**FOR ACTION**

**Subject:     Resolution for Certification of Previous Serious Safety Hazard Findings**

State statute requires that we annually determine hazardous conditions within the school district that require the busing of children less than one and one-half miles from school.

This resolution becomes supporting documentation for our student transportation expense claim to the State Board of Education.

It is my recommendation to the Board to approve the Resolution for Certification of Previous Serious Safety Hazard Findings as presented.

**Recommendation:** The Board approve the attached resolution as presented.
