**Board Meeting Date:** 5/8/23 **Superintendent** Dave Valenzuela

**Administrator/Staff:** 

**Type of Item:**  *Informational*  *Action*

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

A group of our Lorna Byrne parents have fund raised for the eighth grade moving up field trip and would like to take all eighth grade students to the Redding Water Park (Waterworks) on June 7th. We are planning a trip to Chucky Cheese afterwards for dinner and games. We will have 1 chaperone per 10 students who will have assigned duties and will be traveling with the students on the bus.

**Provide history/background information on your proposal:**

Parents and students have worked together gathering donations, bake sales, can drives, grocery bagging, etc to be able to reward the hard work of our eighth grade class. The majority of students voted for this trip on a Google form.

**List the advantages of your proposal:**

A lifelong memory for our students. Students spending time together on their last day of eighth grade. Some of our students have never been out of state and rarely have access to such activities.

**List possible disadvantages of your proposal:**

The only disadvantage would be possible behavior issues. We will have our principal coming to address such issues.

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

Alternatives would be a local event such as the Hellgate Jetboats. They were recommended in a Google survey and students preferred this option as the secondary preferred option.

**Superintendent's recommendation(s):**
