

**CONSIDERATION OF APPROVAL OF THE CONCUSSION OVERSIGHT TEAM  
(COT) FOR 2018-19 SCHOOL YEAR**

**Action Item:**

Each district must establish a Concussion Oversight Team (COT), and this action item will allow for COT membership approval for this coming school year. As in the past, we still have an agreement with Good Shepherd Medical Center-Longview, who helps us comply with state law regarding concussions (prevention, information, diagnosis, treatment, etc.)

**Recommendation:**

I recommend the COT members be approved as presented.
