Executive Summary

Goals and benefits of SMS services

SMS goals and business strategy include the provision of innovative and cost-effective alternatives to public school districts' boards and superintendents for school business management and related school business functions.

SMS leadership and line management team members are keenly aware of the changing dynamics of public school management in the broader context of public school funding and management strategy, and we are committed to continuously improve and expand SMS service offerings to meet the changing needs of Minnesota's public schools.

We respectfully suggest that the following features and components of our services result in important tangible and intangible benefits for our public school district clients.

Confidence and peace of mind:

SMS client boards and superintendents are assured in that:

- SMS work performed professionally, accurately and timely;
- Administration and Board will make confident decisions based on solid financial data for the benefit of all stakeholders.

Cost and time savings that enable boards and administration to operate efficiently and focus on your responsibilities:

SMS client boards and superintendents are assured that having SMS on the team results in efficient operations and resource redundancy:

- SMS professional team members' core competencies are school business and finance;
- SMS understands the issues and can immediately and efficiently provide services;
- SMS continuously trains and develops our team members and have experienced resources in reserve to cover contingencies and emergencies;
- SMS employs best practices including latest technology;
- SMS will recommend and assist, if desired, with process improvement and business office structure
- SMS provides customized reporting at summary and detail levels to assist District Leaders in understanding the current and projected financial condition, thus allowing timely and appropriate action.

Compliance requirements are addressed efficiently and effectively:

SMS client boards and superintendents are assured that having SMS on the team results in effective, efficient and comprehensive compliance planning and execution:

- SMS supports the annual audit process by providing accurate and timely data, supplementing district resources with additional SMS staff when desired, and recommends and implements ideas that can reduce future audit costs.

In summary, the SMS team represent many years of public school management experience. On engaging SMS, your district will be supported by our growing, professional team.
