be used to purchase engineering or architectural services. *Gov't Code 791.011(h)*

Contracts for
Engineering or
Architectural
Services

Indemnification

A covenant or promise in, in connection with, or collateral to a contract for engineering or architectural services to which a district is a party is void and unenforceable if the covenant or promise provides that a licensed engineer or registered architect whose work product is the subject of the contract must indemnify or hold harmless the district against liability for damage, other than liability for damage to the extent that the damage is caused by or results from an act of negligence, intentional tort, intellectual property infringement, or failure to pay a subcontractor or supplier committed by the indemnitor or the indemnitor's agent, consultant under contract, or another entity over which the indemnitor exercises control.

Duty to Defend

Except as provided below, a covenant or promise in, in connection with, or collateral to a contract for engineering or architectural services to which a district is a party is void and unenforceable if the covenant or promise provides that a licensed engineer or registered architect whose work product is the subject of the contract must defend a party, including a third party, against a claim based wholly or partly on the negligence of, fault of, or breach of contract by the district, the district's agent, the district's employee, or other entity, excluding the engineer or architect or that person's agent, employee, or subconsultant, over which the district exercises control. A covenant or promise may provide for the reimbursement of a district's reasonable attorney's fees in proportion to the engineer's or architect's liability.

*District as
Additional
Insured*

A district may require in a contract for engineering or architectural services to which the district is a party that the engineer or architect name the district as an additional insured under the engineer's or architect's general liability insurance policy and provide any defense provided by the policy.

Standard of Care

A contract for engineering or architectural services to which a district is a party must require a licensed engineer or registered architect to perform services:

1. With the professional skill and care ordinarily provided by competent engineers or architects practicing under the same or similar circumstances and professional license; and
2. As expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.

In a contract for engineering or architectural services to which a district is a party, a provision establishing a different standard of

care than a standard described above is void and unenforceable. If a contract contains a void and unenforceable provision, the standard of care described above applies.

Nothing in these provisions prohibits a district in a contract for engineering or architectural services to which the district is a party from including and enforcing conditions that relate to the scope, fees, and schedule of a project in the contract.

Local Gov't Code 271.904

**Payment and
Performance Bonds**

A district that makes a public work contract with a prime contractor shall require the contractor, before beginning the work, to execute to the district:

1. A performance bond if the contract is in excess of \$100,000; and
2. A payment bond if the contract is in excess of \$25,000.

A bond required by this provision must be executed by a corporate surety in accordance with Insurance Code Article 7.19-1 (now Insurance Code 3503.001-.005). A bond for a public work contract with a district must be payable to and its form must be approved by the awarding board.

Gov't Code 2253.021(a), (d)-(e)

The performance bond is solely for the protection of the district awarding the public work contract, in the amount of the contract, and conditioned on the faithful performance of the work in accordance with the plans, specifications, and contract documents.

Gov't Code 2253.021(b)

The payment bond is solely for the protection and use of payment bond beneficiaries who have a direct contractual relationship with the prime contractor or a subcontractor to supply public work labor or material, and in the amount of the contract. *Gov't Code 2253.021(c)*

**Failure to Obtain
Payment Bond**

If a district fails to obtain from a prime contractor a payment bond as required above or fails to include in a lease the lease terms required by Government Code 2252.909 [see CDB]:

1. The district is subject to the same liability that a surety would have if the surety had issued a payment bond and if the district had obtained the bond; and
2. A payment bond beneficiary is entitled to a lien on money due to the prime contractor in the same manner and to the same extent as if the public work contract were subject to Property

Code Chapter 53, Subchapter J (Lien on Money Due Public Works Contractor).

Gov't Code 2253.027(a)

Bond for Insured
Loss

A district shall ensure that an insurance company that is fulfilling its obligation under a contract of insurance by arranging for the replacement of a loss, rather than by making a cash payment directly to the district, furnishes or has furnished by a contractor:

1. A performance bond as described above for the benefit of a district; and
2. A payment bond, as described above for the benefit of the beneficiaries described above.

If the payment bond is not furnished, the district is subject to the same liability that a surety would have if the surety had issued the payment bond and the district had required the bond to be provided.

The bonds required to be furnished by the provisions above shall be furnished before the contractor begins work. It is an implied obligation under a contract of insurance for the insurance company to furnish these bonds.

*Exception to
Bond
Requirement*

These provisions do not apply to a district when a surety company is complying with an obligation under a bond that had been issued for the benefit of the district.

Gov't Code 2253.022

**Prevailing Wage on
Public Works**

"Worker" includes a laborer or mechanic. *Gov't Code 2258.001(3)*

A worker employed on a public work by or on behalf of a district shall be paid:

1. Not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the work is performed; and
2. Not less than the general prevailing rate of per diem wages for legal holiday and overtime work.

The requirements above do not apply to maintenance work. A worker is employed on a public work for purposes of this provision if the worker is employed by a contractor or subcontractor in the execution of a contract for public work with a district.

Gov't Code 2258.021

For a contract for a public work awarded by a district, the board shall determine the general prevailing rate of per diem wages in the district for each craft or type of worker needed to execute the contract and the prevailing rate for legal holiday and overtime work by:

1. Conducting a survey of the wages received by classes of workers employed on projects of a character similar to the contract work in the district in which the public work is to be performed; or
2. Using the prevailing wage rate as determined by the U.S. Department of Labor in accordance with the Davis-Bacon Act (40 U.S.C. Section 276a et seq.), and its subsequent amendments.

The board shall determine the general prevailing rate of per diem wages as a sum certain, expressed in dollars and cents. A board shall specify in the call for bids for the contract and in the contract itself the wage rates determined under these provisions. The board's determination of the general prevailing rates of per diem wages is final.

Gov't Code 2258.022(a), (c)-(e)

Government Code 2258.022(b) applies to a public work located in a county bordering the United Mexican States or in a county adjacent to a county bordering the United Mexican States. *Gov't Code 2258.022(b)*

Enforcement

A board awarding a contract, and an agent or officer of the board, shall:

1. Take cognizance of complaints of all violations of Government Code Chapter 2258 committed in the execution of the contract; and
2. Withhold money forfeited or required to be withheld under Government Code Chapter 2258 from the payments to the contractor under the contract, except that the board may not withhold money from other than the final payment without a determination by the board that there is good cause to believe that the contractor has violated Government Code Chapter 2258.

On receipt of information, including a complaint by a worker, concerning an alleged violation of Government Code 2258.023 [see Penalty for Noncompliance, below] by a contractor or subcontractor, a board shall make an initial determination as to whether good cause exists to believe that the violation occurred. A board must

make its determination before the 31st day after the date the board receives the information. A board shall notify in writing the contractor or subcontractor and any affected worker of its initial determination.

Gov't Code 2258.051-.052(a)-(c)

Retainage and
Reimbursement

A board shall retain any amount due under the contract pending a final determination of the violation. *Gov't Code 2258.052(d)*

Note: Arbitration of unresolved issues is governed by Government Code 2258.053-.055.

A board shall use any amounts retained under Government Code Chapter 2258 to pay the worker the difference between the amount the worker received in wages for labor on the public work at the rate paid by the contractor or subcontractor and the amount the worker would have received at the general prevailing rate as provided in the arbitrator's award. The board may adopt rules, orders, or ordinances relating to the manner in which the reimbursement is made. *Gov't Code 2258.056(a)-(b)*

Penalty for
Noncompliance

The contractor who is awarded a contract by a district or a subcontractor of the contractor shall pay not less than the rates determined under these provisions to a worker employed by it in the execution of the contract. A contractor or subcontractor who violates this provision shall pay to the district on whose behalf the contract is made, \$60 for each worker employed for each calendar day or part of the day that the worker is paid less than the wage rates stipulated in the contract. A board awarding a contract shall specify this penalty in the contract. A contractor or subcontractor does not violate this section if a board awarding a contract does not determine the prevailing wage rates and specify the rates in the contract as required by these provisions. The board shall use any money collected under this provision to offset the costs incurred in the administration of Government Code Chapter 2258. *Gov't Code 2258.023*

Criminal Offense

An officer, agent, or representative of a district commits an offense if the person willfully violates or does not comply with a provision of Government Code 2258. *Gov't Code 2258.058(a)*

**Required Workers'
Compensation
Coverage**

A district shall ensure a contract for construction services required to be procured by a method in Government Code Chapter 2269 specifies the contractor's responsibilities for site safety and requires compliance with the requirement to provide workers' compensation insurance in accordance with Labor Code 406.096, below. *19 TAC 61.1040(e)(3)(D)*

A district that enters into a building or construction contract shall require the contractor to certify in writing that the contractor provides workers' compensation insurance coverage for each employee of the contractor employed on the public project. Each subcontractor shall provide such a certificate relating to coverage of the subcontractor's employees to the general contractor, who shall provide the subcontractor's certificate to the district. *Labor Code 406.096(a)-(b)*

A district that enters into a building or construction contract on a project shall:

1. Include in the bid specifications all the duties and responsibilities of contractors pertaining to required workers' compensation coverage, using the language required by 28 Administrative Code 110.110(c)(7).
2. As part of the contract, using the language required by 28 Administrative Code 110.110(c)(7), require the contractor to perform the duties and responsibilities pertaining to required workers' compensation coverage as set out in 28 Administrative Code 110.110(d).
3. Obtain from the contractor a certificate of coverage for each person providing services on the project, prior to that person beginning work on the project.
4. Obtain from the contractor a new certificate of coverage showing extension of coverage:
 - a. Before the end of the current coverage period, if the contractor's current certificate shows that the coverage period ends during the duration of the project; and

Defects in Facilities A district that brings an action for recovery of damages for the defective design, construction, renovation, or improvement of a district facility financed by bonds shall provide the commissioner with written notice of the action by registered or certified mail, return receipt requested, not later than the 30th day after the date the action is filed. If the district fails to comply with this provision, the court or an arbitrator or other adjudicating authority shall dismiss the action without prejudice. The dismissal of an action under this provision extends the statute of limitations on the action for a period of 90 days.

The notice must include a copy of the petition and an itemized list of the defects in the design, construction, renovation, or improvement for which the district is seeking damages under the action.

In an action involving an instructional facility financed by bonds for which the district receives state assistance under Education Code Chapter 46, Subchapter A (Instructional Facilities Allotment), the commissioner may join in the action on behalf of the state to protect the state's share in the action.

A district that brings an action under these provisions shall use the net proceeds from the action for:

1. The repair of the defective design, construction, renovation, or improvement of the facility on which the action is brought, including the repair of any ancillary damage to furniture and fixtures;
2. The replacement of the facility on which the action is brought;
3. The reimbursement of the district for a repair or replacement; or
4. Any other purpose with written approval from the commissioner.

Education Code 46.008 applies to the repair. A district shall provide to the commissioner an itemized accounting of any repairs made.

The state's share resulting from an action brought under these provisions involving an instructional facility financed by bonds for which the school district receives state assistance under Education Code Chapter 46, Subchapter A is state property. The district shall send to the comptroller any portion of the state's share not used by the district to repair the defective design, construction, renovation, or improvement of the instructional facility on which the action is brought or to replace the facility. Education Code 48.272 applies to the state's share.

Definitions

"State's share" means an amount equal to the district's net proceeds from the recovery multiplied by a percentage determined by dividing the amount of state assistance under Education Code Chapter 46, Subchapter A used to pay the principal of and interest on bonds issued in connection with the instructional facility that is the subject of the action by the total amount of principal and interest paid on the bonds as of the date of the judgment or settlement.

Education Code 44.151

*Attorney General

If the attorney general believes that a district has violated or is violating Education Code 44.151(d), (e), or (f) (use of proceeds, accounting, and the state's share), the attorney general may, after providing at least two weeks' notice to the district, bring an action on behalf of the state to enjoin the district from violating those sections.

In such an action, the attorney general may request and the court may order any other appropriate relief that is in the public interest, including payment of:

1. A civil penalty in an amount not to exceed \$20,000 for each violation;
2. The attorney general's reasonable costs for investigating and prosecuting the violation; or
3. If applicable, the amount of the state's share.

Education Code 44.152(a)-(b)

Attorney Fees

A governmental contract may not provide for the award of attorney's fees to a district in a dispute in which the district prevails unless the contract provides for the award of attorney's fees to each other party to the contract if that party prevails in the dispute.

"Governmental contract" means a contract awarded by a governmental entity for general construction, an improvement, a service, or a public works project or for a purchase of supplies, materials, or equipment.

Definition of
Disability

"Disability" means:

1. An actual disability: a physical or mental impairment [see definition, below] that substantially limits one or more of an individual's major life activities;
2. A record of having such an impairment; or
3. Being regarded as having such an impairment.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

*"Regarded as"
Having an
Impairment*

An individual meets the requirement of being "regarded as" having an impairment if the individual establishes that he or she has been subjected to an action prohibited by the ADA because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity.

Transitory and
Minor

The "regarded as" prong of the definition does not apply to impairments that are transitory or minor. A transitory impairment is one with an actual or expected duration of six months or less. The "transitory" exception does not apply to the "actual disability" or "record of disability" prongs of the definition.

*Mitigating
Measures*

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices, prosthetics, hearing aids, mobility de-

vices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

The ameliorative effects of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity. Ordinary eyeglasses and contact lenses are lenses that are intended to fully correct visual acuity or to eliminate refractive error.

2. Any mental or psychological disorder, such as an intellectual disability (formerly termed “mental retardation”), organic brain syndrome, emotional or mental illness, and specific learning disabilities.

29 C.F.R. 1630.2(h)

*Major Life

42 U.S.C. 12111(8); 29 C.F.R. 1630.2(m)

Reasonable
Accommodations

A district is required, absent undue hardship, to make a reasonable accommodation to an otherwise qualified individual who meets the definition of disability under the "actual disability" or "record of disability" prongs. A district is not required to provide a reasonable accommodation to an individual who meets the definition of disability solely under the "regarded as" prong. *42 U.S.C. 12112(b)(5); 29 C.F.R. 1630.2(o)(4), .9; 29 U.S.C. 794; 34 C.F.R. 104.11; Labor Code 21.128* [See DBB regarding medical examinations and inquiries under the ADA]

Discrimination
Based on
Relationship

A district shall not exclude or deny equal jobs or benefits to, or otherwise discriminate against, a qualified individual because of the known disability of an individual with whom the qualified individual is known to have a family, business, social, or other relationship or association. *42 U.S.C. 12112(b)(4); 29 C.F.R. 1630.8; 34 C.F.R. 104.11*

Qualification Standards	<p>It is unlawful for a district to use qualification standards, employment tests, or other selection criteria that screen out or tend to screen out an individual with a disability or a class of individuals with disabilities, on the basis of disability, unless the standard, test, or other selection criteria, as used by the district, is shown to be job related for the position in question and is consistent with business necessity. <i>29 C.F.R. 1630.10(a)</i></p>
<i>Direct Threat to Health or Safety</i>	<p>As a qualification standard, a district may require that an individual not pose a direct threat to the health or safety of other individuals in the workplace. “Direct threat” means a significant risk to the health or safety of the individual or others that cannot be eliminated by reasonable accommodation. <i>42 U.S.C. 12111(3); 29 C.F.R. 1630.2(r); Labor Code 21.002(6)(B)</i></p>

**Genetic Information
Nondiscrimination
Act**

For the purpose of compliance with the Genetic Information Nondiscrimination Act (GINA), see 29 C.F.R. 1635.3(c) for the definition of “genetic information.”

Definitions

“Genetic information” does not include information about the sex or age of the individual, the sex or age of family members, or information about the race or ethnicity of the individual or family members that is not derived from a genetic test.

29 C.F.R. 1635.3(c)

[For the definition of “genetic tests” under GINA, see 29 C.F.R. 1635.3(f).]

A test for the presence of alcohol or illegal drugs is not a genetic test. However, a test to determine whether an individual has a genetic predisposition for alcoholism or drug use is a genetic test. *29 C.F.R. 1635.3(f)*

*Prohibited Practices
Discrimination*

A district shall not discriminate against an individual on the basis of genetic information in regard to hiring, discharge, compensation, or terms, conditions, or privileges of employment. Notwithstanding the foregoing, a cause of action for disparate impact is not available under GINA. *42 U.S.C. 2000ff-1(a); 29 C.F.R. 1635.4*

Acquisition

Except as set forth below or otherwise provided in the GINA regulations, a district shall not request, require, or purchase genetic information of an individual or family member of the individual. *42 U.S.C. 2000ff-1(b); 29 C.F.R. 1635.8(a)*

“Request” includes:

1. Conducting an internet search on an individual in a way that is likely to result in a district’s obtaining genetic information;
2. Actively listening to third-party conversations or searching an individual’s personal effects for the purpose of obtaining genetic information; and
3. Making requests for information about an individual’s current health status in a way that is likely to result in a district’s obtaining genetic information.

29 C.F.R. 1635.8(a)

Disclosure

A district that possesses genetic information, regardless of how the district obtained the information, shall not disclose the information

except as set forth in the GINA regulations. *29 C.F.R. 1635.9(b)*
[See Confidentiality, below]

Manifested
Condition

A district shall not be considered to be in violation of the GINA regulations based on the use, acquisition, or disclosure of medical information about a manifested disease, disorder, or pathological condition of an employee or member, even if the disease, disorder, or pathological condition has or may have a genetic basis or component. However, genetic information about a manifested disease, disorder, or pathological condition is subject to the requirements and prohibitions of GINA. *29 C.F.R. 1635.12.*

[For additional information about manifested disease, see *29 C.F.R. 1653.3(g).*]

Inadvertent
Acquisition

The general prohibition against requesting, requiring, or purchasing genetic information does not apply where a district inadvertently requests or requires genetic information of the individual or family member of the individual. This exception applies in situations where a manager or supervisor learns genetic information about an individual by:

1. Overhearing a conversation between the individual and others;
2. Receiving the information during a casual conversation, including in response to an ordinary expression of concern that is the subject of the conversation. This exception does not apply where a manager or supervisor follows up with questions that are probing in nature, such as whether other family members have the condition or whether the individual has been tested for the condition, because the supervisor or official should know that these questions are likely to result in the acquisition of genetic information;
3. Receiving unsolicited information (e.g., where a manager or supervisor receives an unsolicited email about the health of an employee's family member from a co-worker); or
4. Accessing a social media platform that the manager or supervisor was given permission to access by the creator of the profile at issue (e.g., a supervisor and employee are connected on a social networking site and the employee provides family medical history on their page).

29 C.F.R. 1635.8(b)(1)(ii)

Exceptions
Leave Requests

The general prohibition against requesting, requiring, or purchasing genetic information does not apply where the district requests family medical history to comply with the certification provisions or the

Family and Medical Leave Act (FMLA) or state or local family and medical leave laws, or pursuant to a policy (even in the absence of requirements of federal, state, or local leave laws) that permits the use of leave to care for a sick family member and that requires all employees to provide information about the health condition of the family member to substantiate the need for leave. *29 C.F.R. 1635.8(b)(3)*

[For additional exceptions to the general prohibition against requesting, requiring, or purchasing genetic information, see *29 C.F.R. 1635.8(b)(2)-(5)*.]

Requests for
Medical Information

If a district acquires genetic information in response to a lawful request for medical information, the acquisition of genetic information will not generally be considered inadvertent unless the district directs the individual and/or health-care provider from whom it requested medical information not to provide genetic information [see Safe Harbor, below]. *29 C.F.R. 1635.8(b)(1)(i)(A)*

Situations involving lawful requests for medical information include, for example:

1. Requests for documentation to support a request for reasonable accommodation under federal, state, or local law;
2. Requests for medical information as required, authorized, or permitted by federal, state, or local law, such as where an employee requests leave under the FMLA to attend to the employee's own serious health condition or where an employee complies with the FMLA's employee return to work certification requirements; or
3. Requests for documentation to support leave that is not governed by federal, state, or local laws requiring leave, as long as the documentation required to support the request otherwise complies with the requirements of the ADA and other laws limiting a district's access to medical information.

29 C.F.R. 1635.8(b)(1)(i)(D)

Safe Harbor

Any receipt of genetic information in response to a request for medical information shall be deemed inadvertent if a district uses language such as the following:

"The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for

medical information. ‘Genetic information,’ as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.”

A district’s failure to give such a notice or to use this or similar language will not prevent the district from establishing that a particular receipt of genetic information was inadvertent if the request for medical information was not likely to result in a district’s obtaining genetic information (for example, where an overly broad response is received in response to a tailored request for medical information).

29 C.F.R. 1635.8(b)(1)(i)(B), (C)

*Employment
Examinations*

The prohibition on acquisition of genetic information applies to medical examinations related to employment. A district shall tell health-care providers not to collect genetic information, including family medical history, as part of a medical examination intended to determine the ability to perform a job.

*Remedial
Measures*

A district shall take additional reasonable measures within its control if it learns that genetic information is being requested or required in medical examinations related to employment. Such reasonable measures may depend on the facts and circumstances under which a request for genetic information was made, and may include no longer using the services of a health-care professional who continues to request or require genetic information during medical examinations after being informed not to do so.

29 C.F.R. 1635.8(d)

Confidentiality

A district that possesses genetic information in writing about an employee must maintain such information on forms and in medical files (including where the information exists in electronic forms and files) that are separate from personnel files. A district must treat such information as a confidential medical record. A district may maintain genetic information about an employee in the same file in which it maintains confidential medical information under the ADA.

Genetic information placed in personnel files before November 21, 2009, need not be removed. A district will not be liable under the GINA regulations for the mere existence of the information in the file. However, the prohibitions on use and disclosure of genetic information apply to all genetic information that meets the statutory

definition, including genetic information requested, required, or purchased before November 21, 2009.

Genetic information that a district receives orally need not be reduced to writing but may not be disclosed, except as permitted by 29 C.F.R. part 1635.

Genetic information that a district acquires through sources that are commercially and publicly available, as provided by 29 C.F.R. 1635.8(b)(4), is not considered confidential genetic information but may not be used to discriminate against an individual.

29 C.F.R. 1635.9(a)

*Disclosure
Permitted*

A district that possesses any genetic information, regardless of how the district obtained the information (except for genetic information acquired through commercially and publicly available sources), may disclose the information:

1. To the employee (or family member if the family member is receiving genetic services) about whom the information pertains upon receipt of the employee's written request;
2. To an occupational or other health researcher if the research is conducted in compliance with the regulations and protections at 45 C.F.R. part 46;
3. In response to an order of a court. The district may disclose only the genetic information expressly authorized by the order. If the order was secured without the knowledge of the employee to whom the information refers, the district shall inform the employee of the order and any genetic information that was disclosed pursuant to the order;
4. To government officials investigating compliance with Title II of GINA if the information is relevant to the investigation;
5. To the extent the information is disclosed in support of an employee's compliance with the certification provisions of the FMLA or certification requirements under state family and medical leave laws; or
6. To a federal, state, or local public health agency, only with regard to information about the manifestation of a disease or disorder that concerns a contagious disease that presents an imminent hazard of death or life-threatening illness, provided that the individual whose family member is the subject of the disclosure is notified of such disclosure.

Interactive Process	It is an unlawful employment practice for a district to require a qualified employee affected by pregnancy, childbirth, or related medical conditions to accept an accommodation other than any reasonable accommodation arrived at through the interactive process referred to in 42 U.S.C. 2000gg(7) and described in 29 C.F.R. 1636.3(k). 42 U.S.C. 2000gg-1(2); 29 C.F.R. 1636.4(b)
Denial of Employment Opportunities	It is an unlawful employment practice for a district to deny employment opportunities to a qualified employee if such denial is based on the need, or potential need, of the covered entity to make reasonable accommodations to the known limitations related to the pregnancy, childbirth, or related medical conditions of the qualified employee. 42 U.S.C. 2000gg-1(3); 29 C.F.R. 1636.4(c)
Required Leave	It is an unlawful employment practice for a district to require a qualified employee to take leave, whether paid or unpaid, if another reasonable accommodation can be provided to the known limitations related to the pregnancy, childbirth, or related medical conditions of the qualified employee that does not result in an undue hardship for the covered entity; but nothing in this provision prohibits leave as a reasonable accommodation if that is the reasonable accommodation requested or selected by the employee, or if it is the only reasonable accommodation that does not cause an undue hardship. 42 U.S.C. 2000gg-1(4); 29 C.F.R. 1636.4(d)
Adverse Action	It is an unlawful employment practice for a district to take adverse action in terms, conditions, or privileges of employment against a qualified employee on account of the employee requesting or using a reasonable accommodation to the known limitations related to the pregnancy, childbirth, or related medical conditions of the employee. 42 U.S.C. 2000gg-1(5); 29 C.F.R. 1636.4(e)
Definitions <i>Known Limitation</i>	“Known limitation” means physical or mental condition related to, affected by, or arising out of pregnancy, childbirth, or related medical conditions that the employee or employee’s representative has

communicated to the district whether or not such condition meets the definition of disability specified in the ADA (42 U.S.C. 12102).

“Known,” in terms of limitation, means the employee or the employee’s representative has communicated the limitation to the employer.

“Limitation” means a physical or mental condition related to, affected by, or arising out of pregnancy, childbirth, or related medical conditions, of the specific employee in question.

42 U.S.C. 2000gg(4); 29 C.F.R 1636.3(a)

Communicated to the Employer

“Communicated to the employer,” with respect to a known limitation, means an employee or the employee’s representative has made the employer aware of the limitation by communicating with a supervisor, a manager, someone who has supervisory authority for the employee or who regularly directs the employee’s tasks (or the equivalent for an applicant), human resources personnel, or another appropriate official, or by following the steps in the district’s policy to request an accommodation. The communication may be made orally, in writing, or by another effective means. The communication need not be in writing, be in a specific format, use specific words, or be on a specific form in order for it to be considered “communicated to the employer.” *29 C.F.R. 1636.3(d)*

Consideration of Mitigating Measures

The determination of whether an employee has a limitation shall be made without regard to the ameliorative effects of mitigating measures. The non-ameliorative effects of mitigating measures, such as negative side effects of medication or burdens associated with following a particular treatment regimen, may be considered when determining whether an employee has a limitation. *29 C.F.R. 1636.3(e)*

Qualified Employee

The term ‘qualified employee’ means an employee or applicant who, with or without reasonable accommodation, can perform the essential functions of the employment position, except that an employee or applicant shall be considered qualified if:

1. Any inability to perform an essential function is for a temporary period, where “temporary” means lasting for a limited time, not permanent, and may extend beyond “in the near future.”
2. The essential function(s) could be performed in the near future. This determination is made on a case-by-case basis. If the employee is pregnant, it is presumed that the employee could perform the essential function(s) in the near future because they could perform the essential function(s) within generally 40 weeks of its suspension.

3. The inability to perform the essential function(s) can be reasonably accommodated. This may be accomplished by temporary suspension of the essential function(s) and the employee performing the remaining functions of their position or, depending on the position, other arrangements, including, but not limited to: the employee performing the remaining functions of their position and other functions assigned by the covered entity; the employee performing the functions of a different job to which the covered entity temporarily transfers or assigns the employee; or the employee being assigned to light duty or modified duty or participating in the covered entity's light or modified duty program.

42 U.S.C. 2000gg(6); 29 C.F.R. 1636.3(f)

Exception

An employee with known limitations related to pregnancy, childbirth, or related medical conditions is not required to accept an accommodation. However, if such employee rejects a reasonable accommodation that is necessary to enable the employee to perform an essential function of the position held or desired or to apply for the position, or rejects temporary suspension of an essential function if the employee is qualified under 29 C.F.R. 1636.3(f)(2), and, as a result of that rejection, cannot perform an essential function of the position, or cannot apply, the employee will not be considered "qualified." *29 C.F.R. 1636.3(a)(2)*

*Reasonable
Accommodation*

With respect to an employee or applicant with a known limitation under the PWFA, reasonable accommodation includes:

1. Modifications or adjustments to a job application process that enable a qualified application with a known limitation under the PWFA to be considered for the position such qualified applicant desires;
2. Modifications or adjustments to the work environment, or to the manner or circumstances under which the position held or desired is customarily performed, that enable a qualified employee with a known limitation under the PWFA to perform the essential functions of the position;
3. Modifications or adjustments that enable a district's employee with a known limitation under the PWFA to enjoy equal benefits and privileges of employment as are enjoyed by its other similarly situated employees without known limitations; or
4. Temporary suspension of essential functions and/or modifications or adjustments that permit the temporary suspension of essential functions.

Unnecessary
Delay

An unnecessary delay in providing a reasonable accommodation to the known limitations related to the pregnancy, childbirth, or related medical conditions of a qualified employee may result in a violation of the PWFA even if the covered entity eventually provides the reasonable accommodation. Undue Hardship

Undue hardship means, with respect to the provision of an accommodation, significant difficulty or expense incurred by a covered entity, when considered in light of the following factors:

1. The nature and net cost of the accommodation needed under the PWFA;
2. The overall financial resources of the facility or facilities involved in the provision of the reasonable accommodation, the number of persons employed at such facility, and the effect on expenses and resources;
3. The overall financial resources of the covered entity, the overall size of the business of the covered entity with respect to the number of its employees, and the number, type, and location of its facilities;
4. The type of operation or operations of the covered entity, including the composition, structure, and functions of the workforce of such entity, and the geographic separateness and administrative or fiscal relationship of the facility or facilities in question to the covered entity; and
5. The impact of the accommodation upon the operation of the facility, including the impact on the ability of other employees to perform their duties and the impact on the facility's ability to conduct business.

Temporary
Suspension of
an Essential
Function

If an employee with a known limitation under the PWFA meets the definition of "qualified employee" under this provision and needs one or more essential functions of the relevant position to be temporarily suspended, the covered entity must provide the accommodation unless doing so would impose an undue hardship on the covered entity when considered in light of the factors provided in 29 C.F.R. 1636.3(j)(2)(i) through (v) of this provision as well as the factors described in 29 C.F.R. 1636.3(j)(3)(i)-(vi). 29 C.F.R. 1636.3(j)(3)

Predictable
Assessments

The individualized assessment of whether a modification listed in 29 C.F.R. 1636.3(j)(4)(i) through (iv) of this provision is a reasonable accommodation that would cause undue hardship will, in virtually all cases, result in a determination that the four modifications are reasonable accommodations that will not impose an undue hardship under the PWFA when they are requested as workplace accommodations by an employee who is pregnant. Therefore, with respect to these modifications, the individualized assessment should be particularly simple and straightforward:

1. Allowing an employee to carry or keep water near and drink, as needed;
2. Allowing an employee to take additional restroom breaks, as needed;
3. Allowing an employee whose work requires standing to sit and whose work requires sitting to stand, as needed; and
4. Allowing an employee to take breaks to eat and drink, as needed.

**Other Forms of
Discrimination**

Military Service

A district shall not deny initial employment, reemployment, retention in employment, promotion, or any benefit of employment on the basis of membership in a uniformed service, performance in a uniformed service, application for uniformed service, or obligation to a uniformed service. A district shall not take adverse employment action or discriminate against any person who takes action to enforce protections afforded by the Uniformed Services Employment and Re-employment Rights Act (USERRA). *38 U.S.C. 4311* [See also DECB]

Bankruptcy
Discrimination

A district may not deny employment to, terminate the employment of, or discriminate with respect to employment against, a person that is or has been a debtor under federal bankruptcy laws, solely because the bankrupt or debtor is or has been a debtor under federal bankruptcy laws; was insolvent before the commencement of a bankruptcy case or during the case but before the debtor was granted or denied a discharge; or has not paid a debt that is dischargeable in the bankruptcy case or that was discharged under the bankruptcy laws. *11 U.S.C. 525(a)*

Student Loan
Repayment

A district that issues a license may not take disciplinary action against a person based on the person's default on a student loan or breach of a student loan repayment contract or scholarship contract including by:

1. Denying the person's application for a license or license renewal;
2. Suspending the person's license; or
3. Taking other disciplinary action against the person.

Harassment-Free Workplace

Harassment on the basis of a protected characteristic is a violation of Title VII. A district has an affirmative duty, under Title VII, to maintain a working environment free of harassment on the basis of sex, race, color, religion, and national origin. *42 U.S.C. 2000e, et seq.; 29 C.F.R. 1604.11(a), 1606.8(a)*

Sexual Harassment

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Where employment opportunities or benefits are granted because of an individual's submission to the employer's sexual advances or requests for sexual favors, the employer may be held liable for unlawful sex discrimination against other persons who were qualified for but denied that employment opportunity or benefit.

29 C.F.R. 1604.11(a), (g); Labor Code 21.141

An employer commits an unlawful employment practice if sexual harassment of an employee occurs and the employer or the employer's agents or supervisors know or should have known that the conduct constituting sexual harassment was occurring and fail to take immediate and appropriate corrective action. *Labor Code 21.142; 40 TAC 819.12(k)*

Criminal Offense — Official Oppression

A public servant acting under color of the public servant's office or employment commits an offense if the public servant intentionally subjects another to sexual harassment.

A public servant acts under color of the public servant's office or employment if the person acts or purports to act in an official capacity or takes advantage of such actual or purported capacity.

"Sexual harassment" means unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature, submission to which is made a term or condition of a person's exercise or enjoyment of any right, privilege, power, or immunity, either explicitly or implicitly.

Penal Code 39.03(a)(3), (b), (c)

National Origin
Harassment

Ethnic slurs and other verbal or physical conduct relating to an individual's national origin constitute harassment when this conduct:

2. Has the purpose or effect of unreasonably interfering with an individual's work performance; or
3. Otherwise adversely affects an individual's employment opportunities.

29 C.F.R. 1606.8(b)

Severe and

Harassment violates Title VII if it is sufficiently severe and pervasive to alter the conditions of employment. *Pennsylvania State Police v. Suders, 542 U.S. 129 (2004)*

Title VII does not prohibit all verbal and physical harassment in the workplace. A driver shall not operate a school bus, school activity bus, or multifunction school activity bus unless he or she has in his or her possession the original, or photographic copy, of the medical examiner's certificate stating that the driver is physically qualified to drive a school bus, school activity bus, or multifunction school activity bus. *Transp. Definitions

The definitions related to individuals with disabilities and exceptions to those definitions included in policy DAA shall be used in applying and interpreting this policy and any local policy adopted in conjunction with this policy.

Bloodborne Pathogen Control

A district that employs employees who provide services in a public or private facility providing health care-related services, or who otherwise have a risk of exposure to blood or other material potentially containing bloodborne pathogens in connection with exposure to sharps shall comply with the minimum standards set by the Texas Department of State Health Services (TDSHS). This includes a district that operates a public school health clinic.

"Sharp" Defined

A "sharp" is an object used or encountered in a health-care setting that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident, including a needle device, a scalpel, a lancet, a piece of broken glass, a broken capillary tube, an exposed end of a dental wire, or a dental knife, drill, or bur.

Exposure Control Plan

The TDSHS has developed an exposure control plan as a model plan to achieve the minimum standards in Health and Safety Code 81.304. The plan is designed to minimize exposure of employees to bloodborne pathogens and includes policies relating to occupational exposure to bloodborne pathogens, training and educational requirements for employees, measures to increase vaccination of employees, and increased use of personnel protective equipment by employees.

The TDSHS Bloodborne Pathogens Exposure Control Plan requires a district to:

2. Provide, at district expense, personal protective equipment and Hepatitis B vaccinations to affected employees, and if an employee declines to be vaccinated, maintain a record of the employee's written refusal;
3. Provide to affected employees pre-service and annual refresher training as described in the TDSHS Exposure Control Plan;
4. Record all exposure incidents (e.g., "sticks" by needles or other "sharps") in a sharps injury log and report the sharps injury to TDSHS on a standardized form; and
5. Provide a post-exposure evaluation and follow up with an employee who has a sharps injury.

Cost of Testing

If certified emergency medical services personnel, an emergency response employee or volunteer, or a first responder who renders assistance at the scene of an emergency or during transport to the hospital is accidentally exposed to blood or other body fluids of a patient, the hospital to which the patient is transported shall take reasonable steps to test the patient for hepatitis B, hepatitis C, HIV, or any reportable disease. A district that employs the person, or for which the person works as a volunteer in connection with rendering the assistance, is responsible for paying the costs of the test.

Health and Safety Code 81.095(b)

Genetic Information

Any receipt of genetic information in response to a request for medical information shall be deemed inadvertent if a district uses language such as that at 29 C.F.R. 1635.8(b)(1)(i)(B). 29 C.F.R. 1635.8(b)(1)(i)(A) [See DAA]

**Pre-employment
Inquiries and
Employment
Entrance
Examinations**

A district shall not conduct a medical examination or make inquiries of a job applicant as to whether such applicant is an individual with a disability or as to the nature or severity of a disability, except as provided below. However, a district is permitted to make pre-employment inquiries into the ability of an applicant to perform job-related functions, such as asking an applicant to describe or demonstrate how, with or without reasonable accommodation, the applicant will be able to perform job-related functions. 42 U.S.C. 12112(d)(2); 29 C.F.R. 1630.14(a)

A district may require a medical examination (and/or inquiry) after an offer of employment has been made to a job applicant and prior

to the beginning of employment duties and may condition the offer on the results of such examination (and/or inquiry), provided all entering employees in the same job category are subjected to such an examination (and/or inquiry) regardless of disability.

The results of an employment entrance medical examination shall be used only to determine the applicant's ability to perform job-related functions.

42 U.S.C. 12112(d)(3); 29 C.F.R. 1630.14(b)

Confidentiality

Information obtained regarding the medical condition or history of the applicant shall be collected and maintained on separate forms and in separate medical files and shall be treated as confidential medical records. However, supervisors and managers may be informed regarding necessary restrictions on the employee's work or duties and necessary accommodation; first aid and safety personnel may be informed, when appropriate, if the disability might require emergency treatment. *29 C.F.R. 1630.14(b), (c)*

Examination During Employment

The district may require a medical examination (and/or inquiry) of an employee that is job related and consistent with business necessity and may make inquiries into the ability of an employee to perform job-related functions.

Placement on Temporary Disability

The board may adopt a policy providing for placing an educator on leave of absence for temporary disability if, in the board's judgment and in consultation with a physician who has performed a thorough medical examination of the educator, the educator's condition interferes with the performance of regular duties. Such a policy must reserve to the educator the right to present to the board testimony or other information relevant to the educator's fitness to continue the performance of regular duties. [See also DEC]

The results of an employee's medical examination shall be used only to determine the employee's ability to perform job-related functions.

General Provisions

Covered Employer

All public elementary and secondary schools are “covered employers” under the FMLA, without regard to the number of employees employed. The term “employer” includes any person who acts directly or indirectly in the interest of a district to any of the district’s employees. *29 U.S.C. 2611(4), 2618(a); 29 C.F.R. 825.104(a)*

Eligible Employee

“Eligible employee” means an employee who:

1. Has been employed by a district for at least 12 months. The 12 months need not be consecutive;
2. Has been employed by a district for at least 1,250 hours of service during the 12-months immediately preceding the commencement of leave; and
3. Is employed at a worksite where 50 or more employees are employed by the district within 75 miles of that worksite.

29 U.S.C. 2611(2); 29 C.F.R. 825.110

[A district that has no eligible employees must comply with the requirements at General Notice, below.]

Qualifying Reasons for Leave

A district shall grant leave to eligible employees:

1. For the birth of a son or daughter, and to care for the newborn child;
2. For placement with the employee of a son or daughter for adoption or foster care [For the definitions of “adoption” and “foster care,” see 29 C.F.R. 825.122.];
3. To care for the employee’s spouse, son or daughter, or parent with a serious health condition;
4. Because of a serious health condition that makes the employee unable to perform the functions of the employee’s job [For the definition of “serious health condition,” see 29 C.F.R. 825.113.];
5. Because of any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a military member on covered active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty) [For the definition of “military member,” see 29 C.F.R. 825.126(b). For the definition of “covered active duty” and “call to covered active duty status,” see 29 C.F.R. 825.102.]; and
6. To care for a covered service member with a serious injury or illness incurred in the line of duty if the employee is the spouse, son, daughter, parent, or next of kin of the service

member. [For the definitions of “covered service member” and “serious injury or illness,” see 29 C.F.R. 825.102, .122.]

29 U.S.C. 2612(a); 29 C.F.R. 825.112

For provisions regarding treatment for substance abuse, see 29 C.F.R. 825.119.

*Qualifying
Exigency*

An eligible employee may take FMLA leave for one or more of the following qualifying exigencies:

1. Short-notice deployment.
2. Military events and related activities.
3. Childcare and school activities.
4. Financial and legal arrangements.
5. Counseling.
6. Rest and recuperation.
7. Post-deployment activities.
8. Parental care.
9. Additional activities, provided that the district and employee agree that the leave shall qualify as an exigency and agree to both the timing and duration.

29 C.F.R. 825.126

*Pregnancy or
Birth*

Both parents are entitled to FMLA leave to be with a healthy newborn child (i.e., bonding time) during the 12-month period beginning on the date of birth. In addition, the expectant mother is entitled to FMLA leave for incapacity due to pregnancy, for prenatal care, or for her own serious health condition following the birth of the child. The expectant mother is entitled to leave for incapacity due to pregnancy even though she does not receive treatment from a health-care provider during the absence and even if the absence does not last for more than three consecutive calendar days. A spouse is entitled to FMLA leave if needed to care for a pregnant spouse who is incapacitated, during her prenatal care, or following the birth of a child if the spouse has a serious health condition. [For the definition of “needed to care for,” see 29 C.F.R. 825.124.] *29 C.F.R. 825.120*

Definitions

*“Equivalent
Position”*

An “equivalent position” is one that is virtually identical to the employee’s former position in terms of pay, benefits, and working conditions, including privileges, perquisites, and status. It must involve the same or substantially similar duties and responsibilities, which

must entail substantially equivalent skill, effort, responsibility, and authority. *29 C.F.R. 825.215(a)*

“Next of Kin”

“Next of kin of a covered service member” (for purposes of military caregiver leave) means:

1. The blood relative specifically designated in writing by the covered service member as his or her nearest blood relative for purposes of military caregiver leave under the FMLA. The designated individual shall be deemed to be the covered service member’s only next of kin; or
2. When no such designation has been made, the nearest blood relative other than the covered service member’s spouse, parent, son, or daughter, in the following order of priority:
 - a. Blood relatives who have been granted legal custody of the covered service member by court decree or statutory provisions,
 - b. Brothers and sisters,
 - c. Grandparents,
 - d. Aunts and uncles, and
 - e. First cousins.

If there are multiple family members with the same level of relationship to the covered service member, all such family members shall be considered the covered service member’s next of kin and may take FMLA leave to provide care to the covered service member, either consecutively or simultaneously.

29 C.F.R. 825.127(d)(3)

“Parent”

“Parent” (for purposes of family, medical, and qualifying exigency leave) means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when the employee was a son or daughter. This term does not include parents “in law.” *29 C.F.R. 825.122*

For the definition of “parent of a covered service member” for purposes of military caregiver leave, see *29 C.F.R. 825.127(d)(2)*.

“Son or Daughter”

“Son or daughter” (for purposes of family and medical leave) means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and “incapable of self-care because of a mental or physical disability” at the time that FMLA leave is to commence. *29 C.F.R. 825.122*

For the definition of “son or daughter on active duty or call to active duty status” for purposes of qualifying exigency leave, see 29 C.F.R. 825.122.

For the definition of “son or daughter of a covered service member” for purposes of military caregiver leave, see 29 C.F.R. 825.127(d)(1).

“Spouse”

“Spouse” means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under state law for purposes of marriage in the state in which the marriage was entered into or, in the case of a marriage entered into outside of any state, if the marriage is valid in the place where entered into and could have been entered into in at least one state.

This definition includes an individual in a same-sex or common law marriage that either:

1. Was entered into in a state that recognizes such marriages; or
2. If entered into outside of any state, is valid in the place where entered into and could have been entered into in at least one state.

29 C.F.R. 825.102, .122

Leave Entitlement and Use

Amount of Leave

Except in the case of military caregiver leave, an eligible employee's FMLA leave entitlement is limited to a total of 12 work-weeks of leave during a 12-month period for any one or more of the qualifying reasons.

Spouses who are employed by the same district may be limited to a combined total of 12 weeks of FMLA leave during any 12-month period if leave is taken for the birth of a son or daughter, the placement of a child for adoption or foster care, or to care for a parent with a serious health condition.

29 U.S.C. 2612(a), (f); 29 C.F.R. 825.120(a)(3), .200, .201

Determining the 12-Month Period

Except with respect to military caregiver leave, a district may choose any one of the following methods for determining the “12-month period” in which the 12 weeks of leave entitlement occurs:

1. The calendar year;
2. Any fixed 12-month “leave year,” such as a fiscal year or a year starting on an employee's “anniversary” date;
3. The 12-month period measured forward from the date any employee's first FMLA leave begins; or

4. A “rolling” 12-month period measured backward from the date an employee uses any FMLA leave.

29 C.F.R. 825.200(b)

*Military Caregiver
Leave*

In the case of military caregiver leave, an eligible employee’s FMLA leave entitlement is limited to a total of 26 workweeks of leave during a “single 12-month period.” The “single 12-month period” is measured forward from the date an employee’s first FMLA leave to care for the covered service member begins, regardless of the method used by a district to determine the 12-month period for other FMLA leaves. During the “single 12-month period,” an eligible employee’s FMLA leave entitlement is limited to a combined total of 26 workweeks of FMLA leave for any qualifying reason. *29 C.F.R. 825.200(f), (g)*

Spouses who are employed by the same district may be limited to a combined total of 26 weeks of FMLA leave during the “single 12-month period” if leave is taken as military caregiver leave, for the birth of a son or daughter, for the placement of a child for adoption or foster care, or to care for a parent with a serious health condition. *29 C.F.R. 825.127(e)(3)*

*Summer
Vacation and
Other Extended
Breaks*

If a district’s activity temporarily ceases and employees generally are not expected to report for work for one or more weeks (e.g., a school closing for two weeks for the Christmas/New Year holiday), those days do not count against the employee’s FMLA leave entitlement. Similarly, the period during the summer vacation when the employee would not have been required to report for duty is not counted against the employee’s FMLA leave entitlement. *29 C.F.R. 825.200(h), .601(a)*

*Intermittent or
Reduced Leave
Schedule*

FMLA leave may be taken intermittently or on a reduced leave schedule under certain circumstances. “Intermittent leave” is FMLA leave taken in separate blocks of time due to a single qualifying reason. A “reduced leave schedule” is a leave schedule that reduces an employee’s usual number of working hours per workweek, or hours per workday.

For leave taken because of the employee’s own serious health condition, to care for a spouse, parent, son, or daughter with a serious health condition, or military caregiver leave, there must be a medical need for leave and it must be that such medical need can be best accommodated through an intermittent or reduced leave schedule. Leave due to a qualifying exigency may also be taken on an intermittent or reduced schedule basis.

When leave is taken after the birth of a healthy child or placement of a healthy child for adoption or foster care, an employee may

take leave intermittently or on a reduced leave schedule only if the district agrees.

29 U.S.C. 2612(b); 29 C.F.R. 825.102, .202

*Transfer to
Alternative
Position*

If an employee requests intermittent or reduced schedule leave that is foreseeable based on planned medical treatment, a district may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. *29 U.S.C. 2612(b)(2); 29 C.F.R. 825.204*

*Calculating
Leave Use*

When an employee takes leave on an intermittent or reduced schedule, only the amount of leave actually taken may be counted toward the employee's leave entitlement. A district must account for intermittent or reduced schedule leave using an increment no greater than the shortest period of time that the district uses to account for use of other forms of leave, provided the increment is not greater than one hour. *29 C.F.R. 825.205*

Special Rules for
Instructional
Employees

Special rules apply to certain employees of school districts. These special rules affect leave taken intermittently or on a reduced schedule, or taken near the end of an academic term (semester) by instructional employees.

"Instructional employees" are those whose principal function is to teach and instruct students in a class, a small group, or an individual setting. This term includes not only teachers, but also athletic coaches, driving instructors, and special education assistants such as signers for the hearing impaired. It does not include teacher assistants or aides who do not have as their principal job actual teaching or instructing, nor does it include auxiliary personnel such as counselors, psychologists, or curriculum specialists. It also does not include cafeteria workers, maintenance workers, or bus drivers.

29 C.F.R. 825.600

*Failure to Provide
Notice of
Foreseeable
Leave*

If an instructional employee does not give required notice of foreseeable leave to be taken intermittently or on a reduced schedule, a district may require the employee to take leave of a particular duration or to transfer temporarily to an alternative position. Alternatively, a district may require the employee to delay the taking of leave until the notice provision is met. *29 C.F.R. 825.601(b)*

20 Percent Rule

If an eligible instructional employee needs intermittent leave or leave on a reduced leave schedule to care for a family member with a serious health condition, to care for a covered service member, or for the employee's own serious health condition; the leave is foreseeable based on planned medical treatment; and the employee would be on leave for more than 20 percent of the total

number of working days over the period the leave would extend, a district may require the employee to choose:

1. To take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
2. To transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the employee's regular position.

“Periods of a particular duration” means a block or blocks of time beginning no earlier than the first day for which leave is needed and ending no later than the last day on which leave is needed, and may include one uninterrupted period of leave. If an employee chooses to take leave for “periods of a particular duration” in the case of intermittent or reduced schedule leave, the entire period of leave taken will count as FMLA leave.

29 U.S.C. 2618(c); 29 C.F.R. 825.601, .603

Leave at the End of
a Semester

As a rule, a district may not require an employee to take more FMLA leave than the employee needs. The FMLA recognizes exceptions where instructional employees begin leave near the end of a semester. As set forth below, the district may in certain cases require the employee to take leave until the end of the semester.

The school semester, or “academic term,” typically ends near the end of the calendar year and the end of spring each school year. In no case may a school have more than two academic terms or semesters each year for purposes of the FMLA.

If a district requires the employee to take leave until the end of the semester, only the period of leave until the employee is ready and able to return to work shall be charged against the employee's FMLA leave entitlement. Any additional leave required by the district to the end of the semester is not counted as FMLA leave; however, the district shall maintain the employee's group health insurance and restore the employee to the same or equivalent job, including other benefits, at the end of the leave.

29 U.S.C. 2618(d); 29 C.F.R. 825.603

*More Than Five
Weeks Before
End of Semester*

A district may require an instructional employee to continue taking leave until the end of the semester if:

1. The employee begins leave more than five weeks before the end of the semester;
2. The leave will last at least three weeks; and

LEAVES AND ABSENCES
FAMILY AND MEDICAL LEAVE

DECA
(LEGAL)

3. The employee would return to work during the three-week period before the end of the semester.

During Last Five Weeks of Semester

A district may require an instructional employee to continue taking leave until the end of the semester if:

1. The employee begins leave during the last five weeks of the semester for any reason other than the employee's own serious health condition or a qualifying exigency;
2. The leave will last more than two weeks; and
3. The employee would return to work during the two-week period before the end of the semester.

During Last Three Weeks of Semester

A district may require an instructional employee to continue taking leave until the end of the semester if the employee begins leave during the three-week period before the end of the semester for any reason other than the employee's own serious health condition or a qualifying exigency.

29 C.F.R. 825.602

Substitution of Paid Leave

Generally, FMLA leave is unpaid leave. However, an employee may choose to substitute accrued paid leave for unpaid FMLA leave. If an employee does not choose to substitute accrued paid leave, a district may require the employee to do so. The term "substitute" means that the paid leave provided by the district, and accrued pursuant to established policies of the district, will run concurrently with the unpaid FMLA leave. An employee's ability to substitute accrued paid leave is determined by the terms and conditions of the district's normal leave policy. *29 U.S.C. 2612(d); 29 C.F.R. 825.207(a)*

Compensatory Time

If an employee requests and is permitted to use accrued compensatory time to receive pay during FMLA leave, or if a district requires such use, the compensatory time taken may be counted against the employee's FMLA leave entitlement. *29 C.F.R. 825.207(f)*

FMLA and Workers' Compensation

A serious health condition may result from injury to the employee "on or off" the job. If a district designates the leave as FMLA leave, the leave counts against the employee's FMLA leave entitlement. Because the workers' compensation absence is not unpaid, neither the employee nor the district may require the substitution of paid leave. However, a district and an employee may agree, where state law permits, to have paid leave supplement workers' compensation benefits.

If the health-care provider treating the employee for the workers' compensation injury certifies that the employee is able to return to a "light duty job" but is unable to return to the same or equivalent job, the employee may decline the district's offer of a "light duty job." As a result, the employee may lose workers' compensation payments, but is entitled to remain on unpaid FMLA leave until the employee's FMLA leave entitlement is exhausted. As of the date workers' compensation benefits cease, the substitution provision becomes applicable and either the employee may elect or the district may require the use of accrued paid leave.

29 C.F.R. 825.207(e)

Maintenance of
Health Benefits

During any FMLA leave, a district must maintain the employee's coverage under any group health plan on the same conditions as coverage would have been provided if the employee had been continuously employed during the entire leave period.

An employee may choose not to retain group health plan coverage during FMLA leave. However, when the employee returns from leave, the employee is entitled to be reinstated on the same terms as before taking leave without any qualifying period, physical examination, exclusion of pre-existing conditions, and the like.

29 U.S.C. 2614(c); 29 C.F.R. 825.209

*Payment of
Premiums*

During FMLA leave, the employee must continue to pay the employee's share of group health plan premiums. If premiums are raised or lowered, the employee would be required to pay the new premium rates. *29 C.F.R. 825.210*

*Failure to Pay
Premiums*

Unless a district has an established policy providing a longer grace period, a district's obligations to maintain health insurance coverage cease if an employee's premium payment is more than 30 days late. In order to terminate the employee's coverage, the district must provide written notice to the employee that the payment has not been received. Such notice must be mailed to the employee at least 15 days before coverage is to cease, advising that coverage will be dropped on a specified date at least 15 days after the date of the letter unless the payment has been received by that date. Coverage for the employee may be terminated at the end of the 30-day grace period, if the required 15-day notice has been provided.

Upon the employee's return from FMLA leave, the district must still restore the employee to coverage/benefits equivalent to those the employee would have had if leave had not been taken and the premium payment(s) had not been missed. The employee may not be required to meet any qualification requirements imposed by the

plan, including any new preexisting condition waiting period, to wait for an open season, or to pass a medical examination to obtain reinstatement of coverage.

29 C.F.R. 825.212

*Recovery of
Benefit Cost*

If an employee fails to return to work after FMLA leave has been exhausted or expires, a district may recover from the employee its share of health plan premiums during the employee's unpaid FMLA leave, unless the employee's failure to return is due to one of the reasons set forth in the regulations. A district may not recover its share of health insurance premiums for any period of FMLA leave covered by paid leave. *29 C.F.R. 825.213*

Right to
Reinstatement

On return from FMLA leave, an employee is entitled to be returned to the same position the employee held when leave began, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee is entitled to reinstatement even if the employee has been replaced or his or her position has been restructured to accommodate the employee's absence. However, an employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the FMLA leave period. *29 C.F.R. 825.214, .216(a)*

*Moonlighting
During Leave*

If a district has a uniformly applied policy governing outside or supplemental employment, the policy may continue to apply to an employee while on FMLA leave. A district that does not have such a policy may not deny FMLA benefits on the basis of outside or supplemental employment unless the FMLA leave was fraudulently obtained. *29 U.S.C. 2618(e); 29 C.F.R. 825.216(e)*

*Reinstatement of
School
Employees*

A district shall make the determination of how an employee is to be restored to "an equivalent position" upon return from FMLA leave on the basis of established school board policies and practices. The "established policies" must be in writing, must be made known to the employee before the taking of FMLA leave, and must clearly explain the employee's restoration rights upon return from leave. Any established policy which is used as the basis for restoration of an employee to "an equivalent position" must provide substantially the same protections as provided in the FMLA. For example, an employee may not be restored to a position requiring additional licensure or certification. *29 C.F.R. 825.604*

*Pay Increases
and Bonuses*

An employee is entitled to any unconditional pay increases that may have occurred during the FMLA leave period, such as cost of living increases. Pay increases conditioned upon seniority, length of service, or work performed must be granted in accordance with a district's policy or practice with respect to other employees on an

equivalent leave status for a reason that does not qualify as FMLA leave.

Equivalent pay includes any bonus or payment, whether it is discretionary or non-discretionary. However, if a bonus or other payment is based on the achievement of a specified goal such as hours worked, products sold, or perfect attendance, and the employee has not met the goal due to FMLA leave, then the payment may be denied, unless otherwise paid to employees on an equivalent leave status for a reason that does not qualify as FMLA leave. For example, if an employee who used paid vacation leave for a non-FMLA purpose would receive the payment, then an employee who used paid vacation leave for an FMLA-protected purpose also must receive the payment.

29 C.F.R. 825.215(c)

Key Employees

A district may deny job restoration to a key employee if such denial is necessary to prevent substantial and grievous economic injury to the operations of the district. *29 U.S.C. 2614(b); 29 C.F.R. 825.217-.219*

Notices and Medical Certification

Employer Notices

General Notice

Every covered employer must post on its premises a notice explaining the FMLA's provisions and providing information concerning the procedures for filing complaints with the Department of Labor's Wage and Hour Division. The notice must be posted prominently where it can be readily seen by employees and applicants for employment. Covered employers must post this general notice even if no employees are eligible for FMLA leave.

If a district has any eligible employees, it shall also:

1. Include the notice in employee handbooks or other written guidance to employees concerning employee benefits or leave rights, if such written materials exist; or
2. Distribute a copy of the general notice to each new employee upon hiring.

Electronic posting is sufficient if it meets the other requirements of this section.

If a district's workforce is comprised of a significant portion of workers who are not literate in English, the district shall provide the general notice in a language in which the employees are literate.

A district may use Department of Labor (DOL) form WHD 1420 or may use another format so long as the information provided includes, at a minimum, all of the information contained in that notice.

29 C.F.R. 825.300(a)

Eligibility Notice

When an employee requests FMLA leave, or when a district acquires knowledge that an employee's leave may be for an FMLA-qualifying reason, the district must notify the employee of the employee's eligibility to take FMLA leave. If the employee is not eligible for FMLA leave, the notice must state at least one reason why the employee is not eligible.

A district must provide the eligibility notice within five business days, absent extenuating circumstances. Notification of eligibility may be oral or in writing. The district may use DOL form WH-381 to provide such notification to employees. The district shall translate the notice in any situation in which it is required to translate the general notice.

29 C.F.R. 825.300(b)

*Rights and
Responsibilities
Notice*

Each time a district provides an eligibility notice to an employee, the district shall also provide a written rights and responsibilities notice. The rights and responsibilities notice must include the information required by the FMLA regulations at 29 C.F.R. 825.300(c)(1).

A district may use DOL form WH-381 to provide such notification to employees. A district may adapt the prototype notice as appropriate to meet these notice requirements. The notice may be distributed electronically if it meets the other requirements of this section. The district shall translate the notice in any situation in which it is required to translate the general notice.

29 C.F.R. 825.300(c)

*Designation
Notice*

When a district has enough information to determine whether leave is being taken for an FMLA-qualifying reason, the district must notify the employee whether the leave will be designated as FMLA leave. If the district determines that the leave will not be designated as FMLA-qualifying, the district must notify the employee of that determination. Absent extenuating circumstances, a district must provide the designation notice within five business days.

A district may use DOL form WH-382 to provide such notification to employees. If the leave is not designated as FMLA leave because it does not meet the requirements of the Act, the notice to the employee that the leave is not designated as FMLA leave may be in the form of a simple written statement.

The designation notice must include the information required by the FMLA regulations at 29 C.F.R. 825.300(d)(1) (substitution of paid leave), (d)(3) (fitness for duty certification), and (d)(6) (amount

of leave charged against FMLA entitlement). For further provisions on designation of leave, see 29 C.F.R. 825.301.

29 C.F.R. 825.300(d)

Retroactive Designation

A district may retroactively designate leave as FMLA leave, with appropriate notice to the employee, if the district's failure to timely designate leave does not cause harm or injury to the employee. In addition, a district and an employee may agree that leave will be retroactively designated as FMLA leave. *29 C.F.R. 825.301(d)*

Employee Notice

An employee giving notice of the need for FMLA leave must state a qualifying reason for the leave and otherwise satisfy the requirements for notice of foreseeable and unforeseeable leave, below. The employee does not need to expressly assert rights under the Act or even mention the FMLA. *29 C.F.R. 825.301*

Foreseeable Leave

An employee must provide at least 30 days' advance notice before FMLA leave is to begin if the need for leave is foreseeable based upon an expected birth, placement for adoption or foster care, or planned medical treatment of the employee, a family member, or a covered service member. If 30 days' notice is not practicable, the employee must give notice as soon as practicable. For leave due to a qualifying exigency, the employee must provide notice as soon as practicable regardless of how far in advance the leave is foreseeable.

When planning medical treatment, the employee must consult with the district and make a reasonable effort to schedule the treatment so as not to disrupt unduly the district's operations, subject to the approval of the health-care provider.

29 C.F.R. 825.302

Unforeseeable Leave

When the approximate timing of leave is not foreseeable, an employee must provide notice to a district as soon as practicable under the facts and circumstances of the particular case. It generally should be practicable for the employee to provide notice of leave that is unforeseeable within the time prescribed by the district's usual and customary notice requirements applicable to such leave. *29 C.F.R. 825.303*

Compliance with District Requirements

A district may require an employee to comply with its usual and customary notice and procedural requirements for requesting leave, absent unusual circumstances. If an employee does not comply with usual notice and procedural requirements, and no unusual circumstances justify the failure to comply, FMLA leave may be delayed or denied. *29 C.F.R. 825.302(d), .303(c)*

DECA
(LEGAL)

Certification of
Leave

A district may require that an employee's FMLA leave be supported by certification, as described below. The district must give notice of a requirement for certification each time certification is required. At the time the district requests certification, the district must advise the employee of the consequences of failure to provide adequate certification. *29 C.F.R. 825.305(a)*

Timing

In most cases, a district should request certification at the time the employee gives notice of the need for leave or within five business days thereafter or, in the case of unforeseen leave, within five business days after the leave commences. The district may request certification at a later date if the district later has reason to question the appropriateness of the leave or its duration. The employee must provide the requested certification to the district within 15 calendar days after the district's request, unless it is not practicable under the particular circumstances to do so despite the employee's diligent, good faith efforts. *29 C.F.R. 825.305(b)*

*Incomplete or
Insufficient
Certification*

A district shall advise an employee if it finds a certification incomplete or insufficient and shall state in writing what additional information is necessary to make the certification complete and sufficient. The district must provide the employee with seven calendar days (unless not practicable under the particular circumstances despite the employee's diligent, good faith efforts) to cure any such deficiency.

A certification is "incomplete" if one or more of the applicable entries have not been completed. A certification is "insufficient" if it is complete, but the information provided is vague, ambiguous, or non-responsive. A certification that is not returned to the district is not considered incomplete or insufficient, but constitutes a failure to provide certification.

29 C.F.R. 825.305(c)

*Medical
Certification of
Serious Health
Condition*

When leave is taken because of an employee's own serious health condition, or the serious health condition of a family member, a district may require the employee to obtain medical certification from a health-care provider. A district may use DOL optional form WH-380-E when the employee needs leave due to the employee's own serious health condition and optional form WH-380-F when the employee needs leave to care for a family member with a serious health condition. A district may not require information beyond that specified in the FMLA regulations.

An employee may choose to comply with the certification requirement by providing the district with an authorization, release, or waiver allowing the district to communicate directly with the health-care provider.

For the definition of “health-care provider,” see 29 C.F.R. 825.125.

29 C.F.R. 825.306

*Genetic
Information*

A district subject to the Genetic Information Nondiscrimination Act (GINA) shall comply with the GINA rules with respect to a request for medical information. *29 C.F.R. 1635.8(b)(1)(i)(A)* [See DAA]

*Authentication
and Clarification*

If an employee submits a complete and sufficient certification signed by the health-care provider, a district may not request additional information from the health-care provider. However, the district may contact the health-care provider for purposes of clarification and authentication of the certification after the district has given the employee an opportunity to cure any deficiencies, as set forth above. To make such contact, a district must use a health-care provider, a human resources professional, a leave administrator, or a management official. Under no circumstances may the employee’s direct supervisor contact the employee’s health-care provider.

“Authentication” means providing the health-care provider with a copy of the certification and requesting verification that the information on the form was completed and/or authorized by the health-care provider who signed the document; no additional medical information may be requested.

“Clarification” means contacting the health-care provider to understand the handwriting on the certification or to understand the meaning of a response. A district may not ask the health-care provider for additional information beyond that required by the certification form. The requirements of the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule must be satisfied when individually identifiable health information of an employee is shared with a district by a HIPAA-covered health-care provider.

29 C.F.R. 825.307(a)

*Second and Third
Opinions*

If a district has reason to doubt the validity of a medical certification, the district may require the employee to obtain a second opinion at the district’s expense. If the opinions of the employee’s and the district’s designated health-care providers differ, the district may require the employee to obtain certification from a third health-care provider, again at the district’s expense. *29 C.F.R. 825.307(b), (c)*

*Foreign Medical
Certification*

If the employee or a family member is visiting another country, or a family member resides in another country, and a serious health condition develops, the district shall accept medical certification as well as second and third opinions from a health-care provider who practices in that country. If the certification is in a language other

than English, the employee must provide the district with a written translation of the certification upon request. *29 C.F.R. 825.307(f)*

Recertification

A district may request recertification no more often than every 30 days and only in connection with an absence by the employee, except as set forth in the FMLA regulations. The district must allow at least 15 calendar days for the employee to provide recertification.

As part of the recertification for leave taken because of a serious health condition, the district may provide the health-care provider with a record of the employee's absence pattern and ask the health-care provider if the serious health condition and need for leave is consistent with such a pattern.

29 C.F.R. 825.308

*Certification —
Qualifying
Exigency Leave*

The first time an employee requests leave because of a qualifying exigency, a district may require the employee to provide a copy of the military member's active duty orders or other documentation issued by the military which indicates that the military member is on covered active duty or call to covered active duty status, and the dates of the covered military member's covered active duty service.

A district may also require that the leave be supported by a certification that addresses the information at 29 C.F.R. 825.309(b). The district may use DOL optional form WH-384, or another form containing the same basic information, for this certification. The district may not require information beyond that specified in the regulations.

29 C.F.R. 825.309

*Certification —
Military Caregiver
Leave*

When an employee takes military caregiver leave, a district may require the employee to obtain a certification completed by an authorized health-care provider of the covered service member. In addition, the district may request that the employee and/or covered service member address in the certification the information at 29 C.F.R. 825.310(c). The district may also require the employee to provide confirmation of a covered family relationship to the seriously injured or ill service member.

A district may use DOL optional form WH-385, or another form containing the same basic information, for this certification. The district may not require information beyond that specified in the regulations. A district must accept as sufficient certification "invitational travel orders" ("ITOs") or "invitational travel authorizations" ("ITAs") issued to any family member to join an injured or ill service member at his or her bedside.

A district may seek authentication and/or clarification of the certification under the procedures described above. Second and third opinions, and recertifications, are not permitted for leave to care for a covered service member.

29 C.F.R. 825.310

*Intent to Return
to Work*

A district may require an employee on FMLA leave to report periodically on the employee's status and intent to return to work. The district's policy regarding such reports may not be discriminatory and must take into account all of the relevant facts and circumstances related to the individual employee's leave situation. *29 C.F.R. 825.311*

*Fitness for Duty
Certification*

As a condition of restoring an employee who took FMLA leave due to the employee's own serious health condition, a district may have a uniformly applied policy or practice that requires all similarly situated employees (i.e., same occupation, same serious health condition) who take leave for such conditions to obtain and present certification from the employee's health-care provider that the employee is able to resume work. A district may require that the certification specifically address the employee's ability to perform the essential functions of the employee's job. *29 C.F.R. 825.312*

*Failure to Provide
Certification*

If the employee fails to provide the district with a complete and sufficient certification, despite the opportunity to cure, or fails to provide any certification, the district may deny the taking of FMLA leave. This provision applies in any case where a district requests a certification, including any clarifications necessary to determine if certifications are authentic and sufficient. *29 C.F.R. 825.305*

For failure to provide timely certification of foreseeable leave, see *29 C.F.R. 825.313(a)*. For failure to provide timely certification of unforeseeable leave, see *29 C.F.R. 825.313(b)*. For failure to provide timely recertification, see *29 C.F.R. 825.313(c)*. For failure to provide timely fitness-for-duty certification, see *29 C.F.R. 825.313(d)*.

**Miscellaneous
Provisions**

Records

A district shall make, keep, and preserve records pertaining to its obligations under the FMLA in accordance with the recordkeeping requirements of the Fair Labor Standards Act (FLSA) and the FMLA regulations. A district shall keep these records for no less than three years and make them available for inspection, copying, and transcription by representatives of the DOL upon request.

If the district is preserving records electronically, the district must comply with *29 C.F.R. 825.500(b)*. A district that has eligible employees must maintain records with the data set forth at *29 C.F.R. 825.500(c)*. A district that has no eligible employees must maintain

just the data at 29 C.F.R. 825.500(c)(1). For districts in a joint employment situation, see 29 C.F.R. 825.500(e).

Records and documents relating to certifications, recertifications, or medical histories of employees or employees' family members, created for purposes of FMLA, shall be maintained as confidential medical records in separate files/records from the usual personnel files.

If the Genetic Information Nondiscrimination Act (GINA) is applicable, records and documents created for purposes of FMLA leave that contain family medical history or genetic information shall be maintained in accordance with the confidentiality requirements of GINA (see 29 C.F.R. 1635.9), which permit such information to be disclosed consistent with the requirements of the FMLA. [For information regarding GINA, see DAA(LEGAL).]

If the Americans with Disabilities Act (ADA) is also applicable, such records shall be maintained in conformance with ADA confidentiality requirements [see 29 C.F.R. 1630.14(c)(1)], except as set forth in this section of the regulations.

29 C.F.R. 825.500

*Prohibition
Against
Discrimination

The FMLA prohibits interference with an employee's rights under the law, and with legal proceedings or inquiries relating to an employee's rights. *29 U.S.C. 2615; 29 C.F.R. 825.220*

1. Unless notice is precluded by military necessity or is otherwise unreasonable or impossible, the person, or an appropriate officer of the uniformed service in which such service is performed, has given advance written or verbal notice of such service to such person's employer;
2. The cumulative length of the absence and of all previous absences from a position of employment with that employer by reason of service in the uniformed services does not exceed five years, calculated in accordance with 38 U.S.C. 4312(c); and
3. The person reports to or submits an application for reemployment to such employer in accordance with the provisions of 38 U.S.C. 4312(e) and (f) and 20 C.F.R. Part 1002, Subpart C.

38 U.S.C. 4312(a)-(c); 20 C.F.R. 1002.5(1)

38 U.S.C. 4303(13), (15)-(16), 4316(a)

Exceptions

An employer, including a school district is not required to reemploy a person if:

1. The employer’s circumstances have so changed as to make reemployment impossible or unreasonable;
2. The person is entitled to reemployment under 38 U.S.C. 4313(a)(3), 4313(a)(4), or 4313(b)(2)(B), and the reemployment of the person would impose an undue hardship on the employer; or

For purposes of this provision, "disaster" has the meaning assigned by Government Code 418.004. *Gov't Code 437.202(a-1)*

An employer, including a school district, may not terminate the employment of an employee who is a member of the military forces of this state or any other state because the employee is ordered to authorized training or duty by a proper authority. Education Code 22.003(d), (e)

**Employee Free
Speech**

District employees do not shed their constitutional rights to freedom of speech or expression at the schoolhouse gate.

However, neither an employee nor anyone else has an absolute constitutional right to use all parts of a school building or its immediate environs for unlimited expressive purposes. When a public employee makes statements pursuant to his or her official duties, the employee is not speaking as a citizen for First Amendment purposes, and the Constitution does not insulate the communications from employer discipline.

Garcetti v. Ceballos, 547 U.S. 410 (2006); *Tinker v. Des Moines Indep. Cmty. Sch. Dist.*, 393 U.S. 503 (1969) [See also GKD]

**Whistleblower
Protection**

A board or its agents shall not suspend or terminate the employment of, or take other adverse personnel action against, an employee who in good faith reports a violation of law by a district or another public employee to an appropriate law enforcement authority.

A “report” is made to an “appropriate law enforcement authority” if the authority is a part of a state or local governmental entity or the federal government that the employee in good faith believes is authorized to:

1. Regulate under or enforce the law alleged to be violated in the report; or
2. Investigate or prosecute a violation of criminal law.

Gov’t Code 554.002

A supervisor who suspends or terminates the employment of or takes an adverse personnel action against an employee for reporting a violation of law shall be subject to civil penalties. *Gov’t Code 554.008*

Definitions

“Employee” means an employee or appointed officer who is paid to perform services for a district. It does not include independent contractors. *Gov’t Code 554.001(4)*

“Law” means a state or federal statute, an ordinance of a local governmental entity, or a rule adopted under a statute or ordinance. *Gov’t Code 554.001(1)*

A “good faith” belief that a violation of the law occurred means that:

1. The employee believed that the conduct reported was a violation of law; and

2. The employee's belief was reasonable in light of the employee's training and experience.

Wichita County v. Hart, 917 S.W.2d 779 (Tex. 1996)

A "good faith" belief that a law enforcement authority is an appropriate one means:

1. The employee believed the governmental entity was authorized to:
 - a. Regulate under or enforce the law alleged to be violated in the report, or
 - b. Investigate or prosecute a violation of criminal law; and
2. The employee's belief was reasonable in light of the employee's training and experience.

Tex. Dep't of Transp. v. Needham, 82 S.W.3d 314 (Tex. 2002)

**Whistleblower
Complaints**

An employee who alleges a violation of whistleblower protection may sue a district for injunctive relief, actual damages, court costs, and attorney's fees, as well as other relief specified in Government Code 554.003. *Gov't Code 554.003*

Initiate Grievance

Before suing, an employee must initiate action under a district's grievance policy or other applicable policies concerning suspension or termination of employment or adverse personnel action.

The employee must invoke a district's grievance procedure not later than the 90th day after the date on which the alleged suspension, termination, or other adverse employment action occurred or was discovered by the employee through reasonable diligence.

Legal Action

If a board does not render a final decision before the 61st day after grievance procedures are initiated, the employee may elect to:

1. Exhaust a district's grievance procedures, in which case the employee must sue not later than the 30th day after the date those procedures are exhausted to obtain relief under Government Code Chapter 554; or
2. Terminate district grievance procedures and sue within the timelines established by Government Code 554.005 and 554.006.

Gov't Code 554.005, 554.006 [See DGBA regarding grievance procedures]

EMPLOYEE RIGHTS AND PRIVILEGES

DG
(LEGAL)

Burden of Proof	If the employee brings a lawsuit, the employee has the burden of proof unless the suspension, termination, or adverse personnel action occurred within 90 days after the employee reported a violation of law, in which case the suspension, termination, or adverse personnel action is presumed, subject to rebuttal, to be because the employee made the report.
Affirmative Defense	<p>It is an affirmative defense to a whistleblower suit that the district would have taken the action against the employee that forms the basis of the suit based solely on information, observation, or evidence that is not related to the fact that the employee made a report protected under the whistleblower law.</p> <p><i>Gov't Code 554.004</i></p>
Notice of Rights	A board shall inform its employees of their rights regarding whistleblower protection by posting a sign in a prominent location in the workplace. The design and content of the sign shall be as prescribed by the attorney general. <i>Gov't Code 554.009</i>
Right to Report a Crime	A district employee may report a crime witnessed at the school to any peace officer with authority to investigate the crime. A district may not adopt a policy requiring a school employee to refrain from reporting a crime witnessed at the school or to report a crime witnessed at the school only to certain persons or peace officers. <i>Education Code 37.148</i>
Protection for Reporting Child Abuse	<p>A district may not suspend or terminate the employment of, discriminate against, or take other adverse employment action against a professional employee who in good faith:</p> <ol style="list-style-type: none">1. A person may sue for injunctive relief, damages, or both if the person is suspended or terminated from the person's employment; is discriminated against; or suffers any other adverse employment action.

A district employee who has a cause of action under the provisions at Whistleblower Protection, above, may not bring an action under Protection for Reporting Child Abuse.

Family Code 261.110(a)-(c), (l)

**Protection from
Disciplinary
Proceedings**

For purposes of the following provisions, "disciplinary proceeding" means discharge or suspension of a professional employee, or termination or nonrenewal of a professional employee's term contract. [See DGC regarding immunity] *Education Code 22.0512(b)*

Reporting Child
Abuse or
Maltreatment

A district employee may not be subject to any disciplinary proceeding resulting from an action taken in compliance with Education Code 38.0041 [prevention of child abuse and other maltreatment, see FFG]. *Education Code 38.0041(g)*

Use of Physical
Force

A professional employee may not be subject to disciplinary proceedings for the employee's use of physical force against a student to the extent justified under Penal Code 9.62. This provision does not prohibit a district from enforcing a policy relating to corporal punishment or bringing a disciplinary proceeding against a professional employee of the district who violates the district policy relating to corporal punishment. *Education Code 22.0512(a); Tex. Atty. Gen. Op. GA-0202 (2004)*

Penal Code 9.62 provides that the use of force, other than deadly force, against a person is justified:

1. If the actor is entrusted with the care, supervision, or administration of the person for a special purpose; and
2. When and to the degree the actor reasonably believes the force is necessary to further the special purpose or to maintain discipline in a group.

Penal Code 9.62

**Failure to Follow
Scope, Sequence,
and Instructional
Materials**

A district may not penalize a teacher who does not follow the pacing of recommended or designated instructional materials or the pacing of the recommended or designated scope and sequence for a subject in the required curriculum under Education Code 28.002(a) in a particular grade level based on the teacher's determination that the teacher's students need more or less time in a specific area to demonstrate proficiency in the essential knowledge and skills for that subject and grade level [see EHAA].

A district may take appropriate action with respect to a teacher for conduct described above based on documented evidence of a deficiency in classroom instruction obtained through observation or substantiated and documented third-party information.

Education Code 28.0027(b), (c)

A classroom teacher employed by a district may not be subject to disciplinary proceedings for an allegation that the teacher violated Education Code 28.0022, the Establishment Clause of the First Amendment of the United States Constitution, or a related state or federal law if:

1. The teacher used only instructional material included on the list of approved instructional material maintained by the State Board of Education under Education Code 31.022 and adopted by the district; and
2. The allegation does not dispute that the teacher delivered instruction from the instructional material with fidelity.

This immunity is in addition to, and may not be construed to interfere with, any other immunity provided by law.

Education Code 22.05125

**Instructional
Materials and
Technological
Equipment**

A board may not require an employee who acts in good faith to pay for instructional materials or technological equipment that is damaged, stolen, misplaced, or not returned. An employee may not waive this provision by contract or any other means.

Exception

A district may enter into a written agreement with an employee whereby the employee assumes financial responsibility for electronic instructional material or technological equipment usage off school property or outside of a school-sponsored event in consideration for the ability of the employee to use the electronic instructional material or technological equipment for personal business.

The written agreement shall be separate from the employee's contract of employment, if applicable, and shall clearly inform the employee of the amount of the financial responsibility and advise the employee to consider obtaining appropriate insurance. An employee may not be required to enter into such an agreement as a condition of employment.

Education Code 31.104(e); 19 TAC 66.107(c)

Controversial Topics

For any course or subject, including an innovative course, for a grade level from kindergarten through grade 12, a teacher may not be compelled to discuss a widely debated and currently controver-

sial issue of public policy or social affairs. *Education Code 28.0022(a)*

Note: For instructional requirements and prohibitions, including requirements for student discussion, see EMB.

Jury Duty

A district may not discharge, threaten to discharge, intimidate, or coerce any permanent employee because the employee serves as a juror or grand juror, or for the employee's attendance or scheduled attendance in connection with the service, in any court in the United States. An employee who is discharged, threatened with discharge, intimidated, or coerced is entitled to return to the same employment that the employee held when summoned for jury or grand jury service if the employee, as soon as practical after release from jury or grand jury service, gives the employer actual notice that the employee intends to return. *Civ. Prac. & Rem. Code 122.001*

A district may not discharge, discipline, reduce the salary of, or otherwise penalize or discriminate against a school district employee because of the employee's compliance with a summons to appear as a juror. For each regularly scheduled workday on which a non-salaried employee serves in any phase of jury service, a school district shall pay the employee the employee's normal daily compensation [see DEC]. *Education Code 22.006(a), (b)*

Voting

A person commits an offense if, with respect to another person over whom the person has authority in the scope of employment, the person knowingly refuses to permit the other person to be absent from work on election day or while early voting is in process for the purpose of attending the polls to vote, or subjects or threatens to subject the other person to a penalty for attending the polls on election day or while early voting is in progress to vote. Penalty means a loss of wages or another benefit of employment.

It is an exception to the application of this provision that the person's conduct occurs in connection with an election in which the polls are open on election day or while early voting is in progress for voting for two consecutive hours outside of the voter's working hours.

Election Code 276.004

Breaks for Nursing Mothers

A district shall provide a reasonable break time for an employee to express breast milk for the employee's nursing child for one year after the child's birth each time the employee has need to express the milk.

A district shall provide a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk.

A district shall not be required to compensate an employee receiving reasonable break time for any time spent during the workday for such purpose unless otherwise required by federal or state law or municipal ordinance.

Break time provided shall be considered hours worked if the employee is not completely relieved from duty during the entirety of the break.

A district that employs less than 50 employees is not subject to these requirements, if the requirements would impose an undue hardship by causing the district significant difficulty or expense when considered in relation to the size, financial resources, nature, or structure of the district.

This requirement does not preempt a state law or municipal ordinance that provides greater protections to employees.

29 U.S.C. 218d

**Right to Express
Breast Milk**

A district employee is entitled to express breast milk at the employee's workplace. *Gov't Code 619.002*

The district shall develop a written policy on the expression of breast milk by employees under Government Code Chapter 619. The policy must state that the district shall support the practice of expressing breast milk and make reasonable accommodations for the needs of employees who express breast milk.

A district shall provide a reasonable amount of break time for an employee to express breast milk each time the employee has need to express the milk. The district shall provide a place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk.

A district may not suspend or terminate the employment of, or otherwise discriminate against, an employee because the employee has asserted the employee's rights under Government Code Chapter 619. Government Code Chapter 619 does not create a private or state cause of action against a district.

Gov't Code Ch. 619

A board or a district employee may not directly or indirectly require or coerce any district employee to:

1. Make a contribution to a charitable organization or in response to a fund-raiser; or

Education Code 22.011

2. Constitutes a minor incident, as defined at Occupations Code 301.419; or
3. Would violate Occupations Code Chapter 301 or a rule of the Board of Nurse Examiners, if the nurse notifies the district at the time of the refusal that this is the reason for refusing to engage in the act or omission.

19 TAC 89.1076

Instructional Arrangements and Settings

Instructional arrangements/settings shall be based on the individual needs and IEPs of eligible students receiving special education services and shall include the following.

Mainstream

The mainstream instructional arrangement/setting is for providing special education and related services to a student in the general education classroom in accordance with the student's IEP. Qualified special education personnel must be involved in the implementation of the student's IEP through the provision of direct, indirect, and/or support services to the student and/or the student's general education classroom teacher(s) necessary to enrich the general education classroom and enable student success. The student's

IEP must specify the services that will be provided by qualified special education personnel to enable the student to appropriately progress in the general education curriculum and/or appropriately advance in achieving the goals set out in the student's IEP.

Examples of services provided in this instructional arrangement include, but are not limited to, direct instruction, helping teacher, team teaching, co-teaching, interpreter, educational aides, curricular or instructional modifications/accommodations, special materials/equipment, positive classroom behavioral interventions and supports, consultation with the student and his/her general education classroom teacher(s) regarding the student's progress in general education classes, staff development, and reduction of ratio of students to instructional staff. Monitoring student progress in and of itself is not a special education service; this cannot be listed as the only specially designed instruction documented in a student's IEP.

Homebound

The homebound instructional arrangement/setting, also referred to as home-based instruction, is for providing special education and related services to students who are served at home or hospital bedside.

Medical Reasons

Homebound instruction is used for a student whose admission, review, and dismissal (ARD) committee has received medical documentation from a physician licensed to practice in the United States that the student is expected to incur full-day absences from school for a minimum of four weeks for medical reasons, which could include psychological disorders, and the ARD committee has determined that this is the most appropriate placement for the student. The weeks do not have to be consecutive. For the ARD committee to approve this placement, the committee will review documentation related to anticipated periods of student confinement to the home, as well as whether the student is determined to be chronically ill or any other unique medical circumstances that would require this placement in order to provide FAPE to the student. Documentation by a physician does not guarantee the placement of a student in this instructional arrangement/setting, as the student's ARD committee shall determine whether the placement is necessary for the provision of FAPE, and, if so, will determine the amount of services to be provided to the student at home in this instructional arrangement/setting in accordance with federal and state laws, rules, and regulations.

*Children Ages
3-5*

Home-based instruction may be used for children ages three through five when determined appropriate by the child's ARD committee and as documented in the student's IEP. While this setting would generate the same weight as the homebound instructional

arrangement/setting, the data on this setting may be collected differently than the medical homebound arrangement/setting.

Hospital Class

The hospital class instructional arrangement/setting is for providing special education and related services by school personnel in a hospital or other medical facility, or at a residential care and treatment facility not operated by the district. If a student residing in the facility is provided special education and related services at a district campus and the parent, including a surrogate parent, is a district resident, the student's instructional arrangement/setting would be assigned based on the services that are provided at the campus on the same basis as a resident student residing with his or her parents.

Speech Therapy

The speech therapy instructional arrangement/setting is for providing speech therapy services whether in a general education classroom or in a setting other than a general education classroom. When the only special education service provided to a student is speech therapy, then this instructional arrangement may not be combined with any other instructional arrangement. If a student's IEP indicates that a special education teacher is involved in the implementation of the student's IEP but there is no indication of how that teacher provides a special education service, the student is in the speech therapy instructional arrangement/setting.

When a student receives speech therapy and a related service but no other special education service, the student is in the speech therapy instructional arrangement/setting.

Resource
Room/Services

The resource room/services instructional arrangement/setting is for providing special education and related services to a student in a setting other than general education for less than 50 percent of the regular school day. For funding purposes, this will be differentiated between the provision of special education and related services to a student in a setting other than general education for less than 21 percent of the instructional day and special education and related services provided to a student in a setting other than general education for at least 21 percent of the instructional day but less than 50 percent of the instructional day.

Self-Contained
(Mild, Moderate, or
Severe) Regular
Campus

The self-contained (mild, moderate, or severe) regular campus instructional arrangement/setting is for providing special education and related services to a student who is in a setting other than general education for 50 percent or more of the regular school day on a regular school campus. For funding purposes, mild/moderate will be considered at least 50 percent but no more than 60 percent of the student's instructional day, and severe will be considered more than 60 percent of the student's instructional day.

Off-Home Campus	<p>The off-home campus instructional arrangement/setting is for providing special education and related services to the following:</p> <ol style="list-style-type: none"><li data-bbox="561 380 1357 443">1. A student at South Texas Independent School District or Windham School District;<li data-bbox="561 474 1422 569">2. A student who is one of a group of students from one or more districts served in a single location in another district when a FAPE is not available in the sending district;<li data-bbox="561 600 1406 758">3. A student in a community setting, facility, or environment operated by a district that prepares the student for postsecondary education/training, competitive integrated employment, and/or independent living in coordination with the student's individual transition goals and objectives;<li data-bbox="561 789 1422 989">4. A student in a community setting or environment not operated by a district that prepares the student for postsecondary education/training, competitive integrated employment, and/or independent living in coordination with the student's individual transition goals, with regularly scheduled instruction or direct involvement provided by district personnel;<li data-bbox="561 1020 1422 1083">5. A student in a facility not operated by a district with instruction provided by district personnel; or<li data-bbox="561 1115 1406 1203">6. A student in a self-contained program at a separate campus operated by the district that provides only special education and related services.
Nonpublic Day School	<p>The nonpublic day school instructional arrangement/setting is for providing special education and related services to students through a contractual agreement with a nonpublic school for special education when the district is unable to provide FAPE for the student. This instructional arrangement/setting includes the providers listed in 19 Administrative Code 89.1094 [see Off-Camps Program, below].</p>
Vocational Adjustment Class/Program	<p>Although referred to as a class, the vocational adjustment class/program instructional arrangement/setting is a support program for providing special education and related services to a student who is placed on a job (paid or unpaid unless otherwise prohibited by law) with regularly scheduled direct involvement by special education personnel in the implementation of the student's IEP. This instructional arrangement/setting shall be used in conjunction with the student's transition plan, as documented in the student's IEP, and may include special education services received in career and technical education work-based learning programs.</p>

Residential Care
and Treatment
Facility (Not District
Resident)

The residential care and treatment facility (not district resident) instructional arrangement/setting refers to a facility at which a student with a disability currently resides, who was not placed at the facility by the student's ARD committee, and whose parent or guardian does not reside in the district providing educational services to the student. This instructional arrangement/setting is for providing special education and related services to a student on a district campus who resides in a residential care and treatment facility and whose parents do not reside within the boundaries of the district that is providing educational services to the student. If the instruction is provided at the facility, rather than on a district campus, the instructional arrangement is considered to be the hospital class arrangement/setting rather than this instructional arrangement, or if the student resides at a state-supported living center, the instructional arrangement will be considered the state school arrangement/setting. Students with disabilities who reside in these facilities may be included in the average daily attendance of the district in the same way as all other students receiving special education.

State-Supported
Living Center

The state-supported living center (referred to as state school in Education Code 48.102) instructional arrangement/setting is for providing special education and related services to a student who resides at a state-supported living center when the services are provided at the state-supported living center location. If services are provided on a local district campus, the student is considered to be served in the residential care and treatment facility arrangement/setting.

19 TAC 89.1005(e)

**Other Program
Options**

While the above provision uses the names of the instructional arrangements/settings as they are described in Education Code 48.102, there may be additional instructional arrangement/setting codes that are created by TEA.

Other program options that may be considered for the delivery of special education and related services to a student may include contracts with other districts and other programs approved by TEA.

19 TAC 89.1005(d), (h)

**Contracts for
Services**

A district that contracts for services from nonpublic day schools or residential placements must do so in accordance with 34 C.F.R. 300.147, and 19 Administrative Code 89.1092 and 89.1094. *19 TAC 89.1075(g)*

Instructional Day

Students with disabilities must have available an instructional day commensurate with that of students without disabilities. The ARD

committee must determine the appropriate instructional setting and length of day for each student, and these must be specified in the student's IEP. *19 TAC 89.1075(f)*

A student's ARD committee shall determine the student's instructional arrangement/setting based on the percentage of the student's instructional day that the student receives special education and related services in a setting other than general education. *19 TAC 89.1005(c)*

Related Services

"Related services" means transportation, and such developmental, corrective, and other supportive services as may be required to assist a child with a disability to benefit from special education, including the early identification and assessment of disabling conditions in children.

The term includes speech-language pathology and audiology services, interpreting services, psychological services, physical and occupational therapy, recreation, including therapeutic recreation, social work services, school nurse services designed to enable a child with a disability to receive FAPE as described in the child's IEP, counseling services, including rehabilitation counseling, orientation and mobility services, and medical services, except that medical services shall be for diagnostic and evaluation purposes only.

The term does not include a medical device that is surgically implanted, the optimization of the device's functioning, or the replacement of such device.

20 U.S.C. 1401(26); 34 C.F.R. 300.34

Extended School Year Services

Extended school year (ESY) services are defined as individualized instructional programs beyond the regular school year for eligible students with disabilities. A district shall ensure that ESY services are available as necessary to provide a student with a disability with FAPE.

ESY services must be provided only if the ARD committee determines, on an individual basis, that the services are necessary for FAPE. A district may not limit ESY services to particular categories of disability or unilaterally limit the type, amount, or duration of ESY services.

ESY shall be provided in accordance with 19 Administrative Code 89.1065.

Off-Campus Program An off-campus program includes special education and related services provided during school hours in a facility other than a school district campus.

Program Provider An off-campus program provider is an entity that provides the services identified above and includes:

1. A county system operating under application of former law as provided in Education Code 11.301;
2. A regional education service center established under Education Code, Chapter 8;
3. A nonpublic day school; or
4. Any other public or private entity with which a school district enters into a contract under Education Code 11.157(a), for the provision of special education services in a facility other than a district campus operated by a district.

19 TAC 89.1094(a)(2)-(3)

Program Placement A district may contract with an off-campus program provider to provide some or all of the special education and related services to a student in accordance with the requirements in 19 Administrative Code 89.1094.

Before the district places a student with a disability in, or refers a student to, an off-campus program, the district shall initiate and conduct:

1. An onsite review to ensure that the off-campus program is appropriate for meeting the student's educational needs; and
2. A meeting of the student's ARD committee to develop an IEP for the student in accordance with 34 C.F.R. 300.320-.325, state statutes, and commissioner of education rules in 19 Administrative Code Chapter 89 (Commissioner's Rules Concerning Special Education Services).

The appropriateness of the off-campus program for each student placed shall be documented in the IEP annually. The student's ARD committee may only recommend an off-campus program placement for a student if the committee determines that the nature and severity of the student's disability and special education needs are such that the student cannot be satisfactorily educated in the district. The district must follow the requirements of 19 Administrative Code 89.1094(b)(3)(A)-(C), regarding the review of the placement of the off-campus program for each student.

The placement of more than one student in the same off-campus program facility may be considered in the same on-site visit to a facility. However, the IEP of each student must be individually reviewed, and a determination of appropriateness of placement and services must be made for each student.

19 TAC 89.1094(b)

Notification and
Review

Within 30 calendar days from an ARD committee's decision to place or continue the placement of a student in an off-campus program, a district must electronically submit to TEA notice of, and information regarding, the placement in accordance with submission procedures specified by TEA.

If the off-campus program is on the commissioner's list of approved off-campus programs, TEA will review the student's IEP and placement as required by 34 C.F.R. 300.120, and, in the case of a placement in or referral to a private school or facility, 34 C.F.R. 300.146. After review, TEA will notify the district whether federal or state funds for the off-campus program placement are approved. If TEA does not approve the use of funds, it will notify the district of the basis for the non-approval.

If the off-campus program is not on the commissioner's list of approved off-campus programs, TEA will begin the approval procedures described below. Districts must ensure there is no delay in implementing a child's IEP in accordance with 34 C.F.R. 300.103(c).

If an off-campus program placement is ordered by a special education hearing officer or court of competent jurisdiction, the district must notify TEA of the order within 30 calendar days. The off-campus program serving the student is not required to go through the approval procedures described in 19 Administrative Code 89.1094 for the ordered placement. If, however, the district or other districts intend to place other students in the off-campus program, the off-campus program will be required to go through the approval procedures to be included on the commissioner's list of approved off-campus programs.

19 TAC 89.1094(c)

Approval

Off-campus programs must have their educational programs approved for contracting purposes by the commissioner in accordance with 19 Administrative Code 89.1094(d).

Funding Procedures

The cost of off-campus program placements will be funded according to Education Code 48.102 and 19 Administrative Code 89.1005(e).

Contracts

Contracts between districts and approved off-campus programs must not exceed a district's fiscal year and shall not begin prior to July 1 of the contracted fiscal year.

Amendments to a contract must be electronically submitted to TEA in accordance with submission procedures specified by TEA no later than 30 calendar days from the change in placement or services within the school district's fiscal year.

19 TAC 89.1094(e)(1)-(2)

Change of
Residence

If a student who is placed in an off-campus program by a district changes his or her residence to another Texas district during the school year, the district must notify TEA within 10 calendar days of the date on which the district ceased contracting with the off-campus program for the student's placement. The student's new district must meet the requirements of 34 C.F.R. 300.323(e), by providing comparable services to those described in the student's IEP from the previous district until the new district either adopts the student's IEP from the previous district or develops, adopts, and implements a new IEP. The new district must comply with all procedures described in 19 Administrative Code 89.1094 for continued or new off-campus program placement. *19 TAC 89.1094(e)(3)*

Identification

Child Find

A district shall ensure that all children residing within the district who have disabilities, regardless of the severity of their disabilities, and who are in need of special education and related services are identified, located, and evaluated. This requirement applies to:

1. Homeless children;
2. Children who are wards of the state;
3. Children attending private schools;
4. Highly mobile children (including migrant children); and
5. Children who are suspected of being in need of special education but who are advancing from grade to grade.

20 U.S.C. 1412(a)(3)(A); 34 C.F.R. 300.111(a)(1)(i), (c)

*Private School
Students*

A district shall conduct a timely and meaningful consultation with private school representatives regarding the child find process and the provision of special education and related services to children enrolled in private schools in the district.

A district shall undertake activities similar to those undertaken for public school children and shall complete the child find process for children enrolled in private schools in a time period comparable to that for other students attending public schools in the district.

20 U.S.C. 1412(a)(10)(A)(ii)-(iv) [See EHBAC regarding students in nondistrict placement.]

*Preschool
Students*

A district shall develop a system to notify district residents with children who are at least three and younger than six and who are eligible for enrollment in a special education program of the availability of the program. *Education Code 29.009*

**Requests and
Referrals for
Evaluation**

The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. *20 U.S.C. 1414(a)(1)(E)*

Multi-tiered System

Referral of students for a full individual and initial evaluation (FIIE) must be a part of the district's multi-tiered system of academic and behavioral supports. Students not making progress in the general education classroom should be considered for all interventions and support services available to all students; such as tutorial, compensatory, response to evidence-based intervention, and other academic or behavior support services.

The district cannot require a student to participate in interventions and support services for any specific length of time prior to a referral being made or an FIIE being conducted.

District Obligation to Refer	<p>If the student continues to experience difficulty in the general education classroom with the provision of interventions and support services or at any time district personnel suspect a disability and a possible need for special education and related services, district personnel must refer the student for an FIIE.</p> <p>A referral or request for an FIIE may be initiated at any time by school personnel, the student's parents or legal guardian, or another person involved in the education or care of the student. While an FIIE is being conducted, a student must continue to receive any necessary interventions and support services to target their academic or behavioral needs.</p> <p><i>19 TAC 89.1011(a)</i></p>
Prior Written Notice <i>Parent</i>	<p>If a parent submits a written request to a district's director of special education services or to a district administrative employee, such as a campus principal, for a FIIE of a student, the district shall, not later than the 15th school day after the date the district receives the request:</p> <ol style="list-style-type: none">1. Provide the parent with prior written notice of its proposal to conduct an evaluation consistent with 34 C.F.R. 300.503, a copy of the procedural safeguards notice required by 34 C.F.R. 300.504, a copy of the Overview of Special Education for Parents form created by the Texas Education Agency (TEA), and an opportunity to give written consent for the evaluation; or2. Provide the parent with prior written notice of its refusal to conduct an evaluation consistent with 34 C.F.R. 300.503, a copy of the Overview of Special Education for Parents form created by TEA, and a copy of the procedural safeguards notice required by 34 C.F.R. 300.504.
<i>District</i>	<p>When a district initiates the referral for an FIIE of a student, the district must provide the parent with the information and materials described at item 1 above.</p> <p><i>19 TAC 89.1011(b)-(c); Education Code 29.004(c); 20 U.S.C. 1414(a)(1); 34 C.F.R. 300.301</i></p>
Notice of Rights	<p>A reasonable time before a district proposes or refuses to initiate the identification, evaluation, or educational placement of a student or the provision of a free appropriate public education (FAPE) to a student, the district shall provide written notice to the student's parent or guardian. <i>20 U.S.C. 1415(b)(3); 34 C.F.R. 300.503(a)</i> [See EHBAE]</p>

Initial Evaluation Required	<p>A district shall conduct an FIE before the initial provision of special education and related services. <i>20 U.S.C. 1414(a)(1)(A)</i></p>
<i>Consent for Initial Evaluation</i>	<p>Before a district conducts an initial evaluation, it shall make reasonable efforts to obtain informed parental consent.</p> <p>If the parent does not provide consent for an initial evaluation, or if the parent fails to respond to a request to provide consent, a district may, but is not required to, pursue the initial evaluation by utilizing due process procedures [see EHBAE], except to the extent inconsistent with state law relating to such parental consent.</p> <p>Parental consent to initial evaluation shall not be construed as consent for placement for special education and related services.</p> <p><i>20 U.S.C. 1414(a)(1)(D)(i)(I); 34 C.F.R. 300.300(b)</i></p>
Wards of the State	<p>If the child is a ward of the state and is not residing with the child's parent, a district shall make reasonable efforts to obtain the informed consent from the parent for an initial evaluation, unless:</p> <ol style="list-style-type: none">1. Despite reasonable efforts to do so, the district cannot discover the whereabouts of the parent;2. The rights of the parent have been terminated; or3. The rights of the parent to make educational decisions have been subrogated and an individual appointed by a judge to represent the student has given consent for an initial evaluation. <p><i>20 U.S.C. 1414(a)(1)(D)(iii); 34 C.F.R. 300.300(a)(2)</i></p>
<i>Time Frame for Completion of Written Report</i>	<p>A district must complete the written report of a full individual and initial evaluation:</p> <ol style="list-style-type: none">1. Not later than the 45th school day following the date on which the district receives written consent for the evaluation from the student's parent. If a student has been absent from school during that period on three or more school days, the period must be extended by a number of school days equal to the number of school days during that period on which the student has been absent; or2. For students under five years of age by September 1 of the school year and not enrolled in public school and for students enrolled in a private or homeschool setting, not later than the 45th school day following the date on which the district receives written consent for the evaluation from the student's parent.

If a district receives written consent for the evaluation from the student's parent at least 35 but less than 45 school days before the last instructional day of the school year, the written report of a FIIE of a student must be provided to the student's parent not later than June 30 of that year.

If a district receives written consent for the evaluation from the student's parent at least 35 but less than 45 school days before the last instructional day of the school year but the student was absent three or more school days between the time that the school district received written consent and the last instructional day of the school year, the timeline in item 1 above applies to the date the written report of the FIIE must be completed.

If the district received the written consent for the evaluation from the student's parent less than 35 school days before the last day of the school year, the timeline in item 1, above, applies to the date the written report of the FIIE must be completed.

19 TAC 89.1011(d)-(e)

For purposes of the timelines under this provision, "school day" does not include a day that falls after the last instructional day of the spring school term and before the first instructional day of the subsequent fall school term. In the case of a school that operates under a school year calendar without spring and fall terms, a school day does not include a day that falls after the last instructional day of one school year and before the first instructional day of the subsequent school year. *19 TAC 89.1011(i)-(j)*

These time frames do not apply if the parent repeatedly fails or refuses to produce the child for the evaluation. *34 C.F.R. 300.301(d)(1)*

Transfer
Students

A district shall ensure that evaluations of children who transfer from one district to another in the same academic year are coordinated with the children's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of evaluations. *34 C.F.R. 300.304(c)(5)*

If a student was in the process of being evaluated for special education eligibility by a district and enrolls in another district before the previous district completed the FIIE, the new district must coordinate with the previous district as necessary and as expeditiously as possible to ensure a prompt completion of the evaluation in accordance with 34 C.F.R., 300.301(d)(2) and (e) and 300.304(c)(5).

The timelines above do not apply in such a situation if:

1. The new school district is making sufficient progress to ensure a prompt completion of the evaluation; and
2. The parent and the new school district agree to a specific time when the evaluation will be completed.

*Student
Communication*

The evaluation shall be conducted using procedures that are appropriate for the student's most proficient method of communication. *Education Code 29.004(b)*

*Psychological
Examinations*

If a district determines that an additional examination or test is required for the initial and individual evaluation, the district shall provide the information required by Education Code 29.0041(a) and shall obtain additional parental consent. If a parent does not give consent within 20 calendar days after the district provided the information, the parent's consent is considered denied.

The time required for a district to provide information and seek consent may not be counted toward the time frame for completion of an evaluation. [See Time Frame for Completion of Written Report, above]

**Eligibility and
Reevaluations**

A student is eligible to participate in a district's special education program if:

1. The student is between the ages of 3 and 21, inclusive;
2. The student has one or more of the disabilities listed in federal regulations, state law, or both; and
3. The student's disability(ies) prevents the student from being adequately or safely educated in the public schools without the provision of special services.

20 U.S.C. 1401(3); Education Code 29.003(b); 19 TAC 89.1035

Disability Definitions

To be eligible to receive special education services, a student must be a "child with a disability," as defined in 34 C.F.R. 300.8(a), subject to the provisions of 34 C.F.R. 300.8(c), Education Code Subchapter A, and 19 Administrative Code 89.1040. The provisions in 19 Administrative Code 89.1040 specify criteria to be used in determining whether a student's condition meets one or more of the definitions in federal regulations or in state law. *19 TAC 89.1040(a)*

Visual and Auditory Impairments	Students with visual impairments or who are deaf or hard of hearing shall be eligible to participate in a district's special education program from birth. <i>19 TAC 89.1035(b); Education Code 30.002(e), .081</i>
<i>Birth Through Age Two</i>	Children from birth through the age of two with visual impairments (VI), who are deaf or hard of hearing (DHH), or who are deaf-blind (DB) must be enrolled at the parent's request by a district when the district becomes aware of a child needing services. The appropriate instructional arrangement [see EHBA] for students from birth through the age of two with VI, DHH, or DB shall be determined in accordance with the individualized family services plan, current attendance guidelines, and the agreement memorandum between TEA and Texas Health and Human Services Commission Early Childhood Intervention (ECI) Services. <i>19 TAC 89.1005(d)</i>
Determination of Initial Eligibility	<p>Upon completion of the administration of assessments and other evaluation measures, a team of qualified professionals and the parent shall make the determination of whether the child has a disability and of the educational needs of the child.</p> <p>A district shall provide a copy of the evaluation report and the documentation of determination of eligibility at no cost to the parent.</p> <p><i>20 U.S.C. 1414(b)(4); 34 C.F.R. 300.306(a)</i></p> <p>The admission, review, and dismissal (ARD) [see EHBAB] committee must make its decisions regarding a student's initial eligibility determination and, if appropriate, individualized education program (IEP) and placement within 30 calendar days from the date of the completion of the written FIIE report. If the 30th day falls during the summer and school is not in session, the ARD committee must meet not later than the 15th school day of the following school year to finalize decisions concerning the student's initial eligibility determination, and, if appropriate, IEP and placement. If the 30th day falls during the summer and school is not in session but an FIIE report indicates that the student would need extended school year services during that summer, the ARD committee must meet as expeditiously as possible after completion of the report.</p>
<i>Parent Copy</i>	<p>A copy of the written FIIE report must be provided to the parent as soon as possible after completion of the report but no later than five school days prior to the initial ARD committee meeting, which will determine a student's initial eligibility, or not later than June 30 if the district received the written consent for the evaluation from the student's parent at least 35 but less than 45 school days before the last instructional day of the school year.</p> <p><i>19 TAC 89.1011(g)-(h); Education Code 29.004(a-1)</i></p>

Consent for
Services

*Initial Provision of
Services*

A district must obtain informed consent from the parent for the initial provision of special education and related services. If the parent of a child fails to respond to a request for, or refuses to consent to, the initial provision of services, the district:

1. May not use the procedures in 34 C.F.R. part 300 subpart E (including the mediation and due process procedures) in order to obtain agreement or a ruling that the services may be provided to the child;
2. Will not be considered to be in violation of the requirement to make FAPE available to the child for the failure to provide the services for which the district requests consent; and
3. Is not required to convene an ARD meeting or develop an IEP for the child for the services.

*Revoking
Consent*

If, at any time after the provision of initial services, the parent of a child revokes consent in writing for the continued provision of services, the district:

1. May not continue to provide services to the child, but must provide prior written notice before ceasing services;
2. May not use the procedures in 34 C.F.R. part 300 subpart E in order to obtain agreement or a ruling that the services may be provided to the child;
3. Will not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with further services; and
4. Is not required to convene an ARD meeting or develop an IEP for further provision of services.

34 C.F.R. 300.300(b)

Reevaluations

A district shall ensure that each child with a disability is reevaluated if the district determines that the educational or related services needs of the child, including improved academic achievement and functional performance, warrant a reevaluation, or if the child's parent or teacher requests a reevaluation.

Reevaluation shall occur:

1. No more than once a year, unless the parent and the district agree otherwise; and

2. At least once every three years, unless the parent and district agree that a reevaluation is unnecessary.

A district shall obtain informed parental consent before conducting a reevaluation, except that informed parental consent is not needed if the district can demonstrate that it has taken reasonable measures to obtain consent and the child's parent has failed to respond.

20 U.S.C. 1414(a)(2), (c)(3); 34 C.F.R. 300.303

Evaluation for
Change in Eligibility

A district must evaluate a child with a disability before determining that the child is no longer a child with a disability. However, an evaluation is not required before the termination of eligibility due to graduation from secondary school with a regular diploma or due to exceeding the age eligibility for FAPE under state law. If a child's eligibility terminates under the aforementioned circumstances, a district must provide a summary of academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child's postsecondary goals. *34 C.F.R. 300.305(e); 20 U.S.C. 1414(c)(5)*

All students graduating under 19 Administrative Code 89.170 [see EIF] must be provided with a summary of academic achievement and functional performance as described above. This summary must consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals. An evaluation as required by 34 C.F.R. 300.305(e)(1), must be included as part of the summary for a student graduating under 19 Administrative Code 89.1070(b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C). *19 TAC 89.1070(g)*

Independent
Evaluation

The parents have a right to obtain an independent educational evaluation of their child. If a parent requests an independent evaluation, a district shall provide the parents with information regarding where one can be obtained and the district's criteria for independent evaluations.

The results of a parent-initiated independent educational evaluation, whether at public or private expense, must be considered by the district if it meets the district's criteria, in any decision made with respect to providing FAPE to the child.

*At Public
Expense*

If a parent requests an independent evaluation at public expense, the district shall, without unnecessary delay, either:

1. File a due process complaint to request a hearing to show that its evaluation is appropriate; or

2. Ensure that an independent evaluation is provided at public expense, unless the district demonstrates that the evaluation obtained by the parent did not meet district criteria.

*At Private
Expense*

If a district initiates a hearing, and the final decision is that the district's evaluation is appropriate, the parent still has a right to an independent evaluation, but not at public expense.

34 C.F.R. 300.502

**Prescription
Medication**

An employee of a district is prohibited from requiring a child to obtain a prescription for a substance covered under the federal Controlled Substances Act (21 U.S.C. 801 et seq.) as a condition of attending school, receiving an evaluation for special education, or receiving special education and related services.

Observations

An employee is not prohibited from consulting or sharing classroom-based observations with parents regarding a student's academic and functional performance, behavior in the classroom or school, or the need for evaluation for special education or related services.

14. When considering initial or continued placement of a student in a career and technical education (CTE) program, a representative from CTE, preferably the teacher.

The special education teacher or special education provider that participates in the ARD committee meeting must be appropriately certified or licensed as required by 34 C.F.R. 300.156.

A district member of the ARD committee shall not be required to attend an IEP meeting, in whole or in part, if the parent and the district agree in writing that the attendance is not necessary because the member's area of the curriculum or related services is not being modified or discussed during the meeting.

A district member of the ARD committee may be excused from attending an IEP meeting, in whole or in part, when the meeting involves a modification to or discussion of the member's area of curriculum or related services if the parent, in writing, and the

district consent to the excusal and the member submits, in writing, to the parent and the ARD committee, input into the development of the IEP before the meeting.

*Regular
Education
Teacher*

If an ARD committee is required to include a regular education teacher, the regular education teacher must, to the extent practicable, be a teacher who is responsible for implementing a portion of the child's IEP. *Education Code 29.005(a)*

*Parent
Participation*

A district must take steps to ensure that one or both parents are present at each ARD committee meeting or are afforded an opportunity to participate, including:

1. Notifying the parents of the meeting early enough to ensure that they will have an opportunity to attend; and
2. Scheduling the meeting at a mutually agreed on time and place.

Parent Notice

The district must provide the parents with written notice of the ARD committee meeting at least five school days before the meeting unless the parents agree to a shorter timeframe.

The notice must:

1. Indicate the purpose, time, and location of the meeting and who will be in attendance; and
2. Inform the parents of the provisions in 34 C.F.R. 300.321(a)(6) and (c) (relating to the participation of other individuals on the IEP team who have knowledge or special expertise about the child), and 300.321(f) (relating to the participation of the Part C service coordinator or other representatives of the Part C system at the initial IEP team meeting for a child previously served under Part C).
3. For a child with a disability beginning not later than the first IEP to be in effect when the child turns 16, or younger if determined appropriate by the IEP team:
 - a. Indicate:
 - (1) That a purpose of the meeting will be the consideration of the postsecondary goals and transition services for the child, in accordance with 34 C.F.R. 300.320(b); and
 - (2) That the district will invite the student; and

- b. Identify any other agency that will be invited to send a representative.

If the purpose of the meeting is to consider transition services, the notice must also indicate this purpose, indicate that the district will invite the student, and identify any other agency that will be invited to send a representative.

34 C.F.R. 300.322(a)-(b); 19 TAC 89.1050(d)

*Alternative
Means of
Meeting
Participation*

If neither parent can attend an ARD meeting, the district must allow other methods of participation, such as through telephone calls or video conferencing. *19 TAC 89.1050(d); 20 U.S.C. 1414(f); 34 C.F.R. 300.322(c)*

An ARD meeting may be conducted without a parent in attendance if a district is unable to convince the parents that they should attend, but the district shall have a record of its attempts to arrange a mutually agreed on time and place, such as detailed records of telephone calls, correspondence, or visits made or attempted and the results of any of those actions. *34 C.F.R. 300.322(d)*

Meetings

A district shall initiate and conduct ARD committee meetings for the purpose of developing, reviewing, and revising the IEP of a child with a disability. The committee shall review each child's IEP periodically, and, if appropriate, revise the IEP. A meeting must be held for this purpose at least once a year. The ARD committee must also determine the child's placement once a year.

A "meeting" does not include informal or unscheduled conversations involving district personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provisions if those issues are not addressed in the child's IEP. A "meeting" also does not include preparatory activities that district personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

*Meeting at
Parent's Request*

Upon receipt of a written request for an ARD committee meeting from a parent, the school district must schedule and convene a meeting in accordance with the procedures above at Parent Participation and Parent Notice or within five school days, provide the parent with written notice explaining why the district refuses to convene a meeting. *19 TAC 89.1050(e)*

Written Notice

A district must provide the parent with a written notice regarding the ARD committee meeting required above at Parent Participation and Parent Notice or notice explaining why the district refuses to

convene a meeting in the parent's native language, unless it is clearly not feasible to do so. If the parent's native language is not a written language, the district must take steps to ensure that the notice is translated orally or by other means to the parent in his or her native language or other mode of communication so that the parent understands the content of the notice. *19 TAC 89.1050(f)*

Students New to a District

In-State Transfers

When a student transfers to a new district within the state in the same school year and the parents or previous district verifies that the student had an IEP that was in effect in the previous district, the new district must meet the requirements of 34 C.F.R. 300.323(e) by either adopting the student's IEP from the previous district or developing, adopting, and implementing a new IEP. The timeline for adopting the previous IEP or developing, adopting, and implementing a new IEP is 20 school days from the date the student is verified as being a student eligible for special education services.

Transfers from Another State

When a student transfers from a district in another state in the same school year and the parents or previous district verifies that the student had an IEP that was in effect in the previous district, the new district must, if determined necessary, conduct a full individual and initial evaluation and make an eligibility determination and, if appropriate, develop, adopt, and implement a new IEP, within the timelines established in 19 Administrative Code 89.1011 (relating to Full and Individual Initial Evaluation) [see EHBAA]. If the district determines that an evaluation is not necessary, the timeline for the new district to develop, adopt, and implement a new IEP is 20 school days from the date the student is verified as being a student eligible for special education services.

19 TAC 89.1055(s)(1)-(2); 20 U.S.C. 1414(d)(2)(C)(ii); 34 C.F.R. 300.323(g)

Transfer During the Summer

The above provisions regarding transfer apply to students who register in a new district in the state during the summer when students are not in attendance for instructional purposes, based on whether the students are coming from an in-state or out-of-state district.

Records

In accordance with 34 C.F.R. 300.323(g), the new district must take reasonable steps to promptly obtain the student's records from the previous district, and the previous district must furnish the new district with a copy of the student's records, including the student's special education records, not later than the 10th working day after the date a request for the information is received by the previous district.

Verification

For the purposes of these provisions, "verify" means that the new district has received a copy of the student's IEP that was in effect

in the previous district. The first school day after the new district receives a copy of the student's IEP that was in effect in the previous district begins the timelines associated with 19 Administrative Code 89.1055(s)(1)-(2), above.

If a parent hasn't already provided verification of eligibility and the new district has been unable to obtain the necessary verification records from the previous district by the 15th working day after the date a request for the records was submitted by the new district to the previous district, the new district must seek verification from the student's parent. If the parent provides verification, the new district must comply with all these provisions. The new district is encouraged to ask the parent to provide verification of eligibility before the 15th working day after the date a request for the records was submitted by the new district to the previous district. If the parent is unwilling or unable to provide such verification, the new district must continue to take reasonable steps to obtain the student's records from the previous district and provide any services comparable to what the student received at the previous district if they communicate those to the new district.

*Services Before
Verification*

While the new district waits for verification, the new school district must take reasonable steps to provide, in consultation with the student's parents, services comparable to those the student received from the previous district if the new district has been informed by the previous district of the student's special education and related services and placement.

*Comparable
Services*

Once the new district receives verification that the student had an IEP in effect at the previous district, comparable services must be provided to a student during the timelines established under 19 Administrative Code 89.1055(s)(1)-(2), above.

Comparable services include provision of extended school year (ESY) services if those services are identified in the previous IEP or if the new district has reason to believe that the student would be eligible for ESY services.

**Students Who Are
Homeless or in
Substitute Care**

When a student who is homeless or in substitute care transfers into a district after being referred by a previous district for a special education evaluation, the receiving district must accept the referral and ensure that any written report of a full individual and initial evaluation is completed in accordance with the timelines established in 19 Administrative Code 89.1011 (relating to Full and Individual Initial Evaluation).

When a student who is homeless or in substitute care is eligible for special education and transfers into a new district during the school year, the receiving district must ensure that it meets the student transfer requirements of 19 Administrative Code 89.1050(j) (relating to the Admission, Review, and Dismissal Committee).

Military Dependents

A district shall initially provide comparable services to a military student with disabilities based on his or her current IEP. This does not preclude the district from performing subsequent evaluations to ensure appropriate placement of the student. *Education Code 162.002 art. V, C* [See FDD]

**Individualized
Education Program**

A district shall develop, review, and revise an IEP for each child with a disability. *20 U.S.C. 1412(a)(4); 34 C.F.R. 300.320(a)*

At the beginning of each school year, a district shall have in effect, for each child with a disability in its jurisdiction, an IEP. *20 U.S.C. 1414(d)(2)(A); 34 C.F.R. 300.323(a)*

The term “individualized education program” means a written statement for each student with a disability that documents the decisions of the ARD committee with respect to issues discussed at each committee meeting and includes:

1. A statement of the student’s present levels of academic achievement and functional performance;
2. A statement of measurable annual goals, including academic and functional goals;
3. A description of how the student’s progress toward the annual goals will be measured and when periodic reports on the progress of the student will be provided;
4. A statement of the specific special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student;
5. A statement of the program modifications or supports for school personnel that will be provided for the student;
6. An explanation of the extent, if any, to which the student will not participate with nondisabled students in the regular class and in extracurricular and nonacademic activities;
7. The projected dates for initiation of services and modifications and the anticipated frequency, location, and duration of these services and modifications;

8. A statement of any individual appropriate and allowable accommodations that are necessary to measure the academic achievement and functional performance of the student on state or district-wide assessments;
9. If the ARD committee determines that the student must take an alternative assessment instead of a particular regular state or district-wide assessment, a statement of why the student cannot participate in the regular assessment and why the particular assessment selected is appropriate for the student;
10. If the ARD committee determines that a student is in need of ESY services, identification of the goals and objectives that will be addressed during ESY services;
11. Beginning not later than when a student reaches 14 years of age and updated annually thereafter, the ARD committee's consideration and decisions regarding the transition issues under 19 Administrative Code 89.1055(h) [see EHBAD];
12. Beginning not later than the first IEP to be in effect when the student is 16, or younger if determined appropriate by the ARD committee, and updated annually thereafter, a statement of appropriate measurable postsecondary goals and transition services needed to assist the student in reaching those goals [see EHBAD];
13. Beginning not later than one year before the student reaches the age of 17, a statement that the student has been informed of the rights that will transfer to the student upon reaching the age of majority;
14. The date of the meeting;
15. The name, position, and signature of each member participating in the meeting; and
16. An indication of whether the child's parents, the adult student, if applicable, and the administrator agreed or disagreed with the decisions of the ARD committee.

The written statement of a student's IEP may be required to include only information included in the model form developed by the Texas Education Agency (TEA) under Education Code 29.0051(a) and posted on the TEA website. A district may use the model form to comply with the requirements for an IEP under 20 U.S.C. 1414(d). *Education Code 29.005(f), .0051*

<p>Content of the IEP <i>Goals</i></p>	<p>To be considered a measurable annual goal under 34 C.F.R. 300.320(a)(2), a goal must include the components of a timeframe, condition, behavior, and criterion. While at least one measurable annual goal is required, the number of annual goals will be determined by the ARD committee after examination of the student's present levels of academic achievement and functional performance and areas of need.</p> <p>Annual goals are also required in the following circumstances:</p> <ol style="list-style-type: none">1. When the content of a subject/course is modified, whether the content is taught in a general or special education setting, in order to address how the content is modified; and2. When a student is removed from the general education setting for a scheduled period of time but the content of the subject/course is not modified (e.g., a student who is progressing on enrolled grade level curriculum but requires a more restrictive environment for a period of time due to behavioral concerns).
<p><i>Benchmarks</i></p>	<p>Short-term objectives/benchmarks, used as intermediary steps or milestones toward accomplishing an annual goal, may be included in a measurable annual goal. <p><i>Assessments</i></p>	<p>The IEP must include a statement of any individual appropriate and allowable accommodations in the administration of state assessment instruments [see EKB], or districtwide assessments of student achievement (if the district administers such optional assessments) that are necessary to measure the academic achievement and functional performance of the student on the assessments.</p> <p>If the ARD committee determines that the student will not participate in a general statewide or districtwide assessment of student achievement (or part of an assessment), the following requirements must be met.</p> <ol style="list-style-type: none">1. 2. TEA's alternate assessment participation requirements form, if one is made available to districts, must be included in the student's IEP to document the statement required under this provision.

*Extended School
Year*

If the ARD committee determines that the student is in need of ESY services, as described in 19 Administrative Code 89.1065 [see EHBA], then the IEP must identify which of the goals and objectives in the IEP will be addressed during ESY services.

19 TAC 89.1055(b)-(e)

Supplemental
Special Education
Services

The ARD committee of a student approved for participation in the supplemental special education services and instructional materials program shall provide to the student's parent at an ARD committee meeting for the student:

1. Information regarding the types of supplemental special education services available under the program and provided by agency-approved providers for which an account maintained under Education Code 29.042(b) for the student may be used; and
2. Instructions regarding accessing the account.

Education Code 29.048

A district shall notify families of their eligibility for the program and, unless the district has verified that a parent has already received or applied for a program grant, shall provide the following at the student's ARD committee meeting: instructions and resources on accessing the online accounts, including the application window established by TEA, and information about the types of goods and services that are available through the program grant.

A student's ARD committee may not consider a student's current or anticipated eligibility for any materials or services that may be provided under these provisions when developing or revising a student's IEP, when determining a student's educational setting, or in the provision of a free appropriate public education.

19 TAC 102.1601(j)-(k)

Behavioral
Intervention Plan

The ARD committee may determine that a behavior improvement plan or a behavioral intervention plan is appropriate for a student for whom the committee has developed an IEP. *Education Code 29.005(g)*

If the committee makes that determination, the behavior improvement plan or behavioral intervention plan shall be included as part of the student's IEP and provided to each teacher with responsibility for educating the student.

If a behavior improvement plan or a behavioral intervention plan is included as part of a student's IEP, the ARD committee shall review the plan at least annually, and more frequently if appropriate, to address:

1. Changes in a student's circumstances that may impact the student's behavior, such as:
 - a. The placement of the student in a different educational setting;
 - b. An increase or persistence in disciplinary actions taken regarding the student for similar types of behavioral incidents;
 - c. A pattern of unexcused absences; or
 - d. An unauthorized, unsupervised departure from an educational setting; or
2. The safety of the student or others.

19 TAC 89.1055(j); Education Code 29.005(h)

Translation of IEP
into Native
Language

If the parent is unable to speak English and Spanish is the parent's native language, a district shall provide a written or audiotaped copy of the student's IEP translated into Spanish. If the parent's native language is other than Spanish or English, a district shall make a good faith effort to provide a written or audiotaped copy of the student's IEP translated into the parent's native language.

Education Code 29.005(d)

A written copy of the student's IEP translated into Spanish or the parent's native language means that all of the text in the student's IEP in English is accurately translated into the target language in written form. The IEP translated into the target language must be a comparable rendition of the IEP in English and not a partial translation or summary of the IEP in English.

An audio recording of the student's IEP translated into Spanish or the parent's native language means that all of the content in the student's IEP in English is orally translated into the target language and recorded with an audio device. A district is not prohibited from providing the parent with an audio recording of an ARD committee meeting at which the parent was assisted by an interpreter as long as the audio recording provided to the parent contains an oral

translation into the target language of all of the content in the student's IEP in English.

If a parent's native language is not a written language, the district must take steps to ensure that the student's IEP is translated orally or by other means to the parent in his or her native language or other mode of communication.

Written Copy

Under 34 C.F.R. 300.322(f), a district must give a parent a written copy of the student's IEP at no cost to the parent. A district meets this requirement by providing a parent with a written copy of the student's IEP in English or by providing a parent with a written translation of the student's IEP in the parent's native language as provided above.

Dyslexia or a
Related Disorder

For students identified with the specific learning disability of dyslexia or a related disorder eligible under 19 Administrative Code 89.1040(c)(9), the IEP must also be developed and implemented in accordance with the requirements under 19 Administrative Code 74.28 [see EHB]. *19 TAC 89.1055(i)*

Autism/Pervasive
Developmental
Disorder

For students with autism eligible under 19 Administrative Code 89.1040(c)(1) (relating to Eligibility Criteria), the strategies described in this provision must be considered, at least annually based on peer-reviewed, research-based educational programming practices to the extent practicable, and, when needed, addressed in the IEP:

1. Extended educational programming (for example: extended day and/or extended school year services that consider the duration of programs/settings based on data collected related to behavior, social skills, communication, academics, and self-help skills);
2. Daily schedules reflecting minimal unstructured time and active engagement in learning activities (for example: lunch, snack, and recess periods that provide flexibility within routines; adapt to individual skill levels; and assist with schedule changes, such as changes involving substitute teachers and pep rallies);
3. In-home training and community-based training or viable alternatives that assist the student with the acquisition of social, behavioral, communication, and self-help skills (for example: strategies that facilitate maintenance and generalization of such skills from home to school, school to home, home to community, and school to community);

4. Positive behavior support strategies based on relevant information (for example: antecedent manipulation, replacement behaviors, reinforcement strategies, and data-based decisions; and a behavioral intervention plan developed from a functional behavioral assessment that uses current data related to target behaviors and addresses behavioral programming across home, school, and community-based settings and is implemented and reviewed);
5. Beginning at any age, futures planning for integrated learning and training, living, work, community, and educational environments that considers skills necessary to function in current and postsecondary environments, including self determination and self-advocacy skills;
6. Parent/family training and support, provided by qualified personnel with experience in autism, that, for example:
 - a. Provides a family with skills necessary for a student to succeed in the home/community setting;
 - b. Includes information regarding resources (for example: parent support groups, workshops, videos, conferences, and materials designed to increase parent knowledge of specific teaching/management techniques related to the student's curriculum); and
 - c. Facilitates parental carryover of in-home training (for example: strategies for behavior management and developing structured home environments and/or communication training so that parents are active participants in promoting the continuity of interventions across all settings);
7. Suitable staff-to-student ratio appropriate to identified activities and as needed to achieve social/behavioral progress based on the student's developmental and learning level (acquisition, fluency, maintenance, generalization) that encourages work towards individual independence as determined by, for example:
 - a. Adaptive behavior evaluation results;
 - b. Behavioral accommodation needs across settings; and
 - c. Transitions within the school day;
8. Communication interventions, including language forms and functions that enhance effective communication across set-

tings (for example: augmentative, incidental, and naturalistic teaching);

9. Social skills supports and strategies based on social skills assessment/curriculum and provided across settings (e.g., peer-based instruction and intervention, video modeling, social narratives, and role playing);
10. Professional educator/staff support (for example: training provided to personnel who work with the student to assure the correct implementation of techniques and strategies described in the IEP); and
11. Teaching strategies based on peer-reviewed, research-based practices for students with autism (for example: those associated with discrete-trial training, visual supports, applied behavior analysis, structured learning, augmentative communication, or social skills training).

If the ARD committee determines that services are not needed in one or more of the areas in 1-11 above, the IEP shall include a statement reflecting that decision and the basis upon which the determination was made.

19 TAC 89.1055(g)-(h)

Visual Impairment
or Hard of Hearing

For students with visual impairments, from birth through 21 years of age, the IEP or individualized family services plan must also meet the requirements of Education Code 30.002(e). *19 TAC 89.1055(f)*

If a district provides special education services to students with visual impairments, it shall have written procedures as required in Education Code 30.002(c)(10) (staff access to resources). *19 TAC 89.1075(c)*

For a student from birth through two years of age with a visual impairment or who is deaf or hard of hearing, an individualized family services plan meeting must be held in place of an ARD committee meeting in accordance with the memorandum of understanding between TEA and the Texas Health and Human Services Commission. For students three years of age and older, a district must develop an IEP. *19 TAC 89.1050(b)*

Collaborative
Process

All members of the ARD committee must have the opportunity to participate in a collaborative manner in developing the IEP. The district must take all reasonable actions necessary to ensure that the parent understands the proceedings of the ARD committee meeting, including arranging for an interpreter for parents who are deaf or hard of hearing or whose native language is a language

other than English. A decision of the ARD committee concerning required elements of the IEP must be made by mutual agreement if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

Ten-Day Recess

When mutual agreement about all required elements of the IEP is not achieved, the parent who disagrees must be offered a single opportunity to recess and reconvene the ARD committee meeting. The period of time for reconvening the ARD committee meeting must not exceed 10 school days, unless the parties mutually agree otherwise. The ARD committee must schedule the reconvened meeting at a mutually agreed upon time and place. The opportunity to recess and reconvene is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or
3. The student has committed an offense that may lead to placement in a disciplinary alternative education program. [See FOF]

These requirements do not prohibit the ARD committee from recessing an ARD committee meeting for reasons other than the failure to reach mutual agreement about all required elements of an IEP.

During the recess, the ARD committee members must consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons who may assist in enabling the ARD committee to reach mutual agreement.

Failure to Reach Agreement

If a recess is implemented and the ARD committee still cannot reach mutual agreement, the district must implement the IEP it has determined to be appropriate for the student. Each member of the ARD committee who disagrees with the IEP developed by the ARD committee is entitled to include a statement of disagreement in the IEP.

The written statement of the IEP must document the decisions of the ARD committee with respect to issues discussed at each ARD committee meeting. The written statement must also include:

1. The date of the meeting;
2. The name, position, and signature of each member participating in the meeting; and

3. An indication of whether the child's parents, the adult student, if applicable, and the administrator agreed or disagreed with the decisions of the ARD committee

19 TAC 89.1055(p)-(q)

If the IEP is not developed by agreement, the written statement of the program must include the basis of the disagreement. *Education Code 29.005(c)*

**Modification of
Existing IEP**

Changes to the IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP.

After the annual IEP meeting for a school year, the parent and district may agree not to convene an IEP meeting for the purposes of making changes to the IEP and instead may develop a written document to amend or modify the child's current IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

To the extent possible, a district shall encourage the consolidation of reevaluation meetings for the child and other ARD meetings for the child.

Eligibility Folder

A district must maintain an eligibility folder for each student receiving special education and related services, in addition to the student's cumulative record. The eligibility folder must include, but will not be limited to, copies of referral data; documentation of notices and consents; evaluation reports and supporting data; ARD committee reports; and the student's IEPs and supporting data. *19 TAC 89.1075(a)*

**Teacher Access to
IEP**

A district must ensure that each teacher who provides instruction to a student with a disability has access to relevant sections of the student's current IEP, is informed of the teacher's specific responsibilities related to implementation of the IEP, such as goals and objectives, and of needed accommodations, modifications, and supports for the student; and has an opportunity to request assistance regarding implementation of the student's IEP. *19 TAC 89.1075(d)*

**Teacher Request to
Review IEP**

Each district shall develop a process to be used by a teacher who instructs a student with a disability in a general education classroom setting:

1. To request a review of the student's IEP;

2. To provide input in the development of the student's IEP;
3. That provides for a timely district response to the teacher's request; and
4. That provides for notification to the student's parent or legal guardian of that response.

Parent Placed**

When a parentally placed child with a disability is referred to a district, the district shall convene an admission, review, and dismissal (ARD) committee to determine whether the district can offer the child a free appropriate public education (FAPE). If the district determines that it can offer FAPE, it is not responsible for providing educational services to the child, except that the district must develop and implement an individualized services plan (ISP). *19 TAC 89.1096(b)*

Offer of FAPE
Rejected

*Student Receives
ISP*

If a district made FAPE available to a child with a disability and the parents elected to place the child in a private school or facility, the district is not required to pay for the cost of education, including special education and related services. However, the district must develop and implement an ISP. *20 U.S.C. 1412(a)(10)(C)(i); 34 C.F.R. 300.148(a)*

FAPE Offered but
Not Provided

Reimbursement

If the parents of a child with a disability, who previously received special education and related services under the authority of a district, enroll the child in a private school without the consent or referral by the district, a court or a hearing officer may require the district to reimburse the parents for the cost of that enrollment if the court or hearing officer finds that the district had not made FAPE available to the child in a timely manner before the enrollment. This right of reimbursement is subject to the notice and other requirements set forth at *34 C.F.R. 300.148(d)*. *20 U.S.C. 1412(a)(10)(C)(ii); 34 C.F.R. 300.148(c)*

**Home School
Students**

A home school student is considered a private school student, for purposes of a district's obligations under IDEA, if the home school provides elementary or secondary education that incorporates an adopted curriculum designed to meet basic educational goals, including scope and sequence of courses, and formal review and documentation of student progress. *19 TAC 89.1096(a)(2)*

**Individualized
Services Plan (ISP)**

Each parentally placed private school child with a disability who has been designated to receive services shall have an ISP that describes the specific special education and related services that a district will provide the child.

Parentally placed private school children with disabilities may receive a different amount of services than children with disabilities in

public schools. No parentally placed private school child has an individual right to receive some or all of the special education and related services that the child would receive if enrolled in a public school.

Decisions about the services that will be provided must be made in accordance with 34 C.F.R. 300.134(c) (consultation process) and 300.137(c) (attendance of private school representatives at services plan committee meetings). A district must make the final decisions with respect to the services to be provided.

34 C.F.R. 300.137, .138

Dual Enrollment

Parents shall have the right to “dual enroll” an eligible student age three or four in both the public school and a private school beginning on the student’s third birthday and continuing until the end of the school year in which the student turns five, or until the student is eligible to attend a district’s kindergarten program, whichever comes first, subject to the following:

1. The student’s ARD committee shall develop an IEP designed to provide the student with FAPE in the least restrictive environment (LRE).
2. From the IEP, the parent and the district shall determine which special education and/or related services will be provided to the student and the location where those services will be provided, based on the requirements concerning placement in the LRE and the policies and procedures of the district.
3. The district shall be responsible for employing and supervising the personnel providing the service, providing the needed instructional materials, and maintaining pupil accounting records. Materials and services provided shall be consistent with those provided for students enrolled only in the public school and shall remain the property of the district.

19 TAC 89.1096(c)

Responsible District

The district where a student resides is responsible for providing special education and related services to a student whose parents choose dual enrollment.

If the parents decline dual enrollment, but request an ISP, the district where the private school is located is responsible for development of the ISP for a student designated to receive services.

19 TAC 89.1096(c), (d)

Transportation

If a student has been placed by his or her parents in a private school or facility, a district shall provide special transportation with federal funds only when the ARD committee determines that the condition of the student warrants the service in order for the student to receive the special education and related services (if any) set forth in the IEP. *19 TAC 89.1096(e)*

District Charter Schools

A district shall serve children with disabilities attending district charter schools in the same manner as it serves children with disabilities in its other schools and shall provide federal special education funds to those schools in the same manner as it provides those funds to its other schools. *20 U.S.C. 1413(a)(5); 34 C.F.R. 300.209(b)*

Residential Facilities

Identification of
Students

A school must initiate Child Find outreach activities to locate, evaluate, and identify eligible students in any residential facility within its boundaries. If a student is eligible, a district must provide the required special education and related services to the student unless, after contacting the facility to offer those services to eligible students with disabilities, the facility can demonstrate that the services are provided by another educational program provider, such as a charter school, approved nonpublic school, or a facility operated private school. However, the district shall, at minimum, contact the facility at least twice per year to conduct Child Find activities and to offer services to eligible students with disabilities.

Residential facility refers to a facility defined by Education Code, 5.001(8), which includes any person, facility, or entity that provides 24-hour custody or care of a person residing in the facility for detention, treatment, foster care, or any noneducational purpose.

19 TAC 89.1001(c)

District Placements
Day Program

A district may contract with a nonpublic or nondistrict operated day program provider in accordance with the requirements in 19 Administrative Code 89.104.

*Residential
Placement*

A district may contract with a public or private facility, institution, or agency inside or outside of Texas for residential placement for a student with a disability when the ARD committee determines that a residential placement is necessary for the student to receive FAPE. Contracts for residential placement must be approved by the commissioner. *Education Code 29.008(a); 19 TAC 89.1092(b)*

If placement in a public or private residential program is necessary to provide special education and related services, the program, including non-medical care and room and board, must be at no cost to the parents. *34 C.F.R. 300.104*

If a district contracts for education services, rather than providing the services itself, it shall oversee the implementation of the student's IEP and shall annually reevaluate the appropriateness of the arrangement. *Education Code 29.008(d)*

Notification

Within 30 calendar days from an ARD committee's decision to place or continue the placement of a student in a nonpublic residential program, a district must electronically submit to the Texas Education Agency (TEA) notice of and information regarding the placement in accordance with submission procedures specified by TEA. *19 TAC 89.1092(c)*

School for the Blind and Visually Impaired and School for the Deaf

A district shall share the cost of education (excluding the summer program) for each of its students enrolled in the Texas School for the Blind and Visually Impaired or Texas School for the Deaf.

Before considering the student's educational placement for special education services, a district shall provide each parent of a student with visual or auditory impairments the following written information regarding the Texas School for the Deaf or Texas School for the Blind and Visually Impaired:

1. The availability of programs offered.
2. The eligibility and admissions requirements.
3. The student's rights to admission and to appeal admission decisions.

Education Code 30.003(a), .004(a); 19 TAC 89.62

A student's ARD committee may place the student at the Texas School for the Blind and Visually Impaired (TSBVI) or the Texas School for the Deaf (TSD) in accordance with the provisions at 19 Administrative Code 89.1085 and .1090. *19 TAC 89.1085, .1090*

Adult Prisons

If a child with a disability is convicted as an adult under state law and incarcerated in an adult prison, the child's ARD committee may modify the child's IEP or placement, notwithstanding the LRE requirements, if the state has demonstrated a bona fide security or compelling penological interest that cannot otherwise be accommodated.

The following requirements do not apply to children with disabilities who are convicted as adults under state law and incarcerated in adult prisons:

1. Federal requirements pertaining to participation of students with disabilities in general assessments;

2. Requirements concerning transition planning and transition services, if the children's eligibility will end, because of their age, before they will be released from prison.

20 U.S.C. 1414(d)(7)

**Transition Services
Defined**

“Transition services” means a coordinated set of activities for a child with a disability that:

1. Is designed to be within a results-oriented process, that is focused on improving the academic and functional achievement of the child to facilitate the child’s movement from school to post-school activities, including postsecondary education, vocational education, integrated employment (including supported employment), continuing and adult education, adult services, independent living, or community participation.
2. Is based on the individual child’s needs, taking into account the child’s strengths, preferences, and interests.

Graduation

Graduation with a regular high school diploma under 19 Administrative Code 89.1070(b)(1), (b)(3)(D), (f)(1), (f)(2), (f)(3) or (f)(4)(D) terminates a student's eligibility for special education services. For students who receive a diploma according to 19 Administrative Code 89.1070(b)(2), (b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C), the ARD committee must determine needed educational services upon the request of the student or parent to resume services, as long as the student meets the age requirements. *19 TAC 89.1070(a), (j)* [See EHBAA]

Graduation from high school with a regular diploma constitutes a change in placement that requires written prior notice to parents.

A district is not required to conduct an evaluation before termination of eligibility due to graduation from secondary school with a regular high school diploma or due to exceeding the age eligibility for FAPE under state law.

A district shall provide the child with a summary of the child's academic achievement and functional performance, which shall in-

Prior to September 1, 2022, a parent or public education agency must request a hearing within one year of the date the parent or public education agency knew or should have known about the alleged action that serves as the basis for the request, unless tolled

pursuant to 50 U.S.C. 3936, as set forth in 19 Administrative Code 89.1151(e), below.

19 TAC 89.1151(c)

Tolled Timeline

TEA will include in the Notice of Procedural Safeguards a statement that the statute of limitations for the parent of a student to request an impartial due process hearing may be tolled if:

1. The parent is an active-duty member of the armed forces, the Commissioned Corps of the National Oceanic and Atmospheric Administration, or the Commissioned Corps of the United States Public Health Service; and

"Stay Put"

During the pendency of any proceeding conducted under IDEA part B (except proceedings to challenge a disciplinary change of placement or manifestation determination), the child shall remain in the then-current educational placement unless the district and the parent agree otherwise. If the child is applying for initial admission to a public school, the child shall, with the consent of the parents, be placed in the public school program until all proceedings have been completed. *20 U.S.C. 1415(j); 34 C.F.R. 300.518, .533*

Exception

When a due process hearing has been requested by a parent or district concerning a disciplinary change of placement or manifestation determination, the child shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the child's assignment to the alternative setting, or the 45-day timeline, if applicable, whichever occurs first, unless the parent and district agree otherwise. *20 U.S.C. 1415(k)(3)(A), 1415(k)(4)(A); 34 C.F.R. 300.533 [See FOF]*

Resolution Process

Within 15 calendar days of receiving notice of a parent's due process complaint, and before initiating a due process hearing, a district shall convene a meeting with the parent and the relevant

member or members of the ARD committee. The purpose of the meeting is for the parent to discuss the due process complaint and the facts that form the basis of the due process complaint, so that the district has the opportunity to resolve the dispute.

The meeting need not be held if the parent and the district agree in writing to waive the meeting, or the parent and the district agree to use the mediation process.

If the district has not resolved the due process complaint to the satisfaction of the parent within 30 calendar days of the receipt of the complaint, the due process hearing may occur. **Transfer of Rights to
Adult Students**

Before the 18th
Birthday

Beginning at least one year before a student reaches 18 years of age, the student's IEP must include a statement that the student has been informed that, unless the student's parent or other individual has been granted guardianship of the student under the Probate Code Chapter XIII, Guardianship, all rights granted to the parent under IDEA, Part B, other than the right to receive any notice required under IDEA, Part B, will transfer to the student upon reaching age 18.

The IEP must also state that the student has been provided information and resources regarding guardianship, alternatives to guardianship, including a supported decision-making agreement under Estates Code Chapter 1357, and other supports and services that may enable the student to live independently.

If a student with a disability or the student's parent requests information regarding guardianship or alternatives to guardianship from the district, the district shall provide to the student or parent information and resources on supported decision-making agreements under Estates Code Chapter 1357.

After the 18th
Birthday

After the student reaches the age of 18, the district shall provide any notice required under IDEA, Part B, to both the adult student and the parent.

A student with a disability who is 18 years of age or older or whose disabilities of minority have been removed for general purposes under Family Code Chapter 31 shall have the same right to make educational decisions as a student without a disability. All other

rights accorded to parents under Education Code Chapter 29, Subchapter A or 20 U.S.C. 1415 transfer to the student.

19 TAC 89.1049(a), (c); 34 C.F.R. 300.520; Education Code 29.017(a), (c)-(c-2)

Notice

A district must notify in writing the adult student and parent of the transfer of parental rights, as described above, at the time the student reaches the age of 18. This notification is separate and distinct from the requirement that the student's IEP include a statement relating to the transfer of parental rights beginning at least one year before the student reaches the age of 18. This notification is not required to contain the elements of notice of 300 C.F.R. 300.503 [see Prior Notice and Consent, above], but must include a statement that parental rights have transferred to the adult student. The notice must also include information and resources regarding guardianship, alternatives to guardianship, including a supported decision-making agreement under Estates Code Chapter 1357, and other supports and services that may enable the student to live independently, and must provide contact information for the parties to use in obtaining additional information.

A notice under IDEA, Part B, which is required to be given to an adult student and parent, does not create a right for the parent to consent to or participate in the proposal or refusal to which the notice relates. For example, a notice of an ARD committee meeting does not constitute invitation to, or create a right for, the parent to attend the meeting. However, the adult student or the district may invite individuals who have knowledge or special expertise regarding the student, including the parent.

A foster parent who is denied the right to act as a parent by a school district may file a complaint with TEA in accordance with federal law and regulations.

Not later than the fifth day after the date a child with a disability is enrolled in a school, DFPS must inform the appropriate school district if the child's foster parent is unwilling or unable to serve as a parent.

19 TAC 89.3

Note: See DMA(LEGAL) for training requirements for teachers of gifted and talented education.

Referral	Students may be referred for the gifted and talented program at any time by teachers, school counselors, parents, or other interested persons.
Screening and Identification Process	<p>The District shall provide assessment opportunities to complete the screening and identification process for referred students at least once per school year.</p> <p>The District shall schedule a gifted and talented program awareness session for parents that provides an overview of the identification procedures and services for the program prior to beginning the screening and identification process.</p>

All student information collected during the screening and identification process shall be an educational record, subject to the protections set out in policies at FL.
Identification Criteria	The Board-approved program for the gifted and talented shall establish criteria to identify gifted and talented students. The criteria shall be specific to the state definition of gifted and talented and shall ensure the fair assessment of students with special needs, such as the culturally different, the economically disadvantaged, and students with disabilities.

Assessment tools may include, but are not limited to, the following: achievement tests, intelligence tests, creativity tests, behavioral checklists completed by teachers and parents, student/parent conferences, and available student work products.
Selection	A placement committee shall evaluate each referred student according to the established criteria and shall identify those students for whom placement in the gifted and talented program is the most appropriate educational setting. The committee shall be composed of at least three professional educators who have received training in the nature and needs of gifted students, as required by law.
Notification	The District shall provide written notification to parents of students who qualify for services through the District's gifted and talented program. Transfer Students	When a student identified as gifted by a previous school district enrolls in the District, the placement committee shall review the student's records and conduct assessment procedures when necessary to determine if placement in the District's program for gifted and talented students is appropriate.
Interdistrict	[See FDD(LEGAL) for information regarding transfer students and the Interstate Compact on Educational Opportunities for Military Children]
Intradistrict	A student who transfers from one campus in the District to the same grade level at another District campus shall continue to receive services in the District's gifted and talented program.

At the end of a furlough, the student may reenter the gifted and talented program, be placed on another furlough, or be exited from the program.
Exit Provisions	The District shall monitor student performance in response to gifted and talented program services. If at any time the placement committee or a parent determines the program is not meeting the student's educational needs, the committee shall meet with the parent and student before finalizing an exit decision.
Appeals	A parent, student, or educator may appeal any final decision of the placement committee regarding services in the gifted and talented program. Appeals shall be made first to the placement committee. Any subsequent appeals shall be made in accordance with FNG(LOCAL) beginning at Level Two.
Program Evaluation	The District shall annually evaluate the effectiveness of the District's gifted and talented program, and the results of the evaluation shall be used to modify and update the District and campus improvement plans. The District shall include parents in the evaluation process and shall share the information with Board members,

Community Awareness

The District shall ensure that information about the District's gifted and talented program is available to parents and community members and that they have an opportunity to develop an understanding of and support for the program.

To ensure that each student achieves at least satisfactory performance on each state assessment instrument, a district shall ensure that the district's curricular and instructional systems provide instruction to all students that is consistently aligned with the essential knowledge and skills for the applicable subject area and grade level; and strategically and timely addresses deficiencies in the prerequisite essential knowledge and skills for the applicable subject area and grade level. *Education Code 28.0211(a)*

**Accelerated
Instruction**

Each time a student fails to perform satisfactorily on an assessment instrument administered in grades 3-8 or on an end-of-course assessment instrument, other than an assessment instrument developed or adopted based on alternative academic achievement standards, the district the student attends shall provide to the student accelerated instruction in the applicable subject area during the subsequent summer or school year and, subject to the limitations at Exceptions, below, either:

1. Allow the student to be assigned a classroom teacher who is certified as a master, exemplary, or recognized teacher under the local optional teacher designation system [see DEAA] for the subsequent school year in the applicable subject area; or
2. Provide the student supplemental instruction under Education Code 28.0211(a-4) [see Supplemental Instruction Requirements, below].

The assessments in this provision include a state assessment instrument administered under Education Code 39.023(a) [see EKB] in third through eighth grade or an end-of-course assessment instrument. The assessments also include a Spanish assessment for emergent bilingual students but exclude an assessment instrument developed or adopted based on alternative academic achievement standards.

19 TAC 104.1001; Education Code 28.0211(a-1)

Exceptions

Accelerated instruction requirements do not apply to a student who is retained at a grade level for the school year in which those requirements would otherwise apply.

A district may not be required to provide supplemental instruction to a student in more than two subject areas per school year. If the district would otherwise be required to provide supplemental instruction to a student in more than two subject areas for a school year, the district shall prioritize providing supplemental instruction to the student in mathematics and reading, or Algebra I, English I, or English II, as applicable, for that school year.

(LEGAL)

A district is not required to provide accelerated instruction to a student who, instead of being administered an assessment instrument specified above, was administered a substitute assessment instrument in accordance with other law or Texas Education Agency (TEA) rule authorizing the use of the substitute assessment instrument for purposes of satisfying the requirements concerning the applicable assessment instrument. *Education Code 28.0211(a-10)*

Off-Campus
Arrangements

If a student who attends school in a homebound or other off-campus instructional arrangement, including at a residential treatment campus or state hospital, is unable to participate in an accelerated instruction program due to the student's condition, the district may determine that the student be provided the accelerated instruction when the student attends school in an on-campus instructional setting. If the student's condition prevents the student from attending school in an on-campus instructional setting for the school year during which the accelerated instruction is required to be provided to the student, the district is not required to provide the accelerated instruction to the student for that school year. *Education Code 28.0211(i-1)*

Participation
Requirements

Accelerated instruction may require a student to participate before or after normal school hours and may include participation at times of the year outside normal school operations. *19 TAC 104.1001(c)*

In providing accelerated instruction, a district may not remove a student, except under circumstances for which a student enrolled in the same grade level who is not receiving accelerated instruction would be removed, from:

1. Instruction in the foundation curriculum and enrichment curriculum adopted under Education Code 28.002 for the grade level in which the student is enrolled [see EHA series]; or
2. Recess or other physical activity that is available to other students enrolled in the same grade level.

Education Code 28.0211(a-3)

The foundation curriculum includes English language arts, mathematics, science, and social studies. Courses in the enrichment curriculum include languages other than English; health, with emphasis on physical health, proper nutrition, and exercise; mental health, including instruction about mental health conditions, substance abuse, skills to manage emotions, establishing and maintaining positive relationships, and responsible decision making; suicide prevention; physical education; fine arts; career and technical education; technology applications; religious literature; and personal financial literacy.

In the event that a school week is three or less instructional days, the school is exempt from meeting the requirement of meeting once per week for accelerated instruction.

3. Be provided during the subsequent summer or school year:
 - a. To each student for no less than:
 - (1) 15 hours; or
 - (2) 30 hours for a student whose performance on the applicable assessment instrument was significantly below satisfactory, as below; and
 - b. Unless the instruction is provided fully during summer, include instruction no less than once per week during the school year, except as otherwise provided by commissioner rule to account for school holidays or shortened school weeks;
4. Be designed to assist the student in achieving satisfactory performance in the applicable grade level and subject area;
5. Include effective instructional materials designed for supplemental instruction;
6. Be provided to a student individually or in a group of no more than four students, unless the parent or guardian of each student in the group authorizes a larger group;
7. Be provided by a person with training in the applicable instructional materials for the supplemental instruction and under the oversight of the district; and
8. To the extent possible, be provided by one person for the entirety of the student's supplemental instruction period.

Parent Request

A district shall establish a process allowing for the parent or guardian of a student who fails to perform satisfactorily a state assessment instrument under Education Code 28.0211(a-1) [see above] to make a request for district consideration that the student be assigned to a particular classroom teacher in the applicable subject area for the subsequent school year, if more than one classroom teacher is available. *Education Code 28.0211(a-5); 19 TAC 104.1001(g)*

**Assessments Not
Required**

Education Code 28.0211 does not require the administration of a fifth or eighth grade assessment instrument in a subject under Education Code 39.023(a) to a student enrolled in the fifth or eighth grade, as applicable, if the student:

1. Is enrolled in a course in the subject intended for students above the student's grade level and will be administered an assessment instrument adopted or developed under Education Code 39.023(a) [see EKB] that aligns with the curriculum for the course in which the student is enrolled; or
2. Is enrolled in a course in the subject for which the student will receive high school academic credit and will be administered an end-of-course (EOC) assessment instrument [see EKB] for the course.

Notwithstanding any other provision of Education Code 28.0211, the student may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument not required to be administered to the student, nor may a student in grade 5 or grade 8 be denied promotion to the next grade on the basis of fail-

ure to perform satisfactorily on a reading or mathematics assessment instrument intended for use above the student's grade level.

Education Code 28.0211(o)-(p)

Students At Risk

A district shall provide accelerated instruction to an enrolled student who has taken an EOC assessment instrument and has not performed satisfactorily or who is at risk of dropping out of school [see EHBC].

A district shall offer before the next scheduled administration of the assessment instrument, without cost to the student, additional accelerated instruction to each student in any subject in which the student failed to perform satisfactorily on an end-of-course assessment instrument required for graduation.

A district that is required to provide accelerated instruction must separately budget sufficient funds for that purpose. [See CE]

A district shall evaluate the effectiveness of accelerated instruction programs and annually hold a public hearing to consider the results.

No Available Test Score

The superintendent of each district shall establish procedures to ensure that each eligible student who is absent or does not receive a test score for any test administration shall receive appropriate supplemental accelerated instruction as warranted on an individual student basis. This provision may not be used to excuse a student from appropriate accelerated instruction. *19 TAC 104.1001(b)(4)*

Accelerated Education Plan

For each student who does not perform satisfactorily on a state assessment instrument specified above for two or more consecutive school years in the same subject area, the district the student attends shall develop an accelerated education plan and provide the student at least 30 hours of supplemental instruction. *19 TAC 104.1001; Education Code 28.0211(b)*

Not later than the start of the subsequent school year, a district shall develop an accelerated education plan for the student that provides the necessary accelerated instruction to enable the student to perform at the appropriate grade level or course by the conclusion of the school year.

The plan must:

1. Identify the reason the student did not perform satisfactorily on the applicable assessment instrument; and
2. Require the student to be provided with no less than 30 hours, or a greater number of hours if appropriate, of supplemental instruction for each consecutive school year in which the student does not perform satisfactorily on the assessment instrument in the applicable subject area.

The plan may require that, as appropriate to ensure the student performs satisfactorily on the assessment instrument in the applicable subject area at the next administration of the assessment instrument:

1. The district expand the times in which supplemental instruction is available to the student;
2. The student be assigned for the school year to a specific teacher who is better able to provide accelerated instruction; and
3. The district provide any necessary additional resources to the student.

The accelerated education plan must be documented in writing, and a copy must be provided to the student's parent or guardian.

During the school year, the student shall be monitored to ensure that the student is progressing in accordance with the accelerated education plan.

The board shall adopt a policy consistent with the grievance procedure adopted under Education Code 26.011 [see FNG] to allow a parent to contest the content or implementation of an accelerated education plan.

Education Code 28.0211(f)-(f-3)

Parent Conference

A district shall make a good faith attempt to provide to the parent or guardian of a student to whom an accelerated education plan applies a parent-teacher conference with the student's primary teacher at the start and end of the subsequent school year.

At the conference, the district shall provide the student's parent or guardian with:

1. The notice required under Education Code 28.0211(a-14); and
2. An explanation of:

- a. The accelerated instruction to which the student is entitled under this provision, and
- b. The accelerated education plan that must be developed for the student and the manner in which the parent or guardian may participate in developing the plan.

Education Code 28.0211(b-1); 19 TAC 104.1001(e)

**Classroom
Assignment**

Except as requested under Education Code 28.0211(a-5), a student for whom an accelerated instructional plan must be developed must be assigned, in each school year and subject covered by the accelerated education plan, to an appropriately certified teacher who meets all state and federal qualifications to teach that subject and grade.

In a manner consistent with federal law and notwithstanding any other law, the commissioner may waive the requirement regarding the assignment of a student to an appropriately certified classroom teacher on the request of a district.

Education Code 28.0211(n)-(n-1)

**ARD Committee
Review**

The admission, review, and dismissal (ARD) committee of a student who does not perform satisfactorily on a state assessment instrument described above shall, at the student's next annual review meeting, review the student's participation and progress in, as applicable, accelerated instruction, supplemental instruction, or an accelerated education plan.

The student's parent may request, or the district may schedule, an additional committee meeting if a committee member believes that the student's individualized education program needs to be modified based on the accelerated instruction requirements. If the district refuses to convene a committee meeting requested by the student's parent, the district shall provide the parent with written notice explaining the reason the district refuses to convene the meeting.

Education Code 28.0211(i)

**Repeating a High
School Course**

For courses taken for high school credit, a student who is required to repeat any course in which the student was enrolled in during the previous school year and who is eligible for accelerated instruction for the current school year is exempt from accelerated instruction requirements for that specific course if that course is retaken in its entirety (i.e., to earn a full credit). However, a student who is participating in credit recovery is still required to receive accelerated instruction.

For the purpose of this provision, credit recovery means completing a certain number of assignments to satisfy the course requirements after failure or a certain number of seat hours after excessive absences.

19 TAC 104.1001(i)

**Commissioner
Waiver**

The commissioner may waive the requirements regarding accelerated instruction for a district for each school year in which at least 60 percent of the students who received accelerated instruction during the school year immediately preceding the previous school year, including at least 60 percent of students whose performance on the applicable assessment instrument was significantly below satisfactory, as defined by commissioner rule, performed satisfactorily in the previous school year on the assessment instrument in each subject in which the student previously failed to perform satisfactorily. For purposes of determining whether a school district qualifies for a waiver, the commissioner shall:

1. If a student received accelerated instruction in more than one subject during the applicable school year, consider the student's performance on the assessment instrument in each subject separately from the student's performance on the assessment instrument for each other subject; and
2. By rule provide that a district may not qualify for a waiver if students who are receiving special education services or are educationally disadvantaged are overrepresented among the students in the district who received accelerated instruction during the school year immediately preceding the previous school year and did not perform satisfactorily in the previous school year on the assessment instrument in each applicable subject.

Ratio Waiver

A district may provide accelerated instruction using a product on the Ratio Waiver List on the TEA website with information related to accelerated instruction. The 4:1 student-to-teacher ratio requirement above does not apply to a district using a listed product to provide accelerated instruction to its students.

The Ratio Waiver List consists of products that use an automated, computerized, or other augmented method for providing accelerated instruction under Education Code 28.0211(a-1)(2), that may be used in lieu of some or all of the individual or group supplemental instruction, as appropriate for the applicable grade level and subject area and a student's academic deficiency.

A district shall:

1. Notify the parent or guardian of the use of a product on the Ratio Waiver List for providing the required accelerated instruction;
2. Ensure that the required hours of supplemental instruction are completed prior to the subsequent State of Texas Assessments of Academic Readiness (STAAR®) administration;
3. Use a product on the Ratio Waiver List remotely, regardless of primary mode of instruction (i.e., in-person, virtual, or hybrid) only if the district ensures that time spent by the student engaged in the product is aligned with approved product usage expectations documented by the district;
4. Adhere to the product usage fidelity requirements by product as approved by TEA to waive ratio requirements. A district not fulfilling usage fidelity with a product will be required to revert to the 4:1 ratio for supplemental instruction; and
5. Be responsible for contracting and funding the selected vendors included on the TEA list of approved vendors.

To be considered educationally disadvantaged, a student must meet the income requirements for eligibility under the National School Lunch Program (NSLP), authorized by 42 United States Code 1751, et seq. A district may use the following approved methods for determining student eligibility for the FAST program:

1. Parent certification, where the parent or guardian asserts meeting the income requirements for eligibility under this subsection;
2. Direct certification, where eligible children are certified for free meals without the need for a household application based on household participation in one or more federal assistance programs; or
3. Direct verification, where public records are used to verify a student's eligibility for free or reduced-price meals when verification of student eligibility is required.

A district with one or more campuses not participating in the NSLP may derive an eligible student count by an alternative method as determined by TEA.

19 TAC 102.1097

"Dual credit course" is defined by 19 Administrative Code 4.83.

District
Determination

A district shall, on a high school student's enrollment in a dual credit course, determine whether the student meets the above criteria for the program and notify the institution of higher education that offers the dual credit course in which the student is enrolled of the district's determination.

A district may make the determination based on the district's records, TEA's records, or any other method authorized by commissioner or THECB rule. If the district bases the determination on a method other than TEA's records, the district shall report the method used and the data on which the method is based to TEA for purposes of verification.

Reporting Off-
Campus Programs

A board may adopt a policy that allows a student to participate in an off-campus instructional program. The program must be provided only by an institution of higher education that is accredited by one of the regional accrediting associations specified in 19 Administrative Code 74.25 (High School Credit for College Courses).

To be eligible, a student must:

1. Be in grade 11 or 12;
2. Have demonstrated college readiness as outlined in the requirements for participation in dual credit programs in the *Student Attendance Accounting Handbook*;
3. Meet any eligibility requirements adopted by the institution of higher education; and

Award of Credit

The award of credit for a course affirms that a student has satisfactorily met state and local requirements. Any course for which credit is awarded must be provided according to 19 TAC 74.26(a)(1) and (a)(2) [see FDA]. *19 TAC 74.26(a)*

Early Award of Credit

A district may offer courses designated for grades 9-12 in earlier grade levels. A course must be considered completed and credit must be awarded if the student has demonstrated achievement by meeting the standard requirements of the course, including demonstrated proficiency in the subject matter, regardless of the time the student received instruction in the course or the grade level at which proficiency was attained. The academic achievement record (transcript) shall reflect that students have satisfactorily completed courses at earlier grade levels from grades 9-12 and have been awarded state graduation credits. *19 TAC 74.26(b)*

Partial Award

In accordance with a district's local policy, a student who is able to successfully complete only half of a course can be awarded credit proportionately. *19 TAC 74.26(d)*

A district shall award credit proportionately to a student who is homeless or in substitute care who successfully completes only half of a course. *19 TAC 74.26(e)*

Attendance for Credit or Final Grade

Unless credit is awarded by the attendance committee or regained in accordance with a principal's plan [see FEC], a student in any grade level from kindergarten through grade 12 may not be given credit or a final grade for a class unless the student is in attendance for at least 90 percent of the days the class is offered. *Education Code 25.092*

Homeless or Substitute Care

A district shall adopt a local policy to ensure credit, including proportionate credit, has been awarded appropriately to a student who is homeless or in substitute care for coursework completed prior to the student enrolling in or transferring to the district in accordance with 19 Administrative Code 74.26 (Award of Credit).

A district must ensure that student records or transcripts provided by the previous district or charter school are evaluated promptly and are complete, accurate, and up to date.

The receiving district must develop, maintain, and regularly update local records and documentation, including transcripts if applicable, for a student who is homeless or in substitute care.

A district must ensure that the records or transcripts of a student who is homeless or in substitute care and transferring from out of state, out of country, or a Texas nonpublic school are evaluated and the award of credit is determined in a timely manner, as required by 19 Administrative Code 74.26(a)(2). [See FDA]

A district must award credit proportionately to a student who is homeless or in substitute care who successfully completes only half of a course. Districts must evaluate the student record upon a student's enrollment and ensure that proportionate credit has been awarded appropriately.

If a district determines that there are courses in which a student was enrolled but for which the student has not earned credit, the district may use a variety of methods to determine whether the student may be eligible for full or proportionate credit for coursework completed. The award of credit must be based on demonstrated proficiency in all state and local requirements for a course in accordance with 19 Administrative Code 74.26.

A district must provide opportunities for a student who is homeless or in substitute care who enrolls in the district after the start of the school year to be administered credit by examination at any point during the school year, as required by 19 Administrative Code 74.24 (Credit by Examination) [see EHDB and EHDC].

Districts must:

1. Develop processes for students who have credit deficits or incomplete coursework that would impede on-time promotion or graduation to earn credit and implement appropriate academic interventions to address any credit deficiencies identified;
2. Develop and administer a personal graduation plan in accordance with Education Code 28.0212 (see EIF) for each student in junior high or middle school who is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade 9, as determined by the district, or does not perform satisfactorily on a state assessment instrument;
3. Review personal graduation plan options with each student entering grade 9 and with that student's parent or guardian as required by Education Code 28.02121 [see EIF]. Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a personal graduation plan for the student;
4. Ensure that school staff actively engage with the student and the student's parent or guardian, as applicable, to develop a plan to recover credits if the student has credit deficits or incomplete coursework that would impede on-time promotion or graduation; and

5. Comply with Education Code 28.025(i) [see EIF], concerning the award of diplomas for students who are homeless or in substitute care who are in grade 11 or 12.

[For information on transition assistance for students who are homeless or in substitute care, including enrollment and placement in education programs and courses, see FFC.]

Graduation Requirements

Credit for courses for high school graduation may be earned only if the student received a grade equivalent to 70 on a scale of 100, based upon the essential knowledge and skills of each course. Credit earned toward state graduation requirements in an accredited school district shall be transferable and must be accepted by any other school district in the state. *19 TAC 74.26(a)(1), (c)*

Academic Achievement Record

Following guidelines developed by the commissioner of education, a district shall use an academic achievement record (transcript) form that includes student demographics, school data, student data, and the record of courses and credits earned.

The academic achievement record (transcript) shall serve as the academic record for each student and shall be maintained permanently by a district.

Any credit earned by a student must be recorded on the academic achievement record (transcript), regardless of when the credit was earned.

A student's performance on a state assessment, including an end-of-course assessment instrument required under Education Code 39.023(c) [see EKB], must be included in the student's academic achievement record (transcript).

Copies of the record shall be made available to students transferring to another district. A district shall respond promptly to all requests for student records from receiving districts. [See also FD, FDA, and FL]

**Parental Option to
Retain**

A parent or guardian may elect for a student to:

1. Repeat prekindergarten;
2. Enroll in prekindergarten, if the student would have been eligible to enroll in prekindergarten during the previous school year under Education Code 29.153(b) [see EHBG] and the student has not yet enrolled in kindergarten;

4. Enroll in kindergarten, if the student would have been eligible to enroll in kindergarten in the previous school year and has not yet enrolled in first grade; or
5. For grades 1 through 8, repeat the grade in which the student was enrolled during the previous school year.

For courses taken for high school credit, a parent or guardian may elect for a student to repeat any course in which the student was enrolled during the previous school year. A parent or guardian may not elect for a student to repeat a course if the district determines the student has met all of the requirements for graduation.

A parent or guardian may make an election for a student in grades 1-8 or for a high school course, or both.

	<p>An election made by a parent or guardian shall be made in writing to a district.</p>
Retention Committee	<p>If a district disagrees with the election, the district must convene a retention committee and meet with the parent or guardian to discuss retention. **Students with
Dyslexia**

**Optional Extended-
Year Program**

An optional extended year program may extend the day, the week, or the year to provide additional support and instruction for eligible students. The program shall be conducted beyond the required instructional days, which may include intercessions for year-round programs. *19 TAC 105.1001(b)*

A student is eligible for services in accordance with Education Code 29.082(a)(1)-(2). A student who does not demonstrate proficiency in a subject area as determined by the district is also eligible for services. *19 TAC 105.1001(c); Education Code 29.082(a)(1)-(2)*

A student who attends at least 90 percent of the extended-year program days and who satisfies the requirements for promotion (academic achievement or demonstrated proficiency of the subject matter of the course or grade level) shall be promoted to the next grade level at the beginning of the next school year. However, if the student's parent presents a written request to the school principal asking that the student not be promoted, the principal shall hold a formal meeting with the parent, the teacher, and the school counselor, as soon as practicable after receiving such a request. During the meeting, the principal, teacher, or school counselor shall explain the possible effects of not promoting a student. If the parent withdraws the request after the meeting, the student shall be promoted, and the district shall continue to use innovative practices to ensure that the student is successful in school in succeeding school years.

If a district provides an extended-year program, it shall adopt a policy designed to lead to immediate reduction and ultimate elimination of student retention.

High School Diploma A student may graduate and receive a diploma only if the student:

1. Successfully completes the curriculum requirements identified by the State Board of Education (SBOE) [see State Graduation Requirements, below], has performed satisfactorily on applicable state assessments [see EKB], and complies with the financial aid application requirements in Education Code 28.0256 [see below]; or
2. Successfully completes an individualized education program (IEP) developed under Education Code 29.005. [See EHBAB]

Education Code 28.025(c)

Note: Education Code 28.0256 applies beginning with students enrolled at the 12th grade level during the 2021-22 school year.

FAFSA Required

Before graduating from high school, each student must complete and submit a free application for federal student aid (FAFSA) or a Texas application for state financial aid (TASFA), except as provided below.

A student is not required to comply with the above provision if:

1. The student's parent or other person standing in parental relation submits a signed form indicating that the parent or other person authorizes the student to decline to complete and submit the financial aid application;
2. The student signs and submits the form described above on the student's own behalf if the student is 18 years of age or older or the student's disabilities of minority have been removed for general purposes under Family Code Chapter 31; or
3. A school counselor authorizes the student to decline to complete and submit the financial aid application for good cause, as determined by the school counselor.

If a school counselor notifies a district whether a student has complied with this section for purposes of determining whether the student meets high school graduation requirements under Education Code 28.025, the school counselor may only indicate whether the student has complied with this section and may not indicate the manner in which the student complied, except as necessary for the district to comply with the commissioner's rules.

A school counselor may not indicate that a student has not complied with this section if the district fails to provide the required form

to the student or the student's parent or other person standing in parental relation to the student.

Opt-Out Form

The board shall adopt the standard opt-out form provided by the Texas Education Agency (TEA).

The opt-out form shall be available in English, Spanish, and any other language spoken by a majority of the students enrolled in a bilingual education or special language program in the district. A district is responsible for translations not provided by TEA.

The opt-out form must include the student's signature of intent to decline to complete a financial aid application prior to the student's anticipated graduation date.

19 TAC 74.1023(c)

Notification

A district shall provide students with the notifications regarding the financial aid application requirement, in accordance with 19 Administrative Code 74.1023(d).

Proof of Submission

A district shall require one of the following methods of proof that a student has completed and submitted the FAFSA or TASFA.

For completion and submission of the FAFSA:

1. ApplyTexas Counselor Suite FAFSA data;
2. Notification from the U.S. Department of Education that demonstrates a student has completed and submitted a FAFSA; or
3. A local policy developed by a district for the method by which a student must provide proof that the student has completed a FAFSA.

A district shall develop a local policy for the method by which a student must provide proof that the student has completed a TASFA.

19 TAC 74.1023(e)

Information Submission and Confidentiality

A district shall report through the Texas Student Data System Public Education Information Management System (TSDS PEIMS) not later than December 1 of each school year for students awarded diplomas in the previous school year the number of students who completed and submitted a financial aid application and the number of students who submitted an exception.

A district shall maintain student financial aid application information securely and ensure compliance with federal law regarding the

confidentiality of student educational information, including the Family Educational Rights and Privacy Act of 1974 (20 U.S.C. Section 1232g), and any state law relating to the privacy of student information [see FL].

Individual
Graduation
Committee

A student may receive a diploma if the person is eligible for a diploma as determined by an individual graduation committee (IGC) established under Education Code 28.0258. *Education Code 28.025(c-6)*

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258 or 19 Administrative Code 74.1025. A student's admission, review, and dismissal (ARD) committee determines whether a student is required to achieve satisfactory performance on an end-of-course (EOC) assessment to graduate. *19 TAC 74.1025(n)* [See EHBAB]

For each 11th or 12th grade student who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses, the district shall establish an IGC at the end of or after the student's 11th grade year to determine whether the student may qualify to graduate. A student may not qualify to graduate as a result of an IGC decision before the student's 12th grade year.

The IGC shall be composed of:

1. The principal or principal's designee;
2. For each EOC assessment instrument on which the student failed to perform satisfactorily, the teacher of the course;
3. The department chair or lead teacher supervising the teacher(s) above; and
4. As applicable:
 - a. The student's parent or person standing in parental relation to the student;
 - b. A designated advocate if the parent is unable to serve; or
 - c. The student, at the student's option, if the student is at least 18 years of age or is an emancipated minor.

The superintendent shall establish procedures for convening the committee.

The district shall provide an appropriate translator, if available, for a parent, advocate, or student who is unable to speak English.

Education Code 28.0258(a)-(c), (c-2); 19 TAC 74.1025(b)

A district may not establish an initial IGC for eligible students after June 10 or before the start of the next school year. Once the IGC has been established, it is the original IGC for that student.

If a student leaves a district after an original IGC has been established and before that original IGC awards a high school diploma to the student, any other district that later enrolls the student shall request information from the student's original IGC of record and shall implement the original IGC recommendations to the extent possible.

*Alternate
Members*

In the event that the teacher identified in item 2 above is unavailable, the principal shall designate as an alternate member of the committee a teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is most familiar with the student's performance in that subject area.

In the event that the individual identified above in item 3 above is unavailable, the principal shall designate as an alternate member of the committee an experienced teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is familiar with the content of and instructional practices for the applicable course.

In the event that the student's parent or person standing in parental relation to the student is unavailable to participate in the IGC, the principal shall designate an advocate with knowledge of the student to serve as an alternate member of the committee.

19 TAC 74.1025(c), (e), (g)-(i)

Notice

A district shall ensure a good faith effort is made to timely notify the appropriate person described under item 4 above of the time and place for convening the IGC and the purpose of the committee. The notice must be provided in person or by regular mail or email; clear and easy to understand; and written in English, in Spanish, or, to the extent practicable, in the native language of the appropriate person. *Education Code 28.0258(d)*

*Curriculum

*Additional
Requirements to
Graduate*

A student's IGC shall recommend additional requirements by which the student may qualify to graduate, including additional remediation; and for each EOC assessment instrument on which the student failed to perform satisfactorily:

1. The completion of a project related to the subject area of the course that demonstrates proficiency in the subject area; or
2. The preparation of a portfolio of work samples in the subject area of the course, including work samples from the course that demonstrate proficiency in the subject area.

A student may submit to the IGC coursework previously completed to satisfy a recommended additional requirement.

Education Code 28.0258(f), (g)

Middle School PGP

A principal of a junior high or middle school shall designate a school counselor, teacher, or other appropriate individual to develop and administer a personal graduation plan (PGP) for each student enrolled in the junior high or middle school who:

1. Does not perform satisfactorily on a state assessment instrument; or
2. Is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade level 9, as determined by a district.

A PGP must:

1. Identify educational goals for the student;
2. Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
3. Include an intensive instruction program described in Education Code 28.0213 [see EHBC];
4. Address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and
5. Provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, online instruction, and other interventions that are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability.

*Students
Receiving
Special
Education
Services*

For a student receiving special education services, the student's ARD committee and the district are responsible for developing the student's PGP.

A student's IEP developed under Education Code 29.005 may be used as the student's PGP.

Education Code 28.0212(c); 19 TAC 89.1050(a) [See EHBAB]

High School PGP

A principal of a high school shall designate a school counselor or school administrator to review PGP options with each student entering grade 9 together with that student's parent or guardian. The

PGP options reviewed must include the distinguished level of achievement and endorsements.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

1. Promotes college and workforce readiness and career placement and advancement; and
2. Facilitates the student's transition from secondary to postsecondary education.

A district may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

TEA must make available to a district information that explains the advantages of the distinguished level of achievement described by Education Code 28.025(b-15) and each endorsement described by Education Code 28.025(c-1). A district, in turn, shall publish the information from TEA on the internet website of the district and ensure that the information is available to students in grades nine and above and the parents or legal guardians of those students in the language in which the parents or legal guardians are most proficient.

A district is required to provide this information in the language in which the parents or legal guardians are most proficient only if at least 20 students in a grade level primarily speak that language.

Early Graduation

A parent is entitled to request, with the expectation that the request will not be unreasonably denied, that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes each course required for graduation. The decision of a board concerning the request is final and may not be appealed. *Education Code 26.003(a)(3)(C), (b)* [See FMH, FNG]

**State Graduation

A course completed as part of the four courses needed to satisfy an endorsement requirement may also satisfy a requirement under the foundation high school program, including an elective requirement. The same course may count as part of the set of four courses for more than one endorsement.

A district shall permit a student to enroll in courses under more than one endorsement before the student's junior year and to choose, at any time, to earn an endorsement other than the endorsement the student previously indicated.

A student must earn at least 26 credits to earn an endorsement, but a student is not entitled to remain enrolled to earn more than 26 credits.

A credit allowed to be substituted may not also be used by the student to satisfy a graduation requirement other than completion of the physical education credit. The determination regarding a student's ability to participate in physical activity must be made by:

1. The student's ARD committee if the student receives special education services under Education Code Chapter 29, Subchapter A;
2. The committee established for the student under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794) if the student does not receive special education services under Education Code Chapter 29, Subchapter A but is covered by the Rehabilitation Act of 1973; or

The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110-117, 126-128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program through courses, one or more of which contain modified curriculum that is aligned to the standards applicable to students in general education, as well as satisfactory performance as established in Education Code Chapter 39, on the required EOC assessment instruments, unless the student's ARD committee has determined that satisfactory performance on the required EOC assessment instruments is not necessary for graduation. The student must also successfully complete the student's IEP and meet one of the following conditions:
 - a. Consistent with the IEP, the student has obtained full-time employment, based on the student's abilities and local employment opportunities, in addition to mastering sufficient self-help skills to enable the student to maintain the employment without direct and ongoing educational support of the local school district.
 - b. Consistent with the IEP, the student has demonstrated mastery of specific employability skills and self-help skills that do not require direct ongoing educational support of the local school district.
 - c. The student has access to services that are not within the legal responsibility of public education or employment or educational options for which the student has been prepared by the academic program.
 - d. The student no longer meets age eligibility requirements.

When a student receives a diploma under item 2 or 3(a), (b), or (c), above, the ARD committee must determine needed educational services upon the request of the student or parent to resume services, as long as the student meets the age eligibility requirements.

Endorsements

A student who is enrolled in a special education program may earn an endorsement on the student's transcript by:

1. Successfully completing, with or without modification of the curriculum:
 - a. The curriculum requirements identified by the SBOE for the foundation high school program; and
 - b. The additional endorsement curriculum requirements prescribed by the SBOE; and
2. Successfully completing all curriculum requirements for that endorsement adopted by the SBOE:

The ARD committee of a student in a special education program shall determine whether the student is required to achieve satisfactory performance on an end-of-course assessment instrument to earn an endorsement on the student's transcript.

Education Code 28.025(c-7)-(c-8), 19 TAC 89.1070(c)

*Students
Entering Grade 9
Before the 2014-
15 School Year*

**Graduation of
Military Dependents**

Course Waiver

District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the district shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

Transfers During
Senior Year

Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the district after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Substitute Passing
Standard

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for

graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the 10th-grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII, A, C [See FDD]

**Graduation of
Student Who Is
Homeless or in
Conservatorship of
DFPS**

If an 11th or 12th grade student who is homeless or in the conservatorship of the Department of Family and Protective Services transfers to a different school district and the student is ineligible to graduate from the district to which the student transfers, the district from which the student transferred shall award a diploma at the student's request, if the student meets the graduation requirements of the district from which the student transferred. *Education Code 28.025(i)*

English Language Proficiency Assessment

In kindergarten–grade 12, an emergent bilingual (EB) student, as defined as a student whose primary language is other than English and whose English language skills are such that the student has difficulty performing ordinary classwork, shall be administered state English language proficiency assessments annually in listening, speaking, reading, and writing to fulfill state requirements under Education Code, Chapter 39, Subchapter B, and federal requirements. *19 TAC 101.1003(a)*

Language Proficiency Assessment Committee

The LPAC shall select the appropriate assessment option for each EB student in grade 3 or higher. The LPAC assessment decisions must be made on an individual student basis in accordance with administrative procedures established by the Texas Education Agency (TEA).

Documentation	<p>The LPAC shall document in the student's permanent record file:</p> <ol style="list-style-type: none">1. The decisions and justifications related to English language proficiency assessments under 19 Administrative Code 101.1003;2. The decisions and justifications related to selecting the appropriate assessment option under 19 Administrative Code 101.1005; and3. In conjunction with the admission, review, and dismissal (ARD) committee [see EHBAB], the need for allowable testing accommodations under 19 Administrative Code 101.1003 and .1005. <p><i>19 TAC 101.1003(b), (c), .1005(a), (c)</i></p>

Individual
Graduation
Committees

An EB student who qualifies for the English I special exception in 19 Administrative Code 101.1007, above, may graduate without an individual graduation committee (IGC) if the student achieves satisfactory performance on the remaining end-of-course (EOC) assessments that the student is required to take.

The qualifying EB student becomes eligible for IGC review by failing to achieve satisfactory performance on the English I EOC assessment and one other EOC assessment or by failing to achieve satisfactory performance on no more than two of the remaining EOC assessments if the student achieved satisfactory performance on the English I EOC assessment.

If a qualifying EB student does graduate by means of an IGC, the student is required to complete IGC requirements for each course in which the student did not achieve satisfactory performance on the EOC assessment for that course.

**Limitations on
Exemptions**

First Year After
Enrollment

An EB student may be administered an accommodated or alternative assessment instrument or may be granted an exemption from or a postponement of the administration of the state assessment for up to one year after initial enrollment in a school in the United States if the student has not demonstrated proficiency in English

as determined by the assessment system developed to evaluate academic progress of an EB student. *Education Code 39.027(a)(1)*

Subsequent Years

An EB student granted the initial exemption period above may be administered an accommodated or alternative assessment instrument or may be granted an exemption from or a postponement of the administration of the state assessment for up to:

1. An additional two years if the student is a recent unschooled immigrant or is in a grade for which no assessment instrument in the primary language of the student is available; or
2. An additional four years if the student's initial enrollment in a school in the United States was as an unschooled asylee or refugee.

The LPAC must determine that the student lacks the academic language proficiency in English necessary for an assessment in English to measure the student's academic progress in a valid, reliable manner.

Minimum Days for Enrollment

Regardless of the date on which the student initially enrolled in a school in the United States, unless a student is enrolled in a school in the United States for a period of at least 60 consecutive calendar days during a year, the student may not be considered to be enrolled in a school in the United States for that year for the purpose of determining a number of years under Education Code 39.027(a)(1), (2), or (3).

Education Code 39.027(a)(1)-(2), (a-1), (a-2), (g); 19 TAC 101.1001

Special Education

Selecting Assessments

For each EB student who receives special education services, the student's ARD committee in conjunction with the student's LPAC shall select the appropriate assessments.

The LPAC shall document the decisions and justifications in the student's permanent record file, and the ARD committee shall document the decisions and justifications in the student's individualized education program (IEP). Assessment decisions shall be made on an individual student basis and in accordance with administrative procedures established by TEA. *19 TAC 101.1005(a)*

In rare cases, the ARD committee in conjunction with the LPAC may determine that it is not appropriate for an EB student in grades 2-12 who receives special education services to participate in the general required English language proficiency assessment [see English Language Proficiency Assessment, above] for reasons associated with the student's particular disability. Students with the most significant cognitive disabilities who cannot participate in the

general English language proficiency assessment, even with allowable accommodations, and meet the participation requirements for the alternate English language proficiency assessment shall participate in the alternate English language proficiency assessment to meet federal requirements. The ARD committee shall document the decisions and justifications in the student's IEP, and the LPAC shall document the decisions and justifications in the student's permanent record file. *19 TAC 101.1003(b)*

In the case of an EB student who receives special education services, the ARD committee in conjunction with the LPAC shall determine and document the need for allowable testing accommodations in accordance with administrative procedures established by TEA. *19 TAC 101.1003(c)*

Testing
Accommodations

The LPAC in conjunction with the ARD committee shall determine and document any allowable testing accommodations for assessments in accordance with administrative procedures established by TEA. *19 TAC 101.1005(e)*

Note: The following provisions address requirements for a charter partnership to receive the benefits of Education Code 11.174 and 48.252. For the general campus charter requirements applicable to partnership charters, see EL(LEGAL).

**Contract Regarding
Operation of District
Campus**

The board may contract with a partner to operate a campus. The partner may be an open-enrollment charter school or, on approval by the commissioner of education, an entity granted a charter by the district under Chapter 12, Subchapter C that is eligible to be awarded a charter under Education Code 12.101(a). The campus must be granted a charter under Chapter 12, Subchapter C. *Education Code 11.174(a), (d)*

A campus operated under a contract qualifies for an exemption from intervention as provided below and qualifies for funding as provided by Education Code 48.252 [see Funding for Certain Students, below].

The board may enter into a contract only if:

1. The charter of the open-enrollment charter school has not been previously revoked;
2. For the three school years preceding the school year of the proposed operation of the campus, the open-enrollment charter school has received:
 - a. An overall performance rating of acceptable or higher; and
 - b. A financial accountability rating indicating financial performance of satisfactory or higher; or
3. The entity considered for a district-authorized charter has not previously operated an open-enrollment charter school in which the charter expired or was revoked or surrendered.

Education Code 11.174(a)-(b)

Intervention Pause

For a campus under a contract that received an overall performance rating of unacceptable under Education Code Chapter 39, Subchapter C for the school year before operation under the contract began, the commissioner may not impose a sanction or take action against the campus under Education Code 39A for failure to satisfy academic performance standards during the first two school years of operation of a campus under the contract. [See AIA, AIC]

A campus is eligible for an exemption from applicable sanctions or actions if the campus and the partnership to operate the campus

meet all applicable requirements and the campus was operated under the partnership from the first to the last day of the school year of the campus. A school year must include, at a minimum, all minutes of operation and instructional time conducted on the campus, and all the days for which the instructional workforce of the campus that provides education services for students are employed.

The overall performance rating received by the campus during those first two school years is not included in calculating consecutive school years and is not considered a break in consecutive school years.

Education Code 11.174(f); 19 TAC 97.1077

Applicability

A campus shall not qualify for an intervention pause unless during the school year prior to the operation of a partnership charter the campus received an unacceptable performance rating, except as provided by 19 Administrative Code 97.1077(e) (campus that operates a partnership charter for less than a year). *19 TAC 97.1062(b)*

The Texas Education Agency (TEA) will not withdraw or postpone issuing any orders or determinations required or authorized that arise due to the performance rating from the school year prior to the school year in which the campus qualifies for the intervention pause, and any order or determination will resume upon expiration of the intervention pause.

Any intervention or sanction not covered by the intervention pause shall continue.

If a campus ceases to qualify for the intervention pause at any point during a school year, TEA will resume previously ordered interventions and sanctions, order interventions and sanctions based on the rating from that school year, and count that rating for purposes of consecutive years of performance.

TEA will not pursue interventions under Education Code 39A.101-39A.109 and 39A.111 for a campus eligible for an intervention pause if one of the school years eligible for an intervention pause results in an acceptable or higher overall rating.

If after the expiration of the intervention pause a campus receives an unacceptable rating, TEA will apply the requisite interventions that apply to the consecutive year that corresponds to the campus's actual number of consecutive years of unacceptable performance minus the number of intervention pause years and, if applicable, accounting for the modification under 19 Administrative Code 97.1062(c).

If a campus qualifies for an intervention pause for a school year after the conclusion of the school year in which an order is authorized under Education Code 39A.111, the intervention under Education Code 39A.111 will not pause.

A campus that receives an intervention pause will still receive an accountability rating for that school year.

Performance of students at a campus that receives an intervention pause shall be considered in the accountability rating of the district and the application of an intervention pause to a campus shall not pause or alter any intervention applicable to the district or other campuses.

Appeal

A determination under this section that arises from the application of Education Code 28.020 is final and may not be appealed.

19 TAC 97.1062(d), (f)-(m)

*Additional
Exemption*

A campus that receives an exemption from a sanction or other action may receive another exemption while operating under a subsequent contract only if the campus receives approval for the exemption from the commissioner. *Education Code 11.174(g)*

Funding for Certain
Students

A district that enters into a contract is entitled to receive for each student in average daily attendance at the campus an amount equivalent to the difference, if the difference results in increased funding, between the amount described by Education Code 12.106 and the amount to which the district would be entitled under this Education Code Chapter 48. This section applies only to a district that does not appoint a majority of the governing body of the charter holder. *Education Code 48.252*

Consultation with
Campus Personnel

Before entering into a contract, the district must consult with campus personnel regarding the provisions to be included in the contract between the district and the open-enrollment charter school. All rights and protections afforded by current employment contracts or agreements may not be affected by the contract entered into between a district and an open-enrollment charter school. *Education Code 11.174(c)*

Notice to
Commissioner

A district proposing to enter into a contract with a campus or program charter shall notify the commissioner of the district's intent to enter into the contract according to commissioner rules. The commissioner shall notify the district whether the proposed contract is approved not later than the 60th day after the date the commissioner receives notice of the proposed contract and all information required by the commissioner to be submitted. If the commissioner fails to notify the district that the proposed contract has been approved or denied within the period prescribed by this subsection,

the proposed contract is considered approved. *Education Code 11.174(k)*

Enrollment Eligibility The contract must include a provision addressing student eligibility for enrollment.

The contract must provide that any student residing in the attendance zone of the campus as the attendance zone existed before operation of the campus under the contract shall be admitted for enrollment at the campus. The contract must establish enrollment preference for students who do not reside in the attendance zone as follows:

1. Other students residing in the school district in which the campus is located; and
2. Students who reside outside the school district.

Education Code 11.174(h), (i)

Operating Partner An operating partner means a state authorized open-enrollment charter school or an eligible entity as defined by Education Code 12.101(a). *19 TAC 97.1075(b)(1)*

*Conferred
Authority*

The district must confer, at a minimum, the following enhanced authorities to the operating partner:

Staffing
Authorities

1. The operating partner must have authority to employ and manage the campus chief operating officer, including the initial and final non-delegable authority to hire, supervise, manage, assign, evaluate, develop, advance, compensate, continue employment, and establish any other terms of employment.
2. The operating partner must have authority over the employees of the operating partner, including initial and final non-delegable authority for the operating partner to employ and/or manage all of the operating partner's own administrators, educators, contractors, or other staff. Such authority includes the authority to hire, supervise, manage, assign, evaluate, develop, advance, compensate, continue employment and establish any other terms of employment.
3. The operating partner must have sole authority over the assignment of all district employees to the campus, including initial and final authority to approve the assignment of all district employees or contractors to the campus.
4. The operating partner must have initial, final, and sole authority to supervise, manage, evaluate, and rescind the assignment of any district employee or district contractor from the

campus. If the operating partner rescinds the assignment of any district employee or district contractor, the district must grant the request within 20 working days.

5. The operating partner must directly manage the campus principal or chief operating officer, including having the sole responsibility for evaluating the performance of the campus principal or chief operating officer.

19 TAC 97.1075(c)(1)

Other Authorities

The operating partner must have:

1. Initial, final, and sole authority to approve all curriculum decisions beyond the minimum requirements outlined in 19 Administrative Code 74.2 and 74.3 (required elementary and secondary curriculum), lesson plans, instructional strategies, and instructional materials as defined by law, to be used at that campus;
2. Initial, final, and sole authority over educational programs for specific, identified student groups, such as gifted and talented students, students of limited English proficiency, students at risk of dropping out of school, special education students, and other statutorily defined populations;
3. Initial, final, and sole authority to set the school calendar and daily schedule, which may differ from those in other district campuses;
4. Initial, final, and sole authority to select and determine the use of any and all assessments to be used on the campus that are not required by the state of Texas;
5. Initial, final, and sole authority to determine how the entire campus budget, including any and all federal and state grant funds due the campus, is allocated. The governing body of the operating partner shall approve the campus budget in a meeting held under the Texas Open Meetings Act [see BE]. Notwithstanding such budget authority, the operating partner's expenditures must comply with the applicable restrictions on the use of state and federal funds; and
6. Initial, final, and sole authority to implement and adjust the campus budget.

19 TAC 97.1075(c)(2)

Performance
Contract

To contract to partner to operate under Education Code 11.174, the district's board must grant the operating partner a campus charter under Education Code Chapter 12, Subchapter C. The

charter must include performance expectations memorialized in a performance contract as required by law. The performance contract must include, at a minimum, the following:

1. A clear and unambiguous description of enhanced authorities as outlined above;
2. Academic performance expectations and goals, which shall include, but are not limited to;

In order to qualify for ongoing benefits subsequent to initial eligibility validation or approval, the eligible partnership campus must comply with all information requests or monitoring visits

	deemed necessary by the TEA staff to monitor the ongoing eligibility of the partnership. <i>19 TAC 97.1075(h)-(i)</i>

 - a. A district employee who reports a potential threat to a team to elect for the employee's identity to be confidential and not subject to disclosure Government Code Chapter 552 (Public Information Act), except as necessary for the team, the district, or law enforcement to investigate the potential threat; and
 - b. The district to maintain a record of the identity of a district employee who elects for the employee's identity to be confidential.

Membership The superintendent shall ensure, to the greatest extent practicable, that the members appointed to each team have expertise in counseling, behavior management, mental health and substance use, classroom instruction, special education, school administration, school safety and security, emergency management, and law enforcement. A team may serve more than one campus of a district, provided that each district campus is assigned a team.

Oversight
Committee The superintendent may establish a committee, or assign to an existing committee established by the district, the duty to oversee the operations of teams established for the district. A committee with oversight responsibility must include members with expertise in human resources, education, special education, counseling, behavior management, school administration, mental health and substance use, school safety and security, emergency management, and law enforcement.

Team Duties Each team shall:

1. Conduct a threat assessment that includes assessing and reporting individuals who make threats of violence or exhibit harmful, threatening, or violent behavior in accordance with district policies and procedures; and gathering and analyzing data to determine the level of risk and appropriate intervention, including:
 - a. Referring a student for mental health assessment; and
 - b. Implementing an escalation procedure, if appropriate, based on the team's assessment, in accordance with district policy;
2. Provide guidance to students and school employees on recognizing harmful, threatening, or violent behavior that may pose a threat to the community, school, or individual; and

3. Support the district in implementing the district's multihazard emergency operations plan [see CKC].

Parental
Participation

Before a team may conduct a threat assessment of a student, the team must notify the parent of or person standing in parental relation to the student regarding the assessment. In conducting the assessment, the team shall provide an opportunity for the parent or person to participate in the assessment, either in person or remotely, and to submit to the team information regarding the student.

After completing a threat assessment of a student, the team shall provide to the parent of or person standing in parental relation to the student the team's findings and conclusions regarding the student.

*Consent for
Mental Health-
Care Service*

A team may not provide a mental health-care service to a student who is under 18 years of age unless the team obtains written consent from the parent of or the person standing in parental relation to the student before providing the mental health-care service. The consent must be submitted on a form developed by the district that complies with all applicable state and federal law. The student's parent or person standing in parental relation to the student may give consent for a student to receive ongoing services or may limit consent to one or more services provided on a single occasion.

Education Code 37.115(c)-(g)

Determination of
Risk

On determination that a student or other individual poses a serious risk of violence to self or others, a team shall immediately report the team's determination to the superintendent. If the individual is a student, the superintendent shall immediately attempt to inform the parent or person standing in parental relation to the student. These requirements do not prevent an employee of the school from acting immediately to prevent an imminent threat or respond to an emergency.

A team identifying a student at risk of suicide shall act in accordance with the district's suicide prevention program. If the student at risk of suicide also makes a threat of violence to others, the team shall conduct a threat assessment in addition to actions taken in accordance with the district's suicide prevention program.

A team identifying a student using or possessing tobacco, drugs, or alcohol shall act in accordance with district policies and procedures related to substance use prevention and intervention.

Education Code 37.115(h)-(j)

**Reporting Child
Abuse and Neglect**

Any person who has reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect has a legal responsibility, under state law, to immediately report the suspected abuse or neglect to an appropriate authority.

As defined in state law, child abuse and neglect include both sex and labor trafficking of a child.

The following individuals have an additional legal obligation to submit a written or oral report within 48 hours of learning of the facts giving rise to the suspicion of abuse or neglect:

1. Any District employee, agent, or contractor who suspects a child's physical or mental health or welfare has been adversely affected by abuse or neglect.
2. A professional who has reasonable cause to believe that a child has been or may be abused or neglected or may have been a victim of indecency with a child. A professional is anyone licensed or certified by the state who has direct contact with children in the normal course of duties for which the individual is licensed or certified.

A person is required to make a report if the person has reasonable cause to believe that an adult was a victim of abuse or neglect as a

child and the person determines in good faith that disclosure of the information is necessary to protect the health and safety of another child or an elderly or disabled person.

[For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

Oral Reports

As required by law, an oral report made to the Texas Department of Family and Protective Services (DFPS) is recorded.

Restrictions on Reporting

In accordance with law, an employee is prohibited from using or threatening to use a parent's refusal to consent to administration of a psychotropic drug or to any other psychiatric or psychological testing or treatment of a child as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Making a Report

Reports may be made to any of the following:

1. A state or local law enforcement agency;
2. The Child Protective Services (CPS) division of DFPS at 800-252-5400 or the [Texas Abuse Hotline website](#)¹;
3. A local CPS office; or
4. If applicable, the state agency operating, licensing, certifying, or registering the facility in which the suspected abuse or neglect occurred.

However, if the suspected abuse or neglect involves a person responsible for the care, custody, or welfare of the child, the report must be made to DFPS, unless the report is to the state agency that operates, licenses, certifies, or registers the facility where the suspected abuse or neglect took place; or the report is to the Texas Juvenile Justice Department as a report of suspected abuse or neglect in a juvenile justice program or facility. As defined by law, a person responsible for the care, custody, or welfare of a child includes school personnel and volunteers and day-care workers. [See FFG(LEGAL)]

An individual does not fulfill his or her responsibilities under the law by only reporting suspicion of abuse or neglect to a campus principal, school counselor, or another District staff member. Furthermore, the District is prohibited from requiring an employee to first report his or her suspicion to a District or campus administrator.

In accordance with law, an individual must provide their name and telephone number when making a report. If the individual making the report is a school employee, agent, or contractor, they must also provide their business address and profession.

Confidentiality

The identity of a person making a report of suspected child abuse or neglect shall be kept confidential and disclosed only in accordance with the law and the rules of the investigating agency.

Immunity

A person who in good faith reports or assists in the investigation of a report of child abuse or neglect is immune from civil or criminal liability.

**Failing to Report
Suspected Child
Abuse or Neglect**

By failing to report suspicion of child abuse or neglect, an employee:

1. May be placing a child at risk of continued abuse or neglect;
2. Violates the law and may be subject to legal penalties, including criminal sanctions for knowingly failing to make a required report;
3. Violates Board policy and may be subject to disciplinary action, including possible termination of employment; and
4. May have his or her certification from the State Board for Educator Certification suspended, revoked, or canceled in accordance with 19 Administrative Code Chapter 249.

It is a criminal offense to coerce someone into suppressing or failing to report child abuse or neglect.

**Responsibilities
Regarding
Investigations**

In accordance with law, District officials shall be prohibited from:

1. Denying an investigator's request to interview a child at school in connection with an investigation of child abuse or neglect;
2. Requiring that a parent or school employee be present during the interview; or
3. Coercing someone into suppressing or failing to report child abuse or neglect.

District personnel shall cooperate fully and without parental consent, if necessary, with an investigation of reported child abuse or neglect. [See GKA]

Note: The following legal provisions address dating violence and sexual harassment. For legal provisions addressing discrimination on the basis of disability, sex, and other protected characteristics, see FB.

Dating Violence

Policy
Requirements

A district shall adopt and implement a dating violence policy to be included in the district improvement plan.

A dating violence policy must include:

1. A definition of dating violence that includes the intentional use of physical, sexual, verbal, or emotional abuse by a person to harm, threaten, intimidate, or control another person in a dating relationship, as defined by Family Code 71.0021;
2. A clear statement that dating violence is not tolerated at school; and
3. Reporting procedures and guidelines for students who are victims of dating violence, including a procedure for immediately notifying the parent or guardian of a student about a report received by the district identifying the student as an alleged victim or perpetrator of dating violence.

A dating violence policy must also address safety planning, enforcement of protective orders, school-based alternatives to protective orders, training for teachers and administrators at each district campus that instructs students in grade 6 or higher, counseling for affected students, and awareness education for students and parents.

Education Code 37.083, .0831 [See BQ]

Student Resources

To the extent possible, a district shall make available to students age-appropriate educational materials that include information on the dangers of dating violence and resources to students seeking help. *Education Code 37.0831(c)*

Sexual Harassment

A district may develop and implement a sexual harassment policy to be included in the district improvement plan. *Education Code 37.083 [See BQ]*

Sexual abuse of a student by an employee, when there is a connection between the physical sexual activity and the employee's duties and obligations as a district employee, violates a student's constitutional right to bodily integrity. Sexual abuse may include fondling, sexual assault, or sexual intercourse. *U.S. Const. Amend. 14; Doe v. Taylor Indep. Sch. Dist., 15 F.3d 443 (5th Cir. 1994)*

STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

FFH
(LEGAL)

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance. *20 U.S.C. 1681 (Title IX)*

A district's treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX. *34 C.F.R. 106.45; 20 U.S.C. 1681* [See also FB regarding Title IX]

Designation of
Title IX Coordinator

A district must designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under Title IX, which employee must be referred to as the "Title IX Coordinator."

Parties Entitled to
Notice

The district must notify applicants for admission and employment, students, parents or legal guardians, employees, and all professional organizations holding professional agreements with the district ("Parties Entitled to Notice") of the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator.

34 C.F.R. 106.8(a)

Reporting

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during nonbusiness hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator. *34 C.F.R. 106.8(a)*

Notification of Policy

A district must notify the Parties Entitled to Notice, above, that the district does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by Title IX not to discriminate in such a manner. The notification must state that the requirement not to discriminate in the education program or activity extends to employment, and that inquiries about the application of Title IX to such district may be referred to the district's Title IX Coordinator, to the assistant secretary for civil rights of the Department of Education, or both. *34 C.F.R. 106.2(d), .8(b)(1)*

Publication
Requirements

A district must prominently display the contact information required to be listed for the Title IX Coordinator and the nondiscrimination policy described at Notification of Policy, above, on its website, if

any, and in each handbook that it makes available to the Parties Entitled to Notice, above.

A district must not use or distribute a publication stating that the district treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by Title IX.

34 C.F.R. 106.8(b)(2)

Note: To distinguish the process described below from the district's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of Title IX sexual harassment in an education program or activity and against a person in the United States as the district's "Title IX formal complaint process."

Adopting and
Publishing
Complaint
Procedures

A district must adopt and publish procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX and a Title IX formal complaint process that complies with 34 C.F.R. 106.45 for formal complaints as defined below.

A district must provide notice to the Parties Entitled to Notice, above, of the district's procedures and Title IX formal complaint process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the district will respond.

The requirements of this provision apply only to sex discrimination occurring against a person in the United States.

34 C.F.R. 106.8(c)-(d)

Response to Sexual
Harassment
Definitions

"Actual knowledge" means notice of sexual harassment or allegations of sexual harassment to a district's Title IX Coordinator or any official of the district who has authority to institute corrective measures on behalf of the district, or to any employee of an elementary and secondary school. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the district with actual knowledge is the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the district. "Notice" as

used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator.

“Complainant” means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

“Consent” is not defined by the Title IX regulations, nor do the regulations require districts to adopt a particular definition of consent with respect to sexual assault.

“Formal complaint” means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the district with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the district. As used in this paragraph, the phrase “document filed by a complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party to a Title IX formal complaint, and must comply with the requirements of the Title IX formal complaint process, including the informal resolution process.

“Respondent” means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

“Sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district’s education program or activity; or
3. “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

“Supportive measures” means nondisciplinary, nonpunitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or district-provided housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

34 C.F.R. 106.2, .30(a)

Deliberate Indifference

A district with actual knowledge of sexual harassment in an education program or activity of the district against a person in the United States, must respond promptly in a manner that is not deliberately indifferent. A district is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

Education Program or Activity

For the purposes of 34 C.F.R. 106.30 [see Definitions, above] and 106.45 [see Process for Title IX Formal Complaint, below], “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs.

34 C.F.R. 106.44(a)

Title IX Coordinator Response

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant’s wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint. The Title IX Coordinator must respond in this manner with or without a formal complaint. *34 C.F.R. 106.44(b)(1)*

<i>Supportive Measures Required</i>	A district's response must treat complainants and respondents equitably by offering supportive measures and by following a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below] before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. [For Emergency Removal procedures, see below.]
<i>Constitutional Restrictions</i>	The Department of Education may not deem a district to have satisfied the district's duty to not be deliberately indifferent under Title IX based on the district's restriction of rights protected under the U.S. Constitution, including the First Amendment, Fifth Amendment, and Fourteenth Amendment. <i>34 C.F.R. 106.44(a)</i>
<i>Response to a Formal Complaint</i>	In response to a formal complaint, a district must follow a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below]. <i>34 C.F.R. 106.44(b)(1)</i>
<i>Emergency Removal</i>	The Title IX regulations do not preclude a district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district: <ol style="list-style-type: none">1. Undertakes an individualized safety and risk analysis;2. Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal; and3. Provides the respondent with notice and an opportunity to challenge the decision immediately following the removal. <p>This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.</p> <i>34 C.F.R. 106.44(c)</i>
<i>Administrative Leave</i>	The Title IX regulations do not preclude a district from placing a nonstudent employee respondent on administrative leave during the pendency of a Title IX formal complaint. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act. <i>34 C.F.R. 106.44(d)</i>
Process for Title IX Formal Complaint	For the purpose of addressing formal complaints of sexual harassment, a district's process must comply with the following requirements. Any provisions, rules, or practices other than those required by this provision that a district adopts as part of its process for han-

ding formal complaints of sexual harassment must apply equally to both parties. *34 C.F.R. 106.45(b)*

A district's Title IX formal complaint process must:

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following a process that complies with the Title IX regulations before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies must be designed to restore or preserve equal access to the district's education program or activity. Such remedies may include the same individualized services described as supportive measures; however, remedies need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent;
2. Require an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence—and provide that credibility determinations may not be based on a person's status as a complainant, respondent, or witness;
3. Require that any individual designated by a district as a Title IX Coordinator, investigator, decision-maker, or any person designated by a district to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A district must ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment, the scope of the district's education program or activity, how to conduct an investigation and Title IX formal complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. A district must ensure that decision-makers receive training on any technology to be used at a live hearing, if any, and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. [See Hearings, below] A district also must ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. [See Investigation of a Formal Complaint, below] Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal res-

olution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment;

4. Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process;
5. Include reasonably prompt time frames for conclusion of the Title IX formal complaint process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes, and a process that allows for the temporary delay of the Title IX formal complaint process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities;
6. Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility;
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, apply the same standard of evidence for formal complaints against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment;
8. Include the procedures and permissible bases for the complainant and respondent to appeal;
9. Describe the range of supportive measures available to complainants and respondents; and
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

34 C.F.R. 106.45(b)(1)

*Notice of
Allegations*

Upon receipt of a formal complaint, a district must provide the following written notice to the parties who are known:

1. Notice of the district's Title IX formal complaint process, including any informal resolution process.
2. Notice of the allegations of sexual harassment potentially constituting sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:
 - a. The identities of the parties involved in the incident, if known;
 - b. The conduct allegedly constituting sexual harassment; and
 - c. The date and location of the alleged incident, if known.

The written notice must include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process. The written notice must inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney and may inspect and review evidence [see Investigation of a Formal Complaint, below]. The written notice must inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the Title IX formal complaint process.

If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Notice of Allegations, above, the district must provide notice of the additional allegations to the parties whose identities are known.

34 C.F.R. 106.45(b)(2)

*Dismissal of a
Formal Complaint*

The district must investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment even if proved, did not occur in the district's education program or activity, or did not occur against a person in the United States, then the district must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX; such a dismissal does not preclude action under another provision of the district's code of conduct.

The district may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing: a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allega-

tions therein; the respondent is no longer enrolled or employed by the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal required or permitted pursuant to 34 C.F.R. 106.45(b)(3), the district must promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties.

*Consolidation of
Formal
Complaints*

A district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a Title IX formal complaint process involves more than one complainant or more than one respondent, references in this provision to the singular "party," "complainant," or "respondent" include the plural, as applicable.

34 C.F.R. 106.45(b)(3)-(4)

*Investigation of a
Formal Complaint*

When investigating a formal complaint and throughout the Title IX formal complaint process, a district must:

1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a Title IX formal complaint (if a party is not an "eligible student," as defined in 34 C.F.R. 99.3 then the district must obtain the voluntary, written consent of a "parent," as defined in 34 C.F.R. 99.3) [see FL(LEGAL) at Education Records];
2. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
3. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
4. Provide the parties with the same opportunities to have others present during any Title IX formal complaint proceeding, in-

cluding the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or Title IX formal complaint proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 days to submit a written response, which the investigator will consider prior to completion of the investigative report. The district must make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and
7. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to a hearing (if a hearing is required or otherwise provided) or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

34 C.F.R. 106.45(b)(5)

Hearings

The district's Title IX formal complaint process may, but need not, provide for a hearing. With or without a hearing, after the district has sent the investigative report to the parties pursuant to 34 C.F.R. 106.45(b)(5)(vii) [see Investigation of a Formal Complaint, above] and before reaching a determination regarding responsibility, the decision-maker(s) must afford each party the opportunity to

submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. With or without a hearing, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant. *34 C.F.R. 106.45(b)(6)(ii)*

*Determination
Regarding
Responsibility*

The decision-maker(s), who cannot be the same person(s) as the Title IX Coordinator or the investigator(s), must issue a written determination regarding responsibility. To reach this determination, the district must apply the standard of evidence described at Process for Title IX Formal Complaint, above.

The written determination must include:

1. Identification of the allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of the district's code of conduct to the facts;
5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
6. The district's procedures and permissible bases for the complainant and respondent to appeal.

The district must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is

filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

34 C.F.R. 106.45(b)(7)(i)-(ii)

*Implementation
of Remedies*

The Title IX Coordinator is responsible for effective implementation of any remedies. *34 C.F.R. 106.45(b)(7)(iv)*

Appeals

A district must offer both parties an appeal from a determination regarding responsibility, and from a district's dismissal of a formal complaint or any allegations therein, on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

A district may offer an appeal equally to both parties on additional bases.

As to all appeals, the district must:

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
3. Ensure that the decision-maker(s) for the appeal complies with the standards in the Title IX regulations regarding conflict of interest and bias [see Process for Title IX Formal Complaint, item 3, above];
4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
5. Issue a written decision describing the result of the appeal and the rationale for the result; and
6. Provide the written decision simultaneously to both parties.

34 C.F.R. 106.45(b)(8)

*Informal
Resolution*

A district may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with Title IX. Similarly, a district may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

1. Provides to the parties a written notice disclosing:
 - a. The allegations;
 - b. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the Title IX formal complaint process with respect to the formal complaint; and
 - c. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
2. Obtains the parties' voluntary, written consent to the informal resolution process; and
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

34 C.F.R. 106.45(b)(9)

Recordkeeping

A district must maintain for a period of seven years records of:

1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;
2. Any appeal and the result therefrom;
3. Any informal resolution and the result therefrom; and

4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. A district must make these training materials publicly available on its website or if the district does not maintain a website the district must make these materials available upon request for inspection by members of the public.

For each response required under Title IX Coordinator Response, above, a district must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity.

If a district does not provide a complainant with supportive measures, then the district must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

34 C.F.R. 106.45(b)(10)

Retaliation
Prohibited

No district or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under Title IX.

Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

Complaints alleging retaliation may be filed according to the Process for Title IX Formal Complaint above.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by Title IX.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX formal complaint proceeding does not constitute retaliation prohib-

ited by Title IX, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

34 C.F.R. 106.71(a)-(b)

Confidentiality

The district must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA) statute, 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. Part 99, or as required by law, or to carry out the purposes of 34 C.F.R. Part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. *34 C.F.R. 106.71(a)*

UIL Rules and District Policies

A student enrolled in a district or who participates in an extracurricular activity or a University Interscholastic League (UIL) competition is subject to district policy and UIL rules regarding participation only when the student is under the direct supervision of an employee of the school or district in which the student is enrolled or at any other time specified by resolution of a board. *Education Code 33.081(b)* [See FO regarding additional standards of conduct for extracurricular activities]

Athletic Activities

UIL Forms

Each student participating in an extracurricular athletic activity must complete the UIL forms entitled "Preparticipation Physical Evaluation — Medical History" and "Acknowledgement of Rules." Each form must be signed by both the student and the student's parent or guardian. *Education Code 33.203(a)*

Notices

Each school that offers an extracurricular athletic activity shall:

1. Prominently display at its administrative offices the telephone number and electronic mail address that the commissioner of education maintains for reporting violations of Education Code Chapter 33, Subchapter F; and
2. Provide each student participant and the student's parent or guardian a copy of the text of Education Code 33.201-33.207 and a copy of the UIL's parent information manual. The document may be provided in an electronic format unless otherwise requested.

Education Code 33.207(b), .208

Records

A superintendent shall maintain complete and accurate records of the district's compliance and the district shall make available to the public proof of compliance for each person enrolled in the district who is required to receive safety training.

A campus that is determined by the superintendent to be out of compliance with the safety training requirements or the requirements regarding unsafe practices and safety precautions (see below) shall be subject to the range of penalties determined by the UIL.

Education Code 33.206

Unsafe Practices

A coach, trainer, or sponsor for an extracurricular athletic activity may not encourage or permit a student participant to engage in any unreasonably dangerous athletic technique that unnecessarily endangers the health of a student, including using a helmet or any other sports equipment as a weapon. *Education Code 33.204*

- Safety Precautions A coach, trainer, or sponsor for an extracurricular athletic activity shall at each athletic practice or competition ensure that:
1. Each student participant is adequately hydrated;
 2. Any prescribed asthma medication for a student participant is readily available to the student;
 3. Emergency lanes providing access to the practice or competition area are open and clear; and
 4. Heatstroke prevention materials are readily available.
- If a student participating in a practice or competition becomes unconscious during the activity, the student may not:
1. Return to the activity during which the student became unconscious; or
 2. Participate in any extracurricular athletic activity until the student receives written authorization for such participation from a physician.

Education Code 33.205

- Concussions “Interscholastic athletic activity” includes practice and competition, sponsored or sanctioned by a district, including a home-rule district, or a public school, including any school for which a charter has been granted under Education Code Chapter 12, or the UIL.
Education Code 38.152

“Concussion” means a complex pathophysiological process affecting the brain caused by a traumatic physical force or impact to the head or body, which may include temporary or prolonged altered brain function resulting in physical, cognitive, or emotional symptoms or altered sleep patterns, and involve loss of consciousness.
Education Code 38.151(4)

- Concussion Oversight Team* The board of a district with students enrolled who participate in an interscholastic athletic activity shall appoint or approve a concussion oversight team. *Education Code 38.153(a)*

Each concussion oversight team must include at least one physician and, to the greatest extent practicable, considering factors including the population of the metropolitan statistical area in which the district is located, district enrollment, and the availability of and access to licensed health-care professionals in the district or charter school area, must also include one or more of the following: an athletic trainer, an advanced practice nurse, a neuropsychologist, or a physician assistant. If a district employs an athletic trainer, the athletic trainer must be a member of the concussion oversight

team. If a district employs a school nurse, the school nurse may be a member of the district concussion oversight team if requested by the school nurse.

A district may include a licensed chiropractor or physical therapist as a member of the district concussion oversight team, provided that the person meets the training requirements.

Education Code 38.154

*Training
Requirements*

Each member of the concussion oversight team must have had training in the evaluation, treatment, and oversight of concussions at the time of appointment or approval as a member of the team. The members also must take a training course at least once every two years and submit proof of timely completion to the superintendent or designee in accordance with Education Code 38.158. *Education Code 38.154(c), .158(f)*

A school nurse or licensed health-care professional who is not in compliance with these training requirements may not serve on a concussion oversight team in any capacity. *Education Code 38.158(g)*

*Return-to-Play
Protocol*

Each concussion oversight team shall establish a return-to-play protocol, based on peer-reviewed scientific evidence, for a student's return to interscholastic athletics practice or competition following the force or impact believed to have caused a concussion. *Education Code 38.153(b)*

*Required Annual
Form*

A student may not participate in an interscholastic athletic activity for a school year until both the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student have signed a form for that school year that acknowledges receiving and reading written information that explains concussion prevention, symptoms, treatment, and oversight and that includes guidelines for safely resuming participation in an athletic activity following a concussion. The form must be approved by the UIL. *Education Code 38.155*

*Removal from
Play*

A student shall be removed from an interscholastic athletics practice or competition immediately if one of the following persons believes the student might have sustained a concussion during the practice or competition: a coach; a physician; a licensed health-care professional, as defined by Education Code 38.151(5); a licensed chiropractor or physical therapist; a school nurse; or the student's parent or guardian or another person with legal authority to make medical decisions for the student. *Education Code 38.156*

Return to Play

A student removed from an interscholastic athletics practice or competition under Education Code 38.156 may not be permitted to

practice or compete again following the force or impact believed to have caused the concussion until:

1. The student has been evaluated, using established medical protocols based on peer-reviewed scientific evidence, by a treating physician chosen by the student or the student's parent or guardian or another person with legal authority to make medical decisions for the student;
2. The student has successfully completed each requirement of the return-to-play protocol established under Education Code 38.153 necessary for the student to return to play;
3. The treating physician has provided a written statement indicating that, in the physician's professional judgment, it is safe for the student to return to play; and
4. The student and the student's parent or guardian or another person with legal authority to make medical decisions for the student have acknowledged that the student has completed the requirements of the return-to-play protocol necessary for the student to return to play, have provided the treating physician's written statement to the person responsible for compliance with the return-to-play protocol and the person who has supervisory responsibilities, and have signed a consent form indicating that the person signing:
 - a. Has been informed concerning and consents to the student participating in returning to play in accordance with the return-to-play protocol;
 - b. Understands the risks associated with the student returning to play and will comply with any ongoing requirements in the return-to-play protocol;
 - c. Consents to the disclosure to appropriate persons, consistent with the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191, of the treating physician's written statement and, if any, the return-to-play recommendations of the treating physician; and
 - d. Understands the immunity provisions under Education Code 38.159.

A coach of an interscholastic athletics team may not authorize a student's return to play.

The superintendent or designee shall supervise an athletic trainer or other person responsible for compliance with the return-to-play

protocol. The person who has supervisory responsibilities may not be a coach of an interscholastic athletics team.

Education Code 38.157

Immunity

These provisions do not:

1. Waive any immunity from liability of a district or of district officers or employees;
2. Create any liability for a cause of action against a district or against district officers or employees;
3. Waive any immunity from liability under Civil Practice and Remedies Code 74.151; or
4. Create any cause of action or liability for a member of a concussion oversight team arising from the injury or death of a student participating in an interscholastic athletics practice or competition, based on service or participation on the concussion oversight team.

Education Code 38.159

Football Helmet
Safety
Requirements

A district may not use a football helmet that is 16 years old or older in the district's football program. A district shall ensure that each football helmet used in the district's football program that is 10 years old or older is reconditioned at least once every two years.

A district shall maintain and make available to parents of students enrolled in the district documentation indicating the age of each football helmet used in the district's football program and the dates on which each helmet is reconditioned.

Education Code 33.094(a)-(c)

Steroid Testing

The UIL shall adopt rules for the annual administration of a steroid testing program under which high school students participating in an athletic competition sponsored or sanctioned by the league are tested at multiple times throughout the year for the presence of steroids [see FNF].

Results of such steroid tests are confidential and, unless required by court order, may be disclosed only to the student and the student's parent and the activity directors, principal, and assistant principals of the school attended by the student.

Education Code 33.091(d)-(e)

Cardiac
Assessment

A district must provide a district student who is required under UIL rule or policy to receive a physical examination before being allowed to participate in an athletic activity sponsored or sanctioned

by the UIL, information about sudden cardiac arrest and electrocardiogram testing and notification of the option of the student to request the administration of an electrocardiogram, in addition to the physical examination.

A student may request an electrocardiogram from any health-care professional, including a health-care professional provided through a district program, provided that the health-care professional is appropriately licensed in Texas and authorized to administer and interpret electrocardiograms under the health-care professional's scope of practice, as established by the health-care professional's Texas licensing act.

Immunity

These provisions do not create a cause of action or liability or a standard of care, obligation, or duty that provides a basis for a cause of action or liability against a health-care professional described in the provision, the UIL, a district, or a district officer or employee for:

1. The injury or death of a student participating in or practicing for an athletic activity sponsored or sanctioned by the UIL based on or in connection with the administration or interpretation of or reliance on an electrocardiogram; or
2. The content or distribution of the information required under these provisions or the failure to distribute the required information.

1. A participant or spectator of the activity or competition engages in, attempts to engage in, or threatens violent conduct against the official or otherwise disrupts the duties or free movement of the official; or
2. The district reasonably suspects that an incident described above may occur at the activity or competition.

Interscholastic
Athletic Competition
Based on Biological
Sex

An interscholastic athletic team sponsored or authorized by a district may not allow a student to compete in an interscholastic athletic competition sponsored or authorized by the district that is designated for the biological sex opposite to the student's biological sex as correctly stated on the student's official birth certificate, as described below, or if the student's official birth certificate is unobtainable, another government record.

Exception

An interscholastic athletic team sponsored or authorized by a district may allow a female student to compete in an interscholastic athletic competition that is designated for male students if a corresponding interscholastic athletic competition designated for female students is not offered or available.

*Birth Certificate
Statement*

For purposes of this provision, a statement of a student's biological sex on the student's official birth certificate is considered to have correctly stated the student's biological sex only if the statement was entered at or near the time of the student's birth or modified to correct any type of scrivener or clerical error in the student's biological sex.

Education Code 33.0834

Water Activities

“Body of water” means an artificial or natural body of water, including a swimming pool, lake, or river, typically used for recreational swimming, bathing, or play. The term does not include a wading pool.

“Child” means an individual younger than 12 years of age.

“Organized water activity” means an activity an organization conducts in which a participant will enter or travel on a body of water as part of the activity.

“Wading pool” means a pool, including a pool that contains a public interactive water feature and fountain as defined by department rule, with a maximum water depth of not more than 18 inches.

Parent Affirmation

An organization, including a school, that authorizes a child to engage in an organized water activity shall require the child's parent or legal guardian to affirm in writing whether the child is able to swim or is at risk of injury or death when swimming or otherwise accessing a body of water.

Flotation Device
Required

The organization shall provide to each child who is unable to swim or is at risk of injury or death when swimming or otherwise entering a body of water a properly fitted and fastened Type I, II, or III United States Coast Guard approved personal flotation device or a device the executive commissioner of Texas Health and Human Services determines is equivalent. The organization shall ensure

the child is wearing the personal flotation device and the device is properly fitted and fastened for the child.

The organization is not required to provide a child with a flotation device or ensure the child is wearing the device if the child is actively participating in swim instruction or a competition and the organization ensures each child participating in the instruction or a competition is closely supervised during the instruction or competition.

Failure to Comply

An organization that violates this provision or rules adopted under this provision is subject to disciplinary action.

Health and Safety Code 341.0646(a)-(e)

Rodeos

This section applies only to a primary or secondary school that sponsors, promotes, or otherwise is associated with a rodeo in which children who attend the school are likely to participate.

“Rodeo” means an exhibition or competition, without regard to whether the participants are compensated, involving activities related to cowboy skills, including:

1. Riding a horse, with or without a saddle, with the goal of remaining on the horse while it attempts to throw off the rider;

3. Roping an animal, including roping as part of a team;
4. Wrestling a steer; and
5. Riding a horse in a pattern around preset barrels or other obstacles.

Educational Program

A primary or secondary school to which this section applies shall, before the first rodeo associated with the school in each school year, conduct a mandatory educational program on safety, including the proper use of protective gear, for children planning to participate in the rodeo, in accordance with 25 Administrative Code 104.4. The educational program may consist of an instructional video, subject to the Department of State Health Services approval.

Restriction on Participation

A child may not participate in a rodeo associated with the child’s school during a school year unless the child has completed the educational program not more than one year before the first day of the rodeo.

Protective Gear for Bull Riding

A child may not engage in bull riding, including engaging in bull riding outside a rodeo for the purpose of practicing bull riding, unless

the child is wearing a protective vest and bull riding helmet in accordance with 25 Administrative Code 104.3.

Health and Safety Code 768.001(6), .003; 25 TAC 104.2-4

Eligibility

A student otherwise eligible to participate in an extracurricular activity or a UIL competition is not ineligible because the student is enrolled in a course offered for joint high school and college credit, or in a course offered under a concurrent enrollment program, regardless of the location at which the course is provided. *Education Code 33.087*

Military Dependents

The district shall facilitate the opportunity for transitioning military children's inclusion in extracurricular activities, regardless of application deadlines, to the extent they are otherwise qualified. *Education Code 162.002 art. VI, § B* [See FDD]

Attendance and Participation

The State Board of Education (SBOE) by rule shall limit participation in and practice for extracurricular activities during the school day and the school week.

The board of a district may adopt a policy establishing the number of times a student who is otherwise eligible to participate in an extracurricular activity may be absent from class to participate in an extracurricular activity sponsored or sanctioned by the district, UIL, or an organization sanctioned by board resolution. The policy must permit a student to be absent from class at least 10 times during the school year, and the policy prevails over any conflicting policy adopted by the SBOE.

Education Code 33.081(a), .0811

SBOE Rules

The following provisions apply to any UIL activity.

Other organizations requiring student participation that causes a student to miss a class may request sanction from a board. If sanctioned by resolution of the board, student participation in the organization's activities shall be subject to all provisions of statute and to 19 Administration Code 76.1001. If a board does not grant sanction, any absences incurred by a student while participating with that organization's activities shall be subject to the attendance provisions of the Education Code. *19 TAC 76.1001(f)* [See FEB]

Extracurricular Activities

An extracurricular activity is an activity sponsored by the UIL, a board, or an organization sanctioned by board resolution. The activity is not necessarily directly related to instruction of the essential knowledge and skills but may have an indirect relation to some areas of the curriculum.

Extracurricular activities include, but are not limited to, public performances, contests, demonstrations, displays, and club activities. In addition, an activity is subject to this policy if any one of the following criteria applies:

1. The activity is competitive;
2. The activity is held in conjunction with another activity that is considered extracurricular;
3. The activity is held off-campus, except in a case in which adequate facilities do not exist on campus;
4. The general public is invited; or
5. An admission is charged.

Exceptions

Public Performances

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved course that requires demonstration of the mastery of the essential knowledge and skills in a public performance, may participate in the performance if:

1. The general public is invited; and
2. The requirement for student participation in public is stated in the essential knowledge and skills of the course.

State-Approved Music Courses

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved music course that participates in UIL Concert and Sight-Reading Evaluation, may perform with the ensemble during the UIL evaluation performance.

19 TAC 76.1001(a)

Limits on Participation and Practice

During the School Week

Limitations on practice, rehearsal, and student participation during the school week shall be as follows:

1. For any given extracurricular activity, a student may not participate in more than one activity per school week, excluding holidays, except as provided in item 2, below.
2. A student may also participate in a tournament or post-district contest, as well as a contest postponed by weather or public disaster that may determine advancement to a post-district level of competition.
3. For each extracurricular activity, a district must limit students to a maximum of eight hours of practice and rehearsal outside the school day per school week.
4. The commissioner recommends that districts avoid scheduling extracurricular activities or public performances on the day

or evening immediately preceding the day on which the statewide student assessment program is scheduled for grades 3-11.

19 TAC 76.1001(d); Education Code 33.081(a)

*During the
School Day*

Limitations on practice and rehearsal during the school day shall be as follows:

1. A district must limit a student to one period of practice during the regularly scheduled school day for practice of extracurricular activities, such as athletics, drill team, or cheerleading.
2. The limit in item 1 does not prohibit a student from enrolling in any state-approved class. A student who is enrolled in a state-approved class that includes essential knowledge and skills that relate to the preparation for an extracurricular activity may practice that extracurricular activity for no more than one period during the school day.
3. A student may not be permitted to miss a scheduled academic class to practice for an unrelated extracurricular activity.
4. A district must limit extracurricular practice during the school day to ensure that class periods for extracurricular practice do not exceed the time allotted for other class periods.
5. Regardless of the schedule type in place (traditional or non-traditional), a school may elect to practice extracurricular activities daily, provided the total minutes allowed for the extracurricular practice is not greater than 300 minutes during the school week.

19 TAC 76.1001(e); Education Code 33.081(a)

Record of Absences

A district shall maintain an accurate record of extracurricular absences for each student in the district each school year. *19 TAC 76.1001(c)*

Students Receiving
Outpatient Mental
Health Services

A district may not adopt or enforce policies that restrict participation in UIL activities by a student who receives outpatient mental health services from a mental health facility and is enrolled in the district or otherwise receives public education services from a district based solely on the student's receipt of outpatient mental health services from a mental health facility or the student's absence during instructional time while receiving outpatient mental health services from a mental health facility.

This provision does not exempt a student to whom this section applies from any eligibility requirement for participation in UIL activi-

ties other than an eligibility requirement based solely on the criteria of receipt of outpatient mental health services from a mental health facility.

Education Code 33.0833(c)-(d)

Participation by
Homeschooled
Students

A public school that participates in an activity sponsored by UIL may provide a non-enrolled student, who otherwise meets UIL eligibility standards to represent that school in a UIL activity, with the opportunity to participate in the activity on behalf of the school in the same manner that the school provides the opportunity to participate to students enrolled in the school.

"Non-enrolled student" means a student who receives instruction as a homeschooled student as described by Education Code 29.916(a)(1) from a nonpublic school [see EK].

Relevant Policies

A non-enrolled student who seeks to participate or participates in a UIL activity on behalf of a school is subject to the following relevant policies that apply to students enrolled in the school:

1. Registration for UIL activities;
2. Age eligibility;
3. Fees;
4. Insurance;
5. Transportation;
6. Physical condition;
7. Qualifications;
8. Responsibilities;
9. Event schedules;
10. Standards of behavior; and
11. Performance.

*Residency
Requirements*

A non-enrolled student may only participate in a UIL activity for the school in the district that the student would be eligible to attend based on the student's residential address. A non-enrolled student who seeks to participate in a UIL activity on behalf of a school shall be required to establish minimum proof of residency acceptable to the district in the same manner as an applicant to attend a school in the district under Education Code 25.001 [see FD].

*Academic
Requirements*

The parent or person standing in parental relation to a non-enrolled student is responsible for oversight of academic standards relating

to the student's participation in a UIL activity. As a condition of eligibility to participate in a UIL activity during the first six weeks of a school year, a non-enrolled student must demonstrate grade-level academic proficiency on any nationally recognized, norm-referenced assessment instrument, such as the Iowa Test of Basic Skills, Stanford Achievement Test, California Achievement Test, or Comprehensive Test of Basic Skills. A non-enrolled student demonstrates the required academic proficiency by achieving a composite, core, or survey score that is within the average or higher than average range of scores, as established by the applicable testing service. A district shall accept assessment results administered or reported by a third party.

A non-enrolled student's demonstration of academic proficiency is sufficient for the school year in which the student achieves the required score and the subsequent school year.

After the first six weeks of a school year, the parent or person standing in parental relation to a non-enrolled student participating in a UIL activity on behalf of a public school must periodically, in accordance with the school's grading calendar, provide written verification to the school indicating that the student is receiving a passing grade in each course or subject being taught.

Previous Enrollment in Public School

A non-enrolled student is not authorized by this section to participate in a UIL activity during the remainder of any school year during which the student was previously enrolled in a public school.

Prohibitions

With respect to a non-enrolled student's education program, nothing in these provisions shall be construed to permit an agency of this state, a public school district, or any other governmental body to exercise control, regulatory authority, or supervision over a non-enrolled student or a parent or person standing in parental relation to a non-enrolled student beyond the control, regulatory authority, or supervision required to participate in a UIL activity.

Subject only to eligibility requirements, the curriculum or assessment requirements, performance standards, practices, or creed of the education program provided to a non-enrolled student may not be required to be changed in order for the non-enrolled student to participate in a UIL activity. Subject only to eligibility requirements, for a non-enrolled student participating in an education program on January 1, 2021, the education program provided to that student may not be required to comply with any state law or agency rule relating to that education program unless the law or rule was in effect on January 1, 2021.

UIL Classification

When assigning league classification to a public school based on student enrollment, the UIL must use the same student enrollment

calculation formula for a school that allows a non-enrolled student to participate in a league activity as the formula used to determine the student enrollment of a school that does not allow a non-enrolled student to participate in the league activity.

Education Code 33.0832

UIL Allotment

For each nonenrolled student who participates in a UIL activity for a school in a district that allows participation of nonenrolled students, the district is entitled to an annual allotment of \$1,500 per UIL activity in which the nonenrolled student participates. *Education Code 48.305*

Definitions

“Activity season” means the period established by a school or the UIL in which practices, rehearsals, and interschool competitions or contests take place.

“Nonenrolled student” means a student who predominantly receives instruction in a general elementary or secondary education program that is provided by the parent, or a person standing in parental authority, in or through the child’s home. This may include a student who is designated as enrolled, not in membership.

“Participation” means the active involvement of a student in a minimum of 75 percent of a combined total of practices, rehearsals, or preparation activities and associated competitions and contests, including selection as an alternate, for a specific UIL activity.

“University Interscholastic League or UIL activity” means any official UIL activity identified in the UIL Constitution and Contest Rules, not including pilot activities.

UIL activities shall:

1. Be overseen by a school district-approved coach or sponsor;
2. Provide for a minimum of four weeks of coach- or sponsor-led practice, rehearsal, or preparation specific to the activity within the designated activity season; and
3. Provide opportunities for students to take part in formal, interschool competitions or contests in the associated activity during the designated activity season.

A district may still receive the allotment if a student began the activity season without injury or illness and later experienced an injury or prolonged illness that prevented participation.

For audit purposes, a district shall maintain documentation to support the requirements of this provision.

A district will be provided with estimated funding during a school year for nonenrolled students in accordance with 19 Administrative Code 105.1031(g).

19 TAC 105.1031

Suspension from Extracurricular Activities

A student shall be suspended from participation in any extracurricular activity sponsored or sanctioned by a district or the UIL after a grade evaluation period in which the student received a grade lower than the equivalent of 70 on a scale of 100 in any academic class other than a course described below at Exempt Courses.

Length of Suspension

A suspension continues for at least three school weeks and is not removed during the school year until the conditions of Reinstatement, described below, are met. A suspension shall not last beyond the end of a school year.

Grade Evaluation Period

“Grade evaluation period” means:

1. The six-week grade reporting period; or
2. The first six weeks of a semester and each grade reporting period thereafter, in the case of a district with a grade reporting period longer than six weeks.

Education Code 33.081(c)

School Week

The school week is defined as beginning at 12:01 a.m. on the first instructional day of the calendar week and ending at the close of instruction on the last instructional day of the calendar week, excluding holidays. *19 TAC 76.1001(b)*

Exempt Courses

The suspension and reinstatement provisions of Education Code 33.081(c) and (d) do not apply to an advanced placement or international baccalaureate course, or to an honors or dual credit course in the subject areas of English language arts, mathematics, science, social studies, economics, or a language other than English. *Education Code 33.081(d-1)*

Honors classes for purposes of eligibility to participate in extracurricular activities are listed at 19 Administrative Code 74.30(a).

Districts may identify additional honors courses in the subject areas of English language arts, mathematics, science, social studies, or a language other than English for the purposes of extracurricular eligibility but must identify such courses before the semester in which any exemptions related to extracurricular activities occur.

Districts are neither required to nor restricted from considering courses as honors for the purpose of grade point average calculation.

19 TAC 74.30

Students with
Disabilities

In the case of a student with a disability that significantly interferes with the student's ability to meet regular academic standards, suspension must be based on the student's failure to meet the requirements of the student's individualized education program (IEP). The determination of whether the disability substantially interferes with the student's ability to meet the requirements of the student's IEP must be made by the admission, review, and dismissal (ARD) committee.

For the purposes of this provision, "student with a disability" means a student who is eligible for a district's special education program under Education Code 29.003(b).

Education Code 33.081(e)

Practice or
Rehearsal

A student suspended under Education Code 33.081 may practice or rehearse with other students for an extracurricular activity but may not participate in a competition or other public performance. This provision does not apply to a student prohibited from participation for certain conduct involving extracurricular officials [see below]. *Education Code 33.081(f)*

Reinstatement

Until the suspension is removed or the school year ends, a district shall review the grades of a student at the end of each three-week period following the date on which the suspension began. At the time of a review, the suspension is removed if the student's grade in each class, other than a course described above at Exempt Courses, is equal to or greater than the equivalent of 70 on a scale of 100. The principal and each of the student's teachers shall make the determination concerning the student's grades. *Education Code 33.081(d)*

Suspension for
Certain Conduct
Involving
Extracurricular
Officials

A student who is enrolled in a district in Texas or who participates in a UIL competition shall be prohibited from participation in any future extracurricular activity sponsored or sanctioned by the district or the UIL if the state executive committee of the league determines that the student intentionally, knowingly, or recklessly causes bodily injury to a person serving as referee, judge, or other official of an extracurricular activity in retaliation for or as a result of the person's actions taken in performing the duties of a referee, judge, or other official of the extracurricular activity.

*Reinstatement
After Conduct*

A student prohibited from participation may submit to the UIL a request that the student be permitted to participate in future extracurricular activities sponsored or sanctioned by the UIL. The request must be submitted at least one year after the date the student engaged in the conduct that resulted in the prohibition if the student was enrolled in eighth grade or below at the time of the conduct or two years after the date the student engaged in the conduct that resulted in the prohibition if the student was enrolled in ninth grade or above at the time of the conduct.

Education Code 33.081(e-1)-(e-2)

**Spectator
Suspension**

A district shall prohibit a spectator of an extracurricular athletic activity or competition, including a parent or guardian of a student participant, from attending any future extracurricular athletic activity or competition sponsored or sanctioned by the district or the UIL if the spectator engages in conduct that intentionally, knowingly, or recklessly causes bodily injury to a person serving as referee, judge, or other official of an extracurricular athletic activity or competition in retaliation for or as a result of the person's actions taken in performing the duties of a referee, judge, or other official of the extracurricular athletic activity or competition.

A district may establish an appeals process by which a person may appeal the prohibition to the district and the district may determine the facts associated with the conduct for which the district imposed the prohibition.

A prohibition imposed under this provision must be for not less than one year after the date on which the prohibition is imposed but may not exceed five years from the date on which the prohibition is imposed.

Education Code 33.081(f-1)-(f-3)

**Parental Notice and
Consent**

A parent is entitled to full information regarding the school activities of a parent's child except as provided by Education Code 38.004 (child abuse investigations). *Education Code 26.008(a)*

Anonymous
Evaluations

Anonymous evaluations of a student that determine whether the student may participate in a school-related program do not provide full information about the student's school activities. A district may by policy establish the parameters for parental contact with evaluating teachers, taking into account the type of evaluation, the information elicited in the evaluation, and scheduling and workload requirements of the teachers. *Byard v. Clear Creek Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 020-R5-1001 (June 17, 2002)*

Videotaping and Recording	A district employee is not required to obtain the consent of a child's parent before the employee may videotape the child or record the child's voice if the videotape or recording is to be used only for a purpose related to a cocurricular or extracurricular activity. <i>Education Code 26.009(b)(2)</i>
Discriminatory Club	An extracurricular activity sponsored or sanctioned by a district, including an athletic event or an athletic team practice, may not take place at an athletic club located in the United States that denies any person full and equal enjoyment of equipment or facilities provided by the athletic club because of the person's race, color, religion, creed, national origin, or sex. "Athletic club" means an entity that provides sports or exercise equipment or facilities to its customers or members or to the guests of its customers or members. <i>Education Code 33.082</i>
Special Olympics Recognition	If a district allows high school students to earn a letter for academic, athletic, or extracurricular achievements, the district must allow high school students to earn a letter on the basis of a student's participation in a Special Olympics event. <i>Education Code 33.093</i>
Student Election Clerks	Unless applied toward instructional requirements [see EIA], a student who is appointed as a student election clerk under Election Code 32.0511 or as a student early voting clerk under Election Code 83.012, may apply the time served toward a service requirement for participation in a school-sponsored extracurricular activity at the discretion of the school sponsor. <i>Education Code 33.092</i>
Before-School and After-School Programs	The board may establish before-school or after-school programs for students enrolled in elementary or middle school grades. A program established under this section may operate before, after, or before and after school hours. A student is eligible to participate in the district's before-school or after-school program if the student is enrolled in a public or private school or resides within the boundaries of the district. A district shall conduct a request for proposals procurement process to enable the district to determine if contracting with a child-care facility that provides a before-school or after-school program, as defined by Human Resources Code 42.002, to provide the district's before-school or after-school program would serve the district's best interests. Following the request for proposals procurement process, the district may enter into a contract with a child-care facility or implement a before-school or after-school program operated by the district. If the district enters into a contract

with a child-care facility, the contract must comply with the requirements of Education Code 44.031 and may not exceed a term of three years.

The board may adopt rules in accordance with Education Code 11.165 [see BAA] to provide access to school campuses before or after school hours for the purpose of providing a before-school or after-school program.

First Amendment

A district shall take no action respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition a board for a redress of grievances.
U.S. Const. Amend. I

Freedom of Speech

Students do not shed their constitutional rights to freedom of speech or expression at the schoolhouse gate. At school and school events, students have First Amendment rights, applied in light of the special characteristics of the school environment.

Student expression that is protected by the First Amendment may not be prohibited absent a showing that the expression will materially and substantially interfere with the operation of the school or the rights of others.

Tinker v. Des Moines Indep. Cmty. Sch. Dist., 393 U.S. 503 (1969)
[See also FNCI]

The special characteristics of the school environment and the governmental interest in stopping student drug abuse allow a district to restrict student expression that it reasonably regards as promoting illegal drug use. *Morse v. Frederick*, 551 U.S. 393 (2007)

When a student threatens violence against a student body, such specific threatening speech to a school or its population is unprotected by the First Amendment: school officials may punish such speech without first collecting evidence sufficient to prove a reasonable belief that disruption would occur as a result of the speech. *Ponce v. Socorro Indep. Sch. Dist.*, 508 F.3d 765 (5th Cir. 2007)

The inculcation of fundamental values necessary to the maintenance of a democratic society is part of the work of the school. The First Amendment does not prevent school officials from determining that particular student expression is vulgar and lewd, and therefore contrary to the school's basic educational mission. *Bethel Sch. Dist. No. 403 v. Fraser*, 478 U.S. 675 (1986)

Public schools may have a special interest in regulating some off-campus student speech, however, the interest must be sufficient to overcome the student's interest in free expression. Circumstances that may implicate a school's regulatory interests include serious or severe bullying or harassment targeting particular individuals; threats aimed at teachers or other students; the failure to follow rules concerning lessons, the writing of papers, the use of computers, or participation in other online school activities; and breaches of school security devices. *Mahanoy Area School District v. *Prayer at School
Activities*

A public school student has an absolute right to individually, voluntarily, and silently pray or meditate in school in a manner that does not disrupt the instructional or other activities of the school. A student shall not be required, encouraged, or coerced to engage in or refrain from such prayer or meditation during any school activity.
Education Code 25.901

Nothing in the Constitution as interpreted by the U.S. Supreme Court prohibits any public school student from voluntarily praying at any time before, during, or after the school day. But the religious liberty protected by the Constitution is abridged when a district affirmatively sponsors the particular religious practice of prayer.

A district shall not adopt a policy that establishes an improper majoritarian election on religion and has the purpose and creates the perception of encouraging the delivery of prayer at a series of important school events.

Santa Fe Indep. Sch. Dist. v. Doe, 530 U.S. 290 (2000) (addressing school-sponsored, student-led prayer delivered over the public address system at high school football games) [For invocations and benedictions at commencement, see FMH.]

Federal Funds

As a condition of receiving federal funds under the Elementary and Secondary Education Act (ESEA), a district shall certify in writing to the Texas Education Agency (TEA) that no policy of the district prevents, or otherwise denies participation in, constitutionally protected prayer in public schools, as detailed in the guidance from the United States secretary of education regarding constitutionally protected prayer. The certification shall be provided by October 1 of each year.

By November 1 of each year, TEA shall report to the secretary a list of districts that have not filed the certification or against which complaints have been made to TEA that the district is not in compliance with this section. The secretary may issue and secure compliance with rules or orders with respect to a district that fails to certify, or is found to have certified in bad faith, that no policy of the district prevents, or otherwise denies participation in, constitutionally protected prayer in public schools.

20 U.S.C. 7904

**Expression of
Religious Viewpoints**

A district shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious view-

point expressed by the student on an otherwise permissible subject. *Education Code 25.151*

Policies

A district shall adopt and implement a local policy regarding a limited public forum and voluntary student expression of religious viewpoints. If a district voluntarily adopts and follows the model policy governing voluntary religious expression in public schools at Education Code 25.156, the district is in compliance with the provisions of Education Code Chapter 25, Subchapter E covered by the model policy.

A district shall adopt a policy that includes the establishment of a limited public forum for student speakers at all school events at which a student is to publicly speak. The policy regarding the limited public forum must also require a district to:

1. Provide the forum in a manner that does not discriminate against a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject;
2. Provide a method, based on neutral criteria, for the selection of student speakers at school events and graduation ceremonies;
3. Ensure that a student speaker does not engage in obscene, vulgar, offensively lewd, or indecent speech; and
4. State, in writing, orally, or both, that the student's speech does not reflect the endorsement, sponsorship, position, or expression of the district.

Student expression on an otherwise permissible subject may not be excluded from the limited public forum because the subject is expressed from a religious viewpoint.

Disclaimer

The disclaimer required by item 4, above, must be provided at all graduation ceremonies. A district must continue to provide the disclaimer at any other event in which a student speaks publicly for as long as a need exists to dispel confusion over the district's non-sponsorship of the student's speech.

Education Code 25.152, .155

Class Assignments

Students may express their beliefs about religion in homework, artwork, and other written and oral assignments free from discrimination based on the religious content of their submissions. Homework and classroom assignments must be judged by ordinary academic standards of substance and relevance and against other legitimate pedagogical concerns identified by a district. Students may not be

penalized or rewarded on account of the religious content of their work. *Education Code 25.153*

[For information on the study of religion, see EMI. For information on student religious groups and activities, see FNAB.]

**Patriotic
Observances**

A district may officially encourage students to express love for the United States by reciting historical documents or singing official anthems that contain religious references; such patriotic or ceremonial occasions do not constitute a school-sponsored religious exercise. *Engel v. Vitale, 370 U.S. 421 (1962)*

A district shall not, however, compel students to participate in patriotic observances. *West Virginia State Bd. of Educ. v. Barnette, 319 U.S. 624 (1943) (holding unconstitutional a requirement that students salute the United States flag and recite the Pledge of Allegiance)*

[See EC for more information regarding the pledge of allegiance.]

Winter Celebrations

A district may educate students about the history of traditional winter celebrations, and allow students and district staff to offer traditional greetings regarding the celebrations, including:

1. "Merry Christmas";
2. "Happy Hanukkah"; and
3. "Happy holidays."

A district may display on school property scenes or symbols associated with traditional winter celebrations, including a menorah or a Christmas image such as a nativity scene or Christmas tree, if the display includes a scene or symbol of more than one religion or one religion and at least one secular scene or symbol.

A display relating to a traditional winter celebration may not include a message that encourages adherence to a particular religious belief.

Education Code 29.920

**Students with
Disabilities Under
Section 504**

A district shall conduct an evaluation in accordance with 34 C.F.R. 104.35(b) before taking any action with respect to any significant change in placement of a student with a disability who needs or is believed to need special education and related services. *34 C.F.R. 104.35(a)*

A district may take disciplinary action pertaining to the use or possession of illegal drugs or alcohol against any student with a disability who is currently engaging in the illegal use of drugs or in the use of alcohol to the same extent that the district would take disciplinary action against nondisabled students. The due process procedures afforded under Section 504 do not apply to such disciplinary action. *29 U.S.C. 705(20)(C)(iv)*

Note: The provisions below apply only to students eligible for special education and related services under the Individuals with Disabilities Education Act (IDEA).

**Students Receiving
Special Education
Services**

ARD Committee
Required

Except as set forth below, the placement of a student with a disability who receives special education services may be made only by a duly constituted admission, review, and dismissal (ARD) committee. Any disciplinary action regarding the student shall be determined in accordance with federal law and regulations. *Education Code 37.004(a)-(b)*

The methods adopted in the Student Code of Conduct [see FO] for discipline management and for preventing and intervening in student discipline problems must provide that a student who is enrolled in the special education program may not be disciplined for bullying, harassment, or making hit lists until an ARD committee meeting has been held to review the conduct. *Education Code 37.001(b-1)*

DAEP Placement
Not Solely for
Educational
Purposes

A student with a disability who receives special education services may not be placed in a disciplinary alternative education program (DAEP) solely for educational purposes. A teacher in a DAEP who has a special education assignment must hold an appropriate certificate or permit for that assignment. *Education Code 37.004(c)-(d)*

**Removal for 10 Days
or Less**

School personnel may remove a student with a disability who violates a student code of conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than 10 consecutive school days, to the extent those alternatives are applied to children without disabilities. *20 U.S.C. 1415(k)(1)(B); 34 C.F.R. 300.530(b)(1)*

Education Code 37.004(b-1)

Change in
Placement

For purposes of disciplinary removal of a student with a disability, a change in placement occurs if a student is:

1. Removed from the student's current educational placement for more than 10 consecutive school days; or
2. Subjected to a series of removals that constitute a pattern because:
 - a. The series of removals total more than 10 school days in a school year;
 - b. The student's behavior is substantially similar to the student's behavior in the previous incidents that resulted in the series of removals; and
 - c. Additional factors exist, such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another.

The district determines, on a case-by-case basis, whether a pattern of removals constitutes a change in placement. The district's determination is subject to review through due process and judicial proceedings.

34 C.F.R. 300.536

School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a student who violates a code of student conduct. *20 U.S.C. 1415(k)(1)(A)*

Manifestation
Determination

Within 10 school days of any decision to change the placement of a student because of a violation of a code of student conduct, a district, parents, and relevant members of the ARD committee (as determined by the parent and the district) shall review all relevant information in the student's file, including the student's IEP, any

teacher observations, and any relevant information provided by the parents to determine whether the conduct in question was:

1. Caused by, or had a direct and substantial relationship to, the student's disability; or
2. The direct result of the district's failure to implement the IEP.

If the district, the parent, and relevant members of the ARD committee determine that either of the above is applicable, the conduct shall be determined to be a manifestation of the student's disability.

If the district, the parent, and relevant members of the ARD committee determine the conduct was the direct result of the district's failure to implement the IEP, the district must take immediate steps to remedy those deficiencies.

20 U.S.C. 1415(k)(1)(E); 34 C.F.R. 300.530(e)

Not a Manifestation

If the determination is that the student's behavior was not a manifestation of the student's disability, school personnel may apply the relevant disciplinary procedures to the student in the same manner and for the same duration as for students without disabilities. The ARD committee shall determine the interim alternative educational setting. *20 U.S.C. 1415(k)(1)(C), (k)(2); 34 C.F.R. 300.530(c)*

Expulsion

In a county with a juvenile justice alternative education program (JJAEP) [see FODA], a district must invite the administrator of the JJAEP or the administrator's designee to an ARD committee meeting convened to discuss the discretionary expulsion under Education Code 37.007 of a student with a disability. The district must provide written notice of the meeting at least five school days before the meeting or a shorter timeframe agreed to by the student's parents. A copy of the student's current IEP must be provided to the JJAEP representative with the notice. If the JJAEP representative is unable to attend the ARD committee meeting, the representative must be given the opportunity to participate in the meeting through alternative means, including conference telephone calls. The JJAEP representative may participate in the meeting to the extent that the meeting relates to the student's placement in the JJAEP and implementation of the student's current IEP in the JJAEP. *19 TAC 89.1052*

*Services During
Removal*

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.

2. Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

These services may be provided in an interim alternative educational setting.

34 C.F.R. 300.530(d)(1)-(2)

For a student with a disability who was expelled under a discretionary expulsion under Education Code 37.007, an ARD committee meeting must be convened to reconsider placement of the student in the JJAEP if the JJAEP provides written notice to the district of specific concerns that the student's education or behavioral needs cannot be met in JJAEP.

The district must invite the JJAEP administrator or the administrator's designee to the meeting and must provide written notice of the meeting at least five school days before the meeting or a shorter timeframe agreed to by the student's parents. If the JJAEP representative is unable to attend the ARD committee meeting, the representative must be given the opportunity to participate in the meeting through alternative means, including conference telephone calls. The JJAEP may participate in the meeting to the extent that the meeting relates to the student's continued placement in JJAEP.

19 TAC 89.1052

Manifestation

If the district, the parents, and relevant members of the ARD committee determine that the conduct was a manifestation of the student's disability, the ARD committee shall:

1. Conduct a functional behavioral assessment (FBA), unless the district had conducted an FBA before the behavior that resulted in the change in placement occurred, and implement a behavioral intervention plan (BIP) for the student; or
2. If a BIP has already been developed, review the BIP and modify it, as necessary, to address the behavior.

Except as provided at Special Circumstances, below, the ARD committee shall return the student to the placement from which the student was removed, unless the parent and the district agree to a change in placement as part of the modification of the BIP.

Reporting Crimes

Federal law does not prohibit a district from reporting a crime committed by a student with a disability to appropriate authorities. A district may transmit records only to the extent permitted by the Family Educational Rights and Privacy Act (FERPA). *20 U.S.C. 1415(k)(6); 34 C.F.R. 300.535* [See FL]

Students Not Yet Identified

District Knowledge

A district shall be deemed to have knowledge that a student has a disability if, before the behavior that precipitated the disciplinary action occurred:

1. The parent of the student expressed concern in writing to supervisory or administrative personnel of the district, or to the teacher of the student, that the student was in need of special education and related services;
2. The parent requested an evaluation of the student for special education and related services; or
3. The student's teacher, or other district personnel, expressed specific concerns about a pattern of behavior demonstrated by the student directly to the special education director or to other supervisory personnel of the district.

2. The parent has refused services; or
3. The student has been evaluated and it was determined that the student did not have a disability.

If a district does not have knowledge (as described above), before taking disciplinary measures, that a student has a disability, the student may be subjected to the same disciplinary measures applied to students without disabilities who engaged in comparable behaviors.

However, if a request is made for an evaluation during the time period in which the student is subjected to disciplinary measures, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

20 U.S.C. 1415(k)(5)(D); 34 C.F.R. 300.534(d)

**Behavior
Management
Techniques**

It is the policy of the state to treat all students with dignity and respect, including students with disabilities who receive special education services. Any behavior management technique and/or discipline management practice must be implemented in such a way as to protect the health and safety of the student and others. No discipline management practice may be calculated to inflict injury, cause harm, demean, or deprive the student of basic human necessities. *Education Code 37.0021(a); 19 TAC 89.1053(j)*

[For restrictions on aversive techniques, see FO.]

**Rules on Restraint
and Seclusion**

The commissioner by rule shall adopt procedures for the use of restraint and time-out by a district employee or volunteer or an independent contractor of a district in the case of a student with a disability receiving special education services. The procedures must be consistent with Education Code 37.0021(d). *Education Code 37.0021(d)*

**School Peace
Officers**

This provision and any rules or procedures adopted under this provision apply to a peace officer only if the peace officer:

1. Is employed or commissioned by a district; or
2. Provides, as a school resource officer, a regular police presence on a district campus under a memorandum of understanding between the district and a local law enforcement agency.

Education Code 37.0021(h); 19 TAC 89.1053(l)

Exceptions

Education Code 37.0021 (use of confinement, seclusion, restraint, and time-out) does not apply to:

1. A peace officer, while performing law enforcement duties, except as provided above [see School Peace Officers] and by

Education Code 37.0021(i) [see Restraint, Documentation, below];

2. Juvenile probation, detention, or corrections personnel; or

Education Code 37.0021(b)(4), (g); 19 TAC 89.1053(l), (m)

Further, Education Code 37.0021 does not prevent a student’s locked, unattended confinement in an emergency situation while awaiting the arrival of law enforcement personnel if:

1. The student possesses a weapon; and
2. The confinement is necessary to prevent the student from causing bodily harm to the student or another person.

For these purposes, “weapon” includes any weapon described under Education Code 37.007(a)(1). [See FNCG]

Education Code 37.0021(f)

Confinement

A student with a disability who receives special education services may not be confined in a locked box, locked closet, or other specially designed locked space as either a discipline management practice or a behavior management technique. *Education Code 37.0021(a)*

A district employee or volunteer or an independent contractor of a district may not place a student in seclusion. *Education Code 37.0021(c)*

“Seclusion” means a behavior management technique in which a student is confined in a locked box, locked closet, or locked room that:

1. Is designed solely to seclude a person; and
2. Contains less than 50 square feet of space.

Education Code 37.0021(b)(2)

Restraint

“Restraint” means the use of physical force or a mechanical device to significantly restrict the free movement of all or a portion of a student’s body. *19 TAC 89.1053(b)(2)*

The following provisions do not apply to the use of physical force or a mechanical device that does not significantly restrict the free movement of all or a portion of the student's body. Restraint that involves significant restriction as referenced above does not include:

1. Physical contact or appropriately prescribed adaptive equipment to promote normative body positioning and/or physical functioning;
2. Limited physical contact with a student to promote safety (e.g., holding a student's hand), prevent a potentially harmful action (e.g., running into the street), teach a skill, redirect attention, provide guidance to a location, or provide comfort;
3. Limited physical contact or appropriately prescribed adaptive equipment to prevent a student from engaging in ongoing, repetitive self-injurious behaviors, with the expectation that instruction will be reflected in the IEP as required by 34 C.F.R. 300.324(a)(2)(i) to promote student learning and reduce and/or prevent the need for ongoing intervention; or
4. Seat belts and other safety equipment used to secure students during transportation.

19 TAC 89.1053(f)

*Limitations on
Use of Restraint*

A school employee, volunteer, or independent contractor may use restraint only in an emergency and with the following limitations:

1. Restraint shall be limited to the use of such reasonable force as is necessary to address the emergency.
2. Restraint shall be discontinued at the point at which the emergency no longer exists.
3. Restraint shall be implemented in such a way as to protect the health and safety of the student and others.
4. Restraint shall not deprive the student of basic human necessities.

19 TAC 89.1053(c)

The ARD committee must use any collected data to judge the effectiveness of the intervention and provide a basis for making determinations regarding its continued use.

Civil Practices and Remedies Code 106.001(a)

Individuals with Disabilities

Federal Prohibition

No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of a district, or be subjected to discrimination by a district. Nor shall a district exclude or otherwise deny equal services, programs, or activities to an individual because of the known disability of an individual with whom the individual is known to have a relationship or association. *42 U.S.C. 12132; 28 C.F.R. 35.130(g)*

Definition

A "qualified individual with a disability" is an individual with a disability who, with or without reasonable modifications to rules, policies, or practices, the removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a district. *42 U.S.C. 12131(2); 28 C.F.R. 35.104*

Reasonable Modification

A district shall make reasonable modifications in policies, practices, or procedures when the modifications are necessary to avoid discrimination on the basis of disability, unless the district can demonstrate that making the modifications would fundamentally alter the nature of the service, program, or activity. *28 C.F.R. 35.130(b)(7)*

Communications

A district shall take appropriate steps to ensure that communications with applicants, participants, and members of the public with disabilities are as effective as communications with others. To this end, a district shall furnish appropriate auxiliary aids and services where necessary to afford an individual with a disability an equal

opportunity to participate in, and enjoy the benefits of, a service, program, or activity conducted by the district. In determining what type of auxiliary aid or service is necessary, a district shall give primary consideration to the requests of the individual with disabilities. *28 C.F.R. 35.160*

4. Other similar services and actions.

28 C.F.R. 35.104

**Limits of
Required
Modification**

A district is not required to take any action that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens. Any decision that compliance with its responsibility to provide effective communication for individuals with disabilities would fundamentally alter the service, program, or activity or unduly burden a district shall be made by a board after considering all resources available for use in funding and operating the program, service, or activity. The decision shall be accompanied by a written statement of the reasons for reaching that conclusion. *28 C.F.R. 35.164*

Notice

A district shall make available to applicants, participants, beneficiaries, and other interested persons information regarding the provisions of Title II of the Americans with Disabilities Act (ADA) and its applicability to the services, programs, or activities of the district. The information shall be made available in such manner as the board and superintendent find necessary to apprise such persons of the protections against discrimination assured them by the ADA. *28 C.F.R. 35.106*

**Compliance
Coordinator**

A district shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Title II of the ADA, including any investigation of any complaint communicated to it alleging its noncompliance or alleging any actions that would be prohibited under the ADA. A district shall make available to all interested individuals the name, office address, and tele-

phone number of the employee(s) so designated and shall adopt and publish procedures for the prompt and equitable resolution of complaints alleging any action that would be prohibited under the ADA. *28 C.F.R. 35.107* [See DAA and GF]

State Prohibition
Nondiscrimination

No person with a disability may be denied admittance to any public facility in the state because of the person's disability. No person with a disability may be denied the use of a white cane, assistance animal, wheelchair, crutches, or other device of assistance.

The discrimination prohibited by this section includes a refusal to allow a person with a disability to use or be admitted to any public facility, a ruse or subterfuge calculated to prevent or discourage a person with a disability from using or being admitted to a public facility and a failure to:

2. Make reasonable accommodations in policies, practices, and procedures; or
3. Provide auxiliary aids and services necessary to allow the full use and enjoyment of the public facility.

Regulations

Regulations relating to the use of public facilities by any designated class of persons from the general public may not prohibit the use of particular public facilities by persons with disabilities who, except for their disabilities or use of assistance animals or other devices for assistance in travel, would fall within the designated class.

Human Resources Code 121.003(c)-(e)

Religious Freedom

A district may not penalize or withhold benefits or privileges, including tax exemptions or governmental contracts, grants, or licenses, from a religious organization, an organization supervised or controlled by or in connection with a religious organization, an individual employed by a religious organization while acting in the scope of that employment, or a clergy or minister, because the organization or individual refuses to solemnize any marriage or provide services, accommodations, facilities, goods, or privileges for a purpose related to the solemnization, formation, or celebration of any marriage if the action would cause the organization or individual to violate a sincerely held religious belief. *Family Code 2.601-.602*

Adverse Action
Prohibited

Notwithstanding any other law, a district may not take any adverse action against any person based wholly or partly on the person's membership in, affiliation with, or contribution, donation, or other support provided to a religious organization. *Gov't Code 2400.002*

Definitions

This prohibition does not apply to an investment or contract with a company that boycotts Israel prohibited under Government Code Chapters 808 or 2271. [See CH] *Gov't Code 2400.0015*

Interpretation

This prohibition may not be construed to:

1. Preempt a state or federal law that is equally or more protective of the free exercise of religious beliefs or to narrow the meaning or application of a state or federal law protecting the free exercise of religious beliefs; or

**Web Content and
Mobile App
Accessibility**

Note: Using the population estimate for the district as calculated by the United States Census Bureau in the most recent Small Area Income and Poverty Estimates, a district with a total population of 50,000 or more shall comply with these requirements beginning April 24, 2026. A district with a total population of less than 50,000 shall comply beginning April 26, 2027. *28 C.F.R. 35.104, .200(b)*

A district shall ensure that web content and mobile apps that it provides or makes available, directly or through contractual, licensing, or other arrangements, are readily accessible to and usable by individuals with disabilities.

A district shall ensure that its web content and mobile apps comply with Level A and Level AA success criteria and conformance requirements specified in WCAG 2.1, unless the district can demonstrate that compliance would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens.

28 C.F.R. 35.200

Exceptions

These accessibility requirements do not apply to the following:

1. Archived web content as defined in 28 C.F.R. 35.104.
2. Conventional electronic documents that are available as part of a district's web content or mobile apps before the date the district is required to comply with 28 C.F.R. Part 35, Subpart H, unless such documents are currently used to apply for,

gain access to, or participate in the district's services, programs, or activities.

3. Content posted by a third party, unless the third party is posting due to contractual, licensing, or other arrangements with the district.
4. Conventional electronic documents that are:
 - a. About a specific individual, their property, or their account; and
 - b. Password-protected or otherwise secured.
5. A district's social media posts that were posted before the date the district is required to comply with 28 C.F.R. Part 35, Subpart H.

28 C.F.R. 35.201

Conforming
Alternate Versions

A district may use conforming alternate versions of web content, as defined by WCAG 2.1, to comply with these requirements only where it is not possible to make web content directly accessible due to technical or legal limitations. *28 C.F.R. 35.202*

Equivalent
Facilitation

Nothing in 28 C.F.R. Part 35, Subpart H prevents the use of designs, methods, or techniques as alternatives to those prescribed, provided that the alternative designs, methods, or techniques result in substantially equivalent or greater accessibility and usability of the web content or mobile app. *28 C.F.R. 35.203*

Fundamental
Alteration and
Undue Burden

Where a district can demonstrate that compliance with these requirements would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens, compliance is required to the extent that it does not result in a fundamental alteration or undue financial and administrative burdens.

In those circumstances where personnel of the district believe that the proposed action would fundamentally alter the service, program, or activity or would result in undue financial and administrative burdens, a district has the burden of proving that compliance would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the head of a district or their designee after considering all resources available for use in the funding and operation of the service, program, or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion.

If an action would result in such an alteration or such burdens, a district shall take any other action that would not result in such an

alteration or such burdens but would nevertheless ensure that individuals with disabilities receive the benefits or services provided by the district to the maximum extent possible.

28 C.F.R. 35.204

Noncompliance with
Minimal Impact on
Access

A district that is not in full compliance with these requirements will be deemed to have met the requirements in the limited circumstance in which the district can demonstrate that the noncompliance has such a minimal impact on access that it would not affect the ability of individuals with disabilities to use the district's web content or mobile app to do any of the following in a manner that provides substantially equivalent timeliness, privacy, independence, and ease of use:

1. Access the same information as individuals without disabilities;
2. Engage in the same interactions as individuals without disabilities;
3. Conduct the same transactions as individuals without disabilities; and
4. Otherwise participate in or benefit from the same services, programs, and activities as individuals without disabilities.

28 C.F.R. 35.205

**Social Security
